DEVYN LUCIANO

Diddy, Dr. Dre, Jay-Z, and Hip-Hop's Multibillion-Dollar Rise
Penguin

In the eighteenth century, Britain became a world superpower through a series of sensational military strikes. Traditionally, the Royal Navy has been seen as Britain's key weapon, but in Three Victories and a Defeat Brendan Simms argues that Britain's true strength lay with the German aristocrats who ruled it at the time. The House of Hanover superbly managed a complex series of European alliances that enabled Britain to keep the continental balance of power in check while dramatically expanding her own empire. These alliances sustained the nation through the War of the Spanish Succession, the War of the Austrian Succession, and the Seven Years' War. But in 1776, Britain lost the American continent by alienating her European allies. An extraordinary reinterpretation of British and American history, Three Victories and a Defeat is a masterwork by a rising star of the historical profession.

Splitting Heirs Louise Bay

NOW A NEW YORK TIMES, USA TODAY, AND PUBLISHER'S WEEKLY BESTSELLER "Dyson writes with the affection of a fan but the rigor of an academic. ... Using extensive passages from Jay-Z's lyrics, 'Made in America' examines the rapper's role as a poet, an aesthete, an advocate for racial justice and a business man, but devotes much of its energy to Hova the Hustler." —Allison Stewart, The Washington Post "Dyson's incisive analysis of JAY-Z's brilliance not only offers a brief history of hip-hop's critical place in American culture, but also hints at how we can best move forward." —Questlove JAY-Z: Made in America is the fruit of Michael Eric Dyson's decade of teaching the work of one of the greatest poets this nation has produced, as gifted a wordsmith as Walt Whitman, Robert Frost and Rita Dove. But as a rapper, he's

sometimes not given the credit he deserves for just how great an artist he's been for so long. This book wrestles with the biggest themes of JAY-Z's career, including hustling, and it recognizes the way that he's always weaved politics into his music, making important statements about race, criminal justice, black wealth and social injustice. As he enters his fifties, and to mark his thirty years as a recording artist, this is the perfect time to take a look at JAY-Z's career and his role in making this nation what it is today. In many ways, this is JAY-Z's America as much as it's Pelosi's America, or Trump's America, or Martin Luther King's America. JAY-Z has given this country a language to think with and words to live by. Featuring a Foreword by Pharrell Little, Brown

Eloise Drake's prim demeanor hides the turbulent past she's finally put behind her--or so she thinks. A mathematical genius, she's now a successful accountant for the largest engineering project in 1908 New York. But to her dismay, her new position puts her back in the path of the man responsible for her deepest heartbreak. Alex Duval is the mayor of a town about to be wiped off the map. The state plans to flood the entire valley where his town sits in order to build a new reservoir, and Alex is stunned to discover the woman he once loved on the team charged with the demolition. With his world crumbling around him, Alex devises a risky plan to save his town--but he needs Eloise's help to succeed. Alex is determined to win back the woman he thought he'd lost forever, but even their combined ingenuity may not be enough to overcome the odds against them before it's too late.

IncrediBuilds: New York: Empire State Building Deluxe Book and Model Set Incredibuilds

h1 How Hollywood cashed in on the latest tech boom-and changed the face of Silicon Valley. A decade later, Kutcher is perhaps the brightest in a firmament of star investors from Beyoncé and Jay-Z to Jennifer Lopez and Alex Rodriguez. Bartering credibility and connections in exchange for early (and often discounted) access to the world's most coveted investment opportunities, this diverse group changed the face of venture

capital while amassing portfolios packed with companies like Airbnb, Spotify, and Uber. But how did two once-dissonant universes-Silicon Valley and Hollywood-become intertwined? Forbes senior editor Zack O'Malley Greenburg told the first chapter of Kutcher's transformation for the magazine's cover story in 2016. Now he offers a lively, page-turning account of how this motley crew of talent managers, venture capitalists, and celebrities helped the creative class forge a brand-new blueprint for generational wealth. Through extensive reporting and exclusive interviews with more than 100 key players-including Shaq, Nas, Joe Montana, Sophia Bush, Steve Aoki, Tony Gonzalez, and dozens of behind-the-scenes power brokers-Greenburg sheds light on the unlikely group that fundamentally transformed the value of fame.

