*The Rolling Stones: Fifty Years* Routledge  
Margaret Thatcher, Rupert Murdoch, Prince Charles, Mick Jagger - four figures who have illuminated our age. ·Margaret Thatcher - the first female Prime Minister, who dedicated herself with messianic zeal to breaking the mould of post-war British politics ·Rupert Murdoch - the billionaire media mogul whose empire,

built on an ethical void, has polluted the channels of communication from London to Sydney, from New York to New Guinea ·Prince Charles - the royal dilettante whose erratic exploits shook the throne and put his own succession to it at risk ·Mick Jagger - lead singer of the Rolling Stones, who embodied the sixties counter-culture of sex and drugs and rock 'n' roll yet aspired to be a gentleman and accepted a knighthood at the behest of Tony Blair. A sequel to Brendon's bestselling *Eminent Edwardians*, *Eminent Elizabethans* is written in the same witty, ironic and irreverent style and reveals how each one played out a

major theme in the new Elizabethan medley. Each is vividly and vitally depicted through pungent anecdote, piquant quotation and mordant commentary. In short, these brilliant miniatures are as entertaining as they are illuminating.

*The Popular Music Teaching Handbook* Simon and Schuster

This is an examination of the crucial formative period of Chinese attitudes toward nuclear weapons, the immediate post-Hiroshima/Nagasaki period and the Korean War. It also provides an account of US actions and attitudes during this period and China's response.

Blown Away Little, Brown

Exploding onto the world stage in 1991 with their multi-platinum first album, *Ten*, Pearl Jam courted controversy and conflict. They won credibility with their astounding second album, *Vs.*, in 1993, which became the fastest-selling American album of all time. In *Pearl Jam and Eddie Vedder: None Too Fragile*, Martin Clarke brings to life the band's tumultuous history; from their beginnings amidst Seattle's grunge underground, through the excesses and pressures of superstardom, to their current incarnation as mature rock heavyweights.

*Songs That Hate Women and the Women Who Love Them* Trine Day

The *Encyclopedia of Music in the 20th Century* is an alphabetically arranged encyclopedia of all aspects of music in various parts of the world during the 20th century. It covers the major musical styles--concert music, jazz, pop, rock, etc., and such key genres as opera, orchestral music, be-bop, blues, country, etc. Articles on individuals provide biographical information on their life and works, and explore the contribution

each has made in the field. Illustrated and fully cross-referenced, the *Encyclopedia of Music in the 20th Century* also provides Suggested Listening and Further Reading information. A good first point of reference for students, librarians, and music scholars--as well as for the general reader.

Adoption, Emulation, and Creativity Omnibus Press

A collection of original, off-the-cuff remarks by and about The Rolling Stones, unearthed and reassembled into a vivid verbal documentary. Containing outrageous opinions, unrehearsed interviews and impromptu but headline grabbing quotes. A candid and insightful history and an authentic taste of the group in their heyday and the cultural landscape they helped define.

**The Sun & The Moon & The Rolling Stones** Omnibus Press

In the fourteen years that A. E. Hotchner traveled with Ernest Hemingway, he collected a lifetime's worth of Hemingway's experiences, anecdotes, and observations on the backs of matchbooks, napkins, and slips of paper. Speaking on everything from war to women to writing, Hemingway's words are at turns funny and poignant, revealing a rich portrait of the American literary giant and the world he took by storm. Complete with black-and-white photographs that cover nearly two decades of Hemingway's life, *The Good Life According to Hemingway* is an exuberant celebration of his remarkable genius and the chaotic adventure of his life.

*Everyone Comes to Elaine's* by A. E. Hotchner has descriptive copy which is not yet available from the Publisher.

*'They Call My Name Disturbance'* Harper Collins

A lively examination of the most legendary (and least understood) rivalry in the annals of rock 'n' roll: "Beatles vs. Stones is one of the best rock biographies I have seen this year...If you thought you knew everything there was to know about these two groups, think again" (Seattle Post-Intelligencer). In the 1960s an epic battle was waged between the two biggest bands in the world—the lovable Beatles and the bad-boy Rolling Stones. Both groups liked to maintain that they weren't really "rivals"—that was just a media myth, they politely said—and yet they plainly competed for commercial success and aesthetic credibility. On both sides of the Atlantic, fans often aligned themselves with one group or the other. In *Beatles vs. Stones*, John McMillian gets to the truth behind the ultimate rock and roll debate. Painting an eye-opening portrait of a generation dragged into an ideological battle between Flower Power and New Left militance, McMillian reveals how the Beatles-Stones rivalry was created by music managers intent on engineering a moneymaking empire. He explores how the Beatles were marketed as cute and amiable, when in fact they came from hardscrabble backgrounds in Liverpool. By contrast, the Stones were cast as an edgy, dangerous group, even though they mostly hailed from the chic London suburbs. For many years, writers and historians have associated the Beatles with the gauzy idealism of the "good" sixties, placing the Stones as representatives of the dangerous and nihilistic "bad" sixties. *Beatles vs. Stones* is "balanced, informed, yet still passionate...Even the most gnarled and intransigent veterans of the debate will emerge enlightened by this book....McMillian negotiates these thickets with insight, care, and a willingness to unsettle clichés" (The New York Times

Book Review).

