The world's bestselling travel book is

back in a more informative, more experiential, more budget-friendly full-color edition. A #1 New York Times bestseller, *1,000 Places* reinvented the idea of travel book as both wish list and practical guide. As Newsweek wrote, it “tells you what’s beautiful, what’s fun, and what’s just unforgettable—everywhere on earth.” And now the best is better. There are 600 full-color photographs. Over 200 entirely new entries, including visits to 28 countries like Lebanon, Croatia, Estonia, and Nicaragua, that were not in the original edition. There is an emphasis on experiences: an entry covers not just Positano or Ravello, but the full 30-mile stretch along the Amalfi Coast. Every entry from the original edition has been readdressed, rewritten, and made fuller,

with more suggestions for places to stay, restaurants to visit, festivals to check out. And throughout, the book is more budget-conscious, starred restaurants and historic hotels such as the Ritz, but also moderately priced gems that don’t compromise on atmosphere or charm. The world is calling. Time to answer.

The best mirror is a true friend." --Dog Days * If you are one America's 60 million dog owners you will rejoice in finding the perfect coffee-table book that is as expressive as your beloved canine companions. Thirty-nine percent of dog owners confess that they have more photos of their beloved Fido than of their spouses or significant others. Looking through the pages and portraits of Gandee Vasan's Dog Days, this doesn't

seem far-fetched. * Vasan showcases more than 15 of the most popular dog breeds in Dog Days while perfectly capturing each canine's temperament, from a devoted black Lab and hopeful basset hound to companionable springers and curious Weimaraners. * Gandee Vasan's work has been exhibited at the National Portrait Gallery in London and has garnered numerous awards. He finds his inspiration in absorbing what he sees around him and transforming it into what he wants others to see.
