**The Search for Justice** Phoenix Books

'To your knowledge, is there anything that would preclude you from serving on this jury?' Murder wasn't the hard part. It was just the start of the game. Joshua Kane has been preparing for this moment his whole life. He's done it before. But this is the big one. This is the murder trial of the century. And Kane has killed to get the best seat in the house. But there's someone on his tail. Someone who suspects that the killer isn't the man on trial. Kane knows time is running out - he just needs to get to the conviction without being discovered. For the only way to guarantee a guilty verdict is to get a seat on the jury.

**Ladies And Gentlemen Of The Jury** Dutton Adult

The architect of O.J. Simpson's Dream Team tells the inside story of the Simpson murder trial from the beginning. In this book, the man who created the defense strategy answers the questions of fact, law, and ethics that were fired at him before and after the jury's verdict. With candor, wit, and compassion, Shapiro brings to light the details of The Trial of the Century, giving us revealing glimpses of O.J. Simpson, Johnnie Cochran, Marcia Clark, Chris Darden, Judge Lance Ito, Barry Scheck, F. Lee Bailey, Alan Dershowitz, and many others. At the heart of the book is the dramatic story of how Shapiro helped to win what many considered to be an open-and-shut case against O.J. Simpson. In the midst of mounting the legal defense, Shapiro

had to deal with the tumult of a media circus, a fractious defense team, and his own priorities as a husband and father. Through it all, he maintained a steady hand and the quiet belief that justice would prevail. According to Shapiro, the only possible verdict was the conclusion of reasonable doubt reached by the jury.

**Race in the Jury Box** State University of New York Press

In this timely volume, the authors provide a penetrating analysis of the institutional mechanisms perpetuating the related problems of minorities' disenfranchisement and their underrepresentation on juries.

**We, the Jury** Bookbaby

This book explores why juries have declined in power and how the federal government and the states have taken the jury's authority.

**Thirteen** Graymalkin Media

This book removes the myth and mystery from the jury trial process by explaining the many elements common to every jury trial. Each part of the trial process, from jury selection at the beginning to the return of the verdict at the end, is identified and interpreted.

**Through the Eyes of the Juror** Vintage

A stint on a grand jury leads two strangers, Susan Linwood and David Clark, on a perilous odyssey in search of the truth about an international drug conspiracy. By the author of Inadmissible Evidence. 150,000 first printing. \$175,000 ad/promo. Tour.

**The Jury and Democracy** American Bar Association

Race and the Jury Springer Science & Business Media

**How Do Judges Decide?** Springer Science & Business Media

Forensic mental health assessment (FMHA) has grown into a specialization informed by research and professional guidelines. This series presents up-to-date information on the most important and frequently conducted forms of FMHA. The 19 topical volumes address best approaches to practice for particular types of evaluation in the criminal, civil and juvenile/family areas. Each volume contains a thorough discussion of the relevant legal and psychological concepts, followed by a step-by-step description of the assessment process from preparing for the evaluation to writing the report and testifying in court. Volumes include the following helpful features: - Boxes that zero in on important information for use in evaluations - Tips for best practice and cautions against common pitfalls - Highlighting of relevant case law and statutes - Separate list of assessment tools for easy reference - Helpful glossary of key terms for the particular topic In making recommendations for best practice, authors consider empirical support, legal relevance, and consistency with ethical and professional standards. These volumes offer invaluable guidance for anyone involved in conducting or using forensic evaluations. Jury selection is the process by which attorneys remove people from the jury pool whom they judge to be undesirable, presumably because they fear that the potential juror would be biased against their side. In *Jury Selection*, Kovera and Cutler review the law governing attorneys' decisions to remove potential jurors from jury service, including laws prohibiting the systematic removal of particular categories of people from the jury. The book provides an overview of standardized tools for assessing personality traits and attitudes that may be related to jurors' verdicts as well as the research establishing the validity of these measures. The authors review the studies that evaluate the effectiveness of both traditional and scientific methods of jury selection, including the methods used to conduct a community survey to guide a change of venue motion and the selection of potential jurors to excuse. Kovera and Cutler also discuss the ethical principles to be followed when assisting attorneys with jury selection issues.

