LANE LEBLANC

They Thought They Were Free

Random House

Robert Fulghum's new book begins with a question we've all asked ourselves: "What on Earth have I done?" As Fulghum finds out, the answer is never easy and, almost always, surprising. For the last couple of years, Fulghum has been traveling the world - from Seattle to the Moab Desert to Crete - looking for a few fellow travelers interested in thinking along with him as he delights in the unexpected: trick-or-treating with your grandchildren dressed like a large rabbit, pots of daffodils blooming in mid-November, a view of the earth from outer space, the mysterious night sounds of the desert, every man's trip to a department store to buy socks, the raucous all-night long feast that is Easter in Greece, the trials and tribulations of plumbing problems and the friendship one can strike up with someone who doesn't share the same language. What on Earth Have I Done? is an armchair tour of everyday life as seen by Robert Fulghum, one of America's great essayists, a man who has two feet planted firmly on the earth, one eye on the heavens and, at times, a tongue planted firmly in his cheek. Fulghum writes to his fellow travelers, with a sometimes light heart, about the deep and vexing mysteries of being alive and says, "This is my way of bringing the small boat of my life within speaking distance of yours. Hello..."

2020's must read memoir about motherhood and mental health Harmony "You are more than a body; you will live forever somewhere; and God is on a divine rescue mission to make sure your "forever" is safe with Him! If you enjoy being loved; if you enjoy gifts; if you care about where you will spend forever; and if you want to know the true message of the Bible, then you must read this book! Where will you spend forever? You owe this question some investigation... "

A Novel One World

Edgar Allan Poe's *The Murders in the Rue Morgue* represents the beginning of crime fiction. The mystery was first published in *Graham's Magazine* in 1841 and has been recognized as the first detective story. Poe referred to it as one of his "tales of ratiocination." As the first fictional detective, Poe's Dupin displays many traits which became literary conventions in subsequent fictional detectives including Sherlock Holmes and Hercule Poirot. Many later characters, for example, follow Poe's model of the brilliant detective, his personal friend who serves as narrator, and the final revelation being presented before the reasoning that leads up to it. Dupin himself reappears in *The Mystery of Marie Rog t* and *The Purloined Letter*.

The Midnight Library Profile Books
In Cara Robertson's "enthraling new book," *The Trial of Lizzie Borden*, "the reader is to serve as judge and jury" (*The New York Times*). Based on twenty years of research and recently unearthed evidence, this true crime and legal history is the "definitive account to date of one of America's most notorious

and enduring murder mysteries” (Publishers Weekly, starred review). When Andrew and Abby Borden were brutally hacked to death in Fall River, Massachusetts, in August 1892, the arrest of the couple’s younger daughter Lizzie turned the case into international news and her murder trial into a spectacle unparalleled in American history. Reporters flocked to the scene. Well-known columnists took up conspicuous seats in the courtroom. The defendant was relentlessly scrutinized for signs of guilt or innocence. Everyone—rich and poor, suffragists and social conservatives, legal scholars and laypeople—had an opinion about Lizzie Borden’s guilt or innocence. Was she a cold-blooded murderess or an unjustly persecuted lady? Did she or didn’t she? An essential piece of American mythology, the popular fascination with the Borden murders has endured for more than one hundred years. Told and retold in every conceivable genre, the murders have secured a place in the American pantheon of mythic horror. In contrast, “Cara Robertson presents the story with the thoroughness one expects from an attorney...Fans of crime novels will love it” (Kirkus Reviews). Based on transcripts of the Borden legal proceedings, contemporary newspaper accounts, unpublished local accounts, and recently unearthed letters from Lizzie herself, *The Trial of Lizzie Borden* is “a fast-paced, page-turning read” (Booklist, starred review) that offers a window into America in the Gilded Age. This “remarkable” (Bustle) book “should be at the top of your reading list” (PopSugar).

OF THE DECADE • NAMED ONE OF THE
TEN BEST BOOKS OF THE YEAR BY The
New York Times Book Review • O: The
Oprah Magazine • The Washington Post
• People • Entertainment Weekly •
Vogue • Los Angeles Times • San
Francisco Chronicle • Chicago Tribune •
New York • Newsday • Library Journal •
Publishers Weekly In a profound work
that pivots from the biggest questions
about American history and ideals to the
most intimate concerns of a father for
his son, Ta-Nehisi Coates offers a
powerful new framework for
understanding our nation’s history and
current crisis. Americans have built an
empire on the idea of “race,” a
falsehood that damages us all but falls
most heavily on the bodies of black
women and men—bodies exploited
through slavery and segregation, and,
today, threatened, locked up, and
murdered out of all proportion. What is it
like to inhabit a black body and find a
way to live within it? And how can we all
honestly reckon with this fraught history
and free ourselves from its burden?
Between the World and Me is Ta-Nehisi
Coates’s attempt to answer these
questions in a letter to his adolescent
son. Coates shares with his son—and

readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

The Blue Book of Grammar and Punctuation Oxford University Press
The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of *How To Stop Time* and *The Comfort Book*. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following

a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

What On Earth Have I Done?

