Infobase Publishing

This book is a large print book, which has easy to read large font sizes. This book is the unabridged original version. We present to you *The Adventures of Huckleberry Finn* by Mark Twain. *The Adventures Of Huckleberry Finn* is one of the great American classics. This is a great book to start reading American literary classic books. Set by the Mississippi River in the 1840s, this tale is a follow-up to his original book, *The Adventures of Tom Sawyer*. *The Adventures of Huckleberry Finn* is an often scathing satire on entrenched attitudes, particularly racism. This is unabridged, uncensored edition of the book. The book includes 6x9 inches of 720 pages. Large Print For easy reading. Further reading section for finding new interesting books. Includes a summary of the book in 100 words. Unabridged Original version of the book. About the author.

*The Adventures of Huckleberry Finn*

Research & Education Assoc.

A provocative, deeply researched investigation into Twain's writing of *Huckleberry Finn* challenges basic understandings to argue its reflection of period fears about youth violence, education, pop culture and parenting. 35,000 first printing.

*The Adventures of Huckleberry Finn*

*Study Guide Cliffs Notes*

*Huckleberry Finn* - the outcast of the Mississippi River town of St. Petersburg, Missouri, and son of a drunkard, habitual truant, smoker and liar - is going to be civilized by the widow and her sister, Miss Watson, even if it kills him. Though he chafes under their regime, bit by bit Huck reforms: he stops smoking in the house, he eats with a fork, lays off swearing around the widow, learns to read and write, sleeps in a bed, and even wears shoes when the weather warrants it. When Huck's Pap returns from downriver somewhere, all the widow's good work is undone. Pap takes Huck off to a cabin in the woods and he soon backslides into his wild ways. Huck would be happy if it weren't for Pap's drinking, his beatings, and his threats to kill Huck. One day when Pap leaves Huck alone and heads to town to see about getting his hands on Huck's \$6,000.00 (Huck's share of the money he and Tom Sawyer took from the robbers in *The Adventures of Tom Sawyer*), Huck escapes. He makes it seem as though he has been murdered and his body thrown into the river. On Jackson's Island he meets Miss Watson's slave, Jim. Fearful that Miss Watson was going to sell him down river to New Orleans, Jim has run away. Together the two fugitives find a raft and head downstream. Their plan is to drift to the mouth of the Ohio River at Cairo, Illinois. There they will sell the raft and buy riverboat passage up the Ohio to freedom. Their plans founder when they bypass Cairo in the fog. Unable to take the raft upstream, they continue drifting south. When the raft is run over by a steamboat, Huck swims to shore and soon finds himself caught in the crossfire of a decades-old feud between the Grangerford and the Shepherdson families. Eventually, both Huck and Jim

find their way back to the raft and continue downstream. Their idyllic world, seemingly safe from the violence and hypocrisy of the little river towns they pass, is soon invaded by two con men, "the king" and "the duke," who promptly drag Huck and Jim into their swindles. Stealing from camp-meetings, staging grotesque or obscene parodies of Shakespeare, the two charlatans appeal to and profit from the worst in human nature. Huck grows increasingly disgusted with them, but not until they plan to defraud three orphan girls out of their late uncle's money does Huck act. Although he informs on them, the plan fails, and the two escape again to Huck and Jim's raft, one step ahead of the mob. Eventually, the king and the duke betray even Huck and Jim. They sell Jim to a local farmer, Silas Phelps, who plans to return him to his owner and collect the reward. "After all this long journey, and after all we'd done for them scoundrels, here was it all come to nothing," bemoans Huck, "everything all busted up and ruined, because they could have the heart to serve Jim such a trick as that, and make him a slave again, and amongst strangers, too, for forty dirty dollars." The last fifth of the novel describes Huck's attempts to rescue Jim from a return to slavery. Though his conscience bothers him about breaking a central taboo of southern society - one against freeing slaves - Huck's heart sends him a different message: that Jim is a man with all the emotions and hopes of any man, white or black, and as such Jim is as deserving of freedom as Huck is.

[Adventures of Huckleberry Finn Thrift Study Edition](#) The Floating Press

Ethan Frome is a 1912 novel set in New England. It is a story of a doomed love triangle between Ethan Frome, his wife

and their housekeeper. Given the social conventions of the time, Ethan Frome feels he must stay, trapped in a loveless marriage, rather than pursue his true feelings. The tension builds slowly to a dramatic and classically ironic ending in one of Wharton's best stories.

*Adventures of Huckleberry Finn*

BookCaps Study Guides

*Adventures of Huckleberry Finn* (often shortened to *Huck Finn*) is a novel written by American humorist Mark Twain. It is commonly used and accounted as one of the first Great American Novels. It is also one of the first major American novels written using Local Color Regionalism, or vernacular, told in the first person by the eponymous Huckleberry "Huck" Finn, best friend of Tom Sawyer and hero of three other Mark Twain books. The book is noted for its colorful description of people and places along the Mississippi River. By satirizing Southern antebellum society that was already a quarter-century in the past by the time of publication, the book is an often scathing look at entrenched attitudes, particularly racism. The drifting journey of Huck and

his friend Jim, a runaway slave, down the Mississippi River on their raft may be one of the most enduring images of escape and freedom in all of American literature.

Both the study guide and the lesson plan may be purchased individually; buy as a combo, however, and save.

