 When Sophica was
 abruptly separated
 from her father as a
 toddler, she found a
 haven in Grandmother
 Gitté. But one sunny
 day in July, when she
 was six years old,
 gendarmes marching
 and shouting in the
 streets stopped her
 dreamy childhood and
 her hopes to go to
 school and to be a big
 girl like her sister. She
 was deported together
 with her mother and
 the whole of the Jewish
 community of
 Mihaileni, Romania. On
 foot, through icy fields,
 they arrived in eastern
 Ukraine, a strip of land
 called Transnistria.
 Death, illness,

brutality, shame, became her daily scenes. Sophica suffered hunger and fear but kept her hopes and sanity, albeit losing her sister and her father and witnessing her mother being viciously attacked. She survived typhus and starvation by being strong and quiet. Herman was a jolly little boy who didn't care much needing to wear the yellow star and being forbidden from school. He continued playing outside with his friends while his father and brother were sent to a labor camp. At the age of 14, when the Second World War ended, he joined a Jewish youth movement and embarked on a ship to the Promised Land. However, their journey was interrupted and

they were taken to a British detention camp in Cyprus. Sophica and Herman were given new names, Shulamit and Tzvi. They met and made a home in Israel. Shulamit/Sophica never mentioned her sad childhood, but the essence of the past found its ways out. Sixty-five years after those events, her daughter comes across a family secret and starts asking questions, inducing Shulamit to break her silence and become again the frightened little Sophica. This book tells her moving childhood story. Elefant Online Now a musical! Matilda is a sweet, exceptional young girl, but her parents think she's just a nuisance. She expects school to be different but there she

has to face Miss Trunchbull, a menacing, kid-hating headmistress. When Matilda is attacked by the Trunchbull she suddenly discovers she has a remarkable power with which to fight back. It'll take a superhuman genius to give Miss Trunchbull what she deserves and Matilda may be just the one to do it! Here is Roald Dahl's original novel of a little girl with extraordinary powers. This much-loved story has recently been made into a wonderful new musical, adapted by Dennis Kelly with music and lyrics by Tim Minchin.

Published in 1927, this psychological thriller captured the

imagination of Romanian readers. Puiu, an aristocrat, murders his wife. To avoid a public trial and prison sentence, his father commits him to a mental asylum.

Parenting to Inspire Integrity & Independence

Houghton Mifflin Harcourt

Lumea cărților este legată, prin fire imprevizibile, atât de viața celor care le scriu, cât și de a celor care le citesc. Printr-o serie de paralele între cărți și întâmplări reale, personale sau ale altora, Simona Sora le amintește cititorilor că, dincolo de grupuri literare și de relații, de simpatii și de antipatii, ceea ce contează cu adevărat este, până la urmă, valoarea operei literare și plăcerea lecturii.

A delightful collection of verse from the greatest poets of love: from Byron to Donne, Shelley to Shakespeare and the exquisite W.B. Yeats. Accompanied by the gorgeous art of the high Victorians: Waterhouse, Alma Tadema, Millais and William Godward this sumptuous package is the perfect companion to the Flame Tree Notebooks.

Upon its original publication in 1983, *Wasted Morning* catapulted Gabriela Adamesteanu to the first rank of Romanian novelists. She has since been translated into many languages, and now her most famous novel is

available in English for the first time. At the center of *Wasted Morning* is Vica Delca, a simple, poor woman in her seventies who has endured the endless series of trials and tribulations that was Romanian history from WWI to the end of the twentieth century. She's a born storyteller, chatting and gossiping tirelessly. But she also listens, so it is through her that Adamesteanu is able to show us a panoramic portrait of Romanian society as the fortunes of its various strata shift violently. Rich or poor, honest (more or less) or deceitful, all of the characters in this polyphonic novel are brought vividly to life. From Bucharest's aspirations to be the Paris of Eastern Europe

to the darkest days of dictatorship, the novel presents a sweeping vision of the personal and collective costs of a turbulent century.

Parenting by example.

Using the simple,

powerful message that

turned Children Learn

What They Live into an

international bestseller

with over 1.5 million

copies in print, Drs.

Dorothy Law Nolte and

Rachel Harris bring

their unique

perspective to families

with adolescents.

Structured, like the

first book, around an

inspirational poem,

Teenagers Learn What

They Live addresses

the turbulent teenage

years, when a stew of

hormones, pressures,

and temptations makes for such extreme challenges for parents and children.

Teenagers addresses

popularity and peer

pressure ("If teenagers

live with rejection, they

learn to feel lost"); the

responsibilities of

maturity ("If teenagers

live with too many

rules, they learn how

to get around them./ If

teenagers live with too

few rules, they learn to

ignore the needs of

others"); body image

and the allure of

cigarettes, drugs, and

alcohol ("If teenagers

live with healthy

habits, they learn to be

kind to their bodies").

Central to the book are

ways for parents to

communicate with

their teenage children-

including how to deal

with being "tuned out"

and when to start the

conversation again-and

how to strike the right balance between holding on and accepting a teen's growing independence. Hundreds of examples of parent-child interactions cover everything from the all-night graduation party to problems of sexual identity, providing great guidance as well as effective conversation starters.
