 Lucerne (Luzern in German, Lozärn in Swiss-German, Lucerna in Italian) is a beautiful small city in the heartland of

Switzerland, across the lake from Altdorf, where legend has it William Tell shot an apple off his son's head. In addition to being a fine place to visit in and of itself Lucerne is a great base from which to explore famous Swiss sites such as Mount Rigi and the Rütli Meadow. The first city to join the Swiss Confederation, today Lucerne is a lovely small city with a thriving tourism industry, owing mainly to its status as a gateway to Central Switzerland. The city became a center of Swiss history and legend. Tourism in Lucerne has a distinguished history dating from the mid 19th century, with Mark Twain among them. In "A Tramp Abroad" he recalls the nascent souvenir business, and other budding examples of the tourism trade. Wink Travel Guides

introduce you to the best world travel destinations, in a clear and concise way, illustrated by photos.

Lucerne is a popular destination for many reasons. Located in central Switzerland, this historic city has much to offer just by itself. When adding in the incredible mountains, lake journeys, and outdoor activities, the area provides amazing experiences at every turn. This Starting-Point Guide covers Lucerne, much of the Lake Lucerne area, and many mountain adventures ranging from tall mountain peaks to low-key family adventures. You will find details in this guide on suggested day trips, Lucerne city attractions, where to stay, which mountain to explore, and much more. A guide for travelers who wish to use one city such as Lucerne as their basecamp to travel the area and not move from town to town as

they travel through Europe. You will find numerous graphs, maps, and photographs to help orient you to this historic area.

Guidance on how to get around town and an orientation to the most popular sites is included. This guide focuses on the city and nearby attractions. This is not a complete guide to all of central Switzerland. Such a guide would go beyond the suggested scope of staying in one town and having enjoyable day trips from there.

Guide to Lucerne, the Lake and Its Environs

Luzern, die Stadt vor dem Pilatus, am Vierwaldstättersee, eingerahmt von schneebedeckten Bergen und sanften Hügeln, ausgestattet mit Brücken und Kirchen, Herrschaftshäusern und Grand Hotels, Altstadtgassen und Seepromenaden, dieses malerische Bild ist weltbekannt. Dass die Stadt aber auch über eine beachtliche Baukultur des 20. Jahrhunderts bis zu Bauten aus der Hand von europaweit bekannten Architekten wie Jean Nouvel, Diener & Diener und Hans Kollhoff verfügt, das vermag der seit langem fällige Architekturführer Luzern eindrücklich zu erhellen. In sechs 'Spaziergängen durch Raum und Zeit' und einem 'Abstecher' in die acht Agglomerationsgemeinden beschreibt und dokumentiert der Autor und profunde Kenner der Schweizerischen und der Luzerner Architektur des 20. Jahrhunderts, Otti Gmür, systematisch die wichtigsten Bauten des 20. Jahrhunderts und der Gegenwart. Beschreibungen von Ensembles, historische und neue Übersichtspläne und die Berücksichtigung von früheren Bauten, die Teil von Ensembles sind oder die in jüngster Zeit

Adaptionen und Veränderungen erfahren haben, runden das Bild über die Stadt Luzern und ihre städtebauliche Entwicklung ab. Der Führer ist Animator und Begleiter zu einem realen oder imaginären Besuch Luzerns.
