Becoming a Contagious Christian Thomas Nelson
Based on the book of Proverbs and Bill Hybels's *Making Life Work*, this study guide will help you develop discipline, speak truth and strengthen relationships--equipping you to think and act out of godly wisdom.

The Power of a Whisper David C Cook
Modern business practice and scholarship have honed the laws of the leadership. To achieve success, you're supposed to - among other things - leverage your time, choose a strong team, and avoid unnecessary controversy. But what do you do when the laws of leadership collide with

the teachings of Christ? What would it mean to reveal your true character to those you lead? What would it take for you to take an honest look at yourself and ask, "Am I leading from my mission ... or my shadow mission?" Using stories from their own lives and ministries, Bill Hybels, John Ortberg, and Dan Allender illustrate how the laws of leadership sometimes crash head-on into the demands of discipleship, and how the decisions you make at these crossroads could affect not only you, but the destiny of those you lead. The *Call to Lead* includes the previous releases from the Leadership Library series: *When Leadership and Discipleship Collide*, by Bill Hybels, *Overcoming Your Shadow Mission*, by John Ortberg, and *Leading Character* from Dan Allender.

Living and Leading from Your Holy Discontent Zondervan

Powerful yet concise, *Leaders Who Last* instructs, warns, inspires, and challenges leaders with what it takes to live, lead, and make a lasting difference in the lives of others.

Sacred Pathways John Wiley & Sons
Sacred Pathways reveals nine distinct spiritual temperaments--and their strengths, weaknesses, and tendencies--to help you improve your spiritual life and deepen your personal walk with God. It's time to strip away the frustration of a one-size-fits-all spirituality and discover a path of worship that frees you to be you. Experienced spiritual directors, pastors, and church leaders recognize that all of us engage with God differently, and it's about time we do too. In this updated and expanded edition of *Sacred Pathways*, Gary Thomas details nine spiritual temperaments and--like the Enneagram

and other tools do with personality-- encourages you to investigate the ways you most naturally express yourself in your relationship with God. He encourages you to dig into the traits, strengths, and pitfalls in your devotional approach so you can eliminate the barriers that keep you locked into rigid methods of worship and praise. Plus, as you begin to identify and understand your own temperament, you'll soon learn about the temperaments that aren't necessarily "you" but that may help you understand the spiritual tendencies of friends, family, and others around you. Whatever temperament or blend of temperaments best describes you, rest assured it's not by accident. It's by the design of a Creator who knew what he was doing when he made you according to his own unique intentions. If your spiritual walk is not what you'd like it to be, you can change that, starting here. Sacred Pathways will show you the route you were made to travel, marked by growth and filled with the riches of a close walk with God.

Making Life Work Zondervan

FOR DISTRIBUTION OUTSIDE THE USA. Building on the solid foundation laid in *Becoming a Contagious Christian* (1994), *Just Walk Across the Room* signals the next era in personal evangelism. Pastor Bill Hybels' firm conviction is that the highest value in personal evangelism is being attuned to and cooperative with the promptings of the Holy Spirit. This means playing only the role you are intended to play--walking when the Spirit says to walk; talking when the Spirit says to talk; and falling silent when the Spirit suggests that you've already said enough.

Mistakes Leaders Make Crossway

In "Simplify," bestselling author Bill Hybels identifies the core issues that lure us into frenetic living--and offers searingly practical steps for sweeping the clutter from our souls. Today's velocity of life can consume and control us ... until our breakneck pace begins to feel normal and expected. That's where the danger lies: When we spend our lives doing things that keep us busy but don't really matter, we sacrifice the things that do. What if your

life could be different? What if you could be certain you were living the life God called you to live--and building a legacy for those you love? If you crave a simpler life anchored by the priorities that matter most, roll up your sleeves: Simplified living requires more than just cleaning out your closets or reorganizing your desk drawer. It requires uncluttering your soul. By eradicating the stuff that leaves your spirit drained, you can stop doing what doesn't matter--and start doing what does.

When Leadership and Discipleship Collide Zondervan

The book you hold resonates with this conviction: that leaders such as you have the potential to be the most influential forces on planet Earth. Yours is the staggering responsibility and the matchless privilege of rallying believers and mobilizing their spiritual gifts in order to help people who are far from God become fully devoted followers of Christ. Life transformation and the eternal destinies of real people depend on the redemptive message entrusted to the local church. Are you willing to do whatever it takes to lead your church effectively so God's message of hope can change the world? Then this book is for you.

