 'I love Stephanie... She's one of my favourite truth tellers online, she pulls no punches and empowers so many women with her own commitment to equality... This book is going to mean a lot, to a lot of people.' - Jameela Jamil
 Stephanie Yeboah has experienced racism and fat-phobia throughout her life. From being bullied at school to being objectified and humiliated in her dating life, Stephanie's response to discrimination has always been to change the narrative around body-image and what we see as beautiful. In her debut book, *Fattily Ever After*, Stephanie speaks openly and courageously about her own experience on navigating life as a black, plus-sized woman - telling it how it really is - and how she has managed to find self-acceptance in a world where judgement and discrimination are rife. Featuring stories of every day misogyny and being fetishized, to navigating the cesspit of online dating and experiencing

loneliness, Stephanie shares her thoughts on the treatment of black women throughout history, the marginalisation of black, plus-sized women in the media (even within the body-positivity movement) whilst drawing on wisdom from other black fat liberation champions along the way. Peppared with insightful tips and honest advice and boldly illustrated throughout, this inspiring and powerful book is essential reading for a generation of black, plus-sized women, helping them to live their life openly, unapologetically and with confidence.

Slammer Penguin

Twenty seven year old Sophie is a beautiful happy plus size girl living her dream of owning and operating a boutique in a pretty southern Virginia town. She has great clothes, great friends, is happily single and isn't interested in changing any of it for a man. Gorgeous, cynical and mega rich property tycoon Liam Moran only dates super thin society women or models and isn't impressed at all by Sophie when they first meet. He has plans to convert parts of Sophie's town into a shopping mall and is convinced he won't meet any opposition from anyone, let alone a

woman. The project becomes more difficult than he ever imagined when it becomes clear he needs Sophie's land for his development. She isn't impressed by his money, his temper, or his looks and doesn't want a shopping mall in her town. Sophie promptly organizes the locals to resist Liam's plans, placing herself directly in his path. Liam finds himself increasingly attracted, against his will, to the outspoken and lovely Sophie, who challenges all his accepted notions of beauty and how women behave around rich men, and she in turn finds it more and more difficult to resist the kind but wounded heart she can see under his ruthless exterior. Liam and Sophie are on a collision course over the property development as well as their own long held prejudices. Money, ambition and rejection also create enemies, and Liam's past behavior with women comes back to create a violent and dangerous confrontation that they must deal with before they can be together.

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

The Fat Girl Head of Zeus Ltd

Curvy girls deserve happily ever afters too. I'm a big girl, "plus-sized," whatever. I'm sick of hearing about it, especially since my doctor diagnosed me with PCOS. So when Mean Girl Merritt shot her mouth off about how fat people should just lose weight, I couldn't take it anymore. And now I've got a huge problem. To prove curvy girls like me can get happily-ever-afters too, I have to get our school's quarterback, Beckett Langley, to take me to homecoming. And he doesn't know I even exist. But it's not hopeless. Four other girls just like me are willing to help, because enough is enough. I will not lose this bet. *Curvy Girls Can't Date Quarterbacks* is the first book in the lively Curvy Girl Club YA contemporary romance series. If you like resilient teens, building confidence, and snark for days, then you'll adore Kelsie Stelting's sweet story. Get your copy today! Warm wishes, Kelsie Stelting www.kelsiestelting.com

[The Secret Life of Fat: The Science Behind the Body's Least Understood Organ and What It Means for You](#) Princeton University Press

A Michael L. Printz Honor Book Troy Billings is seventeen, 296 pounds, friendless, utterly miserable, and about to step off a New York subway platform in front of an oncoming train. Until he meets Curt MacCrae, an emaciated, semi-homeless, high school dropout guitar genius, the stuff of which Lower East Side punk rock legends are made. Never mind that Troy's dad thinks Curt's a drug addict and Troy's brother thinks Troy's the biggest (literally) loser in Manhattan. Soon, Curt's recruited Troy as his new drummer—even though Troy can't play the drums. Together, Curt and Troy will change the world of punk, and Troy's own life, forever. "Troy's voice is candid, irreverent, realistic and humorous. [A] wonderful, engrossing tale."—SLJ An ALA BBYA A BCCB Blue Ribbon Book A Booklist Editors' Choice An SLJ Best Book of the Year A Miami Herald Best Book of the Year *Little Black Book* HarperCollins

