The BORA Defensive System is a unique defensive approach that is characterized by constant and never-ending disruption of your opponent's ability to run an offense. BORA stands for a barrage of organized chaos and relentless attacks. Although there are many books that teach pressure defense, this is pressure defense on steroids! This defensive approach puts the offense under relentless stress and makes them play against their will. BORA will improve your team's intensity and communication, allow for more players to contribute and receive quality playing time, and will help neutralize the star player and a team that is better skilled. BORA is exciting for players, coaches, and fans. Many of the defensive skills and drills in this book have never been seen before. Utilizing these actions and concepts will undoubtedly make your team better defensively and help you win more games.

October 1944, in the Republic of Salò, a German puppet state in the north of Italy and the last fascist stronghold in the country. Transferred to the town of Salò on Lake Garda, Wehrmacht colonel Martin Bora must investigate the theft of a precious painting of Venus by Titian. While Bora's inquiry proceeds among many difficulties, discovering three dead bodies throws an even more sinister light on the scene. The victims are female, very beautiful, apparently dead by their own hand but in fact, elegantly murdered. Is it the work of a serial killer, or are the homicides somehow related to the stolen Venus? Why were intriguing clues left behind for Bora to find? And why is there an official attempt to make the investigator himself appear as the culprit? Caught in an unforeseeable web of events, hounded by the Gestapo (for years at his heels on the charge of anti-Nazi activities), hopelessly in love with an enigmatic, real-flesh "Venus," Bora must resort to all his courage and ability - not only to solve the mystery and expose the perpetrator, but also, in a

breath-taking crescendo, to try to save himself from the firing squad, and secure an unlikely way out...

For the last five years, Veier has been chained to a king's throne in his bear form. When a neighboring kingdom overthrows the crown, Veier's imprisonment ends, but true freedom is not so easily earned. With blood on his hands, he needs someone with patience, strength, and trust to help him become the person he was before and prove to the invaders that he isn't the monstrous king's loyal pet. Elrid, the invading king's brother and a powerful mage, is everything Veier despises. He's also the only thing between Veier and execution, because he thinks he can help Veier change from an aggressive bear shifter into a reasonable man. While the pair have a rough start, with long talks and mutual leaps of faith, they begin to care for each other. However, the closer Veier gets to his freedom, the closer he is to losing Elrid. He must find balance in his heart and his life if he wishes to truly claim the freedom he's been given—and the man he loves.

En el V centenario de la Reforma, Taurus publica la biografía definitiva de Martín Lutero. Cuando Martín Lutero clavó una hoja de papel a la puerta de la iglesia de una pequeña ciudad universitaria el 31 de octubre de 1517, desencadenó un proceso que cambió el mundo occidental para siempre. Las ideas de Lutero se extendieron como la pólvora. Su ataque a la Iglesia pronto convulsionó Alemania, dividió Europa y polarizó las creencias. Desencadenó décadas de persecución religiosa, malestar social y guerra. A largo plazo, sus ideas, paradójicamente, ayudaron a romper el dominio de la religión en todos los ámbitos de la vida. Pero el hombre que inició la Reforma fue profundamente defectuoso, fundamentalista religioso, antisemita y políticamente reaccionario. Era un ferviente creyente que vivía atormentado por las dudas, un brillante escritor que dio forma a la lengua alemana y un polemista violento y malhablado. Era un ex-monje casado que liberó la sexualidad humana del estigma del pecado, pero al mismo tiempo que insistió en que las

mujeres debían mantenerse en un lugar secundario. Esta biografía histórica, la primera en muchas décadas, nos ofrece una figura de carne y hueso, con todos sus defectos y revela las fuerzas psicológicas a menudo contradictorias que condujeron a Lutero y cambiaron el curso de la historia, y cómo un pequeño acto de protesta se convirtió en una lucha que modificaría para siempre la Iglesia y marcaría el comienzo de un nuevo mundo. Reseñas: «Un empeño convincente y sugerente por devolverle algo de carne y hueso a este icono estático. Lyndal Roper es una de las historiadoras más imaginativas y audaces de su generación.» Alexandra Walsham, *The Guardian* «La biografía de Roper, que se distingue por la excelencia de su escritura y la investigación, ofrece las bases de la sabiduría en todo lo relacionado con la Reforma.» Ian Thomson, *The Observer* «El libro de historia ejemplar: imaginativo aunque empírico, redondo y profundo.» Malcolm Gaskill, *Financial Times* «Un libro magnífico.» *New Statesman* «Lyndal Roper cuenta con un estupendo estilo narrativo la extraordinaria vida de Lutero. Nos transmite la imagen de un "héroe difícil", poniendo toda su atención tanto a las luces como a las sombras. Un estudio convincente, accesible y muy bien documentado.» Rowan Williams

