A fiction whose poise, compassion and breadth take the reader's breath away" JOAN SMITH "Gripping and touching" Independent "Memorable and moving" The Times Bound by blood, separated by love... Twin sisters, Lotte and Anna, share a bond that is far stronger than anyone except they

alone can understand. But when war comes between them, the two discover that even the deepest bonds have their limits. Having been cruelly separated as children, Lotte and Anna are at last reunited. Neither lost hope to see each other again. However, with Europe on the verge of war, much has changed between them. While Lotte has enjoyed a privileged upbringing in liberal Holland, Anna has endured a life of poverty in a Germany under the spell of Hitler. With Lotte now engaged to a Jewish musician, and Anna brainwashed by Third Reich ideas, cracks in their relationship soon appear. With the war on, the twins decide to part again. Back in Germany, Anna marries Martin, an Austrian soldier, who hates the war but joins the SS for the sake of his wife only to be killed a few days later. Anna is devastated and longs for her sister. At the same time, Lotte's own life is in danger. The Nazis have invaded Holland and her lover has been taken to Auschwitz. Knowing she will never see him again, all she can do is keep his family safe from Hitler's troops. Now an old woman, Lotte remembers the pain as, before her, stands the sisters she disowned all those years ago. Can these two lives ever be reconciled? The twins now face their final test . . . Translated from the Dutch by Ruth Levitt *Janus at the Millennium* MacLehose Press Desire Cordier - mild-mannered former librarian, put-upon husband, lover of boules - is losing his mind. Or is he? Happily tucked away in the Winterlight Home for the Elderly, Desire is looking forward to a quiet retirement with the other forgetful residents, safe in the knowledge that no one knows he's faking his memory loss. And as if there weren't reasons enough to opt out of the modern world, it would be worth it just to see Rosa Rozendaal again - the love of Desire's youth, the one who got away. But dementia isn't all fun and games. There's a former war criminal hiding out in the home; once-beautiful Rosa might be too far gone to return Desire's ardour; and our hero soon begins to suspect he might not be the only one in Winterlight who's acting a part. A tender love story of demented minds and honourable hearts, and a razor-sharp satire of the indignities of old age and the callousness of caregiving, *The Latecomer* excoriates our society and asks: might we all be better off forgetting? *moderne Nederlandse romans & verhalen besproken en samengevat* David R Godine Pub When Saskia Ehlvest, a young Dutch girl, disappears from a rest stop along a highway in rural France, her lover, Rex

Hofmann, cannot accept her disappearance and embarks on an obsessive search for her that spans years. And so does Inspector Sean Murphy of the Dublin police."--Cover. **A Novel** Pearson College Division With 1901/1910-1956/1960 Repertorium is bound: Brinkman's Titel-catalogus van de gedurende 1901/1910-1956/1960 (Title varies slightly). Pulping Fictions Quercus Publishing The bracing and inventive new novel of suspicions and secrecy from Herman Koch, the New York Times bestselling author of *The Dinner* When Robert Walter, popular mayor of Amsterdam, sees his wife toss her head back with laughter while chatting to one of his aldermen at a New Year's reception, he immediately suspects the worst. Despite their long and happy marriage, Robert is convinced that Sylvia is cheating on him—with the respectable alderman who is dedicated to the environment, no less. The man who wants to spoil the capital's skyline with wind turbines. The New Year's reception marks the end of the "happy family" era that the

mayor has enjoyed for so long. His wife and their daughter, Diana, however, are not aware of his suspicions and carry on as usual. Robert starts spending a lot of time and energy “behaving normally.” Naturally, his normal behavior is far more suspicious. Normally Robert's not really present when he's at home--he's preoccupied with his phone, the newspapers, and his own thoughts. But now Robert is so sure he'll miss the clues if he doesn't pay attention that he starts to be almost alarmingly attentive and interested--ultimately losing himself in increasingly panicked and paranoid trains of thought. Written with Herman Koch's trademark originality, playfulness, and edge, *The Ditch* is a wildly clever—and guttingly familiar—story of a man whose sadistic skill for undermining himself and his marriage comes to cost him nearly everything. Praise for *The Ditch* “Provocation, life in the spotlight and tasty cuisine are also present and accounted for in Koch's spiky new book, *The Ditch*. . . . Koch again seeks to show the fault lines beneath the surface of ostensibly civilized society.”—*The New York Times Book Review* “Clever, rollicking, and intense . . . an unreliable tale for the ages.”—*Vanity Fair* “Koch has crafted a pitch-perfect tone for a man consumed by jealousy. . . . A shadowy tale of the power of projection.”—*Kirkus Reviews* “A compelling exploration by a master stylist of what jealousy and distrust can do even to a solid relationship.”—*Booklist*

