The Encyclopedia of Eastern Orthodox Christianity, 2 Volume Set
 Oxford University Press, USA
 This reference

work tells the unique history of Christian education and shows how Christian educators pioneered such institutions and reforms as universal literacy, home schooling,

Sunday schools, women's education, graded schools, compulsory education of the deaf and blind, and kindergarten. *Encyclopedia of Bible Difficulties*

Infobase Publishing From the Founding Fathers through the present, Christianity has exercised powerful influence in America—from its role in shaping politics and social institutions to its hand in art and culture. The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play. This masterful multi-volume

reference includes biographies of major figures in the Christian church in the United States, documents and Supreme Court decisions, and information on theology and theologians, denominations, faith-based organizations, immigration, art—from decorative arts and film to music and literature—evangelism and crusades, women's issues, racial issues, civil religion, and more. Our Global

Families ABC-CLIO Philosophers and Religious Leaders provides a synopsis of the lives and legacies of 200 men and women from the areas of religion and philosophy who have "changed the world." These individuals have developed, extended, or exemplified ideas fundamental to the way human beings perceive the meaning and purpose of their own lives and of their societies.

Some have challenged prevailing convictions and worked for immediate change during their lifetimes; others have proposed new modes of thinking that have flourished only after their passing. Harvest House Publishers This "fresh, blunt, and highly persuasive account of how the West was won—for Jesus" (Newsweek) is now available in paperback. Stark's provocative report

challenges conventional wisdom and finds that Christianity's astounding dominance of the Western world arose from its offer of a better, more secure way of life. "Compelling reading" (Library Journal) that is sure to "generate spirited argument" (Publishers Weekly), this account of Christianity's remarkable growth within the Roman Empire is the subject of much fanfare. "Anyone who

has puzzled over Christianity's rise to dominance... must read it." says Yale University's Wayne A. Meeks, for *The Rise of Christianity* makes a compelling case for startling conclusions. Combining his expertise in social science with historical evidence, and his insight into contemporary religion's appeal, Stark finds that early Christianity attracted the privileged rather than

the poor, that most early converts were women or marginalized Jews—and ultimately "that Christianity was a success because it proved those who joined it with a more appealing, more assuring, happier, and perhaps longer life" (Andrew M. Greeley, University of Chicago). *The Usborne Internet-linked Encyclopedia of World Religions* (Routledge) Provides an overview of

contemporary Christianity, including its history, ecclesiastical branches, subdivisions, and denominations, and examines Christianity in relation to other faiths and the secular realm. **World Christian Trends Ad30-ad2200 (hb)** (Zondervan) As Christians, we belong to not only a diverse global Christian family but also a diverse human family. Todd Johnson, a noted expert

on global Christianity and world missions trends, and Cindy Wu show how divisions within these families work against our desire to bring about positive change in the world. They provide an overview of global Christian identity, exploring how we can be faithful to our own tradition while engaging Christians across denominations and be better informed as we work with

people of other religions. The book utilizes the latest research data on global Christianity and world religions and includes tables, graphs, charts, and end-of-chapter discussion questions.

Merriam-Webster's Encyclopedia of World Religions
 ABC-CLIO
 Global Christianity provides information about the Christian church in every continent and

nation. Useful for prayer, mission teams, and study, it features the most current data available on the global church.

[Encyclopedia of Christianity in the Global South](#) Harper Collins
 As the new millennium approaches, the sacred and profane interface, conflict, and intermingle in novel ways. The Encyclopedia of Religion and Society provides a guide map for these developments.

From succinct, brief notes to essay-length entries, it covers world religions, religious perspectives on political and social issues, and religious leaders and scholars -- present and past -- in the United States and the world. This comprehensive volume is an essential reference for studies in the anthropology, psychology, politics, and sociology of religion. Topics include: abortion,

adolescence, African-American religious experience, anthropology of religion, Buddhism, commitment, conversion, definition of religion, ecology movement, Emile Durkheim, ethnicity, fundamentalism, Hinduism, Islam, Judaism, new religious movements, organization, parish, Talcott Parsons, racism, research methods, Roman Catholicism, sexism,

Unification Church, Max Weber, and many others. **The Encyclopedia of Christian Literature** Edinburgh University Press Front-rank historians of evangelicalism gather in this introduction and overview of the surprising and dynamic global Christian movement known as evangelicalism. Its defining characteristics are discussed, its regional growth and expansion

surveyed, its place in globalization weighed and its salient features sampled. Atlas of Global Christianity 1910-2010 Univ of California Press The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerical predictions. According to these, empires will fall, the "Beast" will be destroyed and