How Imperialism Has Shaped Modern Britain Louise Bay
NEW YORK TIMES BESTSELLER "A gripping journey."—People
The highly anticipated memoir from hip-hop icon Rick Ross chronicles his coming of age amid Miami's crack epidemic, his star-studded controversies and his unstoppable rise to fame. Rick Ross is an indomitable presence in the music industry, but few people know his full story. Now, for the first time, Ross offers a vivid, dramatic and unexpectedly candid account of his early childhood, his tumultuous adolescence and his dramatic ascendancy in the world of hip-hop. Born William Leonard Roberts II, Ross grew up "across the bridge," in a Miami at odds with the glitzy beaches, nightclubs and yachts of South Beach. In the aftermath of the 1980 race riots and the Mariel boatlift, Ross came of age at the height of the city's crack epidemic, when home invasions and execution-style killings were commonplace. Still, in the midst of the chaos and danger that surrounded him, Ross flourished, first as a standout high school football player and then as a dope boy in Carol City's notorious Matchbox housing projects. All the while he honed his musical talent, overcoming setback after setback until a song called "Hustlin'" changed his life forever. From the making of "Hustlin'" to his first major label deal with Def Jam, to the controversy surrounding his past as a

correctional officer and the numerous health scares, arrests and feuds he had to transcend along the way, *Hurricanes* is a revealing portrait of one of the biggest stars in the rap game, and an intimate look at the birth of an artist.

Photographs from the Edge Harlequin

An analysis of the business behind the forefront rap artist's hip-hop empire draws on the insights of close friends and associates to cover such topics as his drug-marked youth, musical achievements and urban-informed business savvy.

Love Goes to Buildings on Fire Oxford University Press, USA

Jimmy is a stereotypical geek who works at the library in Oakland, California, and is trapped in his own torpidity. Sara is his best friend, but she wants to get a life (translation: an apartment in Brooklyn and a publishing internship). When Sara moves to New York City, Jimmy is rattled. Then lonely. Then desperate. He screws up his courage, writes Sara a letter about his true feelings, and asks her to meet him at the top of the Empire State Building (a nod to their ongoing debate about *Sleepless in Seattle*).

Jimmy's cross-country bus trip to Manhattan is as hapless and funny as Jimmy himself. When he arrives in the city he's thought of as "a festering hellhole," he's surprised by how exciting he finds New York, and how heartbreaking—he discovers Sara has a boyfriend! Jason Shiga's bold visual storytelling, sly pokes at popular culture, and subtle text work together seamlessly in *Empire State*, creating a quirky graphic novel comedy about the vagaries of love and friendship. Praise for *Empire State*: "He [Shiga] displays a wicked sense of comic timing." -Publishers Weekly "Empire State: A Love Story (Or Not) is funny, sweet, geeky and affecting, and definitely worth a read." -Wired.com "Shiga's illustrations . . . are unique and endearing, and his images of NYC are instantly recognizable." -am New York "If Woody Allen grew up in Oakland rather than Manhattan, he'd most likely see the world, and especially New York City, as Jason Shiga does in *Empire State*." -Big Think.com

How to Murder Your Life University-Press.org

"There has never been a better book about hip-hop...a record-biz portrait that jumps off the page."—A.V. Club THE INSPIRATION FOR THE VH1 SERIES THE BREAKS The Big Payback takes readers from the first \$15 made by a "rapping DJ" in 1970s New York to the multi-million-dollar sales of the Phat Farm and Roc-a-Wear clothing companies in 2004 and 2007. On this four-decade-long

