Combining his logician's eye with his artistic sensibilities, Thomas Troward was able to communicate truths on the most esoteric of subjects, giving them the intellectual and spiritual respect they deserve. This 1921 collection of brief essays from one of the most respected forefathers of New Age thought covers topics from the sacred to the sublime, shedding new light on mysteries that have challenged mankind for centuries. For any explorer of Being and Thought, Troward here provides invaluable insights into positive psychology, the self, God, beauty, and truth. English judge, philosopher, and painter THOMAS TROWARD (1847-1916) lived most of his life in India, in the service of the imperial monarchy. Among his publications, many of which profoundly affected the New Thought Movement, are The Law and the Word, Bible Mystery and Meaning, and The Creative Process in the Individual.

The Harbinger Baker Books

Bible Meaning and Bible Mystery by English judge, author, and New Thought advocate Thomas Troward, was originally published in 1917. Bible Mystery and Bible Meaning is considered an important and controversial work by author Thomas Troward. In the work Troward discusses critical concepts in the Bible and draws connections between these biblical writings and science to attempt to prove his belief that they are not contradictory, but in fact are complementary. As one of the earliest writers to explore connections between science and the bible, this is an important work because it has been used widely by scholars both in the fields of biblical studies as well as science for more than a century. This is an excellent publication for those of both fields and also of Troward's other writings in the area of the New Thought movement.

Excerpt from Bible Mystery and Bible Meaning Light out of Darkness cannot be stated in any other order than the dawning of morning from night. It is the dawning into manifestation out of non manifestation, and this happens at each successive stage of the evolutionary process. We should notice, also, that nothing IS said as to the remainder of each day. All that we hear Of each day is as

the morn ing, thus indicating the grand truth that when once a Divine day opens it never again descends into the shades of night. It is always morning. The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century: his works are the source of many of the "prophecies" and "truths" end-times Christians hold to even today. This stupendous 1918 book—perhaps his greatest work—is the result of more than 30 years' worth of, the author informs us, "careful and patient study of the Prophetic Scriptures." Fully illustrated by charts describing God's plan for humanity, *Dispensational Truth* covers: Pre-Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world's seven great crises prophetic chronology the threefold nature of man the Book of Revelation five fingers pointing to Christ the False Prophet and much more. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a great moaning and crying through the whole House, 'what shall I do to be saved; oh, I am going to hell, etc.'" The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

What I propose is that we shall reread the Bible on the supposition that Jesus and these other speakers really meant what they said. I hope that by helping, in however small a measure, to elucidate them, it will show the reasonableness of great truths which those who reject them as unreasonable discredit to their own incalculable loss. Against a background of the strife-torn land of Judea two thousand years ago, Mika Waltari has written what is certainly his most important novel. Seeking the meaning to his life in the study of philosophy, the young Roman. Marcus Manilianus, discovers in an Alexandrian library a vast number of predictions, all tending to confirm his own feeling that the world is about to enter upon a new era. Two chance encounters with Jews who proclaim the coming of a world leader whom they call the Messiah or King, cause Marcus to resolve to make a visit to the Holy City of the Jews. He arrives outside Jerusalem in time to see crowds—some curious, some shocked—staring up at three crosses

on a nearby mound. Above the center cross, an inscription had been fixed: JESUS OF NAZARETH, KING OF THE JEWS. The quest that ensues leads Marcus through all parts of Jerusalem and into contact with men and women of all stations of life who had known this remarkable man. And by degrees, wonderful if strange things are revealed to him of Jesus' teaching, and he experiences the odd sensation of almost believing in the destiny of this crucified Roman among the alien Jews, Stands alone on the borderline of two worlds, feelings he belongs to neither, and it becomes vital to him to find "the way, "the Kingdom," to again knowledge and certainty, not merely belief. What follows, as Marcus pursues his search for the promised secret of the Kingdom, bring to a climax as exciting and deeply moving a novel as Mika Waltari, certainly one of the world's outstanding historical novelists, has ever written. It is a story of a time long past, yet it deals with a theme as modern as today: the dilemma of modern man and his culture in gaining and retaining a faith. And always present throughout the novel is the splendor, the irony and humor which have so delighted millions of readers of other Waltari novels from The Egyptian to The Etruscan.
