### Learning Mandarin Chinese

**Characters Volume 2** CreateSpace  
 Chinese is the most widely-spoken language in the world. Each character reflects the beauty and culture of ancient China. Chinese is the most valuable second language, opening up the future to young learners. We start with the characters because it's the "hardest"- but we want to make it easy. We hope to help learners all over the world learn Chinese through playful learning to understand the evolution of Chinese characters. This book isn't just for kids. It's for adults and parents who want to identify with their roots. We help non-native speakers visualize each Chinese character with both pinyin and English translations. If you want to learn more Chinese characters about animals please read my other book *Learning Chinese Characters For Kids Easy Fast & Fun -Vol 1 Animals*

*Holy Bible (NIV)* Cheng & Tsui

"The approach that has helped thousands of learners memorize Japanese kanji has been adapted to help students with Chinese characters. Remembering Simplified Hanzi covers the writing and meaning of the 1,000 most commonly used characters in the traditional Chinese writing system, plus another 500 that are best learned at an early stage." "Of critical importance to the approach found in these pages is the systematic arranging of characters in an order best suited to memory. In the Chinese writing system, strokes and simple components are nested within relatively simple characters, which can, in turn, serve as parts of more complicated characters and so on. Taking advantage of this allows a logical ordering, making it possible for students

to approach most new characters with prior knowledge that can greatly facilitate the learning process."--BOOK JACKET.

*Reading & Writing Chinese Traditional Character Edition* Tuttle Publishing  
 Cheng & Tsui's best-loved Chinese textbook series is new, revised, and better than ever!

### **Basic Mandarin Chinese - Reading & Writing Textbook** Suntific, Books by the Intellectual Engagé for Intellectuals

This is an ideal dictionary for students of the Chinese language "This small dictionary contains a wealth of information essential to beginning students of Chinese. It meets the growing need for a high-quality, user-friendly dictionary for use by foreigners wishing to learn Chinese. The many example sentences given will also be very helpful to Chinese students of English."—Professor Tian Sanji, Dean of the College of Culture, Beijing Language and Culture University  
 The Beginner's Chinese Dictionary is specifically designed for learners of Chinese. It covers over 1,800 vocabulary items, including all 1,000+ vocabulary items prescribed for Level A of the standard test of proficiency in Chinese, the Hanyu Shuiping Kaoshi (HSK). Entries are arranged alphabetically according to the pinyin transliteration. For each character, the radical and stroke count are given. An analysis of word formation is also provided to aid understanding of how words of two or more syllables are formed. Sample sentences are presented in Chinese characters with pinyin and English equivalents, to show how each headword should be used. A radical and character index allows quick access to any headword. English-Chinese and Chinese-English sections. Entries arranged alphabetically by pinyin

transliteration. Includes all words for standard HSK level A proficiency test. Sample sentences demonstrate how to use words correctly. Characters and pinyin for all headwords and examples. Introduces and explains radicals, stroke counts, and components. Key character components are given for easy recognition. Useful notes on culture, grammar and usage provided.

#### Chinese Characters Made Easy

Createspace Independent Publishing Platform

This user-friendly book is aimed at helping students of Mandarin Chinese learn and remember Chinese characters. At last--there is a truly effective and enjoyable way to learn Chinese characters! This book helps students to learn and remember both the meanings and the pronunciations of over 800 characters. This otherwise daunting task is made easier by the use of techniques based on the psychology of learning and memory. Key principles include the use of visual imagery, the visualization of short "stories," and the systematic building up of more complicated characters from basic building blocks. Although Learning Chinese Characters is primarily a book for serious learners of Mandarin Chinese, it can be used by anyone with interest in Chinese characters, without any prior knowledge of Chinese. It can be used alongside (or after, or even before) a course in the Chinese language. All characters are simplified (as in mainland China), but traditional characters are also given, when available. Key features: Specially designed pictures and stories are used in a structured way to make the learning process more enjoyable and effective, reducing the need for rote learning to the absolute minimum. The emphasis throughout is on learning and

remembering the meanings and pronunciations of the characters. Tips are also included on learning techniques and how to avoid common problems. Characters are introduced in a logical sequence, which also gives priority to learning the most common characters first. Modern, simplified characters are used, with pronunciations given in pinyin. Key information is given for each character, including radical, stroke-count, traditional form, compounds, and guidance on writing the character. This is a practical guide with a clear, concise and appealing layout, and it is well-indexed with easy lookup methods. The 800 Chinese characters and 1,033 compounds specified for the original HSK Level A proficiency test are covered.