**Blown Away** Welbeck Publishing Group

*As Years Go By* is a richly detailed portrait of Marianne Faithfull, the woman who has lived an incredible life, one that far transcends her best known role as courtesan to the chief rolling stone.

**Eminent Elizabethans** Simon and Schuster

The Rolling Stones' *Beggars Banquet* is one of the seminal albums in rock history. Arguably it not only marks the advent of the 'mature' sound of the Rolling Stones but lays out a new blueprint for an approach to blues-based rock music that would endure for several decades. From its title to the dark themes that pervade some of its songs, *Beggars Banquet* reflected and helped define a moment marked by violence, decay, and upheaval. It marked a move away from the artistic sonic flourishes of psychedelic rock towards an embrace of foundational streams of American music - blues, country - that had always underpinned the music of the Stones but assumed new primacy in their music after 1968. This move coincided with, and anticipated, the 'roots' moves that many leading popular music artists made as the 1960s turned toward a new decade; but unlike many of their peers whose music grew more 'soft' and subdued as they embraced traditional styles, the music and attitude of the Stones only grew harder and more menacing, and their status as representatives of the dark underside of the 60s rock counterculture assumed new solidity. For the Rolling Stones, the 1960s ended and the 1970s began with the release of this album in 1968.

*The Making of the Rolling Stones* Oxford University Press

This history of the Who highlights the band's career and cultural impact. Readers learn about the Who's beginnings in Britain, their embodiment of youth subcultures, and the legacy of iconic albums. Engaging text, historic photographs, and sidebars bring the story of the Who to life. Features include a timeline, glossary, websites, source notes, and an index. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

*The Encyclopedia of Popular Music* Routledge

Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region, bringing together Orange County's most affluent coastal communities through smart, fun, and timely editorial content, as well as compelling photographs and design. Each issue features an award-winning blend of celebrity and newsmaker profiles, service journalism, and authoritative articles on dining, fashion, home design, and travel. As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation, Orange Coast is the definitive guidebook into the county's luxe lifestyle.

*Off the Record* University Press of New England

Three dramatic and emblematic stories intertwine in Zachary Lazar's extraordinary novel, *Sway* -- the early days of the Rolling Stones, including the romantic triangle of Brian Jones, Anita Pallenberg, and Keith Richards; the life of avant-garde filmmaker Kenneth Anger; and the community of Charles Manson and his followers. Lazar illuminates an hour in American history when rapture found its roots in idolatrous figures and led to unprovoked and inexplicable violence. Connecting all the stories in this novel

is Bobby Beausoleil, a beautiful California boy who appeared in an Anger film and eventually joined the Manson "family." With great artistry, Lazar weaves scenes from these real lives together into a true but heightened reality, making superstars human, giving demons reality, and restoring mythic events to the scale of daily life.

*What You Don't Know About the Deaths of Jim Morrison, Tupac Shakur, Michael Hutchence, Brian Jones*, Simon & Schuster  
Rich Cohen enters the Stones epic as a young journalist on the road with the band and quickly falls under their sway—privy to the jokes, the camaraderie, the bitchiness, the hard living. Inspired by a lifelong appreciation of the music that borders on obsession, Cohen's chronicle of the band is informed by the rigorous views of a kid who grew up on the music and for whom the Stones will always be the greatest rock 'n' roll band of all time.

*Baby You're a Rich Man* Simon and Schuster

"First published in the United States of America by Viking."  
*The Rockin' 60s: The People Who Made the Music* Harlequin  
A rogue wind blows hang glider Kara Abbott off course and snags her on a branch jutting from a canyon wall. The wind buffets her. She fears the branch won't hold. Then, from the cliff above, comes help.... Being rescued by gorgeous K-9 Officer Cole Winslow is a fantasy come true for single mom Kara Abbott--especially when Cole continues to be there for her and her eight-year-old son. Yet Kara senses she wants more from Cole than he's willing to give. And Cole is holding back--but not for the reasons she thinks. Now it's Kara's turn to be there for Cole, and rescue him...from the grip of his past.

*Beatles Vs. Stones* Simon and Schuster

Draws on recollections from artists who have been inspired by the Rolling Stones' enigmatic front man, presented in an episodic format that combines biographical information with cultural history.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

*Music in the 20th Century (3 Vol Set)* Harper Collins

The fascination with tragedy and the subsequent theatre of voyeurism are part of human nature, especially when it involves our icons, celebrities and musicians. *Knocking On Heaven's Door* is the definitive book of rock 'n' roll, pop, R&B and blues deaths. Often, only the biggest selling artists are written about and sometimes it is the death of a personality that cements their iconic status. *Knocking On Heaven's Door* not only covers the rock legends who lived hard and died young, this detailed reference contains over 1,000 obituaries of music industry personalities, famous and obscure from mid-fifties to the present day. Alphabetical entries of all the important individuals, including: noteworthy producers, managers, songwriters, record company founders A&R men and even critics, puts all the information at your finger tips. Nick Talevski has spent a decade researching this comprehensive and authoritative reference book and it will be an indispensable and practical addition to every music library, full of irresistible and intriguing information.
