STEIN JOURNEY

Sleevenotes: Joe Thompson Chronicle Books
 Ten years ago, Motley Crue's bestselling *The Dirt*—penned with rock chronicler extraordinaire Neil Strauss—set a new bar for rock 'n' roll memoirs. A genuine cultural phenomenon, this turbocharged blockbuster, with more than half a million copies in print, is now available in this deluxe, slipcased hardcover edition, timed to celebrate thirty wild years with rock's most infamous band.

The Dirt Harper Collins

Offers reviews on a wide range of American works, providing insights into the authors' styles and techniques and making recommendations for readers.

Pizza Bomber Random House Trade Paperbacks

Stegner's Pulitzer Prize-winning novel of personal, historical, and geographic discovery Confined to a wheelchair, retired historian Lyman Ward sets out to write his grandparents' remarkable story, chronicling their days spent carving civilization into the surface of America's western frontier. But his research reveals even more about his own life than he's willing to admit. What emerges is an enthralling portrait of four generations in the life of an American family. "Cause for celebration . . . A superb novel with an amplitude of scale and richness of detail altogether uncommon in contemporary fiction." —*The Atlantic Monthly* "Brilliant . . . Two stories, past and present, merge to produce what important fiction must: a sense of the enchantment of life." —*Los Angeles Times* This Penguin Classics edition features an introduction by Jackson J. Benson. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

This Is Gonna Hurt Z2 Comics

Sammy Hagar—legendary lead singer of Van Halen, founder of the Cabo Wabo Tequila brand, and one of rock music's most notoriously successful performers—tells his unforgettable story in this one-of-a-kind autobiography of a life at the top of the charts. From his decade-long journey alongside Eddie Van Halen to his raucous solo career with Chickenfoot and everything in between—the drugs, groupies, and excesses of fame, the outrageous stadium tours, and the thrill of musical innovation—Hagar reveals all in this treasure trove of rock-and-roll war stories. Red is a life-changing look at one of music's

biggest talents—an essential read for music fans and anyone dreaming of becoming rock's next number one star.

Beastie Boys Book Penguin

The legendary frontman of Judas Priest, one of the most successful heavy metal bands of all time, celebrates five decades of heavy metal in this tell-all memoir. Most priests hear confessions. This one is making his. Rob Halford, front man of global iconic metal band Judas Priest, is a true "Metal God." Raised in Britain's hard-working, heavy industrial heartland, he and his music were forged in the Black Country. Confess, his full autobiography, is an unforgettable rock 'n' roll story—a journey from a Walsall council estate to musical fame via alcoholism, addiction, police cells, ill-fated sexual trysts, and bleak personal tragedy, through to rehab, coming out, redemption . . . and finding love. Now, he is telling his gospel truth. Told with Halford's trademark self-deprecating, deadpan Black Country humor, Confess is the story of an extraordinary five decades in the music industry. It is also the tale of unlikely encounters with everybody from Superman to Andy Warhol, Madonna, Jack Nicholson, and the Queen. More than anything else, it's a celebration of the fire and power of heavy metal. Rob Halford has decided to Confess. Because it's good for the soul. Named one of the Best Music Books of 2020 by Rolling Stone and Kirkus Reviews

Honestly HarperEntertainment

This Is Gonna Hurt is music, photography, and life through the distorted lens of Nikki Sixx, bassist for heavy metal rock band Mötley Crüe's and the New York Times bestselling author of *The Heroin Diaries*. A combination of powerful prose and dramatic photographs, *This Is Gonna Hurt* is an arresting, deeply personal look through the eyes of a real rock star at a stark, post-addiction world.