Courageous Leadership is Bill Hybels' magnum opus, a book far too important to be written before its time. Only now, after nearly thirty years leading his own church from a handful of people with a burning vision into a globe-spanning kingdom force--only after almost three decades of victories and setbacks, of praying hard and risking big--is Hybels ready at last to share the lessons he has learned, and

continues to learn, about Christian leadership. Too much is at stake for you not to maximize your spiritual gift of leadership, insists Hybels. In this passionate, powerful book, he unpacks the tools, tasks, and challenges of your calling. You'll discover the power of vision and how to turn it into action. You'll gain frontline insights for developing a kingdom dream team, discovering your leadership style, developing other leaders, making decisions, walking with God, embracing change, staying your God-given course, and much, much more. Drawing on his own richly varied life experiences, Hybels fleshes out vital principles with riveting firsthand stories. This is far more than another book on leadership strategies and techniques. You'll find those topics in here, to be sure. But beyond them, you'll find the very essence of one of today's foremost Christian leaders--his fervent commitment to evangelism and discipleship and his zeal to inspire fellow church leaders even as he seeks to keep growing as a leader himself. If unchurched people matter to you . . . if you love seeing believers serve passionately with their spiritual gifts . . . if God's heartbeat for the church is your heartbeat as well . . . then this book is a must. *Courageous Leadership* will convince you to lead with all your might, all your skill, and all your faith. And it will give you the tools to do just that.

In a society where "upward mobility" is the highest goal, Bill Hybels asks a tough question: Do Christians place God's desires first--or their own? In *Descending into Greatness*, Hybels and writer Rob Wilkins take the example of Christ's downward journey as it was meant to be; the radical and essential answer for every Christian. In fourteen powerful chapters, the authors explore such topics as How Jesus managed power. The intentional decisions necessary to move down. The uplifting nature of true humility. Abundant life through dying to self. The ambush of joy. Moving down is never an easy matter that can be reduced to a formula. It involves a life committed to discipleship. *Descending into Greatness* introduces you to the touching stories of modern men and women committed to advancing the kingdom of God: from the pro football player, to the medical missionary, to a businessman wrestling with the priorities

in the world of finance. Descending into Greatness asks tough questions and gives hopeful answers. Now, this powerful, urgent message also includes a discussion guide so that you can follow through, too. "Like Christ, we must descend-into self-abandonment, unconditional giving, sacrifice, and death to self. And, like Christ, we will then ascend-into fulfillment, blessing, joy, and purpose."

"Scot and Laura do an amazing job of

teaching us what a good church looks like." —Beth Moore What is the way forward for the church? Tragically, in recent years, Christians have gotten used to revelations of abuses of many kinds in our most respected churches—from Willow Creek to Harvest, from Southern Baptist pastors to Sovereign Grace churches. Respected author and theologian Scot McKnight and former Willow Creek member Laura Barringer wrote this book to paint a pathway forward for the church. We need a better way. The sad truth is that churches of all shapes and sizes are susceptible to abuses of power, sexual abuse, and spiritual abuse. Abuses occur most frequently when Christians neglect to create a culture that resists abuse and promotes healing, safety, and spiritual growth. How do we keep these devastating events from repeating themselves? We need a map to get us from where we are today to where we ought to be as the body of Christ. That map is in a mysterious and beautiful little Hebrew word in Scripture that we translate "good," the word *tov*. In this book, McKnight and Barringer explore the concept of *tov*—unpacking its richness and how it can help Christians and churches rise up to fulfill their true calling as imitators of Jesus.

Thomas Nelson Publishers

In this made-for-use guidebook, Bill Hybels provides the exact steps needed for ministry leaders to translate the principles described in his book *Holy Discontent* into practical and effective action. What is the one aspect of this broken world that, when you see it, touch it, or get near it, you just can't stand? What reality is so troubling that it thrusts you off the couch and into action? This is what Bill Hybels refers to as a holy discontent: a personal "firestorm of frustration" that, although sparked by that which is terribly wrong, can catalyze fierce determination to set things right. It is often during these eye-opening, heart-hungering moments of engagement when you will hear God whisper, "I feel the exact same way about this situation. Now, let's go solve it together!" Here are the steps and the guidance you need to make that happen. This companion to *Holy Discontent* includes: • Interactive processing exercises that encourage you to ask the tough questions of your ministry strategy, your supporting organizational structure, and the key people with whom you collaborate • Sidebar stories of ministry leaders who are living and leading from their holy discontent in a variety of contexts • Insightful prompts to help you act on what you learn • Space for personal reflection