journey from the studios where the first rap records were made to the boardrooms where the big deals were inked, *The Big Payback* tallies the list of who lost and who won. Read the secret histories of the early long-shot successes of Sugar Hill Records and Grandmaster Flash, Run DMC's crossover breakthrough on MTV, the marketing of gangsta rap, and the rise of artist/ entrepreneurs like Jay-Z and Sean "Diddy" Combs. 300 industry giants like Def Jam founders Rick Rubin and Russell Simmons gave their stories to renowned hip-hop journalist Dan Charnas, who provides a compelling, never-before-seen, myth-debunking view into the victories, defeats, corporate clashes, and street battles along the 40-year road to hip-hop's dominance. INCLUDES PHOTOGRAPHS 1821 and the Making of Modern Europe Portfolio NEW YORK TIMES BESTSELLER • The Academy Award-winning director of *Free Solo* and National Geographic photographer presents the first collection of his iconic adventure photography, featuring some of the greatest moments of the most accomplished climbers and outdoor athletes in the world, and including more than 200 extraordinary photographs. "An extraordinary work of art."—Jon Krakauer Filmmaker, photographer, and world-class mountaineer Jimmy Chin goes where few can follow to capture stunning images in death-defying situations. There and Back draws from his breathtaking portfolio of photographs, captured over twenty years during cutting-edge expeditions on all seven continents—from skiing Mount Everest, to an unsupported traverse of Tibet's Chang Tang Plateau on foot, to first ascents in Chad's Ennedi Desert and Antarctica's Queen Maud Land. Along the way, Chin shares behind-the-scenes details about how he captured such astounding images in impossible conditions, and tells the stories of the legendary adventurers and remarkable athletes he has photographed, including Alex Honnold, the star of his Academy Award-winning documentary film *Free Solo*; ski mountaineer Kit DesLauriers; snowboarder Travis Rice; and mountaineers Conrad Anker and Yvon Chouinard. These larger-than-life images, coupled with stories of outsized drive and passion, of impossible goals with life or death stakes, of partnerships forged through incredible hardship, are sure to inspire wonder and awe.

New York State of Mind Baker Books

A comprehensive history of business monopolies in America traces their rise from the nineteenth-century railroad moguls to

modern-day computer software empires, profiling such personalities as John D. Rockefeller, Andrew Carnegie, and Bill Gates, and examines the long-time struggle of the federal government to control expanding business giants.

A Love Story (or Not) Penguin

Maxwell Sim can't seem to make a single meaningful connection. His absent father was always more interested in poetry; he maintains an e-mail correspondence with his estranged wife, though under a false identity; his incomprehensible teenage daughter prefers her BlackBerry to his conversation; and his best friend since childhood is refusing to return his calls. He has seventy-four friends on Facebook, but nobody to talk to. In an attempt to stir himself out of this horrible rut, Max quits his job as a customer liaison at the local department store and accepts a strange business proposition that falls in his lap by chance: he's hired to drive a Prius full of toothbrushes to the remote Shetland Islands, part of a misguided promotional campaign for a dental-hygiene company intent on illustrating the slogan "We Reach Furthest." But Max's trip doesn't go as planned, as he's unable to resist making a series of impromptu visits to important figures from his past who live en route. After a string of cruelly enlightening and intensely awkward misadventures, he finds himself falling in love with the soothing voice of his GPS system ("Emma") and obsessively identifying with a sailor who perpetrated a notorious hoax and subsequently lost his mind. Eventually Max begins to wonder if perhaps it's a severe lack of self-knowledge that's hampering his ability to form actual relationships. A humane satire and modern-day picaresque, *The Terrible Privacy of Maxwell Sim* is a gently comic and rollickingly entertaining novel about the paradoxical difficulties of making genuine attachments in a world of advanced communications technology and rampant social networking.

Empire Builders and Their Enemies from Jay Gould to Bill Gates Lerner Digital™

From one of our leading historians, an important new history of the Greek War of Independence—the ultimate worldwide liberal cause célèbre of the age of Byron, Europe's first nationalist uprising, and the beginning of the downward spiral of the Ottoman Empire—published two hundred years after its outbreak As Mark Mazower shows us in his enthralling and definitive new account, myths about the Greek War of Independence outpaced

the facts from the very beginning, and for good reason. This was an unlikely cause, against long odds, a disorganized collection of Greek patriots up against what was still one of the most storied empires in the world, the Ottomans. The revolutionaries needed all the help they could get. And they got it as Europeans and Americans embraced the idea that the heirs to ancient Greece, the wellspring of Western civilization, were fighting for their freedom against the proverbial Eastern despot, the Turkish sultan. This was Christianity versus Islam, now given urgency by new ideas about the nation-state and democracy that were shaking up the old order. Lord Byron is only the most famous of the combatants who went to Greece to fight and die—along with many more who followed events passionately and supported the cause through art, music, and humanitarian aid. To many who did go, it was a rude awakening to find that the Greeks were a far cry from their illustrious forebears, and were often hard to tell apart from the Ottomans. Mazower does full justice to the realities on the ground as a revolutionary conspiracy triggered outright rebellion, and a fraying and distracted Ottoman leadership first missed the plot and then overreacted disastrously. He shows how and why ethnic cleansing commenced almost immediately on both sides. By the time the dust settled, Greece was free, and Europe was changed forever. It was a victory for a completely new kind of politics—international in its range and affiliations, popular in its origins, romantic in sentiment, and radical in its goals. It was here on the very edge of Europe that the first successful revolution took place in which a people claimed liberty for themselves and overthrew an entire empire to attain it, transforming diplomatic norms and the direction of European politics forever, and inaugurating a new world of nation-states, the world in which we still live.