Slash: The Autobiography Harper Collins

18 And Life on Skid Row tells the story of a boy who spent his childhood moving from Freeport, Bahamas to California and finally to Canada and who at the age of eight discovered the gift that would change his life. Throughout his career, Sebastian Bach has sold over twenty million records both as the lead singer of Skid Row and as a solo artist. He is particularly known for the hit singles I Remember You, Youth Gone Wild, & 18 & Life, and the albums Skid Row and Slave To The Grind, which became the first ever hard rock album to debut at #1 on the Billboard Top 200 and landed him on the cover of Rolling Stone magazine. Bach then went on to become the first rock star to grace the Broadway stage, with starring roles in *Jekyll & Hyde*, *Jesus Christ Superstar* and *The Rocky Horror Picture Show*. He also appeared for seven seasons on the hit television show *The Gilmore Girls*. In his memoir, Bach recounts lurid tales of excess and debauchery as he toured the world with Bon Jovi, Aerosmith, Motley Crue, Soundgarden, Pantera, Nine Inch Nails and Guns N' Roses. Filled

with backstage photos from his own personal collection, *18 And Life on Skid Row* is the story of hitting it big at a young age, and of a band that broke up in its prime. It is the story of a man who achieved his wildest dreams, only to lose his family, and then his home. It is a story of perseverance, of wine, women and song and a man who has made his life on the road and always will. *18 And Life On Skid Row* is not your ordinary rock memoir, because Sebastian Bach is not your ordinary rock star.

The Autobiography Penguin

Mötley Crüe is a heavy metal group formed in Los Angeles, California, U.S. on January 17th, 1981, by bassist Nikki Sixx, drummer Tommy Lee, lead guitarist Mick Mars and lead singer Vince Neil. The band has sold over 100 million L.P.s worldwide, having had 7 platinum or multi-platinum certifications, 9 Top 10 albums on the Billboard 200 chart, including the chart-topping *Dr. Feelgood* (1989), 22 Top 40 mainstream rock hits & 6 Top 20 pop singles. The group made several short-term lineup changes in the '90s and 2000s, including the introduction of vocalist John Corabi, who was Neil's replacement from 1992 to 1996, along with drummers Randy Castillo and Samantha Maloney, both of whom filled in for Lee following his departure from Mötley Crüe during 1999, until he returned in 2004.

Motley Crue HarperCollins

Celebrate thirty years of the world's most notorious rock band with the deluxe collectors' edition of *The Dirt*—the outrageous, legendary, no-holds-barred autobiography of Mötley Crüe. Fans have gotten glimpses into the band's crazy world of backstage scandals, celebrity love affairs, rollercoaster drug addictions, and immortal music in Mötley Crüe books like *Tommyland* and *The Heroin Diaries*, but now the full spectrum of sin and success by Tommy Lee, Nikki Sixx, Vince Neil, and Mick Mars is an open book in *The Dirt*. Even fans already familiar with earlier editions of the bestselling exposé will treasure this gorgeous deluxe edition. Joe Levy at Rolling Stone calls *The Dirt* "without a doubt . . . the most detailed account of the awesome pleasures and perils of rock & roll stardom I have ever read. It is completely compelling and utterly revolting."

The First 21 Gallery Books

Set against the frenzied world of heavy metal superstardom, the co-founder of legendary Motley Crue offers an unflinching and gripping look at his own descent into drug addiction. When Motley Crue were at the height of their fame, there wasn't a drug Nikki Sixx wouldn't do. He spent days - sometimes alone, sometimes with others addicts, friends and lovers - in a coke- and heroin-fueled daze. *THE HEROIN DIARIES* reveals Nikki's personal diary entries alongside commentary from the people who know Nikki best including band mates Tommy, Vince and Mick. The book is a candid look at a nightmare come true: a punishing heroin addiction that brought Nikki to the edge of losing his talent, his

career, his family and finally to a near-fatal overdose which left him clinically dead for a few minutes before being revived. Brutally honest, utterly riveting and shockingly moving, THE HEROIN DIARIES follows Nikki during the year he plunged to rock bottom and his courageous decision to pick himself up and start living again.

Guitar Play-Along Ballantine Books

It seems excessive...but that doesn't mean it didn't happen.