Children's Rights in the United States University of North Texas Press

Two outstanding Texas trial lawyers—one of whom is now an equally respected district judge—have written *On the Jury Trial*, a “must have” reference for any trial lawyer aspiring to excellence or seeking to maintain it. Thomas M. Melsheimer and Judge Craig Smith have crafted a narrative-driven advice guide for trial lawyers to hone their craft. Chapter topics include voir dire, opening statement, preparing witnesses, cross examination, using exhibits, closing argument, jury research, and more, with excellent examples and “do’s and don’ts” provided throughout. Think of this book as the senior law partner’s memo to associates on how to really try a case. Looking for fly-on-the-wall insight into world-class trial preparation and strategy? Here it is. A behind-the-scenes tour of the inner workings of the judicial process? This book has you covered. Its combination of advice, illustration, and commentary is every bit as valuable as it is unique. Every litigator should have this book on the shelf, no matter the state in which they practice. The jury trial is a critical component of our democratic society, and its use in civil cases is unique to the United States. It is truly an example of our participatory democracy in action, and yet the jury trial is under attack from all sides, most notably from special interest groups who seek to have more cases decided by individual judges or by arbitration. These efforts have resulted in a decline of civil jury trials all over the country. A decline in the jury trial is a decline in justice. To preserve the jury trial, we must preserve the skills of trying a case effectively and efficiently. *On the Jury Trial*, in no small way, will add significantly to that effort.

**Anatomy of a Jury** SAGE

A THRILLING JOURNEY through the world of police work and courtrooms before elements of corruption bring a once rocketing legal career to its knees. Just after the daring and dedicated trial lawyer reached as far as he thought he could go, people from the system he loved so much had some other ideas. The reader will find suspense and surprises as they navigate through this novel of court trials and other situations faced by an aggressive and idealistic attorney. The investigations of a string of deaths in the local jail occur around the same time that the lawyer's success looks unstoppable. While unaware of anything about the killings, the lawyer's career that once carried so much promise spirals downward soon after charges are filed for the murders. The reader will see heartache and pain caused from breach of trust. This is a must-read for those who appreciate the thrill of facing challenges or taking a chance to ride what the idealistic lawyer in this book calls the roller coaster of life.

The U.S. Women's Jury Movements and Strategic Adaptation John Betcher

We, the Jury is the dramatic story of seven jurors, who convicted Scott Peterson of murdering his wife, Laci, and their unborn son, Conner, despite a series of internal battles that brought the first major murder trial of the 21st century to the brink of a mistrial. The Peterson jurors argued and disagreed but eventually bonded to seal the fate of the icy killer who dumped his victims into the bullet-gray waters of San Francisco Bay. The seven jurors of *We, the Jury* were seven average Americans who never imagined the horrors they would face or the phantoms that would haunt them after they convicted the enigmatic murderer and recommended that he be put to death. This is the story of how the American jury system worked after being battered by critics for the way it functioned in the trials of O.J. Simpson and Michael Jackson. Unlike the jurors in those trials, who second-guessed themselves, the Peterson jurors do not question their decisions. It wasn't one thing that condemned Scott Peterson, it was everything.

*Unreasonable Verdict* Cambridge University Press

While jury decision making has received considerable attention from social scientists, there have been few efforts to systematically pull together all the pieces of this research. In *Jury Decision Making* Dennis J. Devine examines over 50 years of research on juries and offers a “big picture” overview of the field. The volume summarizes existing theories of jury decision making and identifies what we have learned about jury behavior, including the effects of specific courtroom practices, the nature of the trial, the characteristics of the participants, and the evidence itself. Making use of those

foundations, Devine offers a new integrated theory of jury decision making that addresses both individual jurors and juries as a whole and discusses its ramifications for the courts. Providing a unique combination of broad scope, extensive coverage of the empirical research conducted over the last half century, and theory advancement, this accessible and engaging volume offers “one-stop shopping” for scholars, students, legal professionals, and those who simply wish to better understand how well the jury system works.