#### **Fun with Chinese Characters 1: The Straits Times Collection 1** Thames & Hudson

This highly-visual book introduces an effective new method for learning Chinese characters using visual stimuli and pictographs. Learning the necessary characters used to write even simple Chinese sentences can be a long and arduous process. Chinese Characters Made Easy makes the learning process fun and easy by presenting the 1,000 most common characters using a new mnemonic approach that associates each character with a memorable visual and verbal clue--making memorization easy. The character for person, for example, is superimposed over a sketch of a man representing "a person standing on two legs"—drawing the reader's attention to the distinctive shape of the character and associating the sketch with the character's meaning. The Chinese characters are presented in groups or clusters all sharing common elements and meanings, for context and ease of identification. These groups of

characters all share common root symbols known as radicals or relate to a particular theme or topic such as colors, numbers, animals, or body parts. Pronunciations, meanings and vocabulary compounds are provided for each character in the group. Key features of *Chinese Characters Made Easy* include: An introduction to the history and structure of the Chinese writing system 1,000 characters and over 3,000 words for beginning learners of Chinese This Chinese character book's visual approach is a powerful learning tool. It can be used by serious students and is entertaining and useful to general readers who are curious about how the Chinese writing system works and how it developed.

*The Chinese Language* Tuttle Publishing  
This book is the Workbook for Learning Chinese The Easy Way Level 1 books. While reading 3 famous Chinese stories (1. Two Men and The Bear 2. The Wind and The Sun 3. The Fox and The Goat) in Learning Chinese The Easy Way Level 1 books, we can trace and write characters and sentences in the stories. Not only we can remember the characters and sentences, also we have a much better feel for sentence and phrasing in Chinese.

*Easy Learning Mandarin Chinese Characters* Tuttle Publishing  
Reinforce your written Chinese with this practice book for the best-selling Tuttle Learning Chinese Characters. Learning Mandarin Chinese Characters helps students quickly learn the basic Chinese characters that are fundamental to the language. Intended for self-study and classroom use, this character workbook presents 178 Chinese characters and over 534 common words using these characters. These are the characters and words students need to know if they plan

to take the official Chinese government HSK Level 1 Exam or the Advanced Placement (AP) Chinese Language and Culture Exam. Each character is presented in a very simple and clear way. A step-by-step diagram shows how to write the character, and boxes are provided for freehand writing practice. The meaning and pronunciation are given along with the key vocabulary compounds and an example sentence. Review exercises reinforce the learning process and an index at the back allow you to look up the characters according to their English meanings or romanized Hanyu Pinyin pronunciation. Key features of this Chinese workbook include:  
Designed for HSK Level 1 and AP exam prep  
Learn the 178 most basic Chinese characters  
Example sentences and over 534 vocabulary items  
Step-by-step writing diagrams and practice boxes

Chineasy, the brainchild of entrepreneur ShaoLan Hsueh, has been a publishing phenomenon. Its special building-block learning method brought to life by highly recognizable and appealing graphic illustrations has attracted a substantial online following and has been published in fifteen languages. But it marks only the beginning of a larger ambition to educate the world about the richness and character of China's people, its customs and its heritage. The first volume of Chineasy introduced the method and visual language. This follow-up volume, which requires no experience of the first, expands the scope to include all facets of Chinese life and culture in twelve central sections. Each begins with an overview of key characters before a presentation of the subject using those characters as a basis, providing insight

into how Chinese thinking has shaped its language and civilization in a way that anyone can understand and appreciate. As children are increasingly taking up Mandarin, and as business exchange with China develops, this is a single-volume encyclopedia on China that will stimulate young minds, enchant the culturally minded and inspire everyone who seeks new experiences and a wider understanding of the world we live in. [Mandarin Chinese for Beginners](#) Tuttle Publishing

The ideal workbook for students to practice learning to read, recognise, and write the 100 most common Chinese medical Chinese characters! This work forms an integral part of the Chinese Medicine Language Series for students and practitioners who are engaged in the study of Chinese medical language. It presents the first 100 characters based upon frequency of use in medical texts, as well as an overall program designed to help the student acquire the necessary tools for building a thorough vocabulary. This first volume presents the basics of Chinese characters along with the etymologies of the 100 most commonly seen characters. Designed as a workbook, it offers students practice in learning to read, recognise, and write the characters and provides the basic tools that students need to become familiar with the written language of Chinese medicine and thereby enrich their studies.