Christ will rule a new Jerusalem. With an introduction by Will Self. *Encyclopedia of Monasticism* Infobase Publishing How and why is Christianity's center of gravity shifting to the developing world? To understand this rapidly growing phenomenon, Donald E. Miller and Tetsunao Yamamori spent four years traveling the globe conducting

extensive on-the-ground research in twenty different countries in Africa, Asia, Latin America, and Europe. The result is this vividly detailed book which provides the most comprehensive information available on Pentecostalism, the fastest-growing religion in the world. Rich with scenes from everyday life, the book dispel many stereotypes about this religion as they build a wide-ranging,

nuanced portrait of a major new social movement. World Christian Encyclopedia Oxford University Press Explores the terms, concepts, personalities, historical events, and institutions that helped shape the history of this religion and the way it is practiced today. Global Christianity Rowman & Littlefield The perfect combination of scholarship

and accessible presentation for Christians who desire to know how to better understand and defend their faith. Bestselling authors Ed Hindson and Ergun Caner have brought together a who's who of apologetic experts—including Lee Strobel, Norm Geisler, Josh McDowell, and John Ankerberg—to produce a resource that's both easy to understand and comprehensive in scope.

Every entry provides a biblical perspective and mentions the key essentials that believers need to know about a wide variety of apologetic concerns, including... issues concerning God, Christ, and the Bible scientific and historical controversies ethical matters (genetic engineering, homosexuality, ecology, feminism) a Christian response to world religions and cults a Christian

response to the major worldviews and philosophies of our day Included with each entry are practical applications for approaching or defending the issue at hand, along with recommendations for additional reading on the subject. [The Next Christendom](#) ABC-CLIO This multifaceted and up-to-date encyclopedia is sure to be of interest to pastors and

church workers of all confessions, equally so to students, scholars, and researchers around the world who are interested in any aspect of Christianity or religion in general. The first volume contains 465 articles that address a comprehensive list of topics. End of Days Merriam-Webster An illustrated A to Z reference containing over 600 entries providing information on the theology,

people, historical events, institutions and movements related to Protestantism. Revelation Infobase Publishing Introduces the characteristics that religions have in common, presents the history, beliefs, and practices of the major world faiths and of the peoples of earlier civilizations, and suggests related Web sites. Shamanism Oneworld Publications

Limited This encyclopedia is intended for everyone, from scholars and students to laypersons-for all who are troubled by apparent contradictions in the Bible. It argues for the unity and the integrity of the Bible and should convince the skeptic and reassure the person who may be confused by the seeming discrepancies in Scripture. The World Book Encyclopedia Encyclopaedia Britannica,

<p>Inc. In this new and substantially expanded Third Edition, Philip Jenkins continues to illuminate the remarkable expansion of Christianity in the global South--in Africa, Asia, and Latin America. Drawing upon the extensive new scholarship that has appeared on this topic in recent years, he asks how the new Christianity is likely to affect the poor, among whom it finds its</p>	<p>most devoted adherents. How should we interpret the enormous success of prosperity churches across the Global South? Politically, what will be the impact of new Christian movements? Will Christianity contribute to liberating the poor, to give voices to the previously silent, or does it threaten only to bring new kinds of division and conflict? Does Christianity liberate women, or introduce new</p>	<p>scriptural bases for subjection? Acclaim for previous editions of The Next Christendom: Named one of the Top Religion Books of 2002 by USA Today Named One of the Top Ten Religion Books of the Year by Booklist (2002) Winner of the Christianity Today Book Award in the category of "Christianity and Culture" (2002) "Jenkins is to be commended for reminding us, throughout</p>
---	---	--

the often gripping pages of this lively work...that the history of Christianity is the history of innovative--and unpredictable--adaptations." --The New York Times Book Review "This is a landmark book. Jenkin's thesis is comprehensively researched; his analysis is full of insight; and his projection of the future may indeed prove to be prophetic." --Baptist Times "A valuable

and provocative look at the phenomenon widely ignored in the affluent North but likely to be of enormous importance in the century ahead.... The Next Christendom is chillingly realistic about the relationship between Christianity and Islam." --Russell Shaw, Crisis "If the times demand nothing less than a major rethinking of contemporary global history from a Christian perspective,

The Next Christendom will be one of the significant landmarks pointing the way." --Mark Noll, Books & Culture Encyclopedia of Protestantism Baker Academic An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students. World Christian Trends, AD 30-AD 2200 World Christian Encyclopedia

This masterful six-volume encyclopedia provides comprehensive, global coverage of religion, emphasizing larger religious communities without neglecting the world's smaller religious outposts. • Coverage of the religions of more than 240 countries, including all of the larger religious communities, denominations, and sects • Detailed statistical information on the major religious communities in each country • 100+ entries on famous and important religious sites and places of pilgrimage • Biographies of the 100 most influential religious leaders in history • More than 150 photographs, plus maps and illustrations for each nation • A bibliography for each entry
