Warriors for Jesus is a series of nine books for elementary age children to teach them that in our difficult world they must learn the peaceful discipline of spiritual warfare (Ephesians 6:10 - 18). This book, Warriors for Jesus, Skill 1, Take Care of Yourself, helps children understand Biblical teachings of self-care, self-understanding, self-discipline, and having a relationship with God to help us with care of self and care of others. Barbara W. Rogers, PhD, EdS., is a mother and grandmother who has served in various ministries since age twelve. In addition to many years of

ministry within congregations, she wrote Sunday school lessons for Urban Ministries, Inc. of Chicago during ten years as a stay-at-home mom. And, later, she wrote God Rescues His People and God's Chosen King, Activity Books, for the Herald Press Story Bible Series. As Founder and Director of Christian Life Skills, Inc. her passion is providing resources that encourage children, youth, and families to develop lives pleasing to God in our challenging world. Barbara lives in Pittsburgh, Pennsylvania with her husband, Dr. John A. Rogers. They have two children and four grandchildren. Christian Life Skills, Inc. was founded in 1988, after two years of a prayer and discernment process, to provide life skills based in scripture that will help children, youth, and families live into their God given potential, consistent with His Word. Reverend Harry "OG Rev." Williams from Oakland, California, is called to the streets: to the hungry, homeless, addicted, incarcerated, and vulnerable. Bringing us face-to-face with both the injustices that plague our cities and the gospel of compassion that offers hope to the downtrodden, this introduction to urban ministry will inspire and equip a new generation to bring the life-giving good news of Jesus to our cities.

Umi Annual Commentary, Mission Statement Zonderkidz

When Jesus Christ ascended to heaven He sent the Holy Spirit to bring believers into the abundance of the life He died to give us. Using John 7:38 as a key text, this well-loved and respected teacher of the Word expounds on the power of a Christian life lived in the fullness of the Spirit. This all-new edition of a classic favorite has been modernized for today's reader and has drawn on the New International Version® of the Bible to make it even more relevant for believers in the 21st century, while not sacrificing the distinctive style or message of Andrew Murray's original book. As readers explore the promises from God's Word with Andrew Murray, they will learn to: - Discover God's will for their lives - Learn the secret of spiritual growth - Be led by the Spirit - Live in victory over sin - Strengthen their spiritual walk - Receive God's favor and blessings.

Russell Jeung's spiritual memoir shares the joyful and occasionally harrowing stories of his life in East Oakland's Murder Dubs neighborhood—including battling drug dealers who threatened him, exorcising a spirit possessing a teen, and winning a landmark housing settlement against slumlords with 200 of his closest Cambodian and Latino friends. More poignantly, At Home in Exile weaves in narratives of longing and belonging as Jeung retraces the steps of his Chinese-Hakka family and his refugee neighbors. In the face of forced relocation and institutional discrimination, his family and friends resisted time and time again over six generations. With humor and keen insight, At Home in Exile will help you see how living in exile will transform your faith.

The Good Book offers a user-friendly guide to the Bible's biggest ideas. A chapter from the Bible accompanies each chapter of the book, which helps readers understand the context and content of the Scripture passages in a way that can open the whole Bible. Designed as a forty-day journey through forty key chapters of the Bible, The Good Book will appeal to those who already love and read the Bible regularly as well as to those who are just beginning their Christian journey. The Good Book: is a great evangelism tool for explaining the major themes of Scripture to those who want to know more about God, Jesus, and the core beliefs of Christianity; gives new believers an overview of the Bible and lays a framework to help them understand Scripture passages; helps longtime Christians rediscover the basic themes of Scripture and experience these truths in a new way; and encourages Scriptural literacy as it pushes readers to read both one chapter of the book and one chapter of the Bible each day for forty days. The Good Book is great for individuals, and it can also be used by small groups in an eight-week church-wide program or a forty-week journey that focuses on one Bible chapter each week. The Good Book will help people understand and live by the transformative truths of the Bible.

A 12-Week Study Urban Ministries

Welcome to Madison Park, a small community in Alabama founded by freed slaves in 1880. And meet Eric Motley, a native son who came of age in this remarkable place where constant lessons in self-determination, hope, and unceasing belief in the American dream taught him everything he needed for his journey to the Oval Office as a Special Assistant to President George W. Bush. Eric grew up among people whose belief was to “give” and never turn away from your neighbor’s need. There was Aunt Shine, the goodly matriarch who cared so much about young Motley’s schooling that she would stand up in a crowded church and announce Eric’s progress or his shortcomings. There was Old Man Salery, who secretly siphoned gasoline from his beat-up car into the Motley’s tank at night. There were Motley’s grandparents, who bought books for Eric they couldn’t afford, spending the last of their seed money. And there was Reverend Brinkley, a man of enormous faith and simple living. It was said that whenever the Reverend came your way, light abounded. Life in Madison Park wasn’t always easy or fair, and Motley reveals personal and heartbreaking stories of racial injustice and segregation. But Eric shows how the community taught him everything he needed to know about love and faith. This charming, engaging, and deeply inspiring memoir will help you remember that we can create a world of shared values based on love and hope. It is a story that reveals the amazing power of faith in God and each other. If you’re in search of hope during troubled times, look no further than Madison Park.

Church Of God In Christ Annual Lesson Commentary 2021-2022 [KJV-AMP] Thomas Nelson

The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God’s Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) “Gospel Glimpses” highlighting the gospel of grace throughout the book; (3) “Whole-Bible Connections” showing how any given passage connects to the Bible’s overarching story of redemption culminating in Christ; and (4) “Theological Soundings” identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God’s grace on each and every page of the Bible. In this study of John’s Gospel, pastor and author Justin Buzzard helps readers understand the most theologically

and philosophically profound account of Jesus’s life, death, and resurrection in the New Testament. From revealing his cosmic identity as being with the Father “in the beginning,” to recounting the many miraculous signs attesting to his divinity, Buzzard illuminates John’s unmatched portrait of Jesus Christ, the unique Son of God, sent from heaven to save all who would turn to him. This insightful guide encourages Christians to worship Christ as Lord and follow him on mission to the world.

Is your life limited by labels the world and other people have used to define you? Labels you have internalized and apply to yourself every day. Labels like Afraid. Or Addict. Orphan. Damaged Goods. Failure. Maybe even Religious. These labels might be sewn into your life with such tight little stitches that they feel like a part of you. They feel like they define you. But that’s a lie. If you let Him, Jesus can remove those old labels and tattoo new ones onto your soul. Then you’ll begin to see yourself as God the Father sees you. The limits will be lifted, and your life will be transformed. It’s the truth. Join Pastor Derwin Gray on a fascinating journey into what can happen when you offer your head, your heart, and your hands to the only one who can offer you truly limitless life. *Lessons from a Life of Urban Ministry* Baker Publishing Group Mothers are challenged with raising godly children in a culture that suppresses the truth about God. The dramatic episodes that unfold underscore the power of women to nurture their children to a lifetime of devotion and service to God. Key insights about King David’s early family life shed light on his lenient parenting style. Most importantly, we may understand a little more clearly why Jesus is called the son of David.