Praise for the Martin Bora series: "The tone of *Liar Moon* has a flu-like grimness, appropriate the 1943 setting. Pastor is excellent at providing details (silk stockings, movie magazines, cigarettes) that light up the setting."—Booklist "Lumen's plot is well crafted, her prose sharp . . . a disturbing mix of detection and reflection."—*Publisher's Weekly* Rome, 1944. While the Allies are fighting their way up the Italian peninsula, Rome lives the last days of Nazi occupation. Their world is falling apart as the German Army, the Gestapo, and the SS vie for power while holding glittering and debauched parties. But this is also a time of Italian partisan attacks, arrests, and mass executions, all to the sound of Allied artillery bombardment just outside the walls of the city. Baron Martin von Bora, an officer in the Wehrmacht, has the complex and delicate task of solving not one, but three murders. A young German embassy secretary has "accidentally" fallen to her death from a fourth-floor window, and a Roman society lady

and a headstrong cardinal of the Roman Curia are found dead in her apartment. The cardinal is personally known to Bora and, like the officer, secretly active in the resistance against the Third Reich. With Italian police inspector Sandro Guidi at his side, Bora sets off to establish the truth. Different as they are, the two men confront crime, war, and dictatorship in the awareness that the dignity of man comes at a price beyond all imagination.

Desde las épocas más remotas las civilizaciones han enfrentado numerosas epidemias, que se han desatado una tras otra, o simultáneamente, acompañando hambrunas y guerras, o viajando por los océanos para luego convertirse en armas de conquista. A pesar de la relevancia de estos eventos, hasta hace muy poco sobrevivía la convicción de que las epidemias remitían a un mundo arcaico, cuyos patrones de atraso científico y tecnológico representaban los mayores factores de riesgo de propagación para enfermedades ya extintas. Este libro quiere conocer cómo los pueblos y comunidades indígenas de la Amazonía peruana han hecho frente a la pandemia de la COVID-19 y, asimismo, reconocer las formas en que se enfrentaron a las diversas epidemias en el pasado. Este proceso nos invita, en medio de la urgencia, a ampliar nuestra comprensión sobre las enfermedades y epidemias como síntomas de una realidad más compleja que no está aislada de los procesos económicos, tecnológicos, religiosos y de violencia que han afectado desde hace siglos a la Amazonía y a sus habitantes.

In the summer of 1981 Will Traverse set out to walk across the city of Brisbane; a journey that took him from an Aboriginal bora ground in the Samford valley west of the city, through the city centre, and on to a midden on Stradbroke Island. At that time Brisbane, a small city under the yoke of an ultra-conservative state government, was transitioning from what many called that great big country town into what would become the two-hundred-

kilometre city. Wills journey, through time and space, maps a unique portrait of a city and its people during this time of change. Along the way he met many characters, including the last Samford dairy farmer and his dog, a woman who told him things shed held secret for too long, and an American soldier whod been stationed in Brisbane during the Pacific Campaign. There were many strange encounters, including a drunken game of racing peanuts, a conversation with six cane toads, and monsters in the night. As he walked Will sometimes recalled events from his own past. Sometimes these memories were pleasant, some bitter-sweet, but there was one, concerning a visit to a place of evil, that haunted him.

"Pastor's plot is well crafted, her prose sharp. . . . A disturbing mix of detection and reflection."—Publishers Weekly "A mystery, it rivets the reader until the end and beyond, with its twist of historical realities. A historical piece, it faithfully reproduces the grim canvas of war. A character study, it captures the thoughts and actions of real people, not stereotypes."—The Free Lance-Star Part wartime political intrigue, detective story, psychological thriller, and religious mystery, Ben Pastor's debut follows a German army captain and a Chicago priest as they investigate the death of a nun in Nazi-occupied Poland. In October 1939 Captain Martin Bora discovers the abbess, Mother Kazimierza,

shot dead in her convent garden. Her alleged power to see the future has brought her a devoted following; her work and motto, "Lumen Christi Aduva Nos" ("Light of Christ, help us"), appear also to have brought some enemies. Father Malecki has come to Cracow, at the pope's bidding, to investigate Mother Kazimierza's powers. The Vatican orders him to stay and assist Bora in the inquiry into her killing. Stunned by the violence of the occupation and the ideology of his colleagues, Bora's sense of Prussian duty is tested to the breaking point. The interference of seductive actress Ewa Kowalska does not help matters. Ben Pastor, born in Italy, has lived for thirty years in the United States, working as a university professor in Vermont. She is the author of other novels, including *The Water Thief* and *The Fire Walker* (St. Martin's Press).

