HERRING COMPTON

The Most Dangerous Book Harpercollins

"A substantially expanded version of Professor Martineau's
Drafting legislation and rules in plain English"--P. v.

A Practical Guide for Law Students and Beginning Lawyers

John Wiley & Sons

Recipient of the 2015 PEN New England Award for Nonfiction

"The arrival of a significant young nonfiction writer . . . A
measured yet bravura performance." —Dwight Garner, *The New
York Times* James Joyce's big blue book, *Ulysses*, ushered in the
modernist era and changed the novel for all time. But the genius
of *Ulysses* was also its danger: it omitted absolutely nothing.

Joyce, along with some of the most important publishers and
writers of his era, had to fight for years to win the freedom to
publish it. *The Most Dangerous Book* tells the remarkable story
surrounding *Ulysses*, from the first stirrings of Joyce's inspiration
in 1904 to the book's landmark federal obscenity trial in 1933.
Written for ardent Joyceans as well as novices who want to get to
the heart of the greatest novel of the twentieth century, *The Most
Dangerous Book* is a gripping examination of how the world came
to say Yes to *Ulysses*.

**An Introduction to Legal Terminology, Reasoning, and
Writing in Plain English** International Law Inst

A comprehensive guide to legal style and usage, with practical
advice on how to write clear, jargon-free legal prose. Includes
style tips as well as definitions.

Plain Language in Plain English University of Chicago Press

Admirably clear, concise, down-to-earth, and powerful—unfortunately, these adjectives rarely describe legal writing, whether in the form of briefs, opinions, contracts, or statutes. In *Legal Writing in Plain English*, Bryan A. Garner provides lawyers, judges, paralegals, law students, and legal scholars sound advice and practical tools for improving their written work. The book encourages legal writers to challenge conventions and offers valuable insights into the writing process: how to organize ideas, create and refine prose, and improve editing skills. In essence, it teaches straight thinking—a skill inseparable from good writing. Replete with common sense and wit, the book draws on real-life writing samples that Garner has gathered through more than a decade of teaching in the field. Trenchant advice covers all types of legal materials, from analytical and persuasive writing to legal drafting. Meanwhile, Garner explores important aspects of document design. Basic, intermediate, and advanced exercises in each section reinforce the book's principles. (An answer key to basic exercises is included in the book; answers to intermediate and advanced exercises are provided in a separate *Instructor's Manual*, free of charge to instructors.) Appendixes include a comprehensive punctuation guide with advice and examples, and four model documents. Today more than ever before, legal professionals cannot afford to ignore the trend toward clear language shorn of jargon. Clients demand it, and courts reward it. Despite the age-old tradition of poor writing in law, *Legal Writing in Plain English* shows how legal writers can unshackle themselves. *Legal Writing in Plain English* includes: *Tips on generating thoughts, organizing them, and creating outlines. *Sound advice on expressing your ideas clearly and powerfully.

*Dozens of real-life writing examples to illustrate writing problems and solutions. *Exercises to reinforce principles of good writing (also available on the Internet). *Helpful guidance on page layout. *A punctuation guide that shows the correct uses of every punctuation mark. *Model legal documents that demonstrate the power of plain English.

Language on Trial Vintage

Good legal writing wins court cases. In its first edition, *The Winning Brief* proved that the key to writing well is understanding the judicial readership. Now, in a revised and updated version of this modern classic, Bryan A. Garner explains the art of effective writing in 100 concise, practical, and easy-to-use sections. Covering everything from the rules for planning and organizing a brief to openers that can capture a judge's attention from the first few words, these tips add up to the most compelling, orderly, and visually appealing brief that an advocate can present. In Garner's view, good writing is good thinking put to paper. "Never write a sentence that you couldn't easily speak," he warns—and demonstrates how to do just that. Beginning each tip with a set of quotable quotes from experts, he then gives masterly advice on building sound paragraphs, drafting crisp sentences, choosing the best words ("Strike pursuant to from your vocabulary."), quoting authority, citing sources, and designing a document that looks as impressive as it reads. Throughout, he shows how to edit for maximal impact, using vivid before-and-after examples that apply the basics of rhetoric to persuasive writing. Filled with examples of good and bad writing from actual briefs filed in courts of all types, *The Winning Brief* also covers the new appellate rules for preparing federal briefs. Constantly collecting

