Full of joy and discovery, Louis Thomas' *The Music of Life* is a simple, melodious picture book about finding big inspiration and beauty in the smallest of details. At night when everyone else is asleep, one artist sits awake--pencil in hand, stuck. Lenny is a composer, but this evening, no music floats from his head. Then as night breaks into dawn, Lenny's cat, Pipo, begins lapping milk. Lick lick lick. Birds yawn awake, singing in the trees. Tweet tweet! A bike bell tings on the street below. Suddenly, Lenny notices a rhythm to the world around him. He pulls on his coat and walks through the city to write down every sound he can find. Lenny listens to a gardener, a jogger, a dogwalker, and more neighborhood characters. Finally, the morning's sounds culminate in a sun-dappled symphony that Lenny conducts in the center of the park.

*Sacred Pathways* reveals nine distinct spiritual temperaments--and their strengths, weaknesses, and tendencies--to help you improve your spiritual life and deepen your personal walk with God. It's time to strip away the frustration of a one-size-fits-all spirituality and discover a path of worship that frees you to be you. Experienced spiritual directors, pastors, and church leaders recognize that all of us engage with God differently, and it's about

time we do too. In this updated and expanded edition of *Sacred Pathways*, Gary Thomas details nine spiritual temperaments and--like the Enneagram and other tools do with personality--encourages you to investigate the ways you most naturally express yourself in your relationship with God. He encourages you to dig into the traits, strengths, and pitfalls in your devotional approach so you can eliminate the barriers that keep you locked into rigid methods of worship and praise. Plus, as you begin to identify and understand your own temperament, you'll soon learn about the temperaments that aren't necessarily "you" but that may help you understand the spiritual tendencies of friends, family, and others around you. Whatever temperament or blend of temperaments best describes you, rest assured it's not by accident. It's by the design of a Creator who knew what he was doing when he made you according to his own unique intentions. If your spiritual walk is not what you'd like it to be, you can change that, starting here. *Sacred Pathways* will show you the route you were made to travel, marked by growth and filled with the riches of a close walk with God. A *Sacred Pathways* video Bible study is also available for group or individual use, sold separately.

*Zen Guitar* Rowman & Littlefield  
Long-awaited biography of an African American avant-garde composer Alice Coltrane was a composer, improviser, guru, and widow of John Coltrane. Over the course of her musical life, she synthesized a wide range of musical genres including gospel, rhythm-and-blues, bebop, free jazz, Indian devotional song, and Western art music. Her childhood experiences playing for African-American congregations in Detroit, the ecstatic and avant-garde improvisations she performed on the bandstand with her husband John Coltrane, and her religious pilgrimages to India reveal themselves on more than twenty albums of original music for the Impulse and Warner Brothers labels. In the late 1970s Alice Coltrane became a swami, directing an alternative spiritual community in Southern California. Exploring her transformation from Alice McLeod, Detroit church pianist and bebopper, to guru Swami Turiya Sangitananda, Monument Eternal illuminates her music and, in turn, reveals the exceptional fluidity of American religious practices in the second half of the twentieth century. Most of all, this book celebrates the hybrid music of an exceptional, boundary-crossing African-American artist.