Candlewick Press

"Although observation is an essential part of any fieldworker's toolkit, many ethnographers' observational skills tend to be their weakest. Christena Nippert-Eng's *Watching Closely* provides a practical, interactive guide for honing one's powers of observation. This book contains nine exercises for practicing different forms of observation, including preparatory briefings and post-exercise discussions. From social and behavioral scientists to user-centered designers and architects, undergraduate students to experienced fieldworkers, *Watching Closely* is an invaluable resource for anyone seeking to develop their skills as a fieldworker"--

I Don't Know What I Would Have

Done Without You Mom Vintage

The world knows the story of young Emmett Till. In August 1955, the fourteen-year-old Chicago boy supposedly flirted with a white woman named Carolyn Bryant, who worked behind the counter of a country store, while visiting family in Mississippi. Three days later, his mangled body was recovered in the Tallahatchie River, weighed down by a cotton-gin fan. Till's killers, Bryant's husband and his half-brother, were eventually acquitted on technicalities by an all-white jury despite overwhelming evidence. It seemed another case of Southern justice. Then details of what had happened to Till became public, which they did in part because Emmett's mother, Mamie Till-Mobley, insisted that his casket remain open during his funeral. The world saw

the horror, and Till's story gripped the country and sparked outrage. Black journalists drove down to Mississippi and risked their lives interviewing townsfolk, encouraging witnesses, spiriting those in danger out of the region, and above all keeping the news cycle turning. It continues to turn. In 2005, fifty years after the murder, the FBI reopened the case. New papers and testimony have come to light, and several participants, including Till's mother, have published autobiographies. Using this new evidence and a broadened historical context, Elliott J. Gorn delves more fully than anyone has into how and why the story of Emmett Till still resonates, and always will. Till's murder marked a turning point, Gorn shows, and yet also reveals how old patterns of thought and behavior endure, and why we must look hard at them.

The Murders in the Rue Morgue

Headline Review

In 2083, chocolate and coffee are illegal, paper is hard to find, water is carefully rationed, and New York City is rife with crime and poverty. And yet, for Anya Balanchine, the sixteen-year-old daughter of the city's most notorious (and dead) crime boss, life is fairly routine. It consists of going to school, taking care of her siblings and her dying grandmother, trying to avoid falling in love with the new assistant D.A.'s son, and avoiding her loser ex-boyfriend. That is until her ex is accidentally poisoned by the chocolate her family manufactures and the police think she's to blame. Suddenly, Anya finds herself thrust unwillingly into the spotlight--at school, in the news, and most importantly, within her mafia family. From Gabrielle Zevin--the author of the critically acclaimed *Elsewhere*--comes *All These Things I've Done*, a masterful novel

about an impossible romance, a mafiya family, and the ties that forever bind us. [These Things I've Done](#) Anchor

A unique and “often quite moving” look at gay women’s role in US history (The Washington Post). In this “essential and impassioned addition to American history,” the three-time Lambda Literary Award winner and author of *Odd Girls* and *Twilight Lovers* focuses on a select group of late-nineteenth- and early-twentieth-century lesbians who were in the forefront of the battle to procure the rights and privileges that large numbers of Americans enjoy today (Kirkus Reviews). Hoping to “set the record straight (or, in this case, unstraight)” for all Americans and provide a “usable past” for lesbians in particular, Lillian Faderman persuasively argues that the sexual orientation of her subjects may in fact have facilitated their accomplishments. With impeccably drawn portraits of such seminal figures as Susan B. Anthony, Carrie Chapman Catt, and Eleanor Roosevelt, *To Believe in Women* “will raise eyebrows and consciousness” (Dianne Wood Middlebrook). As Faderman writes in her introduction, “This is a book about how millions of American women became what they are now: full citizens, educated, and capable of earning a decent living for themselves.” A landmark work of impeccable research and compelling readability, *To Believe in Women* is an enlightening and surprising read. “For those who need a dose of pride and a slice of history, Faderman’s portraits should strike a popular note. ‘*To Believe in Women*’ is a decent starting point for learning about these pioneers and their contributions to American life.” —The New York Times
Objects of Hunger Open Road + Grove/Atlantic

