JORDYN MCMAHON

Billboard A&C Black
Theatrical characters'
dual existence on
stage and in text
presents a unique,
challenging case for
the analytical
philosopher. Analytic
Philosophy and the
World of the Play re-
examines the

ontological status of
theatre and its fictional
objects through the
"possible worlds"
thesis, arguing that
theatre is not a mirror
of our world, but a re-
creation of it. Taking a
fresh look at theatre's
key elements,
including the hotly
contested relationships
between character and
actor; onstage and
offstage "worlds"; and

the play-text and performance, Michael Y. Bennett presents a radical new way of understanding the world of the play.

Mahalia Jackson and the Black Gospel Field
University of Illinois Press

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

UNC Press Books

A wonderful variety of 11 favorite spirituals are featured in this new songbook.

Included are: Gospel Train * Ride the Chariot * Kum Ba Yah * Down by the Riverside * Wade in the Water * Yes, My Lord! * Amazing Grace * Go, Tell It on the Mountain * Joshua * Good News! * Nobody Knows the Trouble I've Seen.

Billboard Routledge

There are few works in existence that teach gospel singing and even fewer that focus on what gospel soloists need to know. In *So You Want to Sing Gospel*, Trineice Robinson-Martin offers the first resource to help individual gospel singers at all levels make the most of their primary instrument—their voice. Robinson-Martin gathers together key information on gospel music history, vocal pedagogy, musical

style and performance, and its place in music ministry. *So You Want to Sing Gospel* covers such vital matters as historical, cultural and spiritual perspectives on the gospel music tradition, training one's voice, understanding the dynamic of sound production, grasping gospel style, and bringing together vocal performance with ministerial imperatives. She also includes in her discussion such matters as voice type, repertoire selection, and gospel sub-genres. Additional chapters by Scott McCoy and Wendy LeBorgne, and Matthew Edwards address universal questions of voice science and pedagogy, vocal health, and audio enhancement technology. The *So You Want to Sing* series is

produced in partnership with the National Association of Teachers of Singing. Like all books in the series, *So You Want to Sing Gospel* features online supplemental material on the NATS website. Please visit www.nats.org to access style-specific exercises, audio and video files, and additional resources.

A Field Experience Workbook Rowman & Littlefield

In a world where fleeting pleasures define fulfilment the need for things pointing fallen man to those of more value and true happiness can't be underplayed. This first offering from Sean C. Harrison explores with depth life's real issues of joy, family ties, pain and faith and mortality

through verse. Drawing from varied life experiences and those of others, he gives an insightful, tactful gaze upon the finer threads of life's tapestry which furnish a sharper insight into the rare yet familiar elements which produce true happiness. This book pledges an interesting, meditative read not just for Christian faith-based individuals and groups but people of differing persuasions searching for meaning beyond life's mundane meanderings. Its four chapters; Joy in Christ, Joy in Relationships, Joy in Pain and Joy Ever After detail a journey from birth to moribundity giving sources of hope through expertly penned poetry and a rich treasure store of wisdom sure to strike a

chord in every reader's heart, evoking a feeling of empathy for the common grounds touched upon in this moving collection.

Trains, Jesus, and Murder Routledge
From Africa through the spirituals, from minstrel music through jubilee, and from traditional to contemporary gospel, "People Get Ready!" provides, for the first time, an accessible overview of this musical genre.

The Incredible, Sometimes Awkward, True Story of a Rebel Girl on Wheels Who Helped Spark a Revolution

Routledge

This textbook prepares Music Education and Choral Conducting majors to be effective middle school and high school choral music teachers. It fully integrates the choral field experience for hands-on learning and reflection and allows the student to observe and teach the book's principles. It covers the essentials of vocal development, auditions, literature, rehearsals, classroom management, and

practical matters.

Becoming a Choral Music Teacher Baker

Publishing Group

The worldview of Christianity -- specifically, the battle between human sin and God's grace -- is a recurring theme in country music, a genre that is fast becoming one of the most

popular American music styles.

Ready to

Sing...spirituals Yale University Press

The instant #1 New York Times bestseller! "It's the best memoir I've ever read."

—Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir .

. . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today

Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring

book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it

that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of

stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

Billboard Beacon Press
Although the most vital and innovative trend in contemporary music, techno is notoriously difficult to define. What, exactly, is techno? Author Dan Slicko offers an entertaining, informed, and in-depth answer to this question in *Techno Rebels*, the music's authoritative American chronicle and a must-

read for all fans of techno popular music, and contemporary culture.

A Catalog of Music Written in Honor of Martin Luther King, Jr

CreateSpace McDonald organizes and makes available information on music appropriate for concerts performed by a symphony orchestra, school music department, church choir, or solo performer in celebration of Martin Luther King Day or Black History Month.

His selections include not only music written specifically in honor of King but also about other Americans associated with the struggle for equality and freedom, such as Abraham Lincoln, Malcolm X, Harriet Tubman, Frederick Douglass, and John F. Kennedy. He also includes works dealing with African American history and culture, such as William Grant Still's Afro-American Symphony. The third edition includes a considerable number of revisions and updates, with many new works added. Additions include an entirely new section devoted to jazz and blues songs, an overview of Martin Luther King Day concerts with sample programs, and a

discography, along with appendixes of works listed by orchestration, subject, and a list of publishers and sources.

The Garland Encyclopedia of World Music Penguin
 "Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, Times Literary Supplement
 In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus

and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, Journal of the American Academy of Religion
 "This is a first-rate work of a first-rate historian."—James D. Tabor, Journal of Religion
 "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, Christian Science Monitor
