Read reviews from world's largest community for readers. Practical Law of Architecture, Engineering, and Geoscience ...Description.

This book provides a broad overview of areas of the law relevant to the practice of architecture, engineering, and geoscience in Canada. Geared to those not studying law, the legal concepts and language are simplified and presented in practical, rather than theoretical, terms with the goal of providing professionals and students sufficient background to identify legal

issues. Pearson - Practical Law of Architecture, Engineering, and ...
