CRC Press  
Why covered  
calls are so  
popular, how  
they limit your  
risks, and how

to use them  
successfully.  
Most traders  
who consider  
options have  
heard of the  
popular  
strategy, the  
covered call.  
This is a very  
safe options  
strategy  
because it

produces a  
profit better  
than just  
owning stock  
in most  
possible  
outcomes. A  
“covered” call  
exists when  
you own 100  
shares of the  
underlying  
stock, and sell

a call....  
*Practical Considerations in Picking the Covered Call* Oxford University Press, USA  
A radically inclusive, intersectional, and transnational approach to the fight for women's rights. Upper-middle-class white women have long been heralded as "experts" on feminism. They have presided over multinational feminist organizations and written much of what we consider the feminist canon, espousing sexual liberation and satisfaction, LGBTQ inclusion, and racial solidarity, all while branding the language of the movement itself in whiteness and speaking over Black and Brown women in an effort to uphold privilege and perceived cultural superiority. An American Muslim woman, attorney, and political philosopher, Rafia Zakaria champions a reconstruction of feminism in *Against White Feminism*, centering women of color in this transformative overview and counter-manifesto to white feminism's global, long-standing affinity with colonial, patriarchal, and white supremacist ideals. Covering such ground as the legacy of the British feminist imperialist savior complex and "the colonial thesis that all reform comes

from the West” to the condescension of the white feminist-led “aid industrial complex” and the conflation of sexual liberation as the “sum total of empowerment,” Zakaria follows in the tradition of intersectional feminist forebears Kimberlé Crenshaw, Adrienne Rich, and Audre Lorde. Zakaria ultimately refutes and reimagines the apolitical aspirations of white feminist empowerment in this

staggering, radical critique, with Black and Brown feminist thought at the forefront. *It's Not Just a Phone Call* Simon and Schuster Every so called, Black man, woman, child wants to believe that slavery is over. The reason being for this belief is because times have changed. But that's not true, times may have change, and the institution of slavery has changed with it, in how its

introduced. Slavery has taken on a new form, and its through words, words that would imprison our minds  
**A Political History of ACT UP New York, 1987-1993**  
 Routledge  
 Foo Fighters emerged from the morass of suicide and potent musical legacy that was Nirvana to establish themselves against all odds as one of the most popular rock bands in the world. Deflecting early critical

disdain, Dave Grohl has single-handedly reinvented himself and cemented his place in the rock pantheon. This is his story, from his pre-Nirvana days in hardcore band *Scream* to his current status as a festival conquering, Grammy winning, platinum-selling grunge legend. Across the entire body of Foo Fighters albums, the whole legendary Nirvana tale, the pre-history

in the nascent Seattle scene and Grohl's flirtations with Queens of the Stone Age and his supergroup side-project *Them Crooked Vultures*, this is an utterly comprehensive, insightful chronicle of Dave Grohl's remarkable life. Drawing on new interviews with key figures in the Grohl story, this definitive biography of one of modern rock's most influential figures includes the stories of the multi-platinum

opus *Echoes, Silence, Patience and Grace*, 2011's *Wasting Light*, which saw Grohl reunited with Nirvana producer Butch Vig and Sonic Highways, their ambitious homage to coast-to-coast US classic rock. 'FASCINATING' THE GUARDIAN *Capernica* Bonnier Zaffre Why am I here? What is God's call in my life? How do I fit God's call with my own individuality? How should God's calling

affect my career, my plans for the future, and my concepts of success? First published in 1997 by distinguished author and speaker Os Guinness, *The Call* remains a treasured source of wisdom for those who ask these questions. According to Guinness, "No idea short of God's call can ground and fulfill the truest human desire for purpose and fulfillment." In this newly updated and expanded

anniversary edition, Guinness explores the truth that God has a specific calling for each one of us and guides a new generation of readers through the journey of hearing and heeding that call. With more than 100,000 copies in print, *The Call* is for all who desire a purposeful, intentional life of faith. *Finding and Fulfilling God's Purpose For Your Life* Immortal Works *Destiny's Call*