A Dangerous Legacy (An Empire State Novel Book #1) Little, Brown

"The book is an excellent addition to the scholarly literature on subnational movements, both past and present, offering a range of insights to policymakers across the globe."—Ayesha Jalal, author of *The Struggle for Pakistan* "With judicious use of empirical evidence and rich case studies, Ahsan I. Butt makes a compelling case that states' responses to secessionist movements turn to a considerable degree on their external security environments."—S. Paul Kapur, author of *Jihad as Grand*

Strategy In Secession and Security, Ahsan I. Butt argues that states, rather than separatists, determine whether a secessionist struggle will be peaceful, violent, or genocidal. He investigates the strategies, ranging from negotiated concessions to large-scale repression, adopted by states in response to separatist movements. Variations in the external security environment, Butt argues, influenced the leaders of the Ottoman Empire to use peaceful concessions against Armenians in 1908 but escalated to genocide against the same community in 1915; caused Israel to reject a Palestinian state in the 1990s; and shaped peaceful splits in Czechoslovakia in 1993 and the Norway-Sweden union in 1905. Using more than one hundred interviews and extensive archival data, Butt focuses on two main cases—Pakistani reactions to Bengali and Baloch demands for independence in the 1970s and India's responses to secessionist movements in Kashmir, Punjab, and Assam in the 1980s and 1990s. Butt's deep historical approach to his subject will appeal to policymakers and observers interested in the last five decades of geopolitics in South Asia, the contemporary Israeli-Palestinian conflict, and ethno-national conflict, separatism, and nationalism more generally.

The Terrible Privacy of Maxwell Sim Simon and Schuster Updated and revised—the story of American rapper Jay-Z's glass-shattering rise from the Brooklyn projects to the top of the business world. Beyond the award-winning albums and chart-topping hits, Jay-Z's business savvy has cemented his legacy as one of the most successful artists of our time. Now with new insights into how he recently achieved his Forbes-certified billionaire status, *Empire State of Mind* reveals the inside story behind the rapper's meteoric rise. With a sprawling network of investments ranging from fashion, technology, and top-shelf liquor to nightclubs, streaming services, and record labels, it's possible for Jay-Z to profit at every turn of your day. So how did a kid from the projects turn himself into a one-man conglomerate? Through the eyes of the people who lived it with him—including the childhood friend who got him into the drug trade, the DJ who persuaded him to stop dealing and focus on his music, and industry collaborators like Alicia Keys and J. Cole—we see how Jay-Z not only honed his craft but transformed each setback into an opportunity for more. For every hustler, mogul, and businessperson who seeks to build something spectacular, this book is the blueprint.

Page-Turning Romance and Intrigue in Award-Winning Author's Next Historical Novel Lucy Drake's mastery of Morse code has made her a valuable asset to the American news agencies as a telegrapher. But the sudden arrival of Sir Colin Beckwith at rival British news agency Reuters puts her hard-earned livelihood at risk. Newly arrived from London, Colin is talented, handsome, and insufferably charming. Despite their rivalry, Lucy realizes Colin's connections could be just what her family needs to turn the tide of their long legal battle over the fortune they were swindled out of forty years ago. When she negotiates an unlikely alliance with him, neither of them realizes how far the web of treachery they're wading into will take them.

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line.

