M*A*S*H meets Scrubs in a sharply observant, darkly funny, and totally unique debut memoir from physical therapist Adele Levine. In her six years at Walter Reed Army Medical Center, Adele Levine rehabilitated soldiers admitted in worse and worse shape. As body armor and advanced trauma care helped save the lives—if not the limbs—of American

soldiers fighting in Afghanistan and Iraq, Walter Reed quickly became the world leader in amputee rehabilitation. But no matter the injury, physical therapy began the moment the soldiers emerged from surgery. Days at Walter Reed were intense, chaotic, consuming, and heartbreaking, but they were also filled with camaraderie and humor. Working in a glassed-in fishbowl gymnasium, Levine, her colleagues, and their combat-injured patients were on display at every moment to tour groups, politicians, and celebrities. Some would shudder openly at the sight—but inside the glass and out of earshot, the PTs and the patients cracked jokes, played pranks, and compared stumps. With dazzling storytelling, *Run, Don't Walk* introduces a motley array of oddball characters including: Jim, a retired lieutenant-colonel who stays up late at night baking cake after cake, and the militant dietitian who is always after him; a surgeon who only speaks in farm analogies; a therapy dog gone rogue;—and Levine's toughest patient, the wild, defiant Cosmo, who comes in with one leg amputated and his other leg shattered. Entertaining, engrossing, and ultimately

inspiring, *Run, Don't Walk* is a fascinating look into a hidden world.

Why has she been set up and sent out on a wild-goose chase? By the time she's got it figured, things are hotter—and deadlier—than Chicago in July. V. I.'s in a desperate race against time. At stake: a young woman's life.

"This book is a true and authenticated story of an epic victorious struggle of a Christian family of love and faith against Satan's evil demons. This book should be read and studied by all Christian persons

and families in struggles of unknown origin." -Dr. Frank R. Babish, DEd, DMin, ThD, DD "Very interesting and extremely well written. -Dr. William Roll, PhD, University of West Georgia Lisa picked up the remote and turned down the volume. "Heidi, I want you to think real hard. This is very important. You know the man you met in the backyard today? "Yeah, Mr. Gordy." "Have you ever seen him before?" "No ma'am," Heidi said, "But he promised me he'd come back. He promised to push me on the swing." Stunned, Lisa was unable to go on with her questioning. He promised me he'd come back. Chilling words. Fear was not good, but on the other hand, having no fear could be even worse—and Heidi had no fear of this strange man and that's what disturbed Lisa most.

Despite the success stories publicized by Atkins, South Beach, Weight Watchers, and others, 90% of all diets end in failure. How can fix the way we lose weight so that we make results last? Weight loss expert Dr. Yoni Freedhoff has uncovered the flawed thinking that sabotages even the most earnest weight loss efforts. The majority of dieting or weight loss programs call for regular sacrifice: Give up an entire food group; fight hunger day and night; undertake exhausting and grueling exercise regiments. These approaches are unrealistic, unhealthy, and make it nearly

impossible to maintain results. Now, at last, there is hope. In *The Diet Fix*, Dr. Freedhoff offers a tested program for breaking down the negative thought patterns that prevent people from losing weight and keeping it off. Through the course of years of research and patient treatment, he has developed a 10-Day Reset that supports losing weight while maintaining a healthy, enjoyable lifestyle. This reset is designed to eliminate the habits that so often lead to weight gain: use it to shut down cravings, prevent indulgences from turning into binges, and break up with the scale once and for all. The 10-Day Reset can make any diet more effective, whether it's low-carb, low-fat, meal replacement, calorie tracking, or anything in between. Whether used on its own or in conjunction with any other diet, Dr. Freedhoff's program shows how to replace this toxic dieting mindset with positive beliefs and behaviors. It is time to break the cycle of traumatic dieting. With *The Diet Fix*, Dr. Freedhoff offers a groundbreaking, useable guide to begin living happily while losing permanently.

Tracing the history of the idea of the author beginning with attribution practices of Second Temple and Rabbinic Judaism, Wyrick argues that the fusion of Jewish and Hellenistic approaches to attribution helped lead to Augustine's reinvention of the writer of scripture as an author whose texts were governed by both divine will and human intent.

Los Angeles Times Book Prize Finalist: A “stellar collection” of stories about navigating life off the reservation, filled with laughter and heartbreak (People). In these lyrical, affectionate tales from the author of *The Absolutely True Diary of a Part-Time Indian* and *The Lone Ranger and Tonto Fistfight in Heaven*, characters navigate the crossroads of culture, battle stereotypes, and find themselves through everything from politics to basketball. Richard, the narrator of “Lawyer’s League,” grows up in Seattle, the son of

“an African American giant who played defensive end for the University of Washington Huskies” and “a petite Spokane Indian ballerina.” A woman is caught in a restaurant when a suicide bomb goes off in “Can I Get a Witness.” And Estelle Walks Above (née Estelle Miller), studies her way off the Spokane Indian Reservation and goes on to both enjoy and resent the company of the white women of Seattle—who see her as a shamanic genius, and look to her for guidance on everything from sex and fashion to spirituality. These and the other

“warm, revealing, invitingly roundabout stories” in *Ten Little Indians* run the gamut from earthy wit to sobering emotional truth, mapping the outer reaches of the human heart (The New York Times Book Review). From a New York Times–bestselling and National Book Award–winning author, these tales, “rambunctious and exuberant, bristle with an edgy and mordant humor” (Chicago Tribune). This ebook features an illustrated biography including rare photos from the author’s personal collection.