brings to life scenes, stories and characters from the Book of Genesis. In captivating fictional short stories, *Destiny's Call* gives a glimpse of the struggles of the Patriarchs and Matriarchs, the birth and conflicts of the Tribes of Israel, and a deeper exploration of some of the colorful characters depicted in the Bible. *Destiny's Call* relies heavily on biblical and archeological sources. The

book includes questions for discussion, detailed hand-drawn maps of the ancient world, recreated genealogical records and timeline, an index of biblical references, and a glossary of biblical terms. Ben-Tzion Spitz is the author of the Torah Shorts blog (at ben-tzion.com), where he has published dozens of biblical fiction stories and biblical analysis based on ancient, medieval and

contemporary sources. Spitz has been exploring and researching biblical stories and archeological findings for over two decades. He is also the creator and lecturer of the Biblical Fiction series in Jerusalem, Israel. [An Interactive Guide to Life-Changing Books](#) Flatiron Books Pop music surrounds us - in our cars, over supermarket speakers, even when we are laid out at the dentist -

but how often do we really hear what's playing? Switched on Pop is the book based on the eponymous podcast that has been hailed by NPR, Rolling Stone, The Guardian, and Entertainment Weekly for its witty and accessible analysis of Top 40 hits. Through close studies of sixteen modern classics, musicologist Nate Sloan and songwriter Charlie Harding shift

pop from the background to the foreground, illuminating the essential musical concepts behind two decades of chart-topping songs. In 1939, Aaron Copland published *What to Listen for in Music*, the bestseller that made classical music approachable for generations of listeners. Eighty years later, Nate and Charlie update Copland's idea for a new audience and

repertoire: 21st century pop, from Britney to Beyoncé, Outkast to Kendrick Lamar. Despite the importance of pop music in contemporary culture, most discourse only revolves around lyrics and celebrity. *Switched on Pop* gives readers the tools they need to interpret our modern soundtrack. Each chapter investigates a different song and artist, revealing musical insights such

as how a single melodic motif follows Taylor Swift through every genre that she samples, André 3000 uses metric manipulation to get listeners to "shake it like a Polaroid picture," or Luis Fonsi and Daddy Yankee create harmonic ambiguity in "Despacito" that mirrors the patterns of global migration. Replete with engaging discussions and eye-catching illustrations, *Switched on*

Pop brings to life the musical qualities that catapult songs into the pop pantheon. Readers will find themselves listening to familiar tracks in new ways and not just those from the Top 40. The timeless concepts that Nate and Charlie define can be applied to any musical style. From fanatics to skeptics, teenagers to octogenarians, non-musicians to professional composers, every music lover will discover something ear-opening in Switched on Pop. *Hood Feminism* Simon and Schuster The instant #1 New York Times, Wall Street Journal, and USA Today bestseller The breakout poetry collection by #1 New York Times bestselling author and presidential inaugural poet Amanda Gorman Formerly titled *The Hill We Climb* and *Other Poems*, the luminous poetry collection by #1 New York Times bestselling author and presidential inaugural poet Amanda Gorman captures a shipwrecked moment in time and transforms it into a lyric of hope and healing. In *Call Us What We Carry*, Gorman explores history, language, identity, and erasure through an imaginative and intimate collage. *Harnessing the collective*

grief of a global pandemic, this beautifully designed volume features poems in many inventive styles and structures and shines a light on a moment of reckoning. Call Us What We Carry reveals that Gorman has become our messenger from the past, our voice for the future. [You Call This Democracy?](#) Avid Reader Press / Simon & Schuster An Essential Reference for Intermediate

and Advanced R Programmers Advanced R presents useful tools and techniques for attacking many types of R programming problems, helping you avoid mistakes and dead ends. With more than ten years of experience programming in R, the author illustrates the elegance, beauty, and flexibility at the heart of R. The book develops the necessary skills to

produce quality code that can be used in a variety of circumstances. You will learn: The fundamentals of R, including standard data types and functions Functional programming as a useful framework for solving wide classes of problems The positives and negatives of metaprogramming How to write fast, memory-efficient code This book not only helps current R users become R

programmers but also shows existing programmers what's special about R. Intermediate R programmers can dive deeper into R and learn new strategies for solving diverse problems while programmers from other languages can learn the details of R and understand why R works the way it does.

