trenchant comparative analysis of why the U.S. drug wars in Bolivia and Peru are failing. While frequent anti-drug battles are won, a flawed policy analysis and strategy have led to strategic foreign policy defeat in the region. This book fills an important gap in our in-depth knowledge of U.S. foreign policy and its application in the drug wars of the high Andes region of South America. Written from

the perspective of a former active participant in the U.S. anti-drug policy formulation and implementation efforts, the study uses an in-depth comparative approach to evaluate the effectiveness of the U.S. anti-drug foreign policy in Bolivia and Peru which currently comprise the primary focus of the Clinton Administration's counter-drug efforts to combat narcotrafficking at the

source in Latin America today.

_____ Paradise has been home to generations of Trevannions: Paradise, the house at the head of a sheltered Cornish valley where Mrs Trevannion lives, surrounded by her family. Frail and elderly Honor Trevannion,

bedridden following a nasty fall, is inexplicably anxious and distressed by the arrival of a young American bearing an old black and white photograph of a double wedding and looking for a long-lost relation. Her children Bruno and Emma, granddaughter Joss and faithful cousin Mousie try to nurse Honor back to health, unaware of the secrets which she keeps from those closest

to her. Increasingly troubled and confused, she begs Joss to find a cache of letters which have been hidden for fifty years. Too late to hear the story from Honor herself, the family are faced with revelations which could destroy the tranquillity of life in their beloved valley. Will they be torn apart or can they unite in admiration for one woman's courage in standing by the life-changing decision she

made so many years ago?

more than two centuries in Ireland, Castle on the Rise unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend's vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after

a series of unforeseen setbacks, it seems the storybook lives they'd imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom's home in Ireland—never expecting she'd be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From

the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle's lady of legend, fighting for survival through the 1798 rebellion that started it all.
