The Canterbury Tales National Geographic Books

In *The Canterbury Tales* Chaucer created one of the great touchstones of English literature, a masterly collection of chivalric romances, moral allegories and low farce. A story-telling competition between a group of pilgrims from all walks of life is the occasion for a series of tales that range from the Knight's account of courtly love and the ebullient Wife of Bath's Arthurian legend, to the ribald anecdotes of the Miller and the Cook.

The Canterbury Tales with Other Poems National Geographic Books
 Publisher description

The Canterbury Tales Broadview Press
 Text in English, with some passages in the original Middle English.

[The Canterbury Tales, The New Translation](#) Prestwick House Inc

The most complete of all remaining surviving fragments sections of *The Canterbury Tales*, the First Fragment contains some of Chaucer's most widely enjoyed work. In *The General Prologue*, Chaucer introduces his pilgrims through a set of speaking portraits, drawn with a clarity that makes no attempt to conceal their peculiarities. The four tales that follow - those of the Knight, Miller, Reeve and Cook - reveal a wide variety of human preoccupations: whether chivalrous, romantic or simply sexual. Brilliantly bawdy and subtly complex, each of these tales is alive with Chaucer's skills as a poet, storyteller and creator of comedy.

[The Canterbury Tales](#) Bloomsbury Publishing

The Prologue to the *Canterbury Tales* contains the most vivid and familiar

passages from medieval English literature. Chaucer's pilgrims form a complete cross-section of the society of his day from the Monk and Merchant, the Doctor and Lawyer, through to the outrageous Miller and the corrupt Summoner. This illustrated edition of the Prologue features miniatures taken from the Ellesmere manuscript, and closely adheres to the authentic text of Chaucer. End notes provide all the information necessary for a complete understanding of the work. This unique book with its eye-catching and colourful design, celebrates one of the most significant periods in English history.

The Canterbury Tales Theatrefolk
 As literary scholars have long insisted, an interdisciplinary approach is vital if modern readers are to make sense of works of medieval literature. In particular, rather than reading the works of medieval authors as addressing us across the centuries about some timeless or ahistorical 'human condition', critics from a wide range of theoretical approaches have in recent years shown how the work of poets such as Chaucer constituted engagements with the power relations and social inequalities of their time. Yet, perhaps surprisingly, medieval historians have played little part in this 'historical turn' in the study of medieval literature. The aim of this volume is to allow historians who are experts in the fields of economic, social, political, religious, and intellectual history the chance to interpret one of the most famous works of Middle English literature, Geoffrey Chaucer's 'General Prologue' to the *Canterbury Tales*, in its contemporary context. Rather than resorting to traditional historical attempts to see Chaucer's descriptions of the *Canterbury* pilgrims as immediate reflections of historical reality or as

portraits of real life people whom Chaucer knew, the contributors to this volume have sought to show what interpretive frameworks were available to Chaucer in order to make sense of reality and how he adapted his literary and ideological inheritance so as to engage with the controversies and conflicts of his own day. Beginning with a survey of recent debates about the social meaning of Chaucer's work, the volume then discusses each of the Canterbury pilgrims in turn. Historians on Chaucer should be of interest to all scholars and students of medieval culture whether they are specialists in literature or history.

The Selected Canterbury Tales: A New Verse Translation Greenwood Publishing Group

Provides a detailed historical description of the occupations of each of the pilgrims in Chaucer's "Canterbury Tales," with each entry placing their vocation in historical context and discussing the daily routine of the pilgrim's occupation. *Selections from Chaucer's Canterbury Tales (Ellesmere Text)* Arcturus Pub

This classic and eminently readable work provides a full critical introduction to the complete Canterbury Tales. Essential reading for students of Chaucer.

The Canterbury Tales in Plain and Simple English (Translated) Createspace Independent Publishing Platform

The classic collection of beloved tales, both sacred and profane, of travelers in medieval England. Complete and Unabridged.

The Canterbury Tales Penguin

The Broadview Canterbury Tales is an edition of the complete tales in a text based on the famous Ellesmere Manuscript. Here one may read a Middle English text that is closer to what Chaucer's scribe, Adam Pinkhurst,

actually wrote than that in any other modern edition. Unlike most editions, which draw on a number of manuscripts to recapture Chaucer's original intention, this edition preserves the text as it was found in one influential manuscript. A sampling of facsimile pages from the original manuscript is also included, along with a selection of other works that give the reader a rich sense of the cultural, political, and literary worlds in which Chaucer lived. The second edition includes a new Middle English glossary, a timeline of Chaucer's life and times, and detailed page headers showing the fragment and line numbers to assist readers in finding a specific section of the poem.

