II Math Connects Pearson Longman Math Connects: Concepts, Skills, and Problem Solving was written by the authorship team with the end results in mind. They looked at the content needed to be successful in Geometry and Algebra and backmapped the development of mathematical content, concepts, and procedures to PreK to ensure a solid foundation and seamless transition from grade level to grade level. The series is organized around the new NCTM Focal Points and is designed to meet most state standards. When Neal and Julie agree to help Eric straighten up his basement, they never imagine that they're in for more than getting a little dusty. But as the three kids follow a soccer ball into the small room under the basement stairs, the floor suddenly evaporates to reveal a rainbow staircase to another world! Before they have a chance to look around, they are

caught in the midst of a battle. Shiny red men riding giant lizards are shooting arrows straight at them. They are saved by Princess Keeah of Droon who tells them the red men are warriors for the evil Lord Sparr. She promises to help them get home if they will carry a message for her.

Success Longman

A contemporary middle grade story about confronting bullying and prejudice Danny Bigtree's family has moved to Brooklyn, New York, and he just can't seem to fit in at school. He's homesick for the Mohawk reservation, and the kids in his class tease him about being an Indian—the thing that makes Danny most proud. Can he find the courage to stand up for himself? “A worthy, well-written novella.” —Kirkus Reviews “This appealing portrayal of a strong family offers an unromanticized view of Native American culture, and a history lesson about the Iroquois Confederacy; it also gives a subtle lesson in the meaning of daily courage.”

—Publishers Weekly “With so many Native American stories set in the misty past, it's great to read a children's book about an Iroquois boy who lives in the city now. Bruchac weaves together the traditional

and the realistic as Danny's ironworker father tells stories of his people's history and heroes, stories that give Danny courage to confront his schoolyard enemies and make friends with them."