“When this book was first published it received some attention from the critics but none at all from the public. Nazism was finished in the bunker in Berlin and its death warrant signed on the bench at Nuremberg.” That’s Milton Mayer, writing in a foreword to the 1966 edition of *They Thought They Were Free*. He’s right about the critics: the book was a finalist for the National Book Award in 1956. General readers may have been slower to take notice, but over time they did—what we’ve seen over decades is that any time people, across the political spectrum, start to feel that freedom is threatened, the book experiences a ripple of word-of-mouth interest. And that interest has never been more prominent or potent than what we’ve seen in the past year. *They Thought They Were Free* is an eloquent and provocative examination of the development of fascism in Germany. Mayer’s book is a study of ten Germans and their lives from 1933-45, based on interviews he conducted after the war when he lived in Germany. Mayer had a position as a research professor at the University of Frankfurt and lived in a nearby small Hessian town which he disguised with the name “Kronenberg.” “These ten men were not men of distinction,” Mayer noted, but they had been members of the Nazi Party; Mayer wanted to discover what had made them Nazis. His discussions with them of Nazism, the rise of the Reich, and mass complicity with evil became the backbone of this book, an indictment of the ordinary German that is all the more powerful for its refusal to let the rest of us pretend that our moment, our society, our country are fundamentally immune. A new foreword to this edition by eminent historian of the Reich Richard J. Evans puts the book in historical and

contemporary context. We live in an age of fervid politics and hyperbolic rhetoric. *They Thought They Were Free* cuts through that, revealing instead the slow, quiet accretions of change, complicity, and abdication of moral authority that quietly mark the rise of evil.

What I've Done HarperCollins

Do you have any idea what the people you know are capable of? Bestselling author of *All My Lies Are True*, Dorothy Koomson, asks how well you can really know your neighbors. Fans of Lisa Jewell and Louise Candlish will rip through the pages of this addictive new thriller. What if all your neighbors' secrets landed in a diary on your doorstep? What if the woman who gave it to you was murdered by one of the people in the diary? What if the police asked if you knew anything? Would you hand over the book of secrets? Or ... would you try to find out what everyone had done? *I Know What You've Done* is the unputdownable thriller from the Queen of the Big Reveal. Readers love Dorothy Koomson: "Koomson just gets better and better" *Woman & Home* "An instantly involving psychological thriller" *Daily Telegraph* "This is devastatingly good" *Heat* "The suspense was on another level" *Black Girls Book Club* "Written with verve and insight" *Stylist* "We just couldn't put it down" *Closer*

A Novel Penguin

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers'

passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Young Jane Young Montlake Romance

In the classic *Mere Christianity*, C.S. Lewis, the most important writer of the 20th century, explores the common ground upon which all of those of Christian faith stand together. Bringing together Lewis' legendary broadcast talks during World War Two from his three previous books *The Case for Christianity*, *Christian Behavior*, and *Beyond Personality*, *Mere Christianity* provides an unequalled opportunity for believers and nonbelievers alike to hear this powerful apologetic for the Christian faith.

A Novel University of Chicago Press

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

The Outsiders John Wiley & Sons

A NEW YORK TIMES EDITORS' CHOICE
LONGLISTED FOR THE CENTER FOR
FICTION FIRST NOVEL PRIZE

"Astoundingly original." —The New York Times Book Review From the author of the award-winning debut story collection *We Show What We Have Learned*, a vivid work of historical fiction with shocking and eerie connections to our own time. At their newly founded school, Samuel Hood and his daughter, Caroline, promise a groundbreaking education for young women. But Caroline has grave misgivings. After all, her own unconventional education has left her unmarried and isolated, unsuited to the narrow roles afforded women in

nineteenth-century New England. When a mysterious flock of red birds descends on the town, Caroline alone seems to find them unsettling. But it's not long before the assembled students begin to manifest bizarre symptoms: rashes, seizures, headaches, verbal tics, night wanderings. One by one, they sicken. Fearing ruin for the school, Samuel overrules Caroline's pleas to inform the girls' parents and turns instead to a noted physician, a man whose sinister ministrations—based on a shocking historic treatment—horrify Caroline. As the men around her continue to dictate, disastrously, all terms of the girls' experience, Caroline's own body begins to betray her. To save herself and her young charges, she will have to defy every rule that has governed her life, her

mind, her body, and her world.

Watching Closely Penguin

Maggie Murphy, an eighty-five year old World War II Irish war bride, with a seemingly ordinary life, reveals clues to her daughter Lizzie of a shocking crime which has haunted her for years. Details of blood, terror and fleeing her homeland and family are revealed in frightened, disjointed outbursts. Knowing she has Alzheimer's, Lizzie must determine if these delusional rants are a mixture of movies Maggie has seen, books she has read or the truth. The Alzheimer's is disclosed to her children after the sudden death of their father. The horror of the disease is played out in the struggles of one woman to remember her past and run away from it. How will the family deal with the illness and the secrets that are revealed?