Tommyland McSweeney's Books

Mötley Crüe's gleeful glam debauchery and unstoppable anthems have made them metal gods, selling over 72 million album copies worldwide and landing their band biography *The Dirt* on bestseller lists around the country. Mötley Crüe is—amazingly—the first photographic history of the band. Legendary rock photographer Neil Zlozower's images capture the band's rise from their breakthrough album *Shout at the Devil* through rock 'n' roll excesses to follow with the unprecedented all-access candor of a friend to the band. In hundreds of photographs and stories from the band and those close to them, Mötley Crüe reveals them onstage, backstage, on tour, hanging out, and in studio—a must-have album of photos and testimony on one of the most powerful and controversial bands in rock history.

#1 NEW YORK TIMES BESTSELLER • It might seem like everyone you know took secret classes on budgeting, owning their career, and choosing the right wine—and you were sick that day. Enter: *How to Skimm Your Life*. With the Skimm's trademark mix of real talk, humor, and inspirational messaging, this book gives you the information you need to make informed and empowered decisions in your life. Covering everything from personal finance, to career, to stress management, global politics, and more, *How to Skimm Your Life* breaks down some of the less glamorous parts of adulting and answers questions like: • “What's the difference between an ETF and a mutual fund?” • “How should I negotiate my salary when I'm offered a new job?” • “Should I claim standard or itemized deductions on my taxes?” • “How should I tip while traveling abroad?” • “How do I read the wine list without breaking out a dictionary?” And much more . . . Wine & Food • Travel • Networking • Job Searching • Personal Growth • Mental Health • Time Management • Budgeting • Investing • Health Insurance • International Relations • US Government With life hacks for anyone who's starting out in the real world, looking to make a change, or just wants a reset, *How to Skimm Your Life* will be time well spent—making it the perfect gift for graduation, birthdays, or your best friend “just because.”

The Life and Times of Dave Grohl Hal Leonard Corporation
Rock-and-roll icon and three-time bestselling author Nikki Sixx tells his origin story: how Frank Feranna became Nikki Sixx, chronicling his fascinating journey from irrepressible Idaho farmboy to the man who formed the revolutionary rock group Mötley Crüe. Nikki Sixx is one of the most respected, recognizable, and entrepreneurial icons in the music industry. As the founder of Mötley Crüe, who is now in his twenty-first year of sobriety, Sixx is incredibly passionate about his craft and wonderfully open about his life in rock and roll, and as a person of the world. Born Franklin Carlton Feranna on December 11, 1958, young Frankie was abandoned by his father and partly raised by his mother, a woman who was ahead of her time but deeply troubled. Frankie ended up living with his grandparents, bouncing from farm to farm and state to state. He was an all-American kid—hunting, fishing, chasing girls, and playing football—but underneath it all, there was a burning desire for more, and that more was music. He eventually took a Greyhound bound for Hollywood. In Los Angeles, Frank lived with his aunt and his uncle—the president of Capitol Records—for a short time. But there was no easy path to the top. He was soon on his own. There were dead-end jobs: dipping circuit boards, clerking at liquor and record stores, selling used light bulbs, and hustling to survive. But at night, Frank honed his craft, joining Sister, a band formed by fellow hard-rock veteran Blackie Lawless, and formed a group of his own: London, the precursor of Mötley Crüe. Turning down an offer to join Randy Rhoads's band, Frank changed his name to Nikki London, Nikki Nine, and, finally, Nikki Sixx. Like Huck Finn with a stolen guitar, he had a vision: a group that combined punk, glam, and hard rock into the biggest, most theatrical and irresistible package the world had ever seen. With hard work,

passion, and some luck, the vision manifested in reality—and this is a profound true story finding identity, of how Frank Feranna became Nikki Sixx. It's also a road map to the ways you can overcome anything, and achieve all of your goals, if only you put your mind to it.

