Pinyin romanization of all Chinese characters. Chinese-English section arranged alphabetically according to pronunciation.

Speak Chinese with Confidence! (Mandarin Chinese Phrasebook & Dictionary) Nam H Nguyen
 This book reopens and restructures the grand debate on the nature of economic development in China prior to the Communist revolution. It rejects the debate's old contours in which quantitative data were used to argue that the trajectory of Chinese development was either "positive" or "negative." Instead, the author combines quantitative analysis with a detailed study of local

politics, culture, and gender to explain the shaping of the modern Chinese economy. Focusing on silk production in Wuxi county in the Yangzi Delta, the author argues that local elites used social dominance to build a silk industry continuum—"one industry"—fusing modern factory production with older patterns of peasant-family farming. The resulting social configuration was "two Chinas"—one populated by wealthy urban elites transformed into a new, silk-industry bourgeoisie, and the other by peasant families whose women became the workforce for cocoon production. The author describes the roles of merchant guilds and other elite organizations established to protect the silk industry from outside competition and excessive taxation; the methods and styles of elite networking and investment in building modern silk filatures; and the roles of women—elite women in sericulture reform and peasant women in silkworm raising. She also reveals the cooperation between silk-industry elites and Nationalist government officials in the 1920's and 1930's, which resulted in an industry that was virtually state-directed and designed to pass downward to the peasants the costs of building more competitive silk filatures. This discovery challenges the prevailing tendency to think in terms of radical ruptures between Nationalist and Communist rule.

Intermediate Spoken Chinese DK Publishing (Dorling Kindersley)

This is an extensive and user-friendly Chinese to English dictionary. The Tuttle Chinese-English Dictionary provides clear and accurate definitions in idiomatic English for the 18,000 most common Chinese vocabulary items (characters and compounds), including all words required for the official HSK Chinese Language Proficiency Examination used by the Chinese government as well as corporations and universities worldwide. This Chinese dictionary is designed specifically for English speakers. All entries are listed alphabetically in their romanized form using the standard Hanyu Pinyin romanization system. To ensure that the dictionary is up-to-date, recently coined terms have been included reflecting the dramatic changes taking place in Chinese society, business and education. Entries contain idiomatic expressions and detailed notes on Chinese culture, grammar and usage that are extremely useful for foreigners—a unique feature found in no other Chinese dictionary. Over 8,000 example Chinese sentences are provided showing how Chinese words are used in real-life situations. A concise guide to Chinese pronunciation, tones and grammar and lists of common character components, measure words are given at the front of the dictionary, while

Chinese personal and place names are given at the back. Indexes list characters by strokes and also by radicals to enable the reader to look up characters when the pronunciation is not known. Key features of this Chinese dictionary include: Clear and concise definitions for 18,000 common vocabulary items. The only Chinese dictionary designed specifically for English speakers. All entries listed alphabetically in romanized Hanyu Pinyin form. Includes all words for the HSK Chinese language Proficiency Examination.

Beginner's Mandarin Chinese Dictionary Routledge

Organized by such common subject categories as home, health, and work, a colorful, illustrated bilingual dictionary covers more than six thousand words and phrases.

A Practical English-Chinese Dictionary Tuttle Publishing

This book is a much expanded and wholly rewritten treatment of the subject of the author's first book, *Warrior Government in Early Medieval Japan*, published in 1974. In this new version, the "warrior" and "medieval" character of Japan's first shogunate is significantly de-emphasized, thus requiring not only a new title, but also a new book. The author's new view of the final decades of twelfth-century Japan is one of a less revolutionary set of experiences and a smaller achievement overall than previously thought. The pivotal figure, Minamoto Yoritomo, retains his dominant role in establishing the "dual polity" of Court and Bakufu, but his successes are now explained in terms of more limited objectives. A new regime was fit into an environment that was still basically healthy and vibrant, leading not to the substitution of one government for another, but rather to the emergence of a new authority that would have to interact with the old. The book aims to present a dual perspective on the period by juxtaposing what we know against our best possible estimate of what Yoritomo himself knew. It is deeply concerned with the multiple balancing acts introduced by this ever nimble experimenter in governing, who was forever seeking to determine, and then to promote, what would work while curtailing or eliminating what would not. The author seeks to recreate step-by-step the movement from one historical juncture to another, whether this means adapting already available information, building anew, or working with combinations of materials. Throughout, the book addresses new topics and offers many new interpretations on subjects as wide-ranging as the 1189 military campaign in the north and the phenomenon of delegated authority.