The Search for Truth Tate Publishing & Enterprises

NO. 1 BEST SELLER IN LITERARY FICTION. NO. 1 BEST SELLER IN RELIGIOUS FICTION. NO. 1 BEST SELLER IN SPIRITUALITY. "BEST BOOK OF 2010" - Readers Choice Book Reviews. "GOLD AWARD FOR RELIGIOUS FICTION" - 2010 eLit Awards. SILVER MEDALIST - 2011 Readers Favorite Book Awards. An excellent Book Club Selection! \_\_\_\_\_ My name is William Kensey. I have a wife and two great kids. Until very recently, I was a well-respected and financially successful trial attorney. I was also a man who was comfortable with his religion. I preferred it served at arm's length from the pulpit on Sunday morning. And would rather not discuss it the rest of the week. The circumstances that led me to write *A HIGHER COURT* changed all that. The entire experience was both bizarre and unavoidable. You see, I was summoned to serve as a juror in an improbable trial -- a trial to determine whether God exists. I know. You think that sounds ludicrous. I did, too . . . until the trial began. Witnesses buried me under mountains of scientific evidence. My own eyes forced me to confront the reality of extreme human suffering. God seemed less and less relevant -- even absent -- as the trial progressed. At the close of the trial, I had to render my verdict -- "God" or "No God." Affirm a new and deeper faith in a Creator, or confess the triumph of science. *A HIGHER COURT* is the story of how I discovered my ultimate truth. If your mind is open, you can join me in this journey of self-discovery. Come along. You won't be sorry.

*Grand Jury* Oxford University Press

This guide will help you understand effective voir dire and jury selection strategies and adapt them to the circumstances you face in your trial jurisdiction.

The Missing American Jury Cambridge University Press

*Justice, Justice, Where Art Thou?* tells many real life stories of people who have been the victims of the Courts, Judges, and Attorneys in the United States. The author's search for justice in the courts relates the terrible experiences he endured at the mercy of the legal system. Specific judicial errors of fact and of law subjected the author to severe injustices at the hands of judges who ignored his right to a trial by jury. He tried to find justice at all levels: City Courts, State Courts, Federal Courts, Courts of Appeals, and even the United States Supreme Court. None of the courts was interested in seeing that justice was done to the author. That lack of justice led the author to study many cases tried in the various courts of the country. It was difficult to find that justice was attained in many cases. There were a few fine results, but they were very rare. As Mark Twain said, "Judges and lawyers use the law to defeat the ends of justice."

**Jury Selection** DIANE Publishing

Examines the problem of excluding relevant evidence from trial. Reviews proposals to alter the remedy for unreasonable search & seizures under the 4th amendment & to revisit Congress' earlier attempt to ensure that voluntary confessions are brought before the jury. Witnesses: Akhil R. Amar, Yale Law School; William Gangi, St. John's U.; Paul J. Larkin, Jr., King & Spaulding; Judge Ralph Adam Fine, Wisc.; Joseph D. Grano, Wayne State U. Law School; Paul G. Cassell, U. of Utah College of Law; Michael McCann, DA, Milwaukee, WI; Carol S. Steiker, Harvard Law School; & Thomas Y. Davies, U. of Tenn. Coll. of Law.

**On the Jury Trial** BenBella Books, Inc.

The Rights of Children in the United States provides discussion on: the historical and contextual perspective on the rights of children; the UN Convention on the Rights of the Child; and the differing views on children's rights and competencies.

*Mastering Voir Dire and Jury Selection* SAGE

How are sentences for Federal, State, and Local crimes determined in the United States? Is this process fairly and justly applied to all concerned? How have reforms affected the process over the last 25 years? This text for advanced undergraduate students in criminal justice programs seeks to answer these questions.

*Justice, Justice, Where Art Thou?* Springer

Philip Carmady is on trial for the murder of his wife, Prudence. Sandra Eversol is a wife, stay-at-home mom, and a fifth grade Sunday school teacher. When she is called to fulfill her civic duty by serving as a juror in Philip's trial, her jury service sends her on a journey into the unfamiliar world of courtrooms, judges, defendants, lawyers, and rules of evidence. In this fast-paced legal thriller of conspiracy and murder, Sandra diligently sorts through the evidence, searching for the truth until unknowingly, she becomes part of a murder conspiracy and finds the elusive truth...the hard way. Our lives are measured in years, months, days, hours, and minutes, but sometimes, it can be measured in seconds. In an unexpected twist of events, Sandra comes face-to-face with that instant measure of time. Face-to-face with a killer, and with no way out...

The Search for Justice: A Defense Attorney's Brief on the O.J. Simpson Case Open Road Media

In *Perfect Murder, Perfect Town*, Lawrence Schiller thoroughly recreates every aspect of the complex case of the death of JonBenét Ramsey. A brilliant portrait of an inscrutable family thrust under the spotlight of public suspicion and an affluent, tranquil city torn apart by a crime it couldn't handle, *Perfect Murder, Perfect Town* uncovers the mysteries that have bewildered the nation. Why were the Ramseys, the targets of the investigation, able to control the direction of the police inquiry? Can the key to the murder be found in the pen and writing pad used for the ransom note? Was it possible for an intruder to have killed JonBenét?
