 Guy Cook has 17 books on Goodreads with 1449 ratings. Guy Cook's most popular book is The House of the Dead.  
 Books by Guy Cook (Author of Applied Linguistics)  
 The Discourse of Advertising explores the language of contemporary advertising. Cook argues that advertisements are always in complex interaction with the texts around them, with music and pictures, and with the people who make and experience them. This second edition addresses contemporary advertising in the context of current changes in communication.
