Written by one of the founders of modern political philosophy, Thomas Hobbes, during the English civil war, Leviathan is an influential work of nonfiction. Regarded as one of the earliest examples of the social contract theory, Leviathan has both historical and philosophical importance. Social contract theory prioritizes the state over the individual, claiming that individuals have consented to the surrender of some of their freedoms by participating in society. These surrendered freedoms help ensure that the government can be run easily. In exchange for their sacrifice, the individual is protected and given a place in a steady social order. Articulating this theory, Hobbes argues for a strong, undivided government ruled by an absolute sovereign. To support his argument, Hobbes includes topics of religion, human nature and taxation. Separated into four sections, Hobbes claims his theory to be the resolution of the civil war that raged on as he wrote, creating chaos and taking casualties. The first section, Of Man discusses the role human nature and instinct plays in the formation of government. The second section, Of Commonwealth explains the definition, implications, types, and rules of succession in a commonwealth government. Of a Christian Commonwealth imagines the religion's role government and societal moral standards. Finally, Hobbes closes his argument with Of the Kingdom of Darkness. Through the use of philosophical theory and

historical study, Thomas Hobbes attempts to convince citizens to consider the cost and reward of being governed. Without an understanding of the sociopolitical theories that keep government bodies in power, subjects can easily become complicit or allow society to slip into anarchy. Created during a brutal civil war, Hobbes hoped to educate and persuade his peers. Though Leviathan was a work of controversy in its time, Hobbes' theories and prose has survived centuries, shaping the ideas of modern philosophy. This edition of Leviathan by Thomas Hobbes is now presented with a stunning new cover design and is printed in an easy-to-read font. With these accommodations, Leviathan is accessible and applicable to contemporary readers.

*A True Story of Japanese American Experience During and After the World War II Internment* Houghton Mifflin Harcourt

The Bible's affirmation of Israel's divine election is often ignored or even repudiated by contemporary Christians and Jews who are scandalized by the possibility that God might favor one person or group over another. Beginning with the stories of family rivalry in Genesis and working through a host of other biblical texts, Joel Kaminsky explores the dynamics of election: Why does God favor certain people? How do the chosen and non-chosen interact? And what might these texts teach us about God's intentions for the world? Book jacket.

*American History: Connecting with the Past* Houghton Mifflin Harcourt

Since its original landmark publication in 1980, *A People's History of the United States* has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and

the, workplace. Known for its lively, clear prose as well as its scholarly research, *A People's History* is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, *A People's History of the United States*, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new afterword by the author, this special twentieth anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.

**Epidemiology and Prevention of Vaccine-Preventable Diseases, 13th Edition E-Book** W. W. Norton & Company

This hugely influential work marked a turning point in US history and culture, arguing that the nation's expansion into the Great West was directly linked to its unique spirit: a rugged individualism forged at the juncture between civilization and wilderness, which – for better or worse – lies at the heart of American identity today. Throughout history, some books have changed the world. They have transformed the way we see ourselves – and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives – and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are.

AP U.S. History Crash Course Achieve a Higher AP Score in Less Time REA's Crash Course is perfect for the time-crunched student, last-minute studier, or anyone who wants a refresher on the subject! Are you crunched for time? Have you started studying for your AP U.S. History exam yet? How will you memorize all that history before the test? Do you wish there was a fast and easy way to study for the exam AND boost your score? If this sounds like you, don't panic. REA's AP U.S. History Crash Course is just what you need. Our Crash Course gives you: Targeted, Focused Review – Study Only

What You Need to Know The Crash Course is based on an in-depth analysis of the AP U.S. History course description outline and actual AP test questions. It covers only the information tested on the exam, so you can make the most of your valuable study time. Broken down into major topics and themes, REA gives you two ways to study the material — chronologically or thematically. Expert Test-taking Strategies Written by an AP teacher who has studied the AP U.S. History Exam for 20 years, the author shares his detailed, question-level strategies and explains the best way to answer the multiple-choice and essay questions. By following his expert advice, you can boost your overall point score! Key Terms You Must Know Mastering AP vocabulary terms is an easy way to boost your score. Our AP expert gives you the key terms all AP U.S. History students must know before test day. Take REA's FREE Practice Exam After studying the material in the Crash Course, go online and test what you've learned. Our full-length practice exam features timed testing, detailed explanations of answers, and automatic scoring. The exam is balanced to include every topic and type of question found on the actual AP exam, so you know you're studying the smart way! When it's crucial crunch time and your AP U.S. History exam is just around the corner, you need REA's AP U.S. History Crash Course!

[Black Reconstruction in America](#) Penguin

"Calls to mind such early moderns as Hemingway and Fitzgerald...Some of the most powerful antiwar literature in modern English fiction."—The Boston Globe The first book of the *Regeneration* Trilogy—a Booker Prize nominee and one of *Entertainment Weekly's* 100 All-Time Greatest Novels. In 1917 Siegfried Sasson, noted poet and decorated war hero, publicly refused to continue serving as a British officer in World War I. His reason: the war was a senseless slaughter. He was officially classified "mentally unsound" and sent to Craiglockhart War Hospital. There a brilliant psychiatrist, Dr. William Rivers, set about restoring Sasson's "sanity" and sending him back to the trenches. This novel tells what happened as only a novel can. It is a war saga in which not a shot is fired. It is a story of a battle for a man's mind in which only the reader can decide who is the victor, who the vanquished, and who the victim. One of the most amazing feats of fiction of our time, *Regeneration* has been hailed by critics across the globe. More than one hundred years since World War I, this book is as timely and relevant as ever.

[Philosophical Essays](#) Harper Collins

This book brings together a diverse group of American Indian thinkers to discuss traditional and contemporary philosophies and philosophical issues. Covers American Indian thinking on issues concerning time, place, history, science, law, religion, nationhood, and art. Features newly commissioned essays by authors of American Indian descent. Includes a comprehensive bibliography to aid in research and inspire further reading.

**America** Graphic Arts Books

In 1939, hatred took root in South Africa, where the seeds of apartheid were newly sown. There a boy called Peekay was born. He spoke the wrong language—English. He was nursed by a woman of the wrong color—black. His childhood was marked by humiliation and abandonment. Yet he vowed to survive—he would become welterweight champion of the world, he would dream heroic dreams. But his dreams were nothing compared to what awaited him. For he embarked on an epic journey, where he would learn the power of words, the power to transform lives, and the mystical power that would sustain him even when it appeared that villainy would rule the world: *The Power of One*.

**Give Me Liberty! An American History** McGraw-Hill

In his *Nautilus* Award-winning classic *Touching Spirit Bear*, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscoll in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. *Touching Spirit Bear* is a poignant testimonial to the power of a pain that can destroy, or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.

**The Pink Book** Houghton Mifflin College Division

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and

investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, *The American Yawp* gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

*Educated* Simon and Schuster

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1–41); Volume 1: To 1877 (Chapters 1–22); Volume 2: Since 1865 (Chapters 22–41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

#1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University "Extraordinary . . . an act of courage and self-invention."—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR • BILL GATES'S HOLIDAY READING LIST • FINALIST: National Book Critics Circle's Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. "Beautiful and propulsive . . . Despite the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?"—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library
