Essays and Stories from India's Best Writers

Rupa Publications India
"A haunting, diverse debut story collection that explores the isolation we experience in the face of the mysterious, often dangerous forces that shape our lives, Anjali Sachdeva's debut collection spans centuries, continents, and a diverse set of characters but is united by each character's epic struggle with fate: A workman in Andrew Carnegie's steel mills is irrevocably changed by the brutal

power of the furnaces; a fisherman sets sail into overfished waters and finds a secret obsession from which he can't return; an online date ends with a frightening, inexplicable disappearance. Her story "Pleiades" was called "a masterpiece" by Dave Eggers. Sachdeva has a talent for creating moving and poignant scenes, following her highly imaginative plots to their logical ends, and depicting how one small miracle can affect everyone in its wake"--

A Major Activity Of The Sahitya Akademi Is The Preparation Of An Encyclopaedia Of Indian Literature. The Venture,

Covering Twenty-Two Languages Of India, Is The First Of Its Kind. Written In English, The Encyclopaedia Gives A Comprehensive Idea Of The Growth And Development Of Indian Literature. The Entries On Authors, Books And General Topics Have Been Tabulated By The Concerned Advisory Boards And Finalised By A Steering Committee. Hundreds Of Writers All Over The Country Contributed Articles On Various Topics. The Encyclopaedia, Planned As A Six-Volume Project, Has Been Brought Out. The Sahitya Akademi Embarked Upon This Project In Right Earnest In 1984. The Efforts Of The Highly Skilled And Professional Editorial Staff Started Showing Results And The First Volume Was Brought Out In 1987. The Second Volume Was Brought Out In 1988, The

Third In 1989, The Fourth In 1991, The Fifth In 1992, And The Sixth Volume In 1994. All The Six Volumes Together Include Approximately 7500 Entries On Various Topics, Literary Trends And Movements, Eminent Authors And Significant Works. The First Three Volume Were Edited By Prof. Amaresh Datta, Fourth And Fifth Volume By Mohan Lal And Sixth Volume By Shri K.C.Dutt.

A Novel Bhopal : Jai Bharat Publishing House; [distributor: Lyall Book Depot] Presents layers of the Kathak maestro's personality as witnessed by one of his foremost disciples. This book reveals how this icon of Indian dance, who is a mentor for thousands and an inspiration for countless people across the globe, is actually an unassuming, simple person

outside his artistic world. Saswati Sen has known Pandit Birju Maharaj for over forty-five years. Gradually, she began to see the divinity in her talented master and decided to write a book on his life and work. Birju Maharaj: The Master Through My Eyes presents layers of the Kathak maestro's

Young Ramchand rushes through the dusty streets of Amritsar, once again late for work. Chastised by his boss, he takes his place among the cottons and silks of the sari shop, selling yards of cloth to the wealthy and fashionable women of the town. Offered a glimpse of a more opulent world, Ramchand is seduced by the idea that he might somehow better himself. But making

dreams real will come at a price that a poor shop assistant might not be able to pay ... Funny, compelling and unflinchingly honest, *The Sari Shop* is a heartbreaking story of a young man's struggle to be someone else and a brilliantly clear-sighted debut.

The Authorized Biography of Mahavir Singh Phogat Advaita Ashrama (A publication branch of Ramakrishna Math, Belur Math)

In today's world, worry, stress and anxiety seem to have become part of daily life. Yet, who doesn't wish to stop worrying, or wonder how to cure anxiety? Who doesn't ask themselves what is peace of mind, and how can I live in peace? Some proclaim, "Do not worry!", or "Stop worrying and start living"; others offer natural cures for

anxiety, or teach how to get rid of negative thoughts. But the internal struggle continues... In the book "Worries", Gnani Purush (embodiment of Self knowledge) Dada Bhagwan offers unique spiritual insight into how to cope with anxiety, and how to live a spiritual life of no worries. He provides spiritual awareness of "Who am I?" and who is the doer in life, from which one can attain an internal state of no worry, and begin to live in peace. For those facing problems in everyday life, and wondering how to get inner peace, this book will prove an invaluable resource.

Brilliant ... an iconic voice - Namita Gokhale One of the finest short story writers from India - Aruni Kashyap Jenny Bhatt ... deserves our gratitude and

attention - Rita Kothari Train your telescopes, ladies and gentlemen, Dhumketu is here! - Jerry Pinto The tragic love story of a village drummer and his dancer lover... A long-awaited letter that arrives too late... A tea-house near Darjeeling, run by a mysterious queen... When Dhumketu's first collection of short stories, Tankha, came out in 1926, it revolutionized the genre in India. Characterized by a fine sensitivity, deep humanism, perceptive observation and an intimate knowledge of both rural and urban life, his fiction has provided entertainment and edification to generations of Gujarati readers and speakers. Ratno Dholi brings together the first substantial collection of Dhumketu's work to be available in English. Beautifully translated for a wide

new audience by Jenny Bhatt, these much-loved stories - like the finest literature - remain remarkable and relevant even today.