Five Canterbury Tales Oxford University Press, USA

The classic collection of beloved tales, both sacred and profane, of travelers in medieval England.

A Companion to Chaucer's Canterbury Tales Broadview Press

An abridged retelling of the highlights of Chaucer's Canterbury Tales in modern English. While it is written for a younger audience, readers of any age can enjoy these timeless stories.

The Canterbury Tales in Modern Verse Penguin Classics

This daring new translation of 21 of the tales, most of them rendered in iambic tetrameter, conveys the content, tone, and narrative style of the original in a line as expressive as it is economical. An Introduction treats Chaucer's works, influences, life, learning, and the world of 14th-century London. Includes a glossary.

The Canterbury Tales of Chaucer BookCaps Study Guides

Marcia Williams retells Chaucer's popular tales in comic-strip style. As the pilgrims each tell their tales in turn, discover

what happened when old John the carpenter took a young and flirtatious wife, how the students gave the thieving miller his come-uppance, what all women desire, and more.

W. W. Norton & Company

Geoffrey Chaucer's "The Canterbury Tales" is epic in everyway; it have love, humor, history, religion--it has it all! Who wouldn't want to read this true classic? Unfortunately, reading it and understanding it can be two very different things because the English often just does not make sense to the modern reader. Let BookCaps help with this modern translation. If you have struggled in the past reading old English, then BookCaps can help you out. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.

Chaucer's Canterbury Tales The
Canterbury Tales

"When a genial innkeeper suggests to a group of pilgrims bound for Canterbury that they tell each other stories to entertain themselves on the way, everyone agrees! From the simple premise Chaucer created a medieval masterpiece. The prologue and five of the best-known stories are retold in modern English in this edition."--
Publisher.

The Complete Canterbury Tales
Routledge

"A romp for the ages" (Vanity Fair)—now with a graphic cover and deluxe packaging Renowned novelist, historian, and biographer Peter Ackroyd takes on what is arguably the greatest poem in the English language and presents it in a prose vernacular that makes it

accessible to readers while preserving the spirit of the original. A mirror for medieval society, The Canterbury Tales concerns a motley group of pilgrims who meet in a London inn on their way to Canterbury and agree to take part in a storytelling competition. Ackroyd's contemporary prose emphasizes the humanity of these characters—as well as explicitly rendering their bawdy humor—yet still masterfully evokes the euphonies and harmonies of Chaucer's verse. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Canterbury Tales W. W. Norton

A collection of ten critical essays on the Prologue to Chaucer's well-known work, arranged in chronological order of their original publication.

The Canterbury Tales Penguin UK

A clear modern prose translation of Chaucer's masterpiece of Middle English storytelling by the acclaimed poet David Wright. The Canterbury Tales has entertained readers for centuries, with its comic animal fables, moral allegories, miniature epics of courtly love, and rollicking erotic farces that bring fourteenth-century England to life on every page. The gloriously varied stories, narrated by a group of pilgrims on their way to Canterbury, are peopled with saints, sinners, and ordinary mortals in a vivid panorama of the medieval world.

This prose translation renders these tales as accessible and irresistible to modern readers as they were to Chaucer's contemporaries.

[The Canterbury Tales](#) Penguin UK

This new addition to the Longman Critical Readers Series provides an overview of the various ways in which modern critical theory has influenced Chaucer Studies over the last fifteen years. There is still a sense in the academic world, and in the wider literary community, that Medieval Studies are generally impervious to many of the questions that modern theory asks, and that it concerns itself only with traditional philological and historical issues. On the contrary, this book shows how Chaucer, specifically the Canterbury Tales, has been radically and excitingly 'opened up' by feminist, Lacanian, Bakhtinian, deconstructive, semiotic and

anthropological theories to name but a few. The book provides an introduction to these new developments by anthologising some of the most important work in the field, including excerpts from book-length works, as well as articles from leading and innovative journals. The introduction to the volume examines in some detail the relation between the individual strengths of each of the above approaches and the ways in which a 'postmodernist' Chaucer is seen as reflecting them all. This convenient single volume collection of key critical analyses of Chaucer, which includes work from some journals and studies that are not always easily available, will be indispensable to students of Medieval Studies, Medieval Literature and Chaucer, as well as to general readers who seek to widen their understanding of the forces behind Chaucer's writing.