material from his seminars and polling judges for their preferences, the second edition delivers the same solid guidelines with even more supporting evidence. Including for the first time sections on the ever-changing rules of acceptable legal writing, Garner's new edition keeps even the most seasoned lawyers on their toes and writing briefs that win cases. An invaluable resource for attorneys, law clerks, judges, paralegals, law students and their teachers, *The Winning Brief* has the qualities that make all of Garner's books so popular: authority, accessibility, and page after page of techniques that work. If you're writing to win a case, this book shouldn't merely be on your shelf--it should be open on your desk.

A Dictionary of Modern Legal Usage University of Chicago Press
 This book provides a comprehensive guide to the essential rules of legal writing. Unlike most style or grammar guides, it focuses on the special needs of legal writers, answering a wide spectrum of questions about grammar and style -- both rules and exceptions. It also gives detailed, authoritative advice on punctuation, capitalization, spelling, footnotes, and citations, with illustrations in legal context. Designed for law students, law professors, practicing lawyers, and judges, the work emphasizes the ways in which legal writing differs from other styles of technical writing. Its how-to sections deal with editing and proofreading, numbers and symbols, and overall document design. Features: * Cautions on use of 500 stuffy phrases and needless legalisms, along with their everyday English translations * Details rules for 800 words with required prepositions in certain contexts * Explains the correct usage of more than 1,000 words that are often troublesome to legal writers * Gives tips on

preparing briefs and other court documents, opinion letters and demand letters, research memos, and contracts * Provides model documents of all types of legal documents and pleadings Reviews 200 terms of art that take on new meanings in legal contexts

The Redbook Oxford University Press

Law school can be a joyous, soul-transforming challenge that leads to a rewarding career. It can also be an exhausting, self-limiting trap. It all depends on making smart decisions. When every advantage counts, *A Student's Guide to Law School* is like having a personal mentor available at every turn. As a recent graduate and an appellate lawyer, Andrew Ayers knows how high the stakes are—he's been there, and not only did he survive the experience, he graduated first in his class. In *A Student's Guide to Law School* he shares invaluable insight on what it takes to make a successful law school journey. Originating in notes Ayers jotted down while commuting to his first clerkship with then-Judge Sonia Sotomayor, and refined throughout his first years as a lawyer, *A Student's Guide to Law School* offers a unique balance of insider's knowledge and professional advice.

Organized in four parts, the first part looks at tests and grades, explaining what's expected and exploring the seven choices students must make on exam day. The second part discusses the skills needed to be a successful law student, giving the reader easy-to-use tools to analyze legal materials and construct clear arguments. The third part contains advice on how to use studying, class work, and note-taking to find your best path. Finally, Ayers closes with a look beyond the classroom, showing students how the choices they make in law school will affect their career—and even determine the kind of lawyer they become. The

first law school guide written by a recent top-ranked graduate, *A Student's Guide to Law School* is relentlessly practical and thoroughly relevant to the law school experience of today's students. With the tools and advice Ayers shares here, students can make the most of their investment in law school, and turn their valuable learning experiences into a meaningful career.

NlrB Style Manual University of Chicago Press

Modern Legal Drafting provides a comprehensive, authoritative guide to drafting legal documents in effective, plain English. Peter Butt, a leading expert in the field, has fully revised and updated the text for this new edition. It combines a practical focus with the legal principles that underpin the use of plain language in law. This dual practical and academic approach distinguishes it from other books in the field. It includes expanded material on the techniques for achieving a style that is both clear and legally sound. It also includes new material on the challenges and merits of drafting in plain language, and provides many before-and-after examples to help both practising lawyers and students develop their skills. It takes an international approach, drawing upon case law and statutes from England, Australia, New Zealand, the United States, Canada, Ireland, India, Malaysia, Singapore and Hong Kong.