Krishnayan Hachette India

This is one of the many inspiring books from the renowned “Motivator” Dr. G. Francis Xavier. Evidently, this harvest of stories has been gleaned from lands he visited and books he read. Xavier, who conducts full-house personal growth courses has brought out this compendium in an interactive form, making the reader give the answers at the end of the story, which is a novel approach. Stories and examples are the best way to inspire, and this volume can be gifted to anyone. It is useful for preachers, speakers and teachers. The book appeals to readers of all ages

except the morose and irredeemable negaholics (negative thinking addicts) and anti-reading teenagers. It has stories to inspire and promises uninterrupted chuckles till the end. There are also quotations on success.

Hamish Hamilton

One man’s sacrifice shocks the world . . .
One woman’s courage threatens a conspiracy as old as humankind . . . And some will do anything—anything—to keep their secrets in the dark. Sanctus A man climbs a cliff face in the oldest inhabited place on earth, a mountain known as the Citadel, a Vatican-like city-state that towers above the city of Ruin in modern-day Turkey. But this is no

ordinary ascent. It is a dangerous, symbolic act. And thanks to the media, it is an event witnessed by the entire world. Few people understand its consequence. But for foundation worker Kathryn Mann and a handful of others, it's evidence that a revolution is at hand. For the Sancti, the cowled and secretive monks who live inside the Citadel, it could mean the end of everything they have built. They will stop at nothing to keep what is theirs, and they will break every law in every country and even kill to hold it fast. For American reporter Liv Adamsen, it spurs the memory of the beloved brother she lost years before, setting her on a journey across the world and into the heart of her own identity. There, she will make a discovery so shocking that it will change everything. .

All the Names They Used for God
 Springer Science & Business Media
 From the bestselling author of Karna's Wife, comes this book about Urmila, Sita's sister and the neglected wife of Lakshman, and one of the most overlooked characters in the Ramayana. As Sita prepares to go into exile, her younger sisters stay back at the doomed palace of Ayodhya, their smiles, hope and joy wiped away in a single stroke. And through the tears and the tragedy one woman of immense strength and conviction stands apart-Urmila, whose husband, Lakshman, has chosen to accompany his brother Ram to the forest rather than stay with his bride. She could have insisted on joining Lakshman, as did Sita with Ram. But she did not. Why

did she agree to be left behind in the palace, waiting for her husband for fourteen painfully long years?

How To Thrive In A Family Business

Endurance: A Droll Saga Originally Published In Gujarati In 1947 As Manavini Bhavai Is A Modern Classic. Set Against The Rural Backdrop Of Gujarat, It's A Fictionalized Account Of The Great Famine Of 1990, Which Had Ravaged This Part Of The World. Written In A Simple, Direct Style, Free Of Conventional Artifice And Sophistication It Is Not Crude Or Raw. It Is The Story Of Love Between Kalu And Raju As Well As The Story Of Hard And Tragic Life Of The Farmers In Indian Villages. The Translation Seeks To Retain The Essential Simplicity, The Rustic Flavour

And Spirit Of The Original As Closely As Possible.

101 Inspiring Stories Harlequin

The inspiring story of one of India's greatest wrestling coaches. In 2000, after the Olympic Games closed with much fanfare in Sydney, legendary wrestler Mahavir Singh Phogat watched, dejected, as the prize reserved by his state government for the winner of an Olympic gold medal went unclaimed. Determined to never see this instance repeated, Phogat decided to do the unthinkable. Much to his neighbours' curiosity, he spent two days digging a pit in his courtyard and asked his young daughters and nieces to join him there at the break of dawn one day. Little did they know that this unusual command from their father would change their

lives forever. Yet, each of their wins in the ring, every ambition he had for them, came at great personal cost. In the small village of Balali in Haryana, a state infamous for its practice of female foeticide and low literacy rates, Phogat had to battle not just deep social stigma and an apathetic government but also a disapproving family and personal tragedy to train the girls in his sport. Akhada tells the remarkable story of a man of tremendous fortitude, of a father who fought against all odds to give his daughters a future they could not have dreamed for themselves.

