### What Will You Be? Musical Dialogues Lothian Children's Books

The unfathomable rate of Black males in education should result in a national call to action. Across the country Black males represent only 2% of the teaching workforce. By the year 2024, minority students will be the majority, yet our current education workforce does not reflect this growing trend in what has been called "The Browning of America." Why is it acceptable that a student can matriculate from Kindergarten through twelfth grade and not have one Black male as his or her teacher? Why has it been a challenge to recruit and in many instances retain Black males in the classroom? *Unopened Books* explains what is referenced in the book as the Five Black Male Deterrents in Education. Through the personal narrative of Jermaine D. Gassaway, a native Washingtonian, educator, and school leader; coupled with practical solutions, *Unopened Books* provides insight to multiply the 2%. It is intended to not only be a provocative conversation starter but an actionable approach to increase the number of Black men in the classroom.

### *How to Have Great Meetings* Alfred Publishing Company

The Music Tree series continues the development of complete musicianship by providing the beginner with delightful and varied repertoire. The pupil learns a variety of idioms encompassing folk, jazz and pop. The creativity of the students is emphasized since they are given musical segments to rearrange, transpose, complete or to use as the basis for a new composition. Technical aspects are also addressed including greater facility, blocked intervals and chords, and more hands together playing. Guided training steps are used to encourage intelligent practice skills.

*Time To Begin*, the cornerstone of the Music Tree series, is a unique and highly effective approach to beginning piano instruction. Starting with off-staff notation, it leads the student to reading direction and intervals, and climaxes with the discovery of the Grand Staff. Also included is a carefully designed program of rhythm, technic and creative work. The Teacher's Handbook is an invaluable tool. This volume contains essays regarding how students learn, on technic, and how rhythm is presented. Teaching aspects are discussed, and suggestions are offered for each unit of the book.

### A Plan for Musical Growth at the Piano Annick Press

Living in the quaint farming village of Brittendell offered a simple life of home and family. When Aislynn, the daughter of a local farmer, and Rorin, the son of a wealthy horse trader, married, another charming love story enlivened the tranquil town. Aislynn and Rorin were profoundly connected, but their relationship came to a screeching halt when Rorin was killed in a tragic accident. Their bond sends Aislynn into a spiraling depression as she continues sensing Rorin's presence. Soon, Aislynn finds herself thrust into a dangerous world of magic filled with hobgoblins, elves, and wizards. When Aislynn is captured by the future king of Venallis and forced to help him uncover a mysterious magical artifact she discovers that fate has far greater plans for her than she ever imagined. Perhaps death is not always the end.

### **This Is Why We Can't Have Nice Things** CreateSpace

The Music Tree is the most carefully researched and laboratory-tested series for elementary piano students available. This edition contains a natural, child-oriented sequence of learning experiences combined with new music of unprecedented variety and appeal. Great pedagogy and great music—a winning combination!

*Time To Begin*, the cornerstone of the Music Tree series, is a unique and highly effective approach to beginning piano instruction. Starting with off-staff notation, it leads the student to reading direction and intervals, and climaxes with the discovery of the Grand Staff. Also included is a carefully designed program of rhythm, technic and creative work. The cassette features electronic renditions of the music: it offers the accompaniment alone, or both the student's and teacher's parts. The Teacher's Handbook is an invaluable tool. This volume contains essays regarding how students learn, on technic, and how rhythm is presented. Teaching aspects are discussed, and suggestions are offered for each unit of the book.

### The Music Tree: English Edition Student's Book, Part 1 Xlibris Corporation

Listen to the music of the trees. This joyful book follows the life cycle of a tree as it grows from seedling to mature tree, and finally gives way to a new sapling. At every stage of the tree's life, children are seen playing under its branches. Each season brings with it new sounds, whether it's the chirping of birds in the spring or the flutter flutter of leaves in the fall. As well as a home for animals, the tree provides a canopy for a summer picnic, and a perfect place to hang a swing. Most

important of all, when old age fells the tree, it provides an acorn from which a new tree will grow. Colorful illustrations with lots of small details will capture the attention of young readers, while the lyrical text makes this an ideal read-aloud book. It can also serve as the perfect introduction to nature's life cycles.

*The Music Tree: English Edition Activities Book, Part 2A* Blurb

A book all the literary high-minded contend, is Sooo badly authored - it's actually good ""Well told if not a little Wild & Reckless, but still an unrivalled working class story/memoir at its very core. That is undeniable"" -Alan Stone book reviewer for The London Times Review. ""A book about the working class and also an account of change from an individual perspective to a more over-arching globalised perspective. The author maybe a self-published writer, nevertheless this is still one of the most compelling, provocative, literary books you will ever read -bar none."" - Archer's Weekly ""A collection of finely told tales of what it is like to be on the lower end of the working spectrum. Told it maybe said with great humour and vitality I enjoyed it and can recommend this little gem "" - Andrew Scholar, Scottish Herald.

Music Tree Part 3 now offers a new accompaniment series that includes audio CDs and MIDI disks as well as an educational software program to excite and motivate piano students The audio CDs include two performances of each selected piece: solo part with an orchestrated accompaniment and orchestrated accompaniments alone. The MIDI disks can be used in any MIDI keyboard that has a disk drive or with a personal computer -- control the tempo, transpose to a different key, add a metronome click, and much more. Level 3 also includes a special computer software program called Home Concert 2000 Special Edition(tm) from TimeWarp Technologies. This program shows the student's part on the computer screen, "turns pages" automatically, adjusts tempo and dynamics to match the student's playing (if the keyboard is connected to the computer), and includes many other educational features.

The Contemporary Piano Literature series includes a selection of music written for children by Bartók, Gretchaninov, Kabalevsky, Prokofiev, Scott, Shostakovich and Stravinsky. In addition, the books contain pieces composed specifically for this series by Ross Lee Finney, David Kraehenbuehl, Douglas Moore, Elie Siegmeister, Alexandre Tansman and Alexander Tcherepnin. Short biographies and portraits help make composers come alive for the student. None of the music is so far in the vanguard that it is difficult to enjoy or understand.