Chinese-English English-Chinese [All HSK Levels, Fully Romanized] Tuttle Publishing

Chinese-English Dictionary of Modern Communist Chinese Usage Cheng & Tsui

The focus of this small and concise Chinese-English Dictionary with around 5000 word entries is on the vocabulary of the six levels of the Chinese Language Proficiency Exam (HSK, Hànyǔ Shuǐpíng Kaoshì) in Mainland China and has been compiled especially for this purpose with those in mind preparing for any of the six levels of this exam. Chinese character entries both in simplified and traditional character versions. Its unique feature is the listing of the English meaning definitions of all composite word parts of a Chinese word entry under the same main entry in this alphabetically arranged dictionary according to the conventions of the Hanyu Pinyin transcription system. This will save the user time to look up English meaning definitions elsewhere under a different Hanyu Pinyin letter heading and at the same provides the user a better insight into the different shades of word meaning of an entire Chinese word entry. The English meaning definitions given for each Chinese word entry are comprehensive, and unlike many other word lists for the six levels of the HSK, are not mere brief word glosses only. Two Chinese character indices (for both simplified and traditional character variants allow the user to locate an unknown word or character in the dictionary.

Tuttle Learner's Chinese-English Dictionary Routledge

This is an ideal dictionary for students of the Chinese language. The Beginner's Chinese Dictionary is specifically designed for learners of Chinese. It covers the 2,500 basic vocabulary items, including all vocabulary prescribed for Levels 1-5 of the standard test of proficiency in Chinese, Hanyu Shuiping Kaoshi (HSK). Entries are arranged alphabetically according to the pinyin transliteration. For each character, the radical and stroke count are given. An analysis of word formation is also provided to aid understanding of how words of two or more syllables are formed. Sample sentences are presented in Chinese characters with pinyin and English equivalents, to show how each headword should be used. A radical and character index allows quick access to any headword. Key features of this Chinese character dictionary: Over 2,500 basic vocabulary items English-Chinese and Chinese-English sections. Entries arranged alphabetically by pinyin transliteration. Includes all words for HSK Levels 1-5. Sample sentences demonstrate how to use words correctly. Characters and pinyin for all headwords and examples. Introduces and explains radicals, stroke counts, and components. Key character components are given for easy recognition. Useful notes on culture, grammar and usage provided.

A Frequency Dictionary of Mandarin Chinese is an invaluable tool for all learners of Mandarin

Chinese, providing a list of the 5,000 words and the 2,000 Chinese characters (simplified) most commonly used in the language. Based on a fifty-million-word corpus composed of spoken, fiction, non-fiction and news texts in current use, the dictionary provides the user with a detailed frequency-based list, as well as alphabetical and part-of-speech indexes. All entries in the frequency list feature the English equivalent and a sample sentence with English translation. The Dictionary also contains thirty thematically organized lists of frequently used words on a variety of topics such as food, weather, travel and time expressions. A Frequency Dictionary of Mandarin Chinese enables students of all levels to maximize their study of Mandarin vocabulary in an efficient and engaging way. It is also an excellent resource for teachers of the language. A CD version is available to purchase separately. Designed for use by corpus and computational linguists it provides the full text in a format that researchers can process and turn into suitable lists for their own research work.

Alphabetically Based Computerized Tuttle Publishing

Welcome to the world's most efficient method of learning Mandarin Chinese, whether you are striving to learn Chinese on your own, or studying in a classroom setting. Part of the widely-used and highly acclaimed Kubler series, Intermediate Spoken Chinese provides separate but integrated "tracks" to help you learn to read, write and speak Chinese efficiently, at your own pace. Some students and teachers wish to emphasize speaking ability first, whereas others want to focus on learning to read and write Chinese at the same time. These Chinese language study books allow you the flexibility to acquire the spoken language and the written language with the method that best fits your needs. Intermediate Spoken Chinese allows you to experience real-life situations in different Mandarin-speaking locales. (It also exposes you to the authentic range of Chinese accents; you're not limited only to learning an imaginary "textbook Beijing accent" as in other books). Each of the everyday situations explored here—from shopping at a market to playing unexpected phone tag—is one you're likely to encounter as you interact with Chinese language speakers. You can choose to use this book with its corresponding Intermediate Chinese Practice Essentials Workbook, available separately, that offers you a wide range of one-of-a-kind activities to help you practice the language skills you learn here. Key features of Intermediate Spoken Chinese: Clear and detailed explanations of natural, colloquial Chinese grammar, pronunciation and usage Recommended strategies to help you learn to speak Chinese more efficiently Experience the actual speaking styles of Chinese people in various parts of mainland China as well as Taiwan, Macao, Hong Kong, Singapore, and Malaysia Notes on Chinese culture and society allow you to understand situational etiquette Discussions of challenges faced specifically by English speakers who are learning Chinese and how to overcome them Downloadable audio recordings by native speakers of all the vocabulary, dialogues, and other vital items A separate Teacher's Guide and a full character transcript (Simplified and Traditional) are both available electronically Accompanying digital content contains 56 videos shot on location, which allows you to view conversations involving Chinese speakers from different parts of China Feel confident traveling in the Mandarin-speaking world; with this language learning set you will be speaking Chinese gracefully and fluidly in no time.
