*The Six Life Skills Children Need* Free  
Spirit Publishing  
Pinkerton the pig always manages to be  
first until he rushes for a sandwich and it  
turns out to be not the edible kind.  
*Respect and Take Care of Things* Myself  
New English-Spanish bilingual edition  
gives young children strategies to ease

anxieties and worries and feel better  
again. Everyone feels worried or anxious  
at times, and young children are no  
exception. Friendly and supportive, this  
bilingual English-Spanish book explains  
what worries are and how it feels to be  
worried, assuring children that lots of  
kids—and grown-ups too—feel worried.  
Children learn that there are many ways  
to help their worries go away: “Guess  
what? You are bigger than your worries.  
You can learn to make your worries

smaller and smaller and smaller.” Talking about worries, moving around, keeping hands busy, breathing deeply, getting a big hug, and thinking good thoughts are all ways for children to cope with worries. A special section for adults in both languages offers activities and discussion starters for home, school, and child care. Best Behavior® Bilingual Series The Best Behavior® bilingual series uses simple words in English and Spanish and delightful full-color illustrations to guide children to choose peaceful, positive behaviors. Select titles are available in two versions: a durable board book for ages baby to preschool and a longer, more in-depth paperback for ages four to seven. Kids, parents, and teachers love these award-winning books. All include helpful tips and ideas

for parents and caregivers.

Free Spirit Publishing

Empathy is key to positive, healthy relationships. This book builds empathy in children. In clear, child-friendly words and illustrations, it helps them to understand that other people have feelings like theirs—and different from theirs. It guides children to show they care by listening to others and respecting their feelings. Includes questions to discuss and empathy games to play.

Talk and Work It Out Free Spirit  
Publishing

Everyone gets angry, so it’s never too early for children to learn to recognize feelings of anger, express them, and build skills for coping with anger in

helpful, appropriate ways. Children learn that it is okay to feel angry—but not okay to hurt anyone with actions or words. They discover concrete skills for working through anger: self-calming, thinking, getting help from a trusted person, talking and listening, apologizing, being patient, and viewing others positively. Reassuring and supportive, the book helps preschool and primary-age children see that when they cool down and work through anger, they can feel peaceful again.

Starting Out Right Free Spirit Publishing Shows how research confirms that common early learning practices promote social-emotional development. *Learning to Get Along Series Interactive Software* Gareth Stevens Publishing LLLP "I have some special things that belong

just to me. I want to get along. What can I do?" So begins this charming book that guides young children to see that sharing is their choice, why they might choose to share, and how sharing can be good for everyone. A little girl thinks about the way her family, her friends, and other children share with her--and how happy she feels when this happens. "I might think, 'That's how I want to be!' I want to show that I care. So I may choose to say 'Yes!'" Colorful scenes in a variety of settings help little ones see that everyone has "plenty to share." *Learning About Me & You Series Support* toddlers and young preschoolers in developing self-awareness and social awareness with these charming board books focused on early social skills. With her straightforward and encouraging

style, author Cheri J. Meiners guides little ones to understand how they fit into their world and how other people fit in, too. Children learn about belonging, feelings, playing, sharing, helping, and more. Perfect for group or home settings, each book includes tips and information for teachers, parents, and caregivers.

When I Feel Afraid Free Spirit Publishing  
Every interventionist needs this practical sourcebook, packed with research-based strategies for helping parents and caregivers take a consistent, active role in supporting young children's development.

I Share Share and Take Turns  
Imagine a life where your toddler or preschooler is happy to do what you ask, and is able to move on, easily, when

disappointed. • Imagine getting all of your housework done while your child plays, or happily helps alongside you. • Imagine truly enjoying your time with your child, and creating a life that feels fulfilling for both of you. "These things are possible for parents and children," asserts author Faith Collins, even with a child who is extra sensitive, demanding, needy, belligerent, or all at the same time. Collins is a preschooler teacher, parent coach and mother, who has witnessed such transformations repeatedly over many years. Her book is a treasury that provides readers with powerful, practical and positive tools to achieve harmony and joy in their own families. Her blog and popular online classes are available at (<http://joyfultoddlers.com>). The unique

contribution of this book is its focus on creating a mutually responsive relationship—meaning that both people respond quickly and positively to each other, even when they cannot do what the other person wants. In a warm and easygoing style, the author guides parents and caregivers in establishing and maintaining such mutually responsive relationships with their young ones, creating the basis for discipline, education, socialization and a happier life together. Helping our children to develop these skills becomes a game-changer in all parent-child dynamics. Rare and precious! Faith's book will very likely leave you feeling, "Yes, I can do this." —Kim John Payne, author: *Simplicity Parenting. A BOOK FOR PARENTS, GRANDPARENTS, EDUCATORS,*

