JAEDEN STEPHANY

Will Farrar, Straus and Giroux
What if you could live again and again,
until you got it right? On a cold and snowy
night in 1910, Ursula Todd is born to an
English banker and his wife. She dies
before she can draw her first breath. On

that same cold and snowy night, Ursula
Todd is born, lets out a lusty wail, and
embarks upon a life that will be, to say the
least, unusual. For as she grows, she also
dies, repeatedly, in a variety of ways,
while the young century marches on
towards its second cataclysmic world war.
Does Ursula's apparently infinite number
of lives give her the power to save the
world from its inevitable destiny? And if
she can -- will she? Darkly comic,

startlingly poignant, and utterly original --
this is Kate Atkinson at her absolute best.

Change When Your Life Seems to be
Falling Apart](#) Hogarth
AN INSTANT #1 NEW YORK TIMES
BESTSELLER Beautiful World, Where Are
You is a new novel by Sally Rooney, the
bestselling author of Normal People and
Conversations with Friends. Alice, a
novelist, meets Felix, who works in a

warehouse, and asks him if he'd like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

Normal People Tor Books

Murphys Don't Quit is a raw, honest account of the pitfalls and challenges a family faces while navigating life through brain injury.

WTF! Life is Not Always What is Seems Penguin

When a new, chatty, young couple and their two daughters move in next door, Ove's well-ordered, solitary world turns upside down.

Four Thousand Weeks Plexus Publishing
David Clark has been on a bit of journey; in essence he has gone from the heights

of success to the depths of depression, insanity and back into depression. He was a highly successful, career-oriented individual with a brain that enabled him to travel the world, teaching and sharing his knowledge, skills and experience. He has now written this book, his personal story, as a way of highlighting the importance of looking after your body, your mind and your soul to achieve.... .. above and beyond your wildest dreams!

Not the Life It Seems Houghton Mifflin Harcourt

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

A Novel She Writes Press

"Previously published in much different forms as Wheeler-dealer, and Wheeling the deal"--Title page verso.

Everything I Never Told You Penguin

When her father dies, Kay Wilkinson can't cry. Over ten years, Alzheimer's had steadily eroded this erudite man into a paranoid lunatic. Surely one's own father passing should never come as such a relief. Both medical professionals, Kay and her husband Cyril have seen too many elderly patients in similar states of decay.

Although healthy and vital in their early fifties, the couple fears what may lie ahead. Determined to die with dignity, Cyril makes a modest proposal. To spare themselves and their loved ones such a humiliating and protracted decline, they should agree to commit suicide together once they've both turned eighty. When their deal is sealed, the spouses are blithely looking forward to another three decades together. But then they turn eighty. By turns hilarious and touching, playful and grave, *Should We Stay or Should We Go* portrays twelve parallel universes, each exploring a possible future for Kay and Cyril. Were they to cut life artificially short, what would they miss out on? Something terrific? Or something terrible? Might they end up in a home? A fabulous luxury retirement village, or a Cuckoo's Nest sort of home? Might being demented end up being rather fun? What future for humanity awaits--the end of civilization, or a Valhalla of peace and prosperity? What if cryogenics were really to work? What if scientists finally cure aging? Both timely and timeless, Lionel Shriver addresses serious themes--the compromises of longevity, the challenge of

living a long life and still going out in style—with an uncannily light touch. Weaving in a host of contemporary issues, from Brexit and mass migration to the coronavirus, Shriver has pulled off a rollicking page-turner in which we never have to mourn perished characters, because they'll be alive and kicking in the very next chapter.

The True Lives of My Chemical Romance
Da Capo Press

A Novel Simon and Schuster

A Good Morning America Book Club Pick A captivating, bighearted, richly tapestried story of people brought together by love, war, art, flood, and the ghost of E. M. Forster, by the celebrated author of *Tin Man*. Tuscany, 1944: As Allied troops advance and bombs fall around deserted villages, a young English soldier, Ulysses Temper, finds himself in the wine cellar of a deserted villa. There, he has a chance encounter with Evelyn Skinner, a middle-aged art historian who has come to Italy to salvage paintings from the ruins and recall long-forgotten memories of her own youth. In each other, Ulysses and Evelyn find a kindred spirit amidst the rubble of war-torn Italy, and set off on a course of events

that will shape Ulysses's life for the next four decades. As Ulysses returns home to London, reimmersing himself in his crew at The Stoat and Parot—a motley mix of pub crawlers and eccentrics—he carries his time in Italy with him. And when an unexpected inheritance brings him back to where it all began, Ulysses knows better than to tempt fate, and returns to the Tuscan hills. With beautiful prose, extraordinary tenderness, and bursts of humor and light, *Still Life* is a sweeping portrait of unforgettable individuals who come together to make a family, and a deeply drawn celebration of beauty and love in all its forms.