The Elements of Legal Style Penguin

This book seeks to change public and legal writing—by making the ultimate case for plain language. The book gathers a large body of evidence for two related truths: using plain language can save businesses and government agencies a ton of money, and plain language serves and satisfies readers in every possible way. The book also debunks the ten biggest myths about plain writing.

And it looks back on 40 highlights in plain-language history. Professor Joseph Kimble is a leading international expert on this subject. Here is the book that sums up his important work. His message is vital to every government writer, business writer, and attorney.

Modern Legal Drafting Currency

A complete guide to clean, precise and understandable legal writing So many books give you advice that turns out to be hollow: "know your audience," "structure your writing." The real strength in *Plain Language Legal Writing* is how, throughout, Stephens provides clear instructions on how to accomplish what she's recommending. Instead of just telling you to plan what you're going to write, she walks you step-by-step through the planning. Instead of telling you to consider your audience before writing, she describes in detail the sorts of audiences a legal document might have (more than you'd expect!) and how to best meet their needs. *Plain Language Legal Writing* will help you produce documents that people are willing to read and able to understand. Tackling the obfuscation inherent in legal language, Flesch isolates the elements in legal writing that make most documents beyond the layman's comprehension and offers remedies for each obstacle to easy reading and understanding

A Plain English Handbook Robson Books Limited

From a master teacher and writer, a fully revised and updated edition of the results-oriented approach to legal writing that is clear, that persuades—and that WINS. More than almost any

profession, the law has a deserved reputation for opaque, jargon-clogged writing. Yet forceful writing is one of the most potent weapons of legal advocacy. In this new edition of *Writing to Win*, Steven D. Stark, a former lecturer on law at Harvard Law School, who has inspired thousands of aspiring and practicing lawyers, applies the universal principles of powerful, vigorous prose to the job of making a legal case—and winning it. *Writing to Win* focuses on the writing of lawyers, not judges, and includes dozens of examples of effective (and ineffective) real-life legal writing—as well as compelling models drawn from advertising, journalism, and fiction. It deals with the challenges lawyers face in writing, from organization to strengthening and editing prose; offers incisive ways of improving arguments; addresses litigation and technical writing in all its forms; and covers the writing attorneys must perform in their daily practice, from email memos to briefs and contracts. Each chapter opens with a succinct set of rules for easy reference. With new sections on client communication and drafting affidavits, as well as updated material throughout, *Writing to Win* is the most practical and efficacious legal-writing manual available.

A Text with Exercises Carolina Academic Press LLC

This book looks at the forces that have made traditional legal language what it is today and suggests some reasons why the law needs plain English. It also shows why most of its peculiarities are unnecessary.

The Legal Writer Oxford University Press, USA

This book shows you how to write for customers and clients in language that's easy to understand. It is a thorough companion to the writing process, with comprehensive guidance

and advice on understanding your readers, planning and creating your text, and presenting your words in a good design. The contributor list reads like a who's who of plain language experts. *Plain Language in Plain English* is a valuable resource for governments, businesses, service providers, and professionals in any field to improve their communication. From organizational guidelines, literacy awareness, and reader expectations, to effective speaking strategies for presentations, *Plain Language in Plain English*, is a comprehensive tool to have in your communication toolbox.

The Art of Persuading Judges Threshold Editions

Presents the basics of writing legal briefs and giving oral arguments, with discussions on the essentials of building a case through legal reasoning and the key elements of persuasive and successful oral pleading in the courtroom.

