Mallor, Barnes, Bowers and Langvardt's:
Business Law: The Ethical, Global, and E-
Commerce Environment, 13e is
appropriate for the two-term business law
course. The cases in the 13th edition are
excerpted and edited by the authors. The
syntax is not altered, therefore retaining
the language of the courts. As in the 12th
edition, the 13th edition includes a mix of

actual AND hypothetical cases.
*Single Family Subdivisions, Townhouse &
Cluster Developments, Master Community
Associations* McGraw-Hill Education
The 12th edition of Business Law with UCC
applications presents an up-to-date
teaching-learning system that is written in
an easy-to-understand style and provides
comprehensive information about all
facets of business law. Material is
presented in nine sections, which include
relevant case studies featuring excerpts
from the court's opinion. Content has been
updated to reflect the many recent
changes in the legal field and color photos

throughout the text help students relate
the material to their own lives.

**Business Law, Alternate Edition: Text
and Summarized Cases** South-Western
College

This classic introduction to criminal law for
criminal justice students combines the
best features of a casebook and a
textbook. Criminal Law covers substantive
criminal law and explores its principles,
sources, distinctions, and limitations.
Definitions and elements of crimes are
explained, and defenses to crimes are
thoroughly analyzed. A unique strength of
Criminal Law is its discussion of the federal

criminal code and the specific recognition of the common-law origins of modern law. NEW to this Edition: Coverage of terrorism and associated law. Student ancillary aids, including self assessment, a question bank, and case study assets. Updated Legal News sections. Features: Each chapter includes outline, key terms and concepts, guidance to help the reader understand what is important in each chapter, as well as Legal News sections, highlighting current criminal law issues. Part II contains briefs of judicial decisions related to the topics covered in the text, in order to help the reader learn rule of law as well as the reasoning of the court that guides future court rulings. Part III contains a glossary and a table of cases.

Appropriate for one-semester courses in Administrative Law at both college and university levels. Legal concepts and Canadian business applications are introduced in a concise, one-semester format. The text is structured so that five chapters on contracts form the nucleus of the course, and the balance provides stand-alone sections that the instructor may choose to cover in any order. We've made the design more reader-friendly, using a visually-appealing four-colour format and enlivening the solid text with

case snippets and extracts. The result is a book that maintains the strong legal content of previous editions while introducing more real-life examples of business law in practice.
