After exploring more than
twenty other African
nations using only public
transport, Sihle Khumalo
this time roams within the
borders of his own
country. The familiarity of
his own car is a luxury,
but what he finds on his
journey through South
Africa ranges from the
puzzling to the downright
bizarre. Voyaging from
the northernmost part of
South Africa right to the

south, the author noses his car down freeways and back roads into small towns, townships, and villages, some of which you'll have trouble finding on a map. But this is no clichéd description of beautiful landscapes and blue skies. Khumalo is out to investigate the state of the nation, from its highest successes to its most depressing failures. Whether or not he's baffled, surprised, or sometimes plain angry, Sihle Khumalo will always find warmth in his fellow South Africans: security

guards, religious visionaries, drunks, political activists and the many other colourful personalities that come alive in his riveting account.

As jong seun het Danie Smuts met 'n blikkie agter vee in die veld aangeloo om kuttels te versamel vir 'n konkoksie om maselspasiënte se simptome te verlig. Min het hy toe geweet dat hy eendag die legendariese aanbieder van 'n gewilde Springbok Radio-program sou word waarin die volk

kure vir allerlei kwinte en kwale deel. Toe Boererate – 'n keur van die tradisionele advies wat luisteraars oor die jare vir Smuts se radioprogram ingestuur het – in 1989 verskyn, was dit onmiddellik 'n treffer. Sedertdien het dié besondere boek uit sirkulasie verdwyn, maar die aanvraag daarvoor nie. 'n Byna vergete era in die Afrikaanse kultuurgeskiedenis word in herinnering geroep deur dié vreemdsoortige en dikwels skreeusnaakse wenke. Die volgende

stappe word byvoorbeeld aanbeveel om griep te bekamp: 1.) Plaas 'n bottel whiskey en 'n glas saam met 'n brandende kers langs jou bed. 2.) Klim in die bed, maak seker jy lê onder baie komberse, en begin geleidelik aan die whiskey teug. 3.) Sodra jy twee kerse sien, sit die glas neer, plaas die prop terug op die whiskey-bottel, blaas al twee kerse dood en gaan slaap. Maar wees gewaarsku: Dat die griep binne 24 uur sal verdwyn, word gewaarborg, maar jy mag dalk 'n hoofpyn

oorhou.

From internationally bestselling author Marian Keyes comes the eagerly awaited sequel to Rachel's Holiday. Back in the long ago nineties, Rachel Walsh was a mess. But a spell in rehab transformed everything. Life became very good, very quickly. These days, Rachel has love, family, a great job as an addiction counsellor, she even gardens. Her only bad

habit is a fondness for expensive running shoes. But with the sudden reappearance of a man she'd once loved, her life wobbles. She'd thought she was settled. Fixed forever. Is she about to discover that no matter what our age, everything can change? Is it time to think again, Rachel?

This classic is still making its mark over 80 years since its debut. Author Johanna Brandt shares a personal journey of living with cancer and her discovery of how the beneficial properties of grapes cured her disease by refreshing and purifying cell structures. The virtues of naturopathy are extolled, and readers are encouraged to detoxify their bodies and prevent disease (namely cancer) through a combination of fasting and a diet of

grapes.

Tumi Morake modelled her public persona on her

mother, a charming and contentious woman who used her big, bold voice to say what others were afraid to utter. It's the personality that Tumi took on stage in the mostly male space of stand-up comedy, and the one that gave her the courage to join a white, Afrikaans radio station and comment about apartheid on air. But there's only so much you can find out about Tumi from the stage, the screen and the internet. And *Then Mama Said ...* is the voice of Tumi in private, as well as

a behind-the-scenes perspective of a pioneering South African star who has been both deeply loved and viciously hated by her audiences. Tumi gets frank about the race row at Jacaranda FM; the Jaguar car accident that cyber bullies said she deserved; the body-shaming she endured on the set of *Our Perfect Wedding*; and her tumultuous relationship with her beloved husband. Throughout her story, she carries the voice of her mother, and with it the indispensable life lessons

that made her who she is today. *Come of Age* Ohio University Press Afrikaans, Yiddish, and Hebrew *Heruitgawe Van Danie Smuts Se Versameling Skreeusnaakse Tradisionele Boererate* Cambridge University Press Most African countries have a population composed of a multitude of language groups and most African citizens have a varied repertoire. He has filled the largest stadiums in South Africa to capacity and spoken to large gatherings in Britain and Australia. But behind the scenes he remains a straight-talking, tough farmer, still working with his sons to run the family farm, still seeking to remain obedient to God's voice. Angus's bold faith has carried him through

droughts, family tragedies, and financial crises. And God has used him mightily. Angus has developed a particular ministry to men, holding many rallies specifically for men and proving capable of communicating with ordinary guys who would never get closer to a church than the freeway. He loves to preach the good news of Jesus. "Doubt and fear may be contagious," he says. "But so is faith." Now in his sixties, Angus has also had to come to terms with his own

mortality after collapsing in the middle of a rally and being airlifted to a hospital. Forced to reappraise his priorities, he now focuses his efforts upon mentoring younger men, encouraging them to develop their own spiritual maturity, to truly come of age.

Alpha Edition

PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded

him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new

subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the

loch-fisher is depend-ent on nothing but enough wind to curl the water, - and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream-fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a

holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced

angler have nearly the same chance in fishing, - the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a

beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair

chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we don't deny that. In an untried

loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...