At The Feet of Mahatma Gandhi Simon and Schuster

What, according to you, is a family business? What are its benefits? Why do a majority of family businesses fail? Can

a family business be turned to your advantage? Set around the backdrop of an enterprise that has been around for over a hundred years - the Baidyanath Group, these questions, and many more, are answered in this book on what makes family businesses tick specially beyond the third generation. As any business passes through generations and each generation passes through these various stages of life - Brahmacharya, Grihastha, Vanaprastha and Sanyas - the transition is not just difficult, but also painful, both financially and emotionally. The resultant losses of this generational paradigm are not only monetary, but also familial. Do family businesses suffer from elder son syndrome, or is early division seen as taboo? When to plan succession and

should one part with ownership? Surprisingly, the business behaves as per the behaviour of the generation that manages it. Given an identical situation, the decision would vary as per the generation taking the call. Life is all about the choices we make, our decision, if right, becomes a 'virtue' for the family and the business. If not right, it becomes a 'sin'. The book serves as a guide to what not to do by every member and every generation of a family. Identifying thirty actions which are the biggest sins that hinder the prosperity and continuity of any family business, Ajay Sharma, a third-generation businessman, weaves his own experiences with in-depth research and knowledge on the subject of family business. He believes that this book will

be helpful to everyone - not just the stakeholders of family businesses, but also the millions who work with these family businesses, people who are the real lifeforce.

Rathi, and then an Athirathi, a warrior of unmatched valour and skill, who singlehandedly defeated the hundred Kaurava brothers in battle. All her life she strove to fulfil one goal – to slay the Maharathi of Hasthinapur, in a trans-generational act of vengeance. But was this her final destiny? At the Battle of Kurukshetra, when the Pandava brothers seem to have lost all hope and are facing defeat, it is Shikhandini who joins them and turns the battle in their favour. If not for her, history would have been written differently. But what was the price she paid? How far did she go in order to prove herself and accomplish her goal? What did she sacrifice along the way? Was she just a pawn in the game between the Kurus? Or was she a true hero, conveniently forgotten

because she was not born a man? In this retelling of epochal events, Shikhandini's transformation from woman to man, based on ancient medical science, is what makes this story both riveting and real in its validity, human intensity, driven purpose and ultimate sacrifice. In this new dawn, when the third gender is finally gaining acceptance and identity, it is perhaps time Shikhandini's story was retold in all its tragic glory.

A gripping tale of love, heroism,
humiliation, revenge, and death,

Angaliyat presents a vividly coloured picture of the lives of two neighbouring villages in the Charotar district of central Gujarat. This paperback edition includes a revised and updated Introduction and a new Preface.

The Fisher Queen's Dynasty Sahitya Akademi

Based on a teach-yourself approach, the fundamentals of MATLAB are illustrated throughout with many examples from a number of different scientific and engineering areas, such as simulation, population modelling, and numerical methods, as well as from business and everyday life. Some of the examples draw on first-year university level maths, but these are self-contained so that their omission will not detract from learning the principles of using MATLAB. This

completely revised new edition is based on the latest version of MATLAB. New chapters cover handle graphics, graphical user interfaces (GUIs), structures and cell arrays, and importing/exporting data. The chapter on numerical methods now includes a general GUI-driver ODE solver. *

Maintains the easy informal style of the first edition * Teaches the basic principles of scientific programming with MATLAB as the vehicle * Covers the latest version of MATLAB

A Memoir of Lust, Exploitation, Deceit (Calcutta, 1929) Penguin

Swami Vivekananda's views on the Bhagavad Gita are scattered throughout 'The Complete Works of Swami Vivekananda' published in nine volumes. The present book, published by Advaita

Ashrama, a publication branch of Ramakrishna Math, Belur Math, is an extensive compilation of these insightful views of Swami Vivekananda on this sacred scripture of the Hindus. The reader is, as it were, taken through several verses of the Gita along with the Swami's elevating and soul-stirring commentary. Note: This book has embedded fonts to display the verses in Devanagari. You may have to use the 'Original' Font option in Google Play Books app. "... The book is certainly not a commentary on the Gita, in the traditional sense. But, what is available is indeed a treasure house of wisdom. Swamiji was a living embodiment of the

Gita. According to him, the Gita was 'practical Vedanta'. He demonstrated this through his life. Reading through the book is indeed a rewarding experience. One is in holy company, imbibing the words of one who is speaking from his heart. ... Just as Swamiji himself used to carry a copy of the Gita with him always, one cannot do better than carry a copy of this book with one always..." - from a Review in the Vedanta Kesari, November 2010, p.441 published by Sri Ramakrishna Math, Chennai. As of February 2017, the print book has undergone seven reprints and more than 27,000 copies have been sold.
