Procurement of Health Sector Goods Wolters Kluwer
 ABOUT THIS BOOK This book assists the reader and provides value in three ways: First, model contract language in the form of commercial terms and conditions are provided. Second, the contract language is annotated with explanations and suggestions for each of the key articles. Third, summaries of actual litigated cases are provided in synopsis form. This triple combination of language, annotations and key case synopses all work together to instruct and enlighten the reader. WHAT OTHERS HAVE SAID ABOUT THIS BOOK "This book is a superb tool for anyone who relies upon contracts in their business dealings..." Nick Conca, Esq. Chief Claims Officer, Markel Corporation "The authors have hit the ball out of the park! They have crafted an easy to read and easy to understand contracts primer that all supply / demand chain professionals will embrace..." Dan Klepacki, MBA, BS Engineering Adjunct Professor - Rutgers Business School and Senior Industry Advisor Rutgers SCM Program "This book should be required reading for any Project Manager..." Frank V. Cielo, PMP Head of Operational Excellence KEMA Laboratories Chalfont DNV GL Energy "After having read Model Contract Terms and Conditions With Annotations and Case Studies, by Paul Humbert and Robert Mastice, I hope that this treatise becomes a standard manual in any situation where personnel have to develop and draft contracts in any business setting..." Glenn A. Montgonery, Esq., B.A., M.A., J.D. Montgomery, Chapin & Fetten, P.C. "Finally, a concise, annotated source of model contract terms and conditions with case summaries and citations prepared by those with actual, hands-on experience with complex project management transactions..." Glen Clark, Esq. Managing Partner Riker Danzig, Esqs. "The authors' practical experience and technical knowledge combine to provide a valuable guide for executives in the industry. This book contains valuable, real-world framework for successful capital project execution..." Guy Cipriano, P.E. President-EI Associates "Authors Paul Humbert and Robert Mastice do an exquisite job of simplifying and decomposing a complex topic in a pragmatic way..." Charlie White Entrepreneur & Principal Partner Thwakk, Inc "Contracts make the commercial world go round. The authors have done a stellar job of demystifying the contracting process, and what can be intimidating "legal" terms and conditions..." James A. Silva VP Solution & Business Development HD Supply - Power Solutions

"Paul Humbert and Robert Mastice have written an invaluable resource for any business person or attorney who deals with commercial contracts. They provide section by section explanations of the purpose of, and rationale for, a wide range of common commercial contract provisions. Their commentary is illuminating for anyone who deals with those types of provisions. I have practiced law for more than 35 years. I wish that a resource like this had been available to me when I began to practice. I recommend it wholeheartedly to anyone, lawyer or non-lawyer, who would like to increase his or her understanding of commercial contracts." Richard Cogen, Esq. Partner Nixon Peabody, LLP

OTHER BENEFITS OF THIS BOOK This book also facilitates the creation of a project or transaction specific Contract Management Plan. ("CMP"). A CMP is essentially an internal document prepared by either the Company or the Contractor for use by their respective employees in managing the transaction that is the subject of the Contract. The CMP is not shared with the other party since it deals exclusively with the internal considerations and mechanics associated with one party's administration and management of its rights and responsibilities under the Contract. The CMP supplements the Contract and also permits a documented methodology for applying lessons learned from past transactions.

Digital Media Contracts contains a collection of sample agreements, presenting annotated contracts from the digital media industry in typical formats for the industry. Included are agreements for digital downloads, user generated content, social networks, wireless apps and cloud computing. It goes beyond traditional precedents by giving practical, commercially-grounded commentary and background information to assist both readers intending to draft their own documents and those looking for hands-on guidance when reviewing standard form documents received from other parties. Lawyers working in the digital media industry, private practitioners and in-house lawyers will find this work especially useful. Its jurisdictional scope is primarily focused on the UK with comparative comments on similar agreements in the US, with input from lawyers based in the US. This comprehensive guide will provide practical support in the form of checklists and flow-charts, and will include additional supporting documents such as standard NDAs and sample Heads of Agreement.

These Standard Bidding Documents (SBD) and its companion Technical Note (TN) have been prepared by the World Bank for use by borrowers and their implementing agencies in the procurement of pharmaceuticals, vaccines, and condoms through international competitive bidding (ICB). For the purpose of these documents, pharmaceuticals also include nutritional supplements and oral and injectable hormonal forms of contraception. The procedures and practices presented in these SBD have been developed through broad international experience and are mandatory for use in projects that are financed in whole or in part by the World Bank in accordance with the provisions of the latest edition of Guidelines: Procurement under IBRD Loans and IDA Credits. The purpose of the TN is to provide background information to the Bank's project staff and borrowers, about the complex issues in the procurement of health sector goods and to

help them make well-informed decisions in each special situation. Nolo

Legal Guide to AIA Documents John Wiley & Sons

No other contracts are more widely used in the construction industry than the American Institute of Architects' standard forms. The American Institute of Architects Official Guide to the 2007 AIA Contract Documents offers unparalleled insight into the AIA's extensive portfolio of contract documents, helping the reader understand the forms and how to implement them. This guide is divided into two parts: Part One, The AIA Standard Documents, examines the role of AIA Contract Documents, their history, and how the documents are written and updated. It also reviews the educational and supporting resources that are part of the AIA's contract documents program; Part Two, The AIA Documents Companion, describes agreements in detail, including the purpose and rationale for provisions. Separate chapters cover the owner-contractor, contractor-subcontractor, owner-architect, and architect-consultant agreements. The guide concludes with a chapter describing pivotal legal cases that have helped shape and interpret AIA contracts. Samples of the most commonly used contracts are in print in the appendix, and an accompanying CD-ROM has samples of all AIA Contract Documents (in PDF format for Mac and PC computers) that released in 2007, as well as the Integrated Project Delivery Family of documents that released in 2008. This book is invaluable for construction project owners, attorneys, contractors, subcontractors, design professionals, and others involved in the procurement, management, and delivery of building projects. It is also recommended for students and young professionals seeking a degree, certification, or licensure.