The last place Christopher Jacobs, aka X, thought he'd find himself was behind bars. Ten years later, the boy he used to be is gone. In his place is the shell of a man with murder under his belt. Any emotion he once had was left under the gavel when he was given life in prison. That is until the new nurse in the infirmary joins the block. Putting your hands on a prison employee will get you the hole, but some things are worth their punishment, and something tells him Lyla will be worth more than he bargained for. Lyla Evans isn't sure about her new job at a maximum security prison, but showing uncertainty and

weakness isn't an option. Taking care of murders and rapist isn't ideal, but survival is key. She's warned ahead of time about a prisoner named X, but when she's attacked, it's the dangerous X that saves her. Fraternizing with the prisoners is forbidden, but sometimes the most forbidden things are the sweetest. ****WARNING**** This book is NOT for the faint of heart. If you have issues reading about abuse (physical or mental) then please DO NOT read this book. 18+ for sexual content, language, and violence. "HOLY MOTHER OF ALL THINGS HOLY! What on earth did Tabatha do to my heart?! She ripped it out, stomped all over it, and shoved the broken thing back in... and I loved every minute of it. I think." ~Heather, Give Me Books "I just cannot put into words how much I loved *Slammer*!!! Be prepared for a ride of a lifetime with X and Lyla!" ~ Kara, Give Me Books "A haunting, unconventional love story I will never forget." ~Ella James, USA TODAY bestselling author of *Sloth* "If you're looking for a mushy sweet romance, this is not the book for you. If you want to read something that is unlike anything else out there and that will surprise you and leave you in complete shock, then READ THIS BOOK. Without a doubt the best book I've read in a long time. It's dark, twisted, violent, but it's unique and shocking and unpredictable." ~ Author Amy McClung "I hope you're ready for the best mind fuck of your life, because this book is going to give it to you and give it good!" ~ Michele, Devilishly Delicious Book Reviews

On the Plus Side Grand Central Life & Style

Brody enlists the help of his "funny fat friend" Hayley, the school's matchmaker and his partner in American Sign Language, to win over his brother's ex -- only to realize that he's falling in love with her.

A Memoir of (My) Body Forever

Following Spoiler Alert, Olivia Dade returns with another utterly charming romantic comedy about a devil-may-care actor—who actually cares more than anyone knows—and the no-nonsense woman hired to keep him in line. "An absolutely witty, swoon worthy behind the scenes romp! Delightful from beginning to end!"—Julie Murphy, #1 New York Times bestselling author of *Dumplin'* Alexander Woodroe has it all. Charm. Sex appeal. Wealth. Fame. A starring role as Cupid on TV's biggest show, *Gods of the Gates*. But the showrunners have wrecked his character, he's dogged by old demons, and his post-show future remains uncertain. When all that reckless emotion explodes into a bar fight, the tabloids and public agree: his star is falling. Enter Lauren Clegg, the former ER therapist hired to keep him in line. Compared to her previous work, watching over handsome but impulsive Alex shouldn't be especially difficult. But the more time they spend together, the harder it gets to keep her professional remove and her heart intact, especially when she discovers the reasons behind his recklessness...not to mention his Cupid fanfiction habit. When another scandal lands Alex in major hot water and costs Lauren her job, she'll have to choose between protecting him and offering him what he really wants—her. But he's determined to keep his improbably short, impossibly stubborn, and extremely endearing minder in his life any way he can. And on a road trip up the California coast together, he intends to show her exactly what a falling star will do to catch the woman he loves: anything at all.

A Black Fat Girl's Guide to Living Life Unapologetically

North Star Editions, Inc.

'A beautiful, necessary book' ROXANE GAY. 'Echoes of Margaret Atwood's *The Edible Woman*' IRISH TIMES. Lizzie doesn't like the way she looks. Though she dates guys online, she's afraid to send pictures: no-one wants a fat girl. So Lizzie starts to lose weight. With punishing drive she counts almonds consumed and pounds dropped, navigating double-edged validation from her mother,

her friends, her husband and her own reflection in the mirror. But no matter how much she loses, will she ever see herself as anything other than a fat girl? In this darkly funny, deeply resonant novel, Mona Awad delivers a tender and moving depiction of a lovably difficult young woman whose life is hijacked by her struggle to conform. 'Devastating' EMERALD STREET. 'Honest, searing and necessary' ELLE.

Size Matters On the Plus Sidea BBW romantic comedy Martha Aguas has it all: a job she likes, a puppy she loves, and a wardrobe that makes her feel beautiful. Yes, everyone tries to make her feel bad for being mataba, she can't buy bras in the Philippines, and she's never had a boyfriend. But so what? It's never mattered before. But when her perfect cousin Regina announces her engagement Enzo, the blast from the past boy whom she might have loved before, it suddenly feels like a big deal. Aguases from all over the globe are coming in for the engagement of the century, and the last thing Martha wants to hear is a well-meaning barb about how she should watch her weight. Thank god for Max. Her funny, dependable, best friend Max, who doesn't mind playing the role of fake boyfriend for the family festivities. But the more Martha plays along, the less it feels like pretend, and more she starts to wonder if Max had maybe loved her all along.