A REESE WITHERSPOON x HELLO SUNSHINE BOOK CLUB PICK
A PENGUIN BOOK CLUB PICK
"Beautifully written and incredibly funny. . . I fell in love with Eleanor; I think you will fall in love, too!" --Reese Witherspoon
Smart, warm, uplifting, the story of an out-of-the-ordinary heroine whose deadpan weirdness and unconscious wit make for an irresistible journey as she realizes the only way to survive is to open her heart. No one's ever

told Eleanor that life should be better than fine. Meet Eleanor Oliphant: She struggles with appropriate social skills and tends to say exactly what she's thinking. Nothing is missing in her carefully timetabled life of avoiding social interactions, where weekends are punctuated by frozen pizza, vodka, and phone chats with Mummy. But everything changes when Eleanor meets Raymond, the bumbling and deeply unhygienic IT guy from her office. When she and Raymond together save Sammy, an elderly gentleman who has fallen on the sidewalk, the three become the kinds of friends who rescue one another from the lives of isolation they have each been living. And it is Raymond's big heart that will ultimately help Eleanor find the way to repair her own profoundly damaged one.

The Giver Penguin

Inside Out and Back Again meets Millicent Min, *Girl Genius* in this timely, hopeful middle-grade novel with a contemporary Chinese twist. Winner of the Asian / Pacific American Award for Children's Literature!
* "Many readers will recognize themselves or their neighbors in these pages." -- Kirkus Reviews, starred review
Mia Tang has a lot of secrets.
Number 1: She lives in

a motel, not a big house. Every day, while her immigrant parents clean the rooms, ten-year-old Mia manages the front desk of the Calivista Motel and tends to its guests. Number 2: Her parents hide immigrants. And if the mean motel owner, Mr. Yao, finds out they've been letting them stay in the empty rooms for free, the Tangs will be doomed. Number 3: She wants to be a writer. But how can she when her mom thinks she should stick to math because English is not her first language? It will take all of Mia's courage, kindness, and hard work to get through this year. Will she be able to hold on to her job, help the immigrants and guests, escape Mr. Yao, and go for her dreams? Front Desk joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content!

Through journal entries, sixteen-year-old
 Miranda describes her family's struggle to
 survive after a meteor hits the moon,
 causing worldwide tsunamis, earthquakes,
 and volcanic eruptions.

The Midnight Library W. W. Norton &
 Company

The acclaimed debut novel by the author
 of *Little Fires Everywhere* and *Our Missing
 Hearts* “A taut tale of ever deepening and
 quickening suspense.” —O, the Oprah
 Magazine “Explosive . . . Both a propulsive
 mystery and a profound examination of a
 mixed-race family.” —Entertainment
 Weekly “Lydia is dead. But they don’t
 know this yet.” So begins this exquisite
 novel about a Chinese American family
 living in 1970s small-town Ohio. Lydia is

the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

The Outsiders Simon and Schuster
The #1 New York Times bestselling autobiography of the guitarist, songwriter, singer, and founding member of the Rolling Stones. Ladies and gentlemen: Keith Richards. With The Rolling Stones, Keith Richards created the songs that roused the world, and he lived the original rock and roll life. Now, at last, the man himself tells his story of life in the crossfire hurricane. Listening obsessively to Chuck Berry and Muddy Waters records, learning guitar and forming a band with Mick Jagger and Brian Jones. The Rolling

Stones's first fame and the notorious drug busts that led to his enduring image as an outlaw folk hero. Creating immortal riffs like the ones in "Jumping Jack Flash" and "Honky Tonk Women." His relationship with Anita Pallenberg and the death of Brian Jones. Tax exile in France, wildfire tours of the U.S., isolation and addiction. Falling in love with Patti Hansen. Estrangement from Jagger and subsequent reconciliation. Marriage, family, solo albums and Xpensive Winos, and the road that goes on forever. With his trademark disarming honesty, Keith Richards brings us the story of a life we have all longed to know more of, unfettered, fearless, and true.