Notes from the Women That a Movement Forgot W. W.

Norton & Company While the Grohl family had always been musical- the family sang together on long car trips, harmonizing to Motown and David Bowie-Virginia never expected her son to become a musician, let alone a rock star. But when she saw him perform in front of thousands of screaming fans for the first time, she knew that rock stardom was meant to be for her son. And as

Virginia watched her son's star rise, she often wondered about the other mothers who raised sons and daughters who became rock stars. Were they as surprised as she was about their children's fame? Did they worry about their children's livelihood and wellbeing in an industry fraught with drugs and other dangers? Did they encourage their children's

passions despite the odds against success, or attempt to dissuade them from their grandiose dreams? Do they remind their kids to pack a warm coat when they go on tour? Virginia decided to seek out other rock star mothers to ask these questions, and so began a two-year odyssey in which she interviewed such women as Verna Griffin, Dr. Dre's mother; Marianne Stipe, Michael

Stipe of REM's mother; Janis Winehouse, Amy Winehouse's mother; Patsy Noah, Adam Levine's mother; Donna Haim, mother of the Haim sisters; Hester Diamond, Mike D of The Beastie Boys' mother. With exclusive family photographs and a foreword by Dave Grohl, *From Cradle to Stage* will appeal to mothers and rock fans everywhere. [Destiny's Call](#) Beach Lane Books

Looks at the life of Dave Grohl, a rock star known for his work with Nirvana, Queens of the Stone Age, Them Crooked Vultures and the band he founded, Foo Fighters, in a book that draws on personal interviews with Nirvana producer Butch Vig, Queens of the Stone Age front man Josh Homme and Grohl himself. **The Life and Times of Dave Grohl** Simon and Schuster The adventures of

an unusual dog, part St. Bernard, part Scotch shepherd, forcibly taken to the Klondike gold fields where he eventually becomes the leader of a wolf pack. [A Call for Connection](#) HarperCollins UK Learn all about the history of voting rights in the United States—from our nation’s founding to the present day—in this powerful picture book from the New York Times bestselling

author of The Pout-Pout Fish. A right isn’t right till it’s granted to all... The founders of the United States declared that consent of the governed was a key part of their plan for the new nation. But for many years, only white men of means were allowed to vote. This unflinching and inspiring history of voting rights looks back at the activists who answered equality’s call, working tirelessly to secure the

right for all to vote, and it also looks forward to the future and the work that still needs to be done. [Stories from the Mothers Who Rocked and Raised Rock Stars](#) Eerdmans Books for Young Readers A school trip to the science museum inspires a curious girl to make a connection with a shy, silent boy in her class. **Psych: The Call of the Mild** Penguin -Why did the American

Government fail to stop telemarketing, sales and scam calls?- Why do they keep calling us over and over again?- what is the story behind, being on the DNC and still receiving calls on a daily basis?-How easily people are scamming us?-What I should do exactly when I receive a call, mail, email from an unknown guy?Someone located out there in overseas is answering all of this questions for

you.and you gotta remember when the thief himself tells you, how to protect your home from Robbery, then you should listen to him Because the Writer once was one of them.From Back Cover: " Go and get yourself a better job, a job you will be proud of, a job you will tell your kids about "For almost 4 years since he was an agent, then a team manager, then a floor manager and a fake CEO,

He was trying so hard to do what exactly the lady told him to do, and by the way, MILTON LOMAX's story was his best achievement in his life.Are you one of those millions who keep receiving a lot of calls on a daily basis, Trying to sell or offer to you a product or a service?Have you ever bought something over the phone?Do you know someone who got scammed before?What no one else has told you,