*The Man that Corrupted Hadleyburg*  
Aegitas

Renowned American humorist Mark Twain turns his incisive wit loose on his own life story in this unique take on the nineteenth-century memoir. Originally composed in a format that studiously ignored the careful chronological structure that most autobiographies follow, these essays were first published in book form ten years after the author's death. Twain fans will love the author's account of his quintessentially American upbringing, wildly zig-zagging career path, and gradual transition into the writing life.

Adventures of Huck Finn Te Study Guide

Saddleback Educational Publishing  
The adventures of Huckleberry finn and his friends Jim and Tom Sawyer down the mississippi River.

Silas Marner Illustrated Saddleback Educational Publishing

Since the time of its publication in 1884, Adventures of Huckleberry Finn has generated heated controversy. One of the most frequently banned books in the history of literature, it raises issues of race relations, censorship, civil

disobedience, and adolescent group psychology as relevant today as they were in the 1880s. This collection of historical documents, collateral readings, and commentary captures the stormy character of the slave-holding frontier on the eve of war and highlights the legacy of past conflicts in contemporary society. Among the source materials presented are: memoirs of fugitive slaves, a river gambler, a gunman, and Mississippi Valley settlers; the Southern Code of Honor; rules of dueling; and an interview with a 1990s gang member. These materials will promote interdisciplinary study of the novel and enrich the student's understanding of the issues raised. The work begins with a literary analysis of the novel's structure, language, and major themes and examines its censorship history, including recent cases linked to questions of race and language. A chapter on censorship and race offers a variety of opposing contemporary views on these issues as depicted in the novel. The memoirs in the chapter Mark Twain's Mississippi Valley illuminate the novel's pastoral view of nature in conflict with a violent civilization resting on the institution of slavery and shaped by the genteel code of honor. Slavery, Its Legacy, and Huck Finn features 19th-century pro-slavery arguments, firsthand accounts of slavery, the text of the Missouri Compromise of 1820 and the Fugitive Slave Law of 1850, and opposing views on civil disobedience from such 19th- and 20th-century Americans as Ralph Waldo Emerson, Stephen A. Douglas, and William Sloane Coffin. Nineteenth-century commentators on the Southern Code of Honor and Twain's sentimental cultural satire directly relate the novel to the social and cultural milieu in which it was

written. Each chapter closes with study questions, student project ideas, and sources for further reading on the topic. This is an ideal companion for teacher use and student research in English and American history courses.

### **The Writings of Mark Twain: The adventures of Huckleberry Finn**

Fearon

A beautifully written, darkly funny coming-of-age story from an award-winning, bestselling German author making his American debut. Mike Klingenberg doesn't get why people think he's boring. Sure, he doesn't have many friends. (Okay, zero friends.) And everyone laughs at him when he reads his essays out loud in class. And he's never invited to parties - including the gorgeous Tatiana's party of the year. Andre Tschichatschow, aka Tschick (not even the teachers can pronounce his name), is new in school, and a whole different kind of unpopular. He always looks like he's just been in a fight, his clothes are tragic, and he never talks to anyone. But one day Tschick shows up at Mike's house out of the blue. Turns out he wasn't invited to Tatiana's party either, and he's ready to do something about it. Forget the popular kids: Together, Mike and Tschick are heading out on a road trip. No parents, no map, no destination. Will they get hopelessly lost in the middle of nowhere? Probably. Will meet some crazy people and get into serious trouble? Definitely. But will they ever be called boring again? Not a chance.

**Huck Finn** Gale, Cengage Learning  
Silas Marner is the third novel by George Eliot, published in 1861. An outwardly simple tale of a linen weaver, it is notable for its strong realism and its sophisticated treatment of a variety of issues ranging from Religion to

industrialisation to community.

### The Adventures of Huckleberry Finn Study Guide BookCaps Study Guides

The book's narrator is Huckleberry Finn, a youngster whose artless vernacular speech is admirably adapted to detailed and poetic descriptions of scenes, vivid representations of characters, and narrative renditions that are both broadly comic and subtly ironic. Huck runs away from his abusive father and, with his companion, the runaway slave Jim, makes a long and frequently interrupted voyage down the Mississippi River on a raft. During the journey Huck encounters a variety of characters and types in whom the book memorably portrays almost every class living on or along the river. As a result of these experiences, Huck overcomes conventional racial prejudices and learns to respect and love Jim. The book's pages are dotted with idyllic descriptions of the great river and the surrounding forests, and Huck's good nature and unconscious humour permeate the whole. But a thread that runs through adventure after adventure is that of human cruelty, which shows itself both in the acts of individuals and in their unthinking acceptance of such institutions as slavery. The natural goodness of Huck is continually contrasted with the effects of a corrupt society. Together with Twain's novel *The Adventures of Tom Sawyer* (1876), *Adventures of Huckleberry Finn* changed the course of children's literature in the United States as well as of American literature generally, presenting the first deeply felt portrayal of boyhood. It is a classic of American realism both for this portrayal and for Twain's depiction of the pre-Civil War South, especially through his use of dialect. This realism was the source of controversy that developed

concerning the book in the late 20th century. Despite Huck's friendship with Jim, the book was felt to be racist by some who considered the language offensive. Nevertheless, the publication in 2011 of a bowdlerized version of the novel generated debate and was considered by many to be every bit as unacceptable as the original.

*Huckleberry Finn* by Mark Twain

(MAXnotes) Saddleback Educational Publ

A combination of adventure story and social satire, Twain's novel is considered by many to be the American Novel. Fleeing from an abusive father, Huckleberry Finn joins up with a runaway slave. Together the two fugitives float down the Mississippi River, encountering trouble at every turn and conflicts between societal expectations and their own inclinations and experiences.