*CAREGIVERS, AND ALL INVESTED IN THE LOVE AND GUIDANCE OF CHILDREN. A MUST FOR PUBLIC, SCHOOL AND UNIVERSITY LIBRARIES.*

**My Turn, Your Turn** Free Spirit Publishing

With the newest paperback addition to the Best Behavior® series, children develop strategies to make waiting less frustrating and learn that patience is a virtue. Children are often waiting—for the school bus, their turn on the slide, or their birthday—and waiting can be frustrating! But learning to be patient and developing self-control will equip children with tools for success in school and in social settings. With vivid illustrations and simple strategies, this reassuring book helps children learn to delay gratification and make waiting

more fun without relying on electronics. With her trademark mix of empathy and encouragement, author Elizabeth Verdick provides activities and ideas for children—like observing the world around them, inventing new games, and anticipating what’s to come—that can be adapted for any situation. In this addition to the best-selling Best Behavior series, children will learn how to avoid boredom and replace whining words with waiting words: “This will be worth the wait!” A section for adults includes tips and activities to foster patience in children. Best Behavior® Series The Best Behavior® series uses simple words and delightful full-color illustrations to guide children to choose peaceful, positive behaviors. Select titles are available in two versions: a durable board book for

ages baby to preschool, and a longer, more in-depth paperback for ages four to seven. Bilingual board books and paperback editions are available for select titles. Kids, parents, and teachers love these award-winning books. All include helpful tips and ideas for parents and caregivers.

*Children's Books about Sharing, Emotions & Feelings, Age 3 5, Preschool, Kindergarten* Penguin

Llama Llama doesn't want to share his toys with his new neighbors, but when fighting leads to broken toys and tears, Llama learns that it's far better to share. *A Story About Sharing* Redleaf Press  
Miss Clover has made a space station. Posy, Ben and Alfie must take turns to play with it. But Posy doesn't want to share, and everyone gets cross. Can the

children learn to enjoy it together? This series introduces young children to different aspects of our emotions and behaviour.

*I Take Turns Shared Reading Book* Star of the Sea Publishing

Why do children do the things they do? What can teachers do to manage it all? While there is not a simple method for understanding and managing all behaviors or all children, teachers can give young children the social and emotional tools needed to grow and thrive on their own. Developed and tested in the classroom, *Beyond Behavior Management*, is a strength-based approach to guiding and managing young children's behavior by helping them build and use essential life skills—attachment, collaboration, self-

regulation, adaptability, contribution, and belonging—into the daily life of the early childhood classroom. As a result, children will learn to exhibit more pro-social behaviors, work better as a community, and become excited and active learners. This edition includes two new chapters and content reflecting early learning standards, new research, cultural diversity, and strategies to strengthen the home-school connection. Discussion and reflection questions, exercises, journal assignments, child profile templates, a planning worksheet, and sample scripts are also included. Jenna Bilmes is an early childhood consultant and an instructional designer for WestEd Child and Family Services. She is a frequent presenter to teachers, administrators, and counselors nationally

and internationally.

Voices Are Not for Yelling Free Spirit Publishing

Children today have many fears, both real and imagined. Encouraging words and supportive illustrations guide children to face their fears and know where to turn for help. Little ones also learn simple ways to help themselves. Includes a special section for adults, with ideas for supporting children when they feel afraid and a list of additional resources.

**Stuff You Should Know** Free Spirit Publishing

Clear, simple language and realistic illustrations teach children the process of peaceful conflict resolution.