IT's NOT JUST  
A PHONE CALL  
Will: - Answer  
the question  
you keep  
asking  
yourself "what  
is going on"?-  
You won't be  
the Victim  
anymore.- You  
will learn how  
you can fine  
them up to  
40,654 \$ per  
call.- You will  
be able to  
stop them,  
play them or  
even hurt  
them real bad.  
You will not  
only be able  
to bring the  
table but also  
with the  
chairs.  
This Is a Call  
Ballantine  
Books  
Who would  
ever suspect

that their  
mentor,  
teacher, and  
friend is a  
cold-blooded  
killer?  
Attorney  
Jessie Martin  
didn't--at least  
not until she  
answers the  
midnight call.  
Late one  
August night,  
Jessie's  
lifelong  
mentor and  
friend--and  
presently a  
popular,  
charismatic,  
and handsome  
high school  
teacher--  
Terrence  
Butterfield  
calls. He  
utters a  
startling  
admission:  
he's killed  
someone. He

pleads for  
Jessie's help,  
so out of  
loyalty she  
rushes to his  
aid completely  
unaware that  
she's risking  
her  
relationship,  
her career,  
and her life--  
and that of  
her unborn  
child--to help  
Terrence.  
Does Jessie's  
presence at  
Terrence's  
home  
implicate her  
in the  
gruesome  
murder of the  
teenage boy  
found in the  
basement?  
Why does  
Terrence  
betray Jessie  
when he has a  
chance to

exonerate her of any charges? Has he been a monster in disguise for all these years? To reclaim her life and prove her innocence, Jessie must untangle the web of lies and reveal the shocking truths behind the homicide. This quest turns out to be the fight of her life: to preserve everything and everyone she holds dear.

HarperTorch  
New York  
Times  
bestselling  
author Brigid

Kemmerer pens a new emotionally compelling story about two teens struggling in the space between right and wrong. When his dad is caught embezzling funds from half the town, Rob goes from popular lacrosse player to social pariah. Even worse, his father's failed suicide attempt leaves Rob and his mother responsible for his care. Everyone thinks of Maegan as a

typical overachiever, but she has a secret of her own after the pressure got to her last year. And when her sister comes home from college pregnant, keeping it from her parents might be more than she can handle. When Rob and Maegan are paired together for a calculus project, they're both reluctant to let anyone through the walls they've built. But when Maegan

learns of Rob's  
plan to fix the  
damage  
caused by his  
father, it could  
ruin more  
than their  
fragile new  
friendship . . .  
In her  
compulsively  
readable  
storytelling,  
Brigid  
Kemmerer  
pens another  
captivating,  
heartfelt novel  
that asks the  
question: Is it  
okay to do  
something  
wrong for the  
right reasons?  
*Pluto Gets the  
Call* Penguin  
An instant  
New York  
Times  
bestseller!  
"Rapinoe's  
'signature

pose' from the  
2019 FIFA  
Women's  
World Cup is  
synonymous  
to the feeling  
we got when  
finishing this  
book: heart  
full, arms wide  
and ready to  
take up space  
in this  
world."—USA  
Today Megan  
Rapinoe,  
Olympic gold  
medalist and  
two-time  
Women's  
World Cup  
champion,  
reveals for the  
first time her  
life both on  
and off the  
field. Guided  
by her  
personal  
journey into  
social justice,  
brimming with

humor,  
humanity, and  
joy, she urges  
all of us to ask  
ourselves,  
What will you  
do with your  
one life? Only  
four years old  
when she  
kicked her  
first soccer  
ball, Megan  
Rapinoe  
developed a  
love - and  
clear talent -  
for the game  
at a young  
age. But it  
was her  
parents who  
taught her  
that winning  
was much less  
important  
than how she  
lived her life.  
From  
childhood on,  
Rapinoe  
always did

what she could to stand up for what was right—even if it meant going up against people who disagreed. In *One Life*, Megan Rapinoe invites readers on a remarkable journey, looking back on both her victories and her failures, and pulls back the curtain on events we know only from the headlines. After the 2011 World Cup, discouraged by how few athletes were open about

their sexuality, Rapinoe decided to come out publicly as gay and use her platform to advocate for marriage equality. Recognizing the power she had to bring attention to critical issues, in 2016 she took a knee during the national anthem in solidarity with former NFL player Colin Kaepernick to protest racial injustice and police brutality—the first high-profile white athlete to do

