Hailed as a remarkable literary discovery, a lost novel of heart-stopping intensity and harrowing absurdity about flight and persecution in 1930s Germany Berlin, November 1938. Jewish shops have been ransacked and looted, synagogues destroyed. As storm troopers pound on his door, Otto

Silbermann, a respected businessman who fought for Germany in the Great War, is forced to sneak out the back of his own home. Turned away from establishment s he had long patronized, and fearful of being exposed as a Jew despite his Aryan looks, he boards a train. And then another. And another . . . until his flight becomes a frantic odyssey across Germany, as he searches first for

information, then for help, and finally for escape. His travels bring him face-to-face with waiters and conductors, officials and fellow outcasts, seductive women and vicious thieves, a few of whom disapprove of the regime while the rest embrace it wholeheartedly. Clinging to his existence as it was just days before, Silbermann refuses to believe what is happening even as he is beset by

opportunists, betrayed by associates, and bereft of family, friends, and fortune. As his world collapses around him, he is forced to concede that his nightmare is all too real. Twenty-three-year-old Ulrich Boschwitz wrote *The Passenger* at breakneck speed in 1938, fresh in the wake of the Kristallnacht pogroms, and his prose flies at the same pace. Taut, immediate, infused with acerbic Kafkaesque

humor, *The Passenger* is an indelible portrait of a man and a society careening out of control.

The Poetic Guidance and Spiritual Wisdom of Herman Hesse

Createspace Independent Publishing Platform
This is the first English-language edition of *Klingsor's Last Summer*, which was originally published in 1920, a year after *Demian* and two years before *Siddhartha*.

The book has three parts: a story called *A Child's Heart*, followed by *Klein and Wagner* and *Klingsor's Last Summer*, Hesse's two longest and finest novellas. These novellas, along with *Siddhartha* (the three works were republished in 1931 under the title *The Inward Way*), are the first fruits of the period that began in the spring of 1919, when Hesse settled in the Ticino mountain

village of Montagnola to start a new life without his wife and children. A Child's Heart, written in January 1919, in Basel, concerns the transmutation of a boy's innocence into knowledge of good and evil, and the painful guilt that accompanies this process. Both Klein and Wagner (written in May-June 1919, immediately after the arrival in Montagnola) and Klingsor's Last Summer

(written shortly after) are set in a southern landscape that reflects Hesse's life that summer; both novellas have heroes who are more or less Hesse's age at the time; and in both the hero's death is preceded by a grand vision of unity in which the polarities of life are resolved. Hesse exposes himself mercilessly in Klein and Wagner, a story of escape, wrenching loose, letting

go. But the expressionist painter Klingsor is a more direct self-portrait of the Hesse of 1919. **and Other Fantasies** Farrar, Straus and Giroux In the spring of 1922, several months after completing Siddhartha, Hermann Hesse wrote a fairy tale that was also a love story, inspired by the woman who was to become his second wife. That story, Pictor's Metamorphoses, is the

centerpiece of this anthology of Hesse's luminous short fiction. Based on The Arabian Nights and the work of the Brothers Grimm, the nineteen stories collected here represent a half century of Hesse's short writings. They display the full range of Hesse's lifetime fascination with fantasy-- as dream, fairy tale, satire, or allegory.

Farrar, Straus and Giroux

ABSURD- a film and literary production house that is passionately committed to creating and appreciating the finest works of art and literature- has now introduced 'Pure Wisdom' Series that intends to be a collection of the greatest literature- fictions and nonfictions- that awakened and have still been awakening mankind This is the first book of 'Pure Wisdom' Series; it collects two

finest literary works of all time- Franz Kafka's novella, The Metamorphosis, and Hermann Hesse's novel, Siddhartha. Kafka's Metamorphosis is one of the greatest literary works in which the protagonist, a travelling salesman, wakes up one day to discover he has been transformed into a giant insect. The absurdity of life in The Metamorphosis shakes us all terribly with some question

of our very existence- Why are we here? What purpose does our existence have? Does it depend on what others think of us or are we valuable enough in our helpless existences to overcome the obstacles of perception?" Siddhartha is one of the finest works of Hesse and one of the greatest books ever written. The novel is immensely beautiful; it deals with the spiritual journey of self-discovery

of a man named Siddhartha during the time of the Gautama Buddha; a man who wants to know his true self completely. Selected Letters of Hermann Hesse, 1891-1962 Macmillan The hero, a German choirmaster recalls an unfruitful pilgrimage to the East during his youth and begins to realize its hidden spiritual meanings. Reprint.

Vowing at an early age "to be a poet or nothing at all," Hermann Hesse rebelled against formal education, focusing on a rigorous program of independent study that included literature, philosophy, art, and history. One result of these efforts was a series of novels that became counterculture bibles that remain widely influential today.

Another was a body of evocative spiritual

poetry. Published for the first time in English, these vivid, probing short works reflect deeply on the challenges of life and provide a spiritual solace that transcends specific denominational hymns, prayers, and rituals. The *Seasons of the Soul* offers valuable guidance in poetic form for those longing for a more meaningful life, seeking a sense of homecoming in nature, in each stage of

life, in a renewed relationship with the divine. Extensive quotations from his prose introduce each theme addressed in the book: love, imagination, nature, the divine, and the passage of time. A foreword by Andrew Harvey reintroduces us to a figure about whom some may have believed everything had already been said. Thoughtful commentary throughout

from translator Ludwig Max Fischer helps readers understand the poems within the context of Hesse's life. **Knulp** Farrar, Straus and Giroux Analyzes Hesse's major novels, comments on many of his short stories, and considers his critical and autobiographical writings. *A Novel* Farrar, Straus and Giroux Since the time of pre-history, carpetmakers tie intricate knots to form carpets for the

court of the Emperor. These carpets are made from the hairs of wives and daughters; they are so detailed and fragile that each carpetmaker finishes only one single carpet in his entire lifetime. This art descends from father to son, since the beginning of time itself. But one day the empire of the God Emperor vanishes, and strangers begin to arrive from the stars to follow the trace of the hair carpets.