A Story of Life, Love and Cake BluEyed Press

The definitive collection of art, poetry, and prose, celebrating fat acceptance Chubby. Curvy. Fluffy. Plus-size. Thick. Fat. The time has come for fat people to tell their own stories. The (Other) F Word combines the voices of Renée Watson, Julie Murphy, Jes Baker, Samantha Irby, Bruce Sturgell, and more in a relatable and gift-worthy guide about body image and fat acceptance. This dazzling collection of art, poetry, essays, and fashion tips is meant for people of all sizes who desire to be seen and heard in a culture consumed by a narrow definition of beauty. By combining the talents of renowned fat YA and middle-grade authors, as well as fat influencers and creators, The (Other) F Word offers teen readers and activists of all ages a tool for navigating our world with confidence and courage.

Bittersweet Createspace Independent Publishing Platform

With all the intensity and whiplash turns of Sharp Objects and One of Us Is Lying, this engrossing psychological thriller by New York Times bestselling author Lauren Oliver is an unforgettable, mesmerizing tale of exquisite obsession, spoiled innocence, and impossible friendships. It's been five years since Summer Marks was brutally murdered in the woods. Everyone thinks Mia and Brynn killed their best friend. That driven by their obsession with a novel called The Way into Lovelorn the three girls had imagined themselves into the magical world where their fantasies became twisted, even deadly. The only thing is: they didn't do it. On the anniversary of Summer's death, a seemingly insignificant discovery resurrects the mystery and pulls Mia and Brynn back together once again. But as the lines begin to blur between past and present and fiction and reality, the girls must confront what really happened in the woods all those years ago—no matter how monstrous.

Out of My Mind Createspace Independent Publishing Platform

Through a series of poems, a young girl chronicles the life-changing year of 1975, when she, her mother, and her brothers leave Vietnam and resettle in Alabama.

A Novel Abrams

We're here. We're queer. We're fat. This one-of-a-kind collection of prose and poetry radically explores the intersection of fat and queer identities, showcasing new, emerging and established queer and trans writers from around the world. Celebrating fat and queer bodies and lives, this book challenges negative and damaging representations of queer and fat bodies and offers

readers ways to reclaim their bodies, providing stories of support, inspiration and empowerment. In writing that is intimate, luminous and emotionally raw, this anthology is a testament to the diversity and power of fat queer voices and experiences, and they deserve to be heard.

How the Food Giants Hooked Us HarperCollins

Collecting the perspectives of scholars who reflect on their own relationships to particular garments, analyze the politics of dress, and examine the role of consumerism and entrepreneurialism in the production of creating and selling a style, meXicana Fashions examines and searches for meaning in these visible, performative aspects of identity. Focusing primarily on Chicanas but also considering trends connected to other Latin American communities, the authors highlight specific constituencies that are defined by region ("Tejana style," "L.A. style"), age group ("homie," "chola"), and social class (marked by haute couture labels such as Carolina Herrera and Oscar de la Renta). The essays acknowledge the complex layers of these styles, which are not mutually exclusive but instead reflect a range of intersections in occupation, origin, personality, sexuality, and fads. Other elements include urban indigenous fashion shows, the shifting quinceañera market, "walking altars" on the Days of the Dead, plus-size clothing, huipiles in the workplace, and dressing in drag. Together, these chapters illuminate the full array of messages woven into a vibrant social fabric.

The Elephant in the Room Kelsie Stelting

ONE OF NPR'S BEST BOOKS OF 2019 A "warm and funny and honest...genuinely unputdownable" (Curtis Sittenfeld) memoir chronicling what it's like to live in today's world as a fat man, from acclaimed journalist Tommy Tomlinson, who, as he neared the age of fifty, weighed 460 pounds and decided he had to change his life. When he was almost fifty years old, Tommy Tomlinson weighed an astonishing—and dangerous—460 pounds, at risk for heart disease, diabetes, and stroke, unable to climb a flight of stairs without having to catch his breath, or travel on an airplane without buying two seats. Raised in a family that loved food, he had been aware of the problem for years, seeing doctors and trying diets from the time he was a preteen. But nothing worked, and every time he tried to make a change, it didn't go the way he planned—in fact, he wasn't sure that he really wanted to change. In *The Elephant in the Room*, Tomlinson chronicles his lifelong battle with weight in a voice that combines the urgency of Roxane Gay's *Hunger* with the intimacy of Rick Bragg's *All Over but the Shoutin'*. He also hits the road to meet other members of the plus-sized tribe in an attempt to understand how, as a nation, we got to this point. From buying a Fitbit and setting exercise goals to contemplating the Heart Attack Grill in Las Vegas, America's "capital of food porn," and modifying his own diet, Tomlinson brings us along on a candid and sometimes brutal look at the everyday experience of being constantly aware of your size. Over the course of the book, he confronts these issues head-on and chronicles the practical steps he has to take to lose weight by the end. "What could have been a wallow in memoir self-pity is raised to art by Tomlinson's wit and prose" (Rolling Stone). Affecting and searingly honest, *The Elephant in the Room* is an "inspirational" (The New York Times) memoir that will resonate with anyone who has grappled with addiction, shame, or self-consciousness. "Add this to your reading list ASAP" (Charlotte Magazine).