so. The backlash was immediate, but it couldn't compare to the overwhelming support. Rapinoe became a force of change. Here for the first time, Rapinoe reflects upon some of the most pivotal moments in her life and career – from her realization in college that she was gay, through the disputes with soccer coaches and officials over her decision to kneel, to the first time she met her now-

fiancé WNBA champion Sue Bird, and up through suing the US Soccer Federation over gender discrimination and equal pay. Throughout, Rapinoe makes clear the obligation we all have to speak up, and the impact each of us can have on our communities. Deeply personal and inspiring, *One Life* reveals that real, concrete change lies within all of us, and asks: If we all have the same resource—this one precious

life, made up of the decisions we make every day—what are you going to do? "One Life makes it clear that Rapinoe's greatest accomplishments may ultimately come away from the soccer pitch. She's a new kind of American hero."—San Francisco Chronicle [this bridge we call home](#) Farrar, Straus and Giroux When dispatcher Charlotte Roy passes along a call to bad-boy deputy Marcus

O'Connell, they learn a six-year-old child is in danger. Can they save the girl from a desperate situation? NY Times & USA Today bestselling author Lorhainne Eckhart brings you an emotional O'Connell family novel that is both "Gut-wrenching & Riveting." When Deputy Marcus O'Connell is blindsided one night after a series of calls that comes in from an unknown

number, and the caller on the other end is a child. All he knows is she's six years old, her name is Eva, and there's someone in her house who wants to hurt her. "A new family series more suspenseful than the Friessens." Karen L. Vine Voice "This book masterfully interweaves several hot button topics and evokes feelings of anger, sympathy and even shock. A scared little girl and her

calls for help are the catalyst to a situation that quickly spirals out of control and ends in tragedy." Rebmay "Deputy Marcus O'Connell has a sixth sense when it comes to crime, honed by a troubled childhood. So when a young girl calls, asking for help, he finds himself in a hostage situation of sorts with a disillusioned ex- military and a homeless single mother."

Honest Bookworm "I truly love this author. She writes from the heart about the everyday things that actually happen in real life." Caroline L. Marcus is the ultimate bad boy turned deputy. He knows everything about how to get away with something, considering he was one of the middle of the six O'Connell siblings. He never had responsibility resting on his shoulders like his brother

Owen, and he's never been the center of attention like his little sister, Suzanne. Marcus knows how to find trouble and talk his way out of it. Now, as the head deputy for the Livingston sheriff's office, he knows everything about everybody, and no one can pull anything over on him. It's why he's such a damn good deputy. But even Marcus dreads what cops know as the third call. When Marcus

takes the call the first time, he thinks it's a prank. The second time, he knows there's a problem. The third time the call comes in and is patched through to him, he knows it's something he can't ignore. The only thing is, the girl is terrified and keeps hanging up, and Marcus knows someone is in the house with her. Where are her parents, and who is this mysterious girl who needs his help? A True Story

of Love, Lust, and Murder in Queer New York Harlequin In the highly acclaimed bestselling A Call to Action, President Jimmy Carter addresses the world's most serious, pervasive, and ignored violation of basic human rights: the ongoing discrimination and violence against women and girls. President Carter was encouraged to write this book by a wide coalition of leaders of all faiths. His

urgent report covers a system of discrimination that extends to every nation. Women are deprived of equal opportunity in wealthier nations and “owned” by men in others, forced to suffer servitude, child marriage, and genital cutting. The most vulnerable and their children are trapped in war and violence. A Call to Action addresses the

suffering inflicted upon women by a false interpretation of carefully selected religious texts and a growing tolerance of violence and warfare. Key verses are often omitted or quoted out of context by male religious leaders to exalt the status of men and exclude women. And in nations that accept or even glorify violence, this perceived inequality becomes the basis for abuse. Carter

draws upon his own experiences and the testimony of courageous women from all regions and all major religions to demonstrate that women around the world, more than half of all human beings, are being denied equal rights. This is an informed and passionate charge about a devastating effect on economic prosperity and unconscionable human suffering. It affects us all.