*3000 Must-know Chinese Characters (Part 1)* University of Hawaii Press

This is a complete and easy-to-use guide for reading and writing Chinese characters. Learning written Chinese is an essential part of mastering the Chinese language. Used as a standard by students and teachers learning to read Chinese and write Chinese for more

than three decades, the bestselling Reading & Writing Chinese has been thoroughly revised and updated. Reading & Writing Chinese places at your fingertips the essential 1,725 Chinese characters' current definitions, derivations, pronunciations, and examples of correct usage by utilizing cleverly condensed grids. This guide also focuses on Pinyin, which is the official system to transcribe Hanzi, Chinese characters, into Latin script, now universally used in mainland China and Singapore. Traditional characters (still used in Taiwan and Hong Kong) are also included, making this a complete reference. Newly updated and revised, these characters are the ones officially prescribed by the Chinese government for the internationally recognized test of proficiency in Chinese, the Hanyu Shuiping Kaoshi (HSK). The student's ability to read and write Chinese are reinforced throughout the text. Key features of this newly-expanded edition include: The 1,725 most frequently used characters in both Simplified and Traditional forms. All 2,633 characters and 5,000+ compounds required for the HSK Exam. Standard Hanyu Pinyin romanizations. More mnemonic phrases and etymologies to help you remember the characters. An extensive introduction, alphabetical index, and index according to stroke count and stroke order. Completely updated/expanded English definitions. Convenient quick-reference tables of radicals. Updated and revised compounds, plus 25% more vocabulary now offered. Codes to assist those who are preparing for the AP exam or the HSK exam.

**Remembering Simplified Hanzi 1**  
Collins

"DeFrancis's book is first rate. It

entertains. It teaches. It demystifies. It counteracts popular ignorance as well as sophisticated (cocktail party) ignorance. Who could ask for anything more? There is no other book like it. ... It is one of a kind, a first, and I would not only buy it but I would recommend it to friends and colleagues, many of whom are visiting China now and are adding 'two-week-expert' ignorance to the two kinds that existed before. This is a book for everyone." --Joshua A. Fishman, research professor of social sciences, Yeshiva University, New York "Professor De Francis has produced a work of great effectiveness that should appeal to a wide-ranging audience. It is at once instructive and entertaining. While being delighted by the flair of his novel approach, the reader will also be led to ponder on some of the most fundamental problems concerning the relations between written languages and spoken languages. Specifically, he will be served a variety of information on the languages of East Asia, not as dry pedantic facts, but as appealing tidbits that whet the intellectual appetite. The expert will find much to reflect on in this book, for Professor DeFrancis takes nothing for granted." --William S.Y. Wang, professor of linguistics, University of California at Berkeley

(In the first several years of schooling, any and all Chinese students learn to write new characters so that they can recognize and memorize them. For a learner of Chinese language, it will be very helpful for learning new characters by tracing and writing them. The tracing and writing process also has other purposes, such as coordination training for the finger muscles to make beautiful handwriting.) This book is the companion

book for Learning Chinese The Easy Way level 1 books. While reading 3 famous Chinese stories(1. Two Men and The Bear 2. The Wind and The Sun 3. The Fox and The Goat) in Learning Chinese The Easy Way level 1 books, we can trace and write characters and sentences in the stories. Not only we can remember the characters and sentences, also we have a much better feel for sentence and phrasing in Chinese.

