Every Business Is God's
Business The notion
that labor for profit and
worship of God are

now, and always have
been, worlds apart, is
patently false. The
Early Church founders
were mostly
community leaders and
highly successful
businesspeople. The
writing of the Gospels
was entrusted to Luke,
a medical doctor;
Matthew, a retired tax
collector; Mark, the

manager of a family trust; and John, a food supplier. Lydia was "a dealer in purple cloth." Dorcas was a clothes designer. In this expanded version of the bestselling *Anointed for Business*, Ed Silvoso focuses on the heart of our cities, which is the marketplace. Yet the perceived wall between commercial pursuit and service to God continues to be a barrier to advancing His kingdom. Silvoso shows Christians how to knock down that wall--and participate in an unparalleled marketplace transformation. Only then can we see God's kingdom invade every corner of our world. Readers will appreciate Silvoso's passionate call to men and women in the workplace to rise

to their God-appointed positions. The included study guide will enable the reader to put these revolutionary concepts into action.

In his new novel, Paulo Coelho, bestselling author of *The Alchemist* and *Adultery*, brings to life one of history's most enigmatic women: Mata Hari. **HER ONLY CRIME WAS TO BE AN INDEPENDENT WOMAN** When Mata Hari arrived in Paris she was penniless. Within months she was the most celebrated woman in the city. As a dancer, she shocked and delighted audiences; as a courtesan, she bewitched the era's richest and most powerful men. But as

paranoia consumed a country at war, Mata Hari's lifestyle brought her under suspicion. In 1917, she was arrested in her hotel room on the Champs Elysees, and accused of espionage. Told in Mata Hari's voice through her final letter, The Spy is the unforgettable story of a woman who dared to defy convention and who paid the ultimate price.

"It is a unique experience to read a book that speaks directly to your heart. If you live with a rare life altering disease, you spend a lot of time in your head. It's hard to put the thoughts into words. In Bedtime Stories for the Living, Jay Armstrong accurately articulates the thoughts of any person living with a rare disease or anyone simply struggling to overcome their challenges." Kyle Bryant, spokesperson for the Friedreich's Ataxia Research

Alliance and host of the Two Disabled Dudes podcast. A regular dad. A rare brain disease. A chance to live forever. A cell phone's ring interrupts the silence as Jay Armstrong sits in his high school classroom preparing for the year ahead. Something about the ring makes his stomach drop. It's his doctor. The words, "diffuse cerebellar atrophy, a rare, degenerative brain disease" float through the speaker. All of Jay's youthful dreams of being a writer rush back, flooding the twenty years he has spent teaching students how to appreciate novels, memoirs, and poetry. The care he put into teaching them how to write with clarity, insight, and humor,

and how to dance at the prom. The bedtime stories he never told his children spin in his imagination. It will all die when he dies. Bedtime Stories for the Living is an episodic memoir in which Jay shows his children how to accept their limitations and find joy. The collection of tender, witty stories about fatherhood, persevering despite illness, and pursuing your dreams, demonstrates how love gives us the strength to face heartache with bravery, humor, and grace. Reviews: "Jay Armstrong is a wonderful storyteller. I knew this the moment he joined me on my podcast. I'm thrilled to see that his storytelling translates to the page and his book is filled with stories. Jay shares

stories of his challenges, his triumphs and his medical journey. I'm so glad he continues to share his stories." Jesse Jackson, Host of the Set Lusting Bruce podcast "Jay Armstrong's debut, Bedtime Stories for the Living, is part memoir, part confession, and a love letter for his children. Cataclysmic news - a hole in his brain, a rare and poorly understood condition, steady loss of motor skills and speech obstructing his desire to share in each activity with his young children - haunt each page, woven into the prism of sundry fleeting moments. Yet here, these earthy glimpses are charged with mystery, and the holiness of love. Jay's book is about the

quandary of fear and suffering that face

PEN/Hemingway Award

Finalist Shortlisted for
the 2020 Center for
Fiction First Novel Prize

A "rich, ambitious debut novel" (The New York Times Book Review) that reveals the ways in which a Jamaican family forms and fractures over generations, in the tradition of Homegoing by Yaa Gyasi. Stanford

Solomon's shocking, thirty-year-old secret is about to change the lives of everyone around him. Stanford has done something no one could ever imagine. He is a man who faked his own death and stole the identity of his best friend. Stanford Solomon is actually Abel Paisley. And now, nearing the end of his life, Stanford is about to meet his firstborn daughter, Irene Paisley, a home health aide who has unwittingly shown up for her first day of work to tend to the father she thought was dead. *These Ghosts Are Family* revolves around the consequences of Abel's decision and tells the story of the Paisley family from colonial Jamaica to present-day Harlem.

There is Vera, whose widowhood forced her into the role of a single mother. There are two daughters and a granddaughter who have never known they are related. And there are others, like the houseboy who loved Vera, whose lives might have taken different courses if not for Abel Paisley's actions. This "rich and layered story" (Kirkus Reviews) explores the ways each character wrestles with their ghosts and struggles to forge independent identities outside of the family and their trauma. The result is a "beguiling...vividly drawn, and compelling" (BookPage, starred review) portrait of a family and individuals caught in the sweep of history, slavery,

migration, and the more personal dramas of infidelity, lost love, and regret.
