SANTOS DAYTON

Daughter of the Salt King Macmillan
Sir Seretse Khama, the first President of Botswana and heir apparent to the kingship of the Bangwato people, brought independence and great prosperity to his nation after colonial rule. But for six long years from 1950, Seretse had been forced into exile in England, banned from his own country. His crime? To fall in love and marry a

young, white English girl, Ruth Williams. Delving into newly released records, Susan Williams tells Seretse and Ruth's story - a shocking account of how the British Government conspired with apartheid South Africa to prevent the mixed-race royal couple returning home. But it is also an inspiring, triumphant tale of hope, courage and true love as with tenacity and great dignity Seretse and Ruth and the Bangwato people overcome prejudice in their fight for justice.

A masterful tale of ambition, jealousy, desire, and superpowers. Victor and Eli started out as college roommates—brilliant, arrogant, lonely boys who recognized the same sharpness and ambition in each other. In

their senior year, a shared research interest in adrenaline, near-death experiences, and seemingly supernatural events reveals an intriguing possibility: that under the right conditions, someone could develop extraordinary abilities. But when their thesis moves from the academic to the experimental, things go horribly wrong. Ten years later, Victor breaks out of prison, determined to catch up to his old friend (now foe), aided by a young girl whose reserved nature obscures a stunning ability. Meanwhile, Eli is on a mission to eradicate every other super-powered person that he can find—aside from his sidekick, an enigmatic woman with an unbreakable will. Armed with terrible power on both sides, driven by the memory of betrayal and loss, the

archnemeses have set a course for revenge—but who will be left alive at the end? In *Vicious*, V. E. Schwab brings to life a gritty comic-book-style world in vivid prose: a world where gaining superpowers doesn't automatically lead to heroism, and a time when allegiances are called into question. "A dynamic and original twist on what it means to be a hero and a villain. But the audition is a fight to the death filled with clever circus acrobats, lethal apothecaries, and vicious ex-soldiers. A childhood as a common criminal hardly prepared Sal for the trials. This blistering novel—from the bestselling, Pulitzer Prize-winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed *Border Trilogy*. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy

named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning’s headlines. No Country for Old Men is a triumph.

The Vanishing Throne Scholastic Inc. Proudly introducing the Well-Read Black Girl Library Series, *On Girlhood* is a lovingly curated anthology celebrating short fiction from such luminaries as Rita Dove, Alice Walker, Toni Morrison, and more. “When you look over your own library, who do you see?” Since founding the beloved Well-Read Black Girl book club in 2015, Glory Edim has emerged as a literary tastemaker for a new generation. Continuing her life’s work to brighten and enrich American reading lives through the work of legendary Black authors, she now launches her Well-Read Black Girl Library Series with

On Girlhood. This meticulously selected anthology features a wide range of unique voices, finally illuminating a distinctly robust sector of contemporary literature: groundbreaking short stories that explore the thin yet imperative line between Black girlhood and womanhood. Divided into four themes—Innocence, Belonging, Love, and Self-Discovery—the unforgettable young protagonists within contend with the trials of coming of age that shape who they are and what they will become. With this tradition in mind, Innocence opens with Jamaica Kincaid’s searing “Girl,” in which a mother offers fierce instructions to her impressionable daughter. This deceptively simple yet profound monologue is followed by Toni Morrison’s first and only published short story, the now-canonical “Recitatif,”

about two neglected girls who come together in youth only to find themselves on opposite picket lines in adulthood. In Belonging, Toni Cade Bambara’s “The Lesson” follows rambunctious students on a field trip where they are exposed to a new world of luxury. In Love, Dana Johnson’s “Melvin in the Sixth Grade” captures the yearning of a lovesick teen smitten with the only boy who looks her way. And in Self-Discovery, Edwidge Danticat’s “Seeing Things Simply” charts the creative awakening of Princesse, a young woman with a hunger to be fully seen. These inspiring tales of world builders and rule breakers conclude with Zora Neale Hurston’s “How It Feels to Be Colored Me,” a personal essay brimming with wit and strength: “When covered by the waters, I am; and the ebb but

reveals me again." At times heartbreaking and at times hilarious, these stories boldly push past flat stereotypes and powerfully convey the beauty of Black girlhood. In bringing together an array of influential authors—past and present—whose work remains timeless, Glory Edim has created an indispensable compendium for every home library and a soul-stirring guide to coming of age. Featuring stories by Jamaica Kincaid, Toni Morrison, Dorothy West, Rita Dove, Camille Acker, Toni Cade Bambara, Amina Gautier, Alexia Arthurs, Dana Johnson, Alice Walker, Gwendolyn Brooks, Edwidge Danticat, Shay Youngblood, Paule Marshall, and Zora Neale Hurston. *A Conjuring of Light* Vintage