A Never Coming of Age Story HarperCollins

Sebastian Black is a self-made man whose little black book contains the names of women who have agreed to his rules: don't every deny him and don't fall in love. If they do either, they're removed from the book and payment stops.

Things No One Will Tell Fat Girls Hardie Grant Publishing

Holly has spent her whole life as a walking disaster, from running into walls, tripping over invisible objects, and always being in the wrong place at the wrong time. When a seemingly normal outing taking her overly opinionated Corgi for a walk resulted in an object to the face, she didn't think her day could get any worse. The moment she opened her eyes and saw the Adonis standing over her, she knew she'd been wrong. It was about to get a whole lot worse. Ben's lived his whole life disobeying his uptight, self-centered, shrew of a mother. Instead of going into the family business, he followed his dreams and opened his veterinarian clinic. One ordinary day at the dog park, and a rogue dog toy later, he found himself captivated by the curvy woman that had a feistiness which set him on fire. It could only get better from here, right? Too bad his mother had other plans.

Big Summer Harper Collins

From the creator of *Your Fat Friend*, an explosive indictment of the systemic and cultural bias facing plus-size people that will move us toward creating an agenda for fat justice. Anti-fatness is everywhere. In *What We Don't Talk About When We Talk About Fat*, Aubrey Gordon unearths the cultural attitudes and social systems that have led to people being denied basic needs because they are fat and calls for social justice movements to be inclusive of plus-sized people's experiences. Unlike the recent wave of memoirs and quasi self-help books that encourage readers to love and accept themselves, Gordon pushes the discussion further towards authentic fat activism, which includes ending legal weight discrimination, giving equal access to health care for large people, increased access to public spaces, and ending anti-fat violence. As she argues, "I did not come to body positivity for self-esteem. I came to it for social justice." By sharing her experiences as well as those of others—from smaller fat to very fat people—she concludes that to be fat in our society is to be seen as an undeniable failure, unlovable, unforgivable, and morally condemnable. Fatness is an open invitation for others to express disgust, fear, and insidious concern. To be fat is to be denied humanity and empathy. Studies show that fat

survivors of sexual assault are less likely to be believed and less likely than their thin counterparts to report various crimes; 27% of very fat women and 13% of very fat men attempt suicide; over 50% of doctors describe their fat patients as "awkward, unattractive, ugly and noncompliant"; and in 48 states, it's legal—even routine—to deny employment because of an applicant's size. Advancing fat justice and changing prejudicial structures and attitudes will require work from all people. *What We Don't Talk About When We Talk About Fat* is a crucial tool to create a tectonic shift in the way we see, talk about, and treat our bodies, fat and thin alike.

Fat and Queer Beacon Press

From the New York Times bestselling author of *Bad Feminist*: a searingly honest memoir of food, weight, self-image, and learning how to feed your hunger while taking care of yourself. "I ate and ate and ate in the hopes that if I made myself big, my body would be safe. I buried the girl I was because she ran into all kinds of trouble. I tried to erase every memory of her, but she is still there, somewhere. . . . I was trapped in my body, one that I barely recognized or understood, but at least I was safe." In her phenomenally popular essays and long-running Tumblr blog, Roxane Gay has written with intimacy and sensitivity about food and body, using her own emotional and psychological struggles as a means of exploring our shared anxieties over pleasure, consumption, appearance, and health. As a woman who describes her own body as "wildly undisciplined," Roxane understands the tension between desire and denial, between self-comfort and self-care. In *Hunger*, she explores her past—including the devastating act of violence that acted as a turning point in her young life—and brings readers along on her journey to understand and ultimately save herself. With the bracing candor, vulnerability, and power that have made her one of the most admired writers of her generation, Roxane explores what it means to learn to take care of yourself: how to feed your hungers for delicious and satisfying food, a smaller and safer body, and a body that can love and be loved—in a time when the bigger you are, the smaller your world becomes.