Otoño de 1940, Francia sufre la ocupación del Ejército alemán. Al capitán Martin Bora, de contrainteligencia militar, se le ordena trasladarse primero a París, donde debe contactar con un polaco que tiene importante información oculta de los soviéticos, y luego a Bretaña para seguirle la pista a un oficial alemán que aparentemente está allí estudiando insectos: Ernst Jünger, héroe de la Primera Guerra Mundial y conocido escritor. Bora lo admira, pero el régimen de Hitler desconfía de él. Su misión se va a complicar cuando es brutalmente asesinada la esposa de un ambicioso contraalmirante alemán, bien relacionado con la cúpula de los servicios de información militar: una mujer bretona, muy religiosa y de familia adinerada, madre de un complejo oficial de la Marina. Bora tendrá que asumir la investigación de un caso que plantea muchas dudas, en un ambiente ambiguo, agitado de pasiones e intereses ocultos de todo tipo. Una investigación salpicada de "pequeños incendios" en la que contará con la ayuda del enigmático Ernst Jünger desde una esquivo y desconfiada amistad. Un cura expulsado del sacerdocio, nacionalistas bretones, una cantante de cabaret desencantada con la vida, una población bretona menos resistente al invasor de lo que se esperaba, la hostilidad de los SS..., todo envuelto por la misteriosa magia celta, las tradiciones arcanas y las brumas de Bretaña, marcarán las pesquisas de un Martin Bora que de nuevo, buscando algo de humanidad y justicia en medio de los horrores de la guerra, tendrá que enfrentarse a la disyuntiva de cumplir con su deber o no traicionar sus profundas convicciones morales. *Conan The Valiant* Bitter Lemon Press

FOURTH IN THE MARTIN BORA SERIES. SPELLBINDING MULTI-LAYERED CRIME NOVEL SET IN UKRAINE AS THE GERMANS REGROUP AFTER THE DISASTER OF STALINGRAD. FOR FANS OF PHILLIP KERR (BERNIE GUNTHER SERIES), ALAN FURST (SPIES OF THE BALKANS). THE HERO, MAJOR MARTIN BORA, IS AN ARISTOCRATIC GERMAN OFFICER OF THE ILK OF CLAUDIUS STAUFFENBERG, TORN BETWEEN HIS DUTY AS AN OFFICER AND HIS INTEGRITY AS A HUMAN BEING. Ukraine, 1943. Having barely escaped the inferno of Stalingrad, Major Martin Bora is serving on the Russian front as a German counterintelligence officer. Weariness, disillusionment, and battle fatigue are a soldier's daily fare, yet Bora seems to be one of the few whose sanity is not marred by the horrors of war. As the Wehrmacht prepare for the Kursk counter-offensive, a Russian general defects aboard a T-34, the most advanced tank of the war. Soon he and another general, this one previously captured, are found dead in their cells. Everything appears to exclude the likelihood of foul play, but Bora begins an investigation, in a stubborn attempt to solve a mystery that will come much too close to home.

Pulitzer Prize-winning author James A. Michener brings Hawaii's epic history vividly to life in a classic saga that has captivated readers since its initial publication in 1959. As the volcanic Hawaiian Islands sprout from the ocean floor, the land remains untouched for centuries—until, little more than a thousand years ago, Polynesian seafarers make the perilous journey across the Pacific, flourishing in this tropical paradise according to their ancient traditions. Then, in the early nineteenth century, American missionaries arrive, bringing with them a new creed and a new way of life. Based on exhaustive research and told in Michener's immersive prose, Hawaii is the story of disparate peoples struggling to keep their identity, live in harmony, and, ultimately, join together. BONUS: This edition includes an excerpt from James A. Michener's Centennial. Praise for Hawaii "Wonderful . . . [a] mammoth epic of the islands."—The Baltimore Sun "One novel you must not miss! A tremendous work from every point of view—thrilling, exciting, lusty, vivid, stupendous."—Chicago Tribune "From Michener's devotion to the islands, he has written a monumental chronicle of Hawaii, an extraordinary and fascinating novel."—Saturday Review "Memorable . . . a superb biography of a people."—Houston
