has an unforgettable opening and just gets better from there.”—George R. R. Martin Hailed by critics as “a bravura performance” (Locus) and “witty, sharp-eyed, [and] full of interesting people” (Newsday), this acclaimed novel, filled with remarkable plot twists and unexpected humor, takes fantasy to an unprecedented level of elegant writing and scintillating wit. Award-winning author Ellen Kushner has created a world of unforgettable characters whose political ambitions, passionate love affairs, and age-old rivalries collide with deadly results. Dangerous Women Ace

From George R. R. Martin's Introduction to *Warriors*: "People have been telling stories about warriors for as long as they have been telling stories. Since Homer first sang the wrath of Achilles and the ancient Sumerians set down their tales of Gilgamesh, warriors, soldiers, and fighters have fascinated us; they are a part of every culture, every literary tradition, every genre. All Quiet on the Western Front, From Here to Eternity, and The Red Badge of Courage have become part of our literary canon, taught in classrooms all around the country and the world. Our contributors make up an all-star lineup of award-

winning and bestselling writers, representing a dozen different publishers and as many genres. We asked each of them for the same thing—a story about a warrior. Some chose to write in the genre they're best known for. Some decided to try something different. You will find warriors of every shape, size, and color in these pages, warriors from every epoch of human history, from yesterday and today and tomorrow, and from worlds that never were. Some of the stories will make you sad, some will make you laugh, and many will keep you on the edge of your seat." The stories in the first mass market volume of this book are: Introduction: Stories of the Spinner Rack, by George R. R. Martin Forever Bound, by Joe Haldeman The Eagle and the Rabbit, by Steven Saylor

And Ministers of Grace, by Tad Williams
 The King of Norway, by Cecelia Holland
 Defenders of the Frontier, by Robert
 Silverberg The Mystery Knight, by
 George R. R. Martin Many of these
 writers are bestsellers. All of them are
 storytellers of the highest quality.
 Together they make a volume of

The Lies of Locke Lamora Bantam

A new anthology celebrating the witches and sorcerers of epic fantasy--featuring stories by George R. R. Martin, Scott Lynch, Megan Lindholm, and many others! Hot on the heels of Gardner Dozois's acclaimed anthology *The Book of Swords* comes this companion volume devoted to magic. How could it be otherwise? For every Frodo, there is a Gandalf . . . and a Saruman. For every Dorothy, a Glinda . . . and a Wicked Witch of the West. What would Harry Potter be without Albus Dumbledore . . . and Severus Snape? Figures of wisdom and power, possessing arcane, often forbidden knowledge, wizards and sorcerers are shaped--or misshaped--by the potent magic they seek to wield. Yet though their abilities may be godlike, these men and women remain human--

some might say all too human. Such is their curse. And their glory. In these pages, seventeen of today's top fantasy writers--including award-winners Elizabeth Bear, John Crowley, Kate Elliott, K. J. How the Marquis Got His Coat Back
Skyhorse Publishing Inc.

In 88 B.C. it seems as if all the world is at war. From Rome to Greece and to Egypt itself, most of civilization is on the verge of war. The young Gordianus—a born-and-raised Roman citizen—is living in Alexandria, making ends meet by plying his trade of solving puzzles and finding things out for pay. He whiles away his time with his slave Bethesda, waiting for the world to regain its sanity. But on the day Gordianus turns twenty-two, Bethesda is kidnapped by brigands who mistake her for a rich man's mistress. If Gordianus is to find and save Bethesda, who has come to mean more to him than

even he suspected, he must find the kidnapers before they realize their mistake and cut their losses. Using all the skills he learned from his father, Gordianus must track them down and convince them that he can offer something of enough value in exchange for Bethesda's release. As the streets of Alexandria slowly descend into chaos, and the citizenry begin to riot with rumors of an impending invasion by Ptolmey's brother, Gordianus finds himself in the midst of a very bold and dangerous plot—the raiding and pillaging of the golden sarcophagus of Alexander the Great himself. New York Times bestselling author Steven Saylor returns, chronicling the early years of his detective, Gordianus, before he assumed the title of The Finder. Raiders of the Nile

is the latest in his much-loved series of mysteries set in the late Roman Republic.