Falling Together Penguin
An electrifying biography of one of the most extraordinary scientists of the twentieth century and the world he made. The smartphones in our pockets and computers like brains. The vagaries of game theory and evolutionary biology. Nuclear weapons and self-replicating spacecrafts. All bear the fingerprints of one remarkable, yet largely overlooked, man: John von Neumann. Born in Budapest at the turn of the century, von Neumann is

one of the most influential scientists to have ever lived. A child prodigy, he mastered calculus by the age of eight, and in high school made lasting contributions to mathematics. In Germany, where he helped lay the foundations of quantum mechanics, and later at Princeton, von Neumann's colleagues believed he had the fastest brain on the planet—bar none. He was instrumental in the Manhattan Project and the design of the atom bomb; he helped formulate the bedrock of Cold War geopolitics and modern economic theory; he created the first ever programmable digital computer; he prophesized the potential of nanotechnology; and, from his deathbed, he expounded on the limits of brains and computers—and how they might be overcome. Taking us on an astonishing journey, Ananyo Bhattacharya explores how a combination of genius and unique historical circumstance allowed a single man to sweep through a stunningly diverse array of fields, sparking revolutions wherever he went. *The Man from the Future* is an insightful and thrilling intellectual biography of the visionary thinker who shaped our century. *Life Is Not What It Seems to Be* Knopf

Books for Young Readers
FINALIST FOR THE 2021 BOOKER PRIZE &
A NEW YORK TIMES TOP 10 BOOK OF 2021
WINNER OF THE DYLAN THOMAS PRIZE “A
book that reads like a prose poem, at once
sublime, profane, intimate, philosophical,
witty and, eventually, deeply moving.”
—New York Times Book Review, Editors’
Choice “Wow. I can’t remember the last
time I laughed so much reading a book.
What an inventive and startling writer...I’m
so glad I read this. I really think this book
is remarkable.” —David Sedaris From “a
formidably gifted writer” (The New York
Times Book Review), a book that asks: Is
there life after the internet? As this urgent,
genre-defying book opens, a woman who
has recently been elevated to prominence
for her social media posts travels around
the world to meet her adoring fans. She is
overwhelmed by navigating the new
language and etiquette of what she terms
“the portal,” where she grapples with an
unshakable conviction that a vast chorus
of voices is now dictating her thoughts.
When existential threats--from climate
change and economic precariousness to
the rise of an unnamed dictator and an

epidemic of loneliness--begin to loom, she
posts her way deeper into the portal's
void. An avalanche of images, details, and
references accumulate to form a
landscape that is post-sense, post-irony,
post-everything. "Are we in hell?" the
people of the portal ask themselves. "Are
we all just going to keep doing this until
we die?" Suddenly, two texts from her
mother pierce the fray: "Something has
gone wrong," and "How soon can you get
here?" As real life and its stakes collide
with the increasingly absurd antics of the
portal, the woman confronts a world that
seems to contain both an abundance of
proof that there is goodness, empathy,
and justice in the universe, and a deluge
of evidence to the contrary. Fragmentary
and omniscient, incisive and sincere, *No
One Is Talking About This* is at once a love
letter to the endless scroll and a profound,
modern meditation on love, language, and
human connection from a singular voice in
American literature.

A Novel Penguin

My Chemical Romance is the most
significant band in alternative rock in the
last decade. Inspirational, original, and
stunningly creative, they forged an

extraordinary connection with their fans.
*Not the Life It Seems: The True Lives of My
Chemical Romance* is their definitive
biography. Author Tom Bryant has been
given unparalleled access to the band over
the years, and now he draws on interviews
with Gerard Way, his brother Mikey, Ray
Toro, and Frank Iero, as well as friends and
associates, to bring their stories to life. In
this unauthorized biography, he takes us
behind the scenes from their very first
show in front of thirty kids in New Jersey--
the Ways downing beer to calm their
nerves--to international arena-storming
superstardom. He sheds light on the
personal demons the bandmates battled
and the haunted recording sessions that
resulted in the brilliance of *The Black
Parade*. He also explores the genesis of
their music, the constant reinvention that
culminated in the visual splendor of
*Danger Days: The True Lives of the
Fabulous Killjoys*, and the strains that led
to their split in 2013. Insightful and
revealing, *Not the Life It Seems* presents
one of the most adored rock bands of this
century, their story an epic saga of self-
belief and the pursuit of dreams.