*The Twins* University Press of America Winner of the European Union Literature Prize, Peter Terrin's *The Guard* is a haunting novel of perceived oppression by the an omnipresent, but unknown, authority. In the near future, Harry and Michel live in the basement of a luxury apartment block, guarding the inhabitants. No one goes outside. The world might be at war, it might even have been plunged into nuclear winter. No one knows. But one weekend, all of the residents leave the block, one by one. All but the man on floor 29. Harry and Michel stick to their posts. All they know, all they can hope for, is that if they are vigilant, the "Organization" will reward them with a promotion to an elite cadre of security officers. But what if there were no one left to guard? Playing on our darkest fears, *The Guard* is a tautly observed novel by a writer of striking and stylish originality.

From the Amazon Charts bestselling author of *An American Princess* comes the true story of an unconventional family divided by war and prejudice during WWII. When they fell in love in 1928, Rika and Waldemar could not have been more different. She was a thirty-seven-year-old Dutch-born mother, estranged from her husband. He was her immigrant boarder, not yet twenty, and a wealthy Surinamese descendant of slaves. The child they have together, brown skinned and blue eyed, brings the couple great joy yet raises some eyebrows. Until the Nazi occupation of the Netherlands explodes their promising life. What unfolds is more than the astonishing story of a love that prevailed over convention. It's also the quest of a young boy. Through the cruelty of World War II, he will fight for a connection between his father's South American birthplace and his mother's European traditions. Lost and displaced for much of his life, but with a legacy of resilience in his blood, he will struggle to find his place in the world. Moving deftly between personal experience and the devastating machinations of war, *The Boy Between Worlds* is an unforgettable journey of hope, love, and courage in the face of humanity's darkest hour.

*Love May Fail* Bloomsbury Publishing USA Taking Quentin Tarantino's dictionary definition of 'pulp fiction' as its starting point, *Pulping Fictions* explores the unease with which film and television adaptations are often greeted, investigating the changing status of 'canonical' and 'non-canonical' texts in the increasingly blurred interface between literature and media studies. Branagh's film of *Henry V*, the filming of Mary Shelley's *Frankenstein* and Angela Carter's adaptability from book to screen are examined. The transference of the grand narratives of history into theme park youth culture is explored via Bill & Ted's *Excellent Adventure* and the folk-myth rendition of Mel Brooks's 'irreverent' *Robin Hood: Men in Tights*. The notion of 'planning' is examined in the evolution of Neil Jordan's film of Anne Rice's *Interview with the Vampire* and the exploitation of textual/cinematic strategies is revealed in Sally Potter's adaptation of Virginia Woolf's *Orlando*. The BBC's decision to film *Middlemarch* in Stamford is considered and, concluding the volume, charges against Tarantino for exploiting the banal and vulgar tastes of mass culture are refuted in a reading of his *Pulp Fiction*.

*History in Dutch Studies* re-considers the central role of history within the discipline of Dutch Studies as viewed from a range of specializations within the field. Contributions by scholars of Dutch history, art history, literature and linguistics all illustrate how the past, and one's theories and views of history, affect the practice of each part of the discipline. One reflection of the history of the Low Countries in "Dutch Studies" is the range of the field: it is interpreted broadly in this volume to include studies of Afrikaans as well as Dutch literature- poetry as well as prose- in light of their histories, the history of Flanders and that of the Netherlands, approaches within Dutch linguistics as well as a history of language contact and its influence on Dutch. This breadth continues in the range of institutions and nationalities that are represented. The volume presents work from major scholars from the Netherlands, Belgium, and South Africa as well as from the United States of America. These articles therefore provide a good cross-section of ongoing research in the Netherlandic Studies the world over.

[Character](#) Houghton Mifflin Harcourt An aspiring feminist and underappreciated housewife embarks on an odyssey to find human decency and goodness—and her high school English teacher—in New York Times bestselling author Matthew Quick's offbeat masterpiece, a quirky ode to love, fate, and hair metal. Portia Kane is having a meltdown. After escaping her ritzy Florida life and her cheating pornographer husband, she finds herself back in South Jersey, a place that remains largely unchanged from the years of her unhappy youth. Lost and alone, looking to find the goodness in the world she believes still exists, Portia sets off to save herself by saving someone else—a beloved high school English teacher who has retired after a traumatic incident. Will a sassy nun, an ex-heroin addict, a metal-head little boy, and her hoarder mother help or hurt her chances on this madcap quest to restore a good man's reputation and find renewed hope in the human race? *Love May Fail* is a story of the great highs and lows of existence: the heartache and daring choices it takes to become the person you know (deep down) you are meant to be.
