 A comprehensive guide to sculpting people with wool for both beginner and experienced needle felters. Learn to create

three-dimensional sculptures with wool. Needle felting is surprisingly easy using techniques that everyone can learn. Complete instructions with full color photos will take you step by step and teach you how to sculpt the face and body to create your own charming characters. You are limited only by your imagination. You begin with fluffy wool in one hand and a felting needle in the other hand. Then you poke the wool with the barbed felting needle until it comes to life. It is

nothing short of amazing!

 "If!" And if I look long enough into the black glass, there's another living room reflected there, as much alive as this one. A black doorway that leads to a black hole, a black screen like the black Dead Sea, where nothing grows. And all seems dead here, but for the Beast, who lives, eats, and sleeps with me.

One day Sophie comes  
home from school to find  
two questions in her mail:  
"Who are you?" and  
"Where does the world  
come from?" Before she  
knows it she is enrolled in  
a correspondence course  
with a mysterious  
philosopher. Thus begins  
Jostein Gaarder's unique

novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

*The Road to Disunion*

Bible Pathway Adventures

A collection of essays by leaders in the field of Jewish education geared to Jewish teachers in supplementary and day schools.

*A Novel About the History of Philosophy* Farrar,

Straus and Giroux

With loads of humor and a big dose of fun, cartoonist Jonny Hawkins encourages kids to add their creative touches to

his doodles while exploring both the Old and New Testaments. By doing this, kids better remember God's Word and are able to apply it to their young lives.

Mom must give up

Miriam's baby brother,

Moses. She puts him in a basket on the river. But

Miriam is worried. Will

anyone discover him? This

My First I Can Read! book,

with basic language, word repetition, and great

illustrations, is perfect for shared reading with a

child. It aligns with guided reading level E and will be

of interest to children Pre-K to 2nd grade.

Moses Review and Herald Pub Assoc

God is a Deliverer! After years of slavery in Egypt, the Hebrew people cry out to God to save them. And He knows the right man for the job. Moses grows up a prince in Pharaoh's palace. But after killing an Egyptian, he flees to Midian to escape Pharaoh's wrath. God hasn't finished with Moses. After forty years in the wilderness learning God's ways, Moses returns to Egypt to fulfill

God's promise and free His people! Filled with colorful illustrations and biblical truth, Escape from Egypt is part of the Bible Pathway Adventures series of biblical adventures. If your children like gripping action and courageous Israelites, then they'll love this biblical adventure series from Bible Pathway Adventures. The search for truth is more fun than tradition!

David C Cook

Far from a monolithic

block of diehard slave states, the South in the eight decades before the Civil War was, in William Freehling's words, "a world so lushly various as to be a storyteller's dream." It was a world where Deep South cotton planters clashed with South Carolina rice growers, where the egalitarian spirit sweeping the North seeped down through border states already uncertain about slavery, where even sections of the same state (for instance, coastal and mountain Virginia) divided

bitterly on key issues. It was the world of Jefferson Davis, John C. Calhoun, Andrew Jackson, and Thomas Jefferson, and also of Gullah Jack, Nat Turner, and Frederick Douglass. Now, in the first volume of his long awaited, monumental study of the South's road to disunion, historian William Freehling offers a sweeping political and social history of the antebellum South from 1776 to 1854. All the dramatic events leading to secession are here: the Missouri Compromise, the

Nullification Controversy, the Gag Rule ("the Pearl Harbor of the slavery controversy"), the Annexation of Texas, the Compromise of 1850, and the Kansas-Nebraska Act. Freehling vividly recounts each crisis, illuminating complex issues and sketching colorful portraits of major figures. Along the way, he reveals the surprising extent to which slavery influenced national politics before 1850, and he provides important reinterpretations of American republicanism,

Jeffersonian states' rights, Jacksonian democracy, and the causes of the American Civil War. But for all Freehling's brilliant insight into American antebellum politics, *Secessionists at Bay* is at bottom the saga of the rich social tapestry of the pre-war South. He takes us to old Charleston, Natchez, and Nashville, to the big house of a typical plantation, and we feel anew the tensions between the slaveowner and his family, the poor whites and the planters, the established South and

the newer South, and especially between the slave and his master, "Cuffee" and "Massa." Freehling brings the Old South back to life in all its color, cruelty, and diversity. It is a memorable portrait, certain to be a key

analysis of this crucial era in American history.