### **Learning Chinese The Easy Way Level 1 Part 2 (Traditional Characters)** CreateSpace

This is a complete and easy-to-use guide for reading and writing traditional Chinese characters. Reading and Writing Chinese has been the leading text for foreign students and teachers of the Chinese writing system since it was first published. This completely revised edition draws on the lessons learnt from the use of the book in classrooms so as to provide a more convenient and up-to-date introduction to written Chinese. Over 1,100 new combinations of characters have been added, increasing the total vocabulary significantly to about 4,500 items. There are also new notes on usage to give students insight into the contemporary state of the Chinese language. The student's ability to read Chinese and write Chinese are reinforced throughout. For each of the basic 1,062 characters, the pronunciation, definition and derivation are given, with examples of the use of most words and a chart showing how to write each character. Memorization tips and cautionary cross-reference to look-alike characters are also provided, as well as notes to help clarify those overlooked aspects of the Chinese writing system. Key features of this book: The Student's 1,020 List

and the Official 2,000 List. Over 2,000 characters and 4,500 vocabulary items. Pronunciations given in standard Hanyu Pinyin Romanized form Memorization hints and stroke-order diagrams. Hong Kong/Taiwan and China/Singapore forms. Traditional and modern radical systems. The best-selling student's guide

**Chinese Medical Characters: Basic vocabulary** Tuttle Publishing

The current book volume is Part 1 (第一册, dì yī cè) of the 6 parts of "3000 Must-know Chinese Characters". The book provides you about 500 frequently used simplified Chinese characters with corresponding pinyin, and multiple meanings in English. All the characters are organized in different chapters based on the associated radicals (部首, Bù shǒu). In particular, characters with multiple sounds have been clearly highlighted in the book. Mandarin Chinese is a pictographic language. The Chinese characters correspond to pictograms. Each and everything in the Chinese language can be represented (interpreted) in the form of characters. Although it's complicated to estimate the total number of Chinese characters, it's worth mentioning that the native Chinese people are proficient in over 5,000 characters. In particular, they use about 3,000 characters in their day-to-day life. If you wish to learn Chinese properly, you'll need to learn those 3,000 characters.: ) Free online Mandarin Chinese lessons (Ming Mandarin): [www.MingMandarin.com](http://www.MingMandarin.com) -Jia Ming [Chinese Character and Pinyin Writing Practice Book](#) 天天字集本 天天字集本 CreateSpace

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible

in modern English has the largest library of printed and electronic support material of any modern translation.

Tuttle Publishing

Aimed at helping students of Chinese learn and remember Chinese characters including the pronunciation of characters fast and effectively, Learning Chinese Characters Volume 1 is a systematic study aid to this difficult language

**Learning Chinese Characters the Easy Way (Simplified and Traditional Character)** Zondervan

Learn how to write 250 of the commonest Chinese characters, with stroke by stroke guidance on every page. With thousands of characters to learn, beginning to read and write Chinese is a daunting task. Aimed at learners, this book takes you through 250 of the commonest characters in a clear and accessible way. The meaning of every character is explained along with information about its radical, the compound words it can form, its history, and more. There is a practice grid on every page, showing how the character is written, with space for you to practise writing the character for yourself. It is generally agreed that learners of Chinese need a working knowledge of about 100 characters in order to make themselves at all understood and to travel in China, so Easy Learning Chinese Characters is a great place to start.

[Hacking Chinese](#) Kong & Park LLC  
The Second 100 Chinese Characters adopts a structural approach that helps students to learn, recognize and write the second 100 most common Chinese characters. Intended for beginning Chinese students, the characters listed have been carefully selected and sequenced for rapid and effective learning. Each Chinese character is

shown separately on a single page, along with its English definitions, pinyin romanization, alternate form (if any), a stroke-order guide and ample space for writing practice. Printed in gray lines, the stroke-order guides introduce the student to the standard stroke sequence used in writing the characters by tracing them. After learning the correct stroke order, the student can then practice writing the characters on their own, thus reinforcing the recognition and memorization. Large boxes with grid lines for correct proportions are provided. Related compounds and phrases containing each character are also included to assist in vocabulary building. Three indexes—alphabetically arranged by the English meanings, by pinyin romanization, and by radicals—are provided at the back of the book for quick and easy reference. This Chinese character book features: The

second 100 most frequently-used characters Foundation characters for HSK Level 1 test Standard pinyin romanizations Step-by-step stroke order guides and ample space for writing practice Special practice boxes with grid lines Lots of extra practice sheets Over 500 words and phrases containing the basic characters Concise English definitions