Point Made University of Chicago Press

Wayne Schiess's monthly column on legal writing has appeared in *Austin Lawyer* magazine for more than ten years. Now, *Legal-Writing Nerd* collects the best of those columns and presents them in a practical, useful book that's bound to raise your writing IQ. Lawyers, judges, paralegals, and law students will find dozens of ways to improve their legal writing in this informative and plainly written book.

Legal Writing Nerd Createspace Independent Publishing Platform

"Pinker has a lot of ideas and sometimes controversial opinions about writing and in this entertaining and instructive book he rethinks the usage guide for the 21st century. Don't blame the internet, he says, good writing has always been hard. It requires imagination, taking pleasure in reading, overcoming the difficult

we all have in imagining what it's like to not know something we do know."--Publisher information.

Lifting the Fog of Legalese Vishal Gupta

On the surface, law schools today are thriving. Enrollments are on the rise, and their resources are often the envy of every other university department. Law professors are among the highest paid and play key roles as public intellectuals, advisers, and government officials. Yet behind the flourishing facade, law schools are failing abjectly. Recent front-page stories have detailed widespread dubious practices, including false reporting of LSAT and GPA scores, misleading placement reports, and the fundamental failure to prepare graduates to enter the profession. Addressing all these problems and more in a ringing critique is renowned legal scholar Brian Z. Tamanaha. Piece by piece, Tamanaha lays out the how and why of the crisis and the likely consequences if the current trend continues. The out-of-pocket cost of obtaining a law degree at many schools now approaches \$200,000. The average law school graduate's debt is around \$100,000—the highest it has ever been—while the legal job market is the worst in decades, with the scarce jobs offering starting salaries well below what is needed to handle such a debt load. At the heart of the problem, Tamanaha argues, are the economic demands and competitive pressures on law schools—driven by competition over U.S. News and World Report ranking. When paired with a lack of regulatory oversight, the work environment of professors, the limited information available to prospective students, and loan-based tuition financing, the result is a system that is fundamentally unsustainable. Growing concern with the crisis in legal education has led to high-profile

coverage in the Wall Street Journal and the New York Times, and many observers expect it soon will be the focus of congressional scrutiny. Bringing to the table his years of experience from within the legal academy, Tamanaha has provided the perfect resource for assessing what's wrong with law schools and figuring out how to fix them.

Thurgood Marshall and the Supreme Court Nomination that Changed America Legal Writing in Plain English, Second Edition
A Text with Exercises

Legal Writing Style promotes the art of good writing by teaching students and practitioners the tools to make their prose clear, precise, simple, and forceful. With examples of what works and what doesn't, this short but comprehensive treatise provides an invaluable resource for recasting writing for maximum impact and ultimate success.

Writing to Win Oxford University Press, USA

Finalist for the 2021 National Book Award for Nonfiction Winner of the 2022 Asian/Pacific American Award in Literature A TIME and NPR Best Book of the Year in 2021 This evocative memoir of food and family history is "somehow both mouthwatering and heartbreaking... [and] a potent personal history" (Shelf Awareness). Grace M. Cho grew up as the daughter of a white American merchant marine and the Korean bar hostess he met abroad. They were one of few immigrants in a xenophobic small town during the Cold War, where identity was politicized by everyday details—language, cultural references, memories, and food. When Grace was fifteen, her dynamic mother experienced the onset of schizophrenia, a condition that would continue and evolve for the rest of her life. Part food memoir, part sociological

investigation, *Tastes Like War* is a hybrid text about a daughter's search through intimate and global history for the roots of her mother's schizophrenia. In her mother's final years, Grace learned to cook dishes from her parent's childhood in order to invite the past into the present, and to hold space for her mother's multiple voices at the table. And through careful

listening over these shared meals, Grace discovered not only the things that broke the brilliant, complicated woman who raised her—but also the things that kept her alive. “An exquisite commemoration and a potent reclamation.” —Booklist (starred review) “A wrenching, powerful account of the long-term effects of the immigrant experience.” —Kirkus Reviews