What these strangers discover is beyond all belief, more than anything they could have ever imagined... Brought to the attention of Tor Books by Orson Scott Card, this edition of *The Carpet Makers* contains a special introduction by Orson Scott Card. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Beneath the Wheel Farrar, Straus and Giroux Eight stories about the distillation of wisdom, concerning dream worlds, magical thinking, the subconscious and the soul. And Other Tales Farrar, Straus and Giroux "In the Old Sun, the "Sun" is a scruffy former tavern now employed as a poorhouse, where idlers sit around, living their past lives in the imagination. The narrator then turns to the earlier life of a man of talent and energy who falls victim to drink and is employed as the manager of the "Sun," who then begins to engage, sometimes quarrelsomely, with the other inmates, giving an opportunity for smaller stories within the story, some humorous, some sad. The men grate on one another, but they mourn as they die off"-- A Man by the Name of Ziegler Tor Books Story of a

famous artist whose creativity is stifled by an empty marriage to which he is bound until freed by the death of his adored son. Gertrude Minotaur

 One of the most widely read German authors in the world, Hermann Hesse (1877-1962) won the Nobel Prize for Literature in 1946. After his death, his novels enjoyed a revival of popularity, becoming a

staple of popular religion and spirituality in Europe and North America. Veneration and Revolt: Hermann Hesse and Swabian Pietism is the first comprehensive study of the impact of German Pietism (the religion of Hesse's family and native Swabia) on Hesse's life and literature. Hesse's literature bears witness to a lifelong conversation with his religious

heritage despite that in adolescence he rejected his family's expectation that he become a theologian, cleric, and missionary. Hesse's Pietist upbringing and broader Swabian heritage contributed to his moral and political views, his pacifism and internationalism, the confessional and autobiographical style of his literature, his romantic mysticism, his suspicion of bourgeois

culture, his ecumenical outlook, and, in an era scarred by two world wars, his hopes for the future. Veneration and Revolt offers a unique perspective on the life and works of one of the twentieth century's most influential writers. Narcissus and Goldmund Penguin First published in 1915, Knulp was Hesse's most popular book in the years before Demian. This is the first

edition in English. Knulp is an amiable vagabond who wanders from town to town, staying with friends who feed and shelter him. Consistently refusing to tie himself down to any trade, place, or person, he even deserts the companion who might be considered Hermann Hesse himself the summer they go tramping together. Knulp's exile is blissful, gentle, self-absorbed. But hidden

beneath the light surface of these "Tales from the Life of Knulp" is the conscience of an artist who suspects that his liberation is worthless, even immoral. As he lies dying in a snowstorm, Knulp has an interview with God in which he reproaches himself for his wasted life. But it is revealed to Knulp that the whole purpose of his life has been to bring "a little homseickness for freedom" into the lives of ordinary

men.

The stories Hesse tells appeal to young people, because they keep faith with the powerful emotions of adolescence, which most

adults forget or outgrow. As a young middle class boy Emil Sinclair has trouble knowing what is or what should be. Throughout this novel he is constantly seeking validation as well as mentorship. As Emil struggles a childhood friend begins to mentor him and is said to be his daimon. In ancient greek daimon is a person's deity or guiding spirit. In his story Emil's parents are a symbol

of safety and fallback as his friend helps lead him to self realization.

CLASSICS
Beneath the Wheel Library of Alexandria
 Few American readers seem to be aware that Hermann Hesse, author of the epic novels *Steppenwolf* and *Siddhartha*, among many others, also wrote poetry, the best of which the poet James Wright has translated and included in this book. This is a special volume—filled

with short, direct poems about love, death, loneliness, the seasons—that is imbued with some of the imagery and feeling of Hesse's novels but that has a clarity and resonance all its own, a sense of longing for love and for home that is both deceptively simple and deeply moving.  Hermann Hesse's

voyage to the East Indies, recorded in journal entries and other writings translated into English for the first time, describes the experiences that influenced his greatest works. "I knew but few of the trees and animals that I saw around me by name, I was unable to read the Chinese inscriptions, and could exchange only a few words with the children, but nowhere in foreign lands have I felt so

little like a foreigner and so completely enfolded by the self-existing naturalness of life's clear river as I did here." In 1911, Hermann Hesse sailed through southeastern Asian waters on a trip that would define much of his later writing. Hesse brings his unique eye to scenes such as adventures

in a rickshaw, watching foreign theater performances, exploring strange floating cities on stilts, and luxuriating in the simple beauty of the lush natural landscape. Even in the doldrums of travel, he records his experience with faithful humor, wit, and sharp observation, offering a broad vision of

travel in the early 1900s. With a glimpse into the workings of his mind through the pages of his journals, poems, and a short story—all translated into English for the first time—these writings describe the real-life experiences that inspired Hesse to pen his most famous works.
