Motocross began in England in the 1920s and took firm root in post-war Europe. After arriving in North America in the late 1960s, the sport was embraced by enthusiasts and developed into an American phenomenon. By the early 1980s riders from the USA were dominating the sport's

natural-terrain circuits, and the uniquely-American spinoff discipline of Supercross was packing NFL stadiums nationwide. In 2005, the Motorcycle Hall of Fame Museum created an exhibit, Motocross America, which celebrates the history of American motocross. Motocross America is a lavishly illustrated book that features the bikes and memorabilia from the museum display and text by Bill Amick. The Motocross America exhibit is open to the public at the Motorcycle Hall of Fame Museum in Pickerington, Ohio, through 2006.

**Cycle World Magazine** Fulton Books, Inc.

The Complete Idiot's Guide to Motorcycles, Fourth Edition, is the

most complete book on motorcycles, covering everything from how to choose and maintain a motorcycle and how to buy appropriate gear, to how to ride safely, and how to make the most out of trips on the open road.

Motocross Grand Prix, the toughest sport in the world played out over 20 weekends at tracks around the world. The embodiment of sporting passion, sacrifice, struggle and accomplishment where man and machine combine to conquer mud, dust, sand and above all else the other 39 riders on the start gate. Following on from *Living the Dream* - life inside Britain's most successful MXGP team, which chronicled the business of running a Grand Prix motocross team, *Chasing the Dream* follows Hitachi KTM fuelled by Milwaukee teammates Conrad Mewse and Bas Vaessen as they take on the 2019 MXGP and British MX championship season, using exclusive

interviews, insights and insider information on behind the scenes. The story also draws on the experiences of past, present and future racers who lay bare the tears, emotions and joy that defines our sport as they pursue the ultimate prize....to be champion. The rewards for success can be huge, and rightly so, but success doesn't come easily. The drama, emotions, pain and results of the 2019 season are captured here. Has it been worth it? Only you can judge as the riders' stories unfold.

Crabtree Publishing Company

Describes the sport of motocross, including the motorcycles and equipment, the skills needed, and related sporting events.

American Motorcyclist

Motocross Racers 30 Years of Legendary Dirt Bikes

James P. Hayes Sr.

begins his storied motorcycle career in the shade of a tree atop Roan Mountain, Tennessee, in 1936. Winston Johnson is a multitalented motocross racer offering other riders a track to practice, play, and worship. The facility opened in 2019 off Interstate 81 in Abingdon, Virginia.

Johnson is not only a businessman but also the lead minister at Renewed Church in Kingsport, Tennessee.

Between the years of 1936 and today, hundreds of dirt-track heats, flat-track mains, endurance runs, scrambles, cross-country events, hare-scramble courses, hill climbs, motocross

tracks, and field events have been held in the region to give thousands of riders a chance to compete. Some of the many competitions and special events held over the past seventy years are reported in the book. 1

**MARCH 2002** Causey Enterprises, LLC  
Rein's summer of dreams will soon become a season of nightmares. What begins as a farewell trip for a group of eight lifelong suburban friends becomes far more permanent than they had planned. When a four-wheeler accident in an ancient forest awakens a centuries-old curse, new friends are made and old friends die. Wrapped in a world

unlike anything she ever imagined, Rein is forced to confront the demons of her family's past. As she denies the love she feels for her best friend's twin brother, Conley, they fight an array of magical beasts whose sole intention is to kill anything human and reclaim the earth for their own.

*CYCLE TRADER, APRIL 2002* Plunkett Research, Ltd. Motocross is all about getting down and dirty and having fun doing it. In this photo-packed spin through the sport, readers can catch the thrill and at the same time learn all there is to know about motocross, from the basics to the finer points of the bikes, the riders, and the techniques of crashing without burning. Joe Bonnelo captures the different sides of the sport - Motocross, Supercross, Enduro, Hare Scrambles, Trials, ISDE, Supermoto, and Endurocross - with the breathstopping shots of the bikes in action. He sketches the history of motocross in words and pictures, profiles it heroes, surveys the magazines that provide

in-depth coverage, and reviews the ten best ways if crashing. As part of the Motorbooks Gallery series, this title is filled with dozens of color photos from one of the sport's leading photographers, and is bound in a flexi-binding for durability and affordability.

American Motorcyclist  
Causey Enterprises,  
LLC

In this book 30 significant examples of restored race bikes are profiled with colour photography and detailed information about the machine's race pedigree and historical significance. [From back cover].

Cycle World Causey
