"The Gift of the Magi" is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. As a sentimental story with a moral lesson about gift-giving, it has been popular for adaptation, especially for presentation at Christmas time.

The Rise and Decline of Western Thought and Culture Simon and Schuster

Reimagining the scholarly book as living and collaborative--not as commodified and essentialized, but in all its dynamic materiality. In this book, Janneke Adema proposes that we reimagine the scholarly book as a living and collaborative project--not as linear, bound, and fixed, but as fluid, remixed, and liquid, a space for experimentation. She presents a series of cutting-edge experiments in arts and humanities book publishing, showcasing the radical new forms that book-based scholarly work might take in the digital age. Adema's proposed alternative futures for the scholarly book go beyond such print-based assumptions as fixity, stability, the single author, originality, and copyright, reaching instead for a dynamic and emergent materiality. Adema suggests ways to unbind the book, describing experiments in scholarly book publishing with new forms of anonymous collaborative authorship, radical open access publishing, and processual, living, and remixed publications, among other practices. She doesn't cast digital as the solution and print as the problem; the problem in scholarly publishing, she argues, is not print itself, but the way print has been commodified and essentialized. Adema explores alternative, more ethical models of authorship; constructs an alternative genealogy of openness; and examines opportunities for intervention in current cultures of knowledge production. Finally, asking why it is that we cut and bind our research together at all, she examines two book publishing projects that experiment with remix and reuse and try to rethink and reperform the book-apparatus by taking responsibility for the cuts they make.

The Social Construction of Reality National Academies Press

Do you believe that people can change? Can a bank robber marry the banker's daughter without having any hidden thoughts and intentions? "A Retrieved Reformation" tells the story of Jimmy, a formal prisoner, who decides to quit violating the law in the name

of love. He takes up a new identity and starts a new life as an honorable man. However he is about to face a choice which can cost him his future. Will he sacrifice himself in order to save a child in danger or he will prefer to keep his old identity in secret? William Sydney Porter, better known as O. Henry, was an American writer who lived in the late 19th century. He gains wide popularity with his short stories which often take place either in New York or some small American towns. The plot twists and the surprise endings are a typical and integral part of O. Henry's short stories. Some of his best known works are "The Gift of the Magi", "The Cop and the Anthem", "A Retrieved Reformation". His stories often deal with ordinary people and the individual aspects of life. As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name, given to exceptional short stories.

Reformation Penguin UK

Presents short stories involving teenagers around the world and how their lives are affected by drugs, including a student in North America buying drugs in school and an Afghan girl harvesting opium.

"[An American Childhood] combines the child's sense of wonder with the adult's intelligence and is written in some of the finest prose that exists in contemporary America. It is a special sort of memoir that is entirely successful...This new book is [Annie Dillard's] best, a joyous ode to her own happy childhood." — Chicago Tribune A book that instantly captured the hearts of readers across the country, *An American Childhood* is Pulitzer Prize-winning author Annie Dillard's poignant, vivid memoir of growing up in Pittsburgh in the 1950s and 60s. Dedicated to her parents - from whom she learned a love of language and the importance of following your deepest passions - this narrative tale will resonate for everyone who has ever recalled with longing playing baseball on an endless summer afternoon, caring for a pristine rock collection, or knowing in your heart that a book was written just for you.

Realizing Opportunity for All Youth Routledge

It's late summer 1793, and the streets of Philadelphia are abuzz with mosquitoes and rumors of fever. Down near the docks, many have taken ill, and the fatalities are mounting. Now they include Polly, the serving girl at the Cook Coffeehouse. But fourteen-year-old Mattie Cook doesn't get a moment to mourn the passing of her childhood playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to a new fight—the fight to stay alive.

The Selected Stories of O. Henry The Creative Company Adolescenceâ€"beginning with the onset of puberty and ending in the mid-20sâ€"is a critical period of development during which key areas of the brain mature and develop. These changes in brain structure, function, and connectivity mark adolescence as a period of opportunity to discover new vistas, to form relationships with peers and adults, and to explore one's developing identity. It is also a period of resilience that can ameliorate childhood

setbacks and set the stage for a thriving trajectory over the life course. Because adolescents comprise nearly one-fourth of the entire U.S. population, the nation needs policies and practices that will better leverage these developmental opportunities to harness the promise of adolescence—rather than focusing myopically on containing its risks. This report examines the neurobiological and socio-behavioral science of adolescent development and outlines how this knowledge can be applied, both to promote adolescent well-being, resilience, and development, and to rectify structural barriers and inequalities in opportunity, enabling all adolescents to flourish.

A Study Guide for William Sydney Porter's "Mammon and the Archer" MIT Press

Soul initiation is an essential spiritual adventure that most of the world has forgotten — or not yet discovered. Here, visionary ecopsychologist Bill Plotkin maps this journey, one that has not been previously illuminated in the contemporary Western world and yet is vital for the future of our species and our planet. Based on the experiences of thousands of people, this book provides phase-by-phase guidance for the descent to soul — the dissolution of current identity; the encounter with the mythopoetic mysteries of soul; and the metamorphosis of the ego into a cocreator of life-enhancing culture. Plotkin illustrates each

phase of this riveting and sometimes hazardous odyssey with fascinating stories from many people, including those he has guided. Throughout he weaves an in-depth exploration of Carl Jung's Red Book — and an innovative framework for understanding it.

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and

globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage* *A Retrieved Reformation* Amila Jay