The Greek Revolution Baker Books

Decoded is a book like no other: a collection of lyrics and their meanings that together tell the story of a culture, an art form, a moment in history, and one of the most provocative and successful artists of our time. Praise for Decoded "Compelling . . . provocative, evocative . . . Part autobiography, part lavishly illustrated commentary on the author's own work, Decoded gives the reader a harrowing portrait of the rough worlds Jay-Z navigated in his youth, while at the same time deconstructing his lyrics."—Michiko Kakutani, *The New York Times* "One of a handful of books that just about any hip hop fan should own."—*The New Yorker* "Elegantly designed, incisively written . . . an impressive leap by a man who has never been known for small steps."—*Los Angeles Times* "A riveting exploration of Jay-Z's journey . . . So thoroughly engrossing, it reads like a good piece of cultural journalism."—*The Boston Globe* "Shawn Carter's most honest airing of the experiences he drew on to create the mythic figure of Jay-Z . . . The scenes he recounts along the way are fascinating."—*Entertainment Weekly* "Hip-hop's renaissance man drops a classic. . . . Heartfelt, passionate and slick."—*Kirkus Reviews* (starred review)

Empire State of Mind Random House

Anna Kirby is sick of dating. She's tired of heartbreak. Despite being smart, sexy, and funny, she's a magnet for men who don't deserve her. A week's vacation in New York is the ultimate distraction from her most recent break-up, as well as a great place to meet a stranger and have some summer fun. But to protect her still-bruised heart, fun comes with rules. There will be no sharing stories, no swapping numbers, and no real names. Just one night of uncomplicated fun. Super-successful serial seducer Ethan Scott has some rules of his own. He doesn't date, he doesn't stay the night, and he doesn't make any promises. It should be a match made in heaven. But rules are made to be broken. A Week in New York is the first in a series of three novellas. Part Two - AUTUMN IN LONDON and Part Three NEW YEAR IN MANHATTAN What others are saying about Louise Bay: "A fabulous, smouldering love story" Katy Evans, NYT bestselling author "Insanely hot passion, and deliciously naughty and sweet characters. I devoured every page!" -New York Times Bestselling Author Lisa Renee Jones "Delivers both swoon-worthy and wickedly seductive moments that will have you desperate for more." -New York Times Bestselling Author Lisa Renee Jones "This book is deliciously HOT. I loved reading it." Layla Hagen, USA Today bestselling Author "Off the charts sexual tension and chemistry...I ravished every page!" -Audrey Carlan, #1 NYT Bestselling Author "A swoony hero with a British accent and a heroine you will root for. Don't miss this!" Jana Aston, NYT Bestselling Author "Hot sex, great banter, a cocky British boss and one of my favorite heroines to date. This book is a must-read and one of my favorite romances this year!" LJ Shen, USA Today Bestselling Author "Everything that a romance junkie could ever want in a contemporary romance. Once you start, there is not setting this sucker down. An absolute PAGE-TURNER." Shayna's Spicy Reads "Alexander and Violet stole my heart! Their

chemistry rolls of the page. Seeing the broody and incredibly hot Brit falling for Violet made me swoon. If you love hot and romantic reads, then The British Knight is a MUST read." Layla Hagen, USA Today Bestselling Author "A funny, hot, and expertly crafted romance that was a joy to read." Guilty Pleasures Book Reviews "I loved every page. Red hot scenes, tender moments and the usual roller coaster of emotions Louise loves to instil in her works, that makes her books so exhilarating to read. A perfect 5 star read." Two Girls and Their Kindle "A hilariously funny and heart wrenching story that will pull at your heartstrings." Who Gives a Hoot Reviews "Beautifully written with the perfect balance of sugar and spice! Five beautiful stars!" Espresso Reviews "Like a really good rom-com movie except with really hot sex thrown in." Kitty Kats Crazy about Books "A brilliant read. Full of angst, with bites of humor and lots of steam, it also has a real sweetness about it. Another MUST READ from a really talented storyteller." Perusing Princesses "An amazing love story." She's a Lip Biter "Friends to lovers is a favorite trope of mine and this is right up there with the best of them." Tanja, KT Book Reviews "Just when I think her books can't get any better, she writes another one and it outshines the previous ones. This is a sweet and sexy, friends-to-lovers contemporary romance with all the feels -- heartwarming, breathtaking, and sexy all rolled into one interesting and intriguing plot." Tracey, Goodreads reviewer "If you love a good friends to lovers with a side helping of slow burn, this book is for you. Don't hesitate, grab it with both hands. Noah and Truly will steal your heart and you will let them gladly."
