GREYSON LAILA

The Professional Wardrobe Stylist Macmillan International Higher Education

Micaela Erlanger has dressed and accessorized many celebrities for the red carpet, now she's sharing her hottest fashion tips for finishing any outfit with you. It's chock-full of tips on what you really want to know: Do your bag and shoes need to match? Can you mix metals? What's the most flattering way to tie a scarf? Whether you're dressing for your birthday party, date night, a job interview, or just a trip to the supermarket, this book will help you look—and feel—confident and chic. You don't need a red carpet budget to benefit from her advice. You'll learn: · The Sunnies Algorithm: Identify your face shape and the perfect sunglasses for you. · A Flick of the Wrist: Learn to layer cuffs, bangles, chain bracelets, and charms. · Your Accessory Recipe: Avoid overaccessorizing in a few simple steps. · Steady Incline: How to choose a heel you can walk in. · Make It Up: Select a statement lip or a smoky eye. · The Rules of Seasonality: Know which fabrics work for which seasons, and which ones work all year round.

The Virtual Personal Stylist Clarkson Potter

From red-carpet events and film sets to fashion shoots and even the walk in the park, fashion stylists are the key to a star looking the part. This *On the Radar* title finds out what it takes to be a top-notch stylist, why they are considered the real trendsetters, and what their tricks are to making outfits look that extra bit more stunning. Also included are an interview with star stylist Melis Kuris and a profile of William Baker, the personal stylist and creative director to Grammy-award winner Kylie Minogue.

A Practical Guide to Becoming a Fashion Stylist Bloomsbury Publishing

In the tradition of *The Devil Wears Prada* comes Rosie Nixon's debut novel, which follows a young woman who is thrown into the fast-paced world of fashion and glamour as she's forced to navigate the treacherous Hollywood red carpets...while finding a fairytale love of her own. "A stylish, fun read, I absolutely loved it!"—Jackie Collins Amber Green loves working at Smith's, London's ultra-exclusive boutique frequented by everyone who's anyone, including Mona Armstrong, the stylist to the stars. She is fierce, demanding, and can make or break a career with a snap of her manicured nails. When Mona's latest assistant walks out and with awards season arriving faster than you can say "Rodeo Drive", Amber finds herself agreeing to work for one of the most infamous—and volatile—women in Hollywood. And the stars aren't much better. Amber's life is turned inside out as she becomes familiar with all Hollywood has to offer, on and off the red carpet. As she begins to enjoy life in the dressing rooms of the hottest stars, Amber discovers she's the one in the spotlight when she catches the attention of two very different men. But Mona's behavior is growing increasingly erratic and unless Amber can out-style everyone in Hollywood, she's in danger of being Mona's latest fashion victim.

Fashion is a very popular subject among young people. Any course with fashion as a prefix attracts lots of students. Despite this, many prospective students and people have little idea what jobs in the fashion industry entail. Fashion Styling is one of the least well researched areas in fashion colleges. The emphasis is put on the end result, i.e. visual imagery, rather than the process of creating it. This 'how to' book provides an insight into the processes you have to follow to work in this area, be it editorial, commercial or show styling. It includes an eight-week introductory programme to the subject and projects whereby students can simulate professional practice and learn the techniques and skills necessary for a career in styling. At the end of the book there is a source directory, a glossary of terms, and a bibliography which provide reference points for further research and study.

The business of *Wardrobe and Celebrity Fashion Styling* is growing rapidly. It's a popular career choice for many but some are practicing the profession without a complete and thorough education of what it takes to style professionally. This hands-on guide walks you through the profession of fashion styling and gives you detailed and concrete steps to take to be a professional fashion stylist. When you have finished this 226 page book you will be ready to enter the world of celebrity styling. excerpt: "Fashion stylists are commonly employed to style fashion shows, photo shoots, and sets for stage and film as well as parties or other events. Fashion stylists can be hired to style individual people, whether they are celebrities who need to project a certain image for their livelihood, or private people who want help figuring out their own most flattering clothes, makeup and hairstyles." "Not surprisingly, a successful stylist must possess a strong visual sense. It helps to have a background in design: art, fashion, interior, or stage. And you absolutely must have an aptitude for color. If you haven't studied color theory, the color wheel, or how color works, you will....."