*Social & Emotional Development* Redleaf Press

Now for Mac and Windows. Praised by parents, embraced by educators, this early childhood development book series teaches young children how to deal with their emotions, make positive choices, solve problems, resolve conflicts, resist impulsive behavior, form relationships, work cooperatively, and more. Now all 15 of the Learning to Get Along series are available in one kid-friendly software package. Teachers can choose which books to make available to each child, manage audio features, and track students' progress. Children follow along or read on their own, using a special highlight feature to click and hear word definitions. A sequence of questions follows each book; test results are stored for teacher review in individual student files. Designed for classroom use, yet

equally useful at home. User's Guide included. Developed in association with Attainment Company. Software disc, Windows XP or higher, Mac OS 10.5 or higher, Intel processor, touch-screen and single-switch compatible.

### I Can Share Penguin

When Oscar and Tilly go to the playground, they are not keen to wait their turn to play on the swings, slides and all the exciting things there. Will the two friends find a way to play together? My Turn! is from Level 1 of Ready Steady Read! a fantastic graded reading scheme with four reading levels from Little Tiger Press. Ready Steady Read! makes learning to read fun. Each book contains games and activities to reinforce learning and test comprehension in a way developing

readers will enjoy as well as handy parent notes from Prue Goodwin, Lecturer in Literacy and Children's Books. Level 1 is suitable for first readers. The stories will help build their confidence, opening up the world of reading and imagination to them. About Level 1: for first readers short, straightforward sentences basic, fun vocabulary simple, easy-to-follow stories of up to 100 words large print and easy-to-read design

### Free Spirit Publishing

Sometimes it's fun to share, and sometimes it's hard. This book offers toddlers simple choices (take turns, use the toy together, wait for another time) to make sharing easier, and shows them where to turn for help when sharing is difficult. Little ones learn that sharing

can mean double the fun—and sharing a while can make someone smile! Includes tips for parents and caregivers.

Share and Take Turns Marshall Cavendish

A devastatingly large number of people in America cannot read as well as they need for success in life. With literacy problems plaguing as many as four in ten children in America, this book discusses how best to help children succeed in reading. This book identifies the most important questions and explores the authoritative answers on the topic of how children can grow into readers, including: What are the key elements all children need in order to become good readers? What can parents and caregivers provide all children so that they are prepared for reading

instruction by the time that they get to school? What concepts about language and literacy should be included in beginning reading instruction? How can we prevent reading difficulties starting with infants and into the early grades? What to ask school boards, principals, elected officials, and other policy makers who make decisions regarding early reading instruction. You'll find out how to help youngsters build word recognition, avoid comprehension problems, and more--with checklists of specific accomplishments to be expected at different ages: for very young children, for kindergarten students, and for first, second, and third grade students. Included are 55 activities to do with children to help them become successful readers, a list of recommended

children's books, and a guide to CD-ROMs and websites. Great strides have been made recently toward identifying the best ways to teach children to read. Starting Out Right provides a wealth of knowledge based on a summary of extensive research. It is a "must read" for specialists in primary education as well as parents, pediatricians, child care providers, tutors, literacy advocates, policy makers, and teachers.

A Book about Patience Free Spirit Publishing

Teaching children how to manage their thoughts and words without interrupting. Louis always interrupts! All of his thoughts are very important to him, and when he has something to say, his words rumble and grumble in his tummy, they wiggle and jiggle on his tongue and then

they push on his teeth, right before he ERUPTS (or interrupts). His mouth is a volcano! But when others begin to interrupt Louis, he learns how to respectfully wait for his turn to talk. My Mouth Is A Volcano takes an empathetic approach to the habit of interrupting and teaches children a witty technique to help them manage their rambunctious thoughts and words. Told from Louis' perspective, this story provides parents, teachers, and counselors with an entertaining way to teach children the value of respecting others by listening and waiting for their turn to speak.

**I Can Take Turns** Free Spirit Pub  
When children are kind, courteous, and respectful, people enjoy being around them and reciprocate with the same behavior. This book helps kids

understand the importance of showing politeness, speaking kindly, using basic courtesies (“please,” “thank you,”

“excuse me”), and respecting the feelings of others. Scenarios and role-play activities help adults reinforce the book’s lessons.
