God Chose the Wrong Person Charisma Media

Explore this stunning quality of God's grace: It never ends! In this revision of a foundational work, John Piper reveals how grace is not only God's undeserved gift to us in the past, but also God's power to make good happen for us today, tomorrow, and forever. True life for the follower of Jesus really is a moment-by-moment trust that God is dependable and fulfills his promises. This is living by faith in future grace, which provides God's mercy, provision, and wisdom—everything we need—to accomplish his good plans for us. In *Future Grace*, chapter by chapter—one for each day of the month—Piper reveals how cherishing the promises of God helps break the power of persistent sin issues like anxiety, despondency, greed, lust, bitterness, impatience, pride, misplaced shame, and more. Ultimate joy, peace, and hope in life and death are found in a confident, continual awareness of the reality of future grace.

[No More Faking Fine](#) Multnomah

God has more for us than what we are experiencing. We have all limited God in our lives at some point in one way or another. Fear of success, fear of persecution and imaginations are all ways that we limit God. We often see ourselves in a certain way but we have to change that image if we want to experience the abundant life that God has for...

It's about heart change, not behavior change. That's the conviction of Tim Chester as he seeks to help everyday Christians "connect the truth about God with our Monday-morning struggles." This interactive book, laid out in workbook fashion, is for newer Christians struggling with sin and for more mature Christians who have plateaued in their faith as they seek to find victory over sin in their lives. With a conviction that sanctification is God's work and the journey to holiness is joyful, Chester guides readers through a "change project"—beginning with the selection of one area of life they would like to modify. Each chapter includes a question (e.g., Why would you like to change? What truths do you need to turn to?) to guide readers as they deal with a specific sin or struggle, truths from God's word, and a reflection guide to help readers through their change project.

Whatever Happened to the Power of God Simon and Schuster

Your Mind Is Under Attack. Thousands of thoughts fly through our minds every day, many of them negative. And Satan knows how susceptible we are to these negative thoughts that leave us frustrated and feeling defeated. However, the time-honored practice of Christian meditation can help us find

victory in these spiritual battles. Transforming Your Thought Life offers guided meditations and personal examples that will help you train your mind to stay grounded in God's Word. Each chapter examines a particular kind of negative thought pattern and provides key Bible verses and prayers for standing strong against it. Day by day, as you hide God's Word in your heart and mind, you will move closer to the heart and mind of God.

Change Your Words, Change Your Life Harvest House Publishers

Evangelist Greg Laurie calls all Christians back to radical New Testament living in his latest offering, Let God Change Your Life. Imagine what it would have been like to be a follower of Jesus; first-century Christians walked away from their old lives just to be where He was. What they learned, sitting at His feet, was discipleship. And when His work on earth was done, first-century Christians took His words and example and spread out, teaching the gospel to everyone. The good news is that we, too, can participate in this lifestyle. Laurie drills it down in three simple ideas: get to know Jesus, follow His plan for discipleship, and use it to tell others what we know. Laurie's tone is clear, direct, and biblical.

The Power That Changes the World Zondervan

Scripture reveals a God who meets us where we are, not where we pretend to be. No More Faking Fine is your invitation to get honest with God through the life-giving language of lament. If you've ever been given empty clichés during challenging times, you know how painful it is to be misunderstood by well-meaning people. When life hurts, we often feel pressure--from others and ourselves--to keep it together, suck it up, or pray it away. But Scripture reveals a God who lovingly invites us to give honest voice to our emotions when life hits hard. For most of her life, Esther Fleece Allen believed she could bypass the painful emotions of her broken past by shutting them down altogether. She was known as an achiever and an overcomer on the fast track to success. But in silencing her pain, she robbed herself of the opportunity to be healed. Maybe you've done the same. Esther's journey into healing began when she discovered that God has given us a real-world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain. It's called lament--the gut-level, honest prayer that God never ignores, never silences, and never wastes. No More Faking Fine is your permission to lament, taking you on a journey down the unexpected pathway to true intimacy with God. Drawing from careful biblical study and hard-won insight, Esther reveals how to use God's own language to come closer to him as he leads us through our pain to the light on the other side, teaching you that: We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have it all together God does not expect us to be perfect; instead, he meets us where we are There is hope beyond your heartache, disappointment, and grief Like Esther, you'll soon find that when one person stops faking fine, it gives everyone else permission to do the same.

Power to Heal Zondervan

There are many things that we all believe yet do not experience. We all want victory, yet few find it. One of our greatest frustrations is that much of what we believe really doesn't work. Too often we spend our lives struggling with the same issues. The feeling of defeat can be agonizing. It is as if we are caught in a maze of formulas and rules. We know there's something missing, but we're not sure what. In our search for truth, we lose our way among the dos and don'ts of religion. Christians everywhere have been missing the truth about grace--and the result is defeat and frustration. In this life-changing book, Dr. James Richards unfolds the mystery of grace. You will find the power to overcome instead of repeatedly seeking forgiveness. You will conquer personal issues instead of enduring them. You will discover God's power of effortless change instead of your best effort to change.

This reality will transform everything you are experiencing with God. Grace: The Power to Change will bring you into the dimension of Christian living that Jesus called "easy and light." This is a must-read for every believer!

The Almighty God needs people who will have time for him. As you do this, you will position yourself to fulfilling your destiny and purpose on earth. This is a book the Lord instructed me to write to help believers to acknowledge the various keys that will help us to unlock the blessings of the Lord to humanity. I have discovered from my research that the glory of the Almighty God represents in totality everything about God and His presence. This book is carefully written to introduce you to the supernatural shock-wave that the glory can release into the life of believers. There are

many people in the Bible who were privileged to experience the glory of God in their lives. In this book, you will be introduced to the principles and keys that the forerunners of the faith have used to attract the glory of God into their lives. You will understand that God has no favorite sons and therefore, whatever he has done for somebody in the past he is willing to repeat the same miracles in our generation. The Lord told me that he wants to restore his glory and anointing in totality to humanity in this last days and this is the reason why you need to be properly positioned to receive from the Heavenly Father. The Lord Jesus Christ is the principal object for the whole of the New Testament. The Lord came as the brightness of the glory of God. The Lord Jesus Christ came out from the Heavenly Father into this world. He was very conscious of himself. He came to fulfill the various prophecies that the Old Testament prophets spoke about. The Lord Jesus Christ had the fullness of the glory of God encapsulated in him. He said that he has fellowship with the father and he is the one that sent him. #1 New York Times bestselling author Joyce Meyer discusses the importance of words in *Change Your Words, Change Your Life*: "Words are a big deal. They are containers for power, and we have to decide what kind of power we want our words to carry. . . . I believe that our words can increase or decrease our level of joy. They can affect the answers to our prayers and have a positive or negative effect on our future. . . . One might say that our words are a movie screen that reveals what we have been thinking and the attitudes we have." Building on the premises of her bestselling books, *Power Thoughts* and *Living Beyond Your Feelings*, Joyce examines how we use words—the vehicles that convey our thoughts and emotions—and provides a series of guidelines for cultivating talk that is constructive, healthy, healing, and used for good results. Topics include: The Impact of Words How to Tame Your Tongue How to be Happy When to talk and when not to talk Speaking Faith and Not Fear The Corrosion of Complaints Do you really have to give your opinion? The importance of keeping your word The power of speaking God's word How to have a smart mouth In "A Dictionary of God's Word" at the end of the book, Joyce provides dozens of scripture verses, arranged by topic, and recommends that we read them aloud to strengthen our vocabulary of healing words.