The Dirt It Books

In this "vivid and inspiring" NYT bestseller (Newsweek), the Red Hot Chili Peppers' lead singer and songwriter shares a searingly honest account of life in the rock scene's fast lane -- from the darkness into the light. In 1983, four self-described "knuckleheads" burst out of the mosh-pitted mosaic of the neo-punk rock scene in L.A. with their own unique brand of cosmic hardcore mayhem funk. Over twenty years later, the Red Hot Chili Peppers, against all odds, have become one of the most successful bands in the world. Though the band has gone through many incarnations, Anthony Kiedis, the group's lyricist and dynamic lead singer, has been there for the whole roller-coaster ride. In *Scar Tissue*, Kiedis delivers a compelling life story from a man "in love with everything" -- the darkness, the death, the disease. Even his descent into drug addiction was a part of that journey, another element transformed into art. Whether he's honoring the influence of the beautiful, strong women who have been his muses or remembering the roaring crowds of Woodstock and the Dalai Lama's humble compound, Kiedis shares a compelling story about the price of success and excess. *Scar Tissue* is a story of dedication and debauchery, of intrigue and integrity, of recklessness and redemption -- a story that could only have come out of the world of rock.

The Heroin Diaries Hachette Books

'Someone called and said Kurt died. I just f*****g lost it.' He has sold over 40 million albums. He's been in bands that have changed popular music forever. He saw his best friend commit suicide. He starts supergroups. He's the nicest guy in rock. From Nirvana to Foo Fighters, from brotherhood to bitter rivalry, from breathless highs to lifeless lows, Paul Brannigan gives an unparalleled, intimate and extraordinary account of the life and times of Dave Grohl. In 1990, little-known punk-metal upstarts Nirvana added a new drummer to the band. They were soon to become a global phenomenon - but as we all know, things went wrong. Dave's friend Kurt, frontman of Nirvana, took his own life, plunging the band and their future into chaos. His friends' grief was mirrored by worldwide sorrow to an unprecedented degree. Defying expectations, a knack that was soon to become his trademark, Grohl refused to see it as the end. In 1995 his new band, the Foo Fighters, rose to join the pantheon of rock deities. The 'wonder years' were by no means calm. The spotlight existence imposed by his celebrity status, the belittled vilification by his critics and his high-speed lifestyle proved a dangerous cocktail. With an account of Grohl's life that is more personal than anything written before, more startling, more thrilling, more heart-rending and more inspiring, Paul Brannigan reveals Dave fully for the first time. This is the story of the man who changed music forever. And he's not finished yet.

How to Skimm Your Life Harper Collins

The shocking, gripping, and at times darkly hilarious bestselling memoir of Nikki Sixx's yearlong war with a vicious heroin addiction, featuring exclusive new content. When Mötley Crüe was at the height of its fame, there wasn't any drug Nikki Sixx wouldn't do. He spent days—sometimes alone, sometimes with other addicts, friends, and lovers—in a coke- and heroin-fueled daze. The highs were high, and Nikki's journal entries reveal some euphoria and joy. But the lows were lower, often ending with Nikki in his closet, surrounded by drug paraphernalia and wrapped in paranoid delusions. Here, Nikki shares the diary entries—some poetic, some scatterbrained, some bizarre—of those dark times. Joining him are Tommy Lee, Vince Neil, Mick Mars, Slash, Rick Nielsen, Bob Rock, and a host of ex-managers, ex-lovers, and more. Brutally honest, utterly riveting, and surprisingly moving, *The Heroin Diaries* follows Nikki during the year he plunged to rock bottom—and his courageous decision to pick himself up and start living again.

I'm With the Band: Confessions of a Groupie Dey Street Books
I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by an American father and a Greek mother. At seventeen, I joined Mötley Crüe and we became one of the baddest-ass rock bands in history. We sold over 40 million albums, we wreaked havoc, we

scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks; what I think of the tabloids, the truth, my ex-wives, my ex-band, my music; and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real across the board: What you send out is what you get back. Send out the good, people, and it will come back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth. NOTE: THE EBOOK DOES NOT INCLUDE PHOTOGRAPHS THAT APPEAR IN THE PRINT EDITIONS.
Raw BenBella Books, Inc.

From one of the greatest rock guitarists of our era comes a memoir that redefines sex, drugs, and rock 'n' roll He was born in England but reared in L.A., surrounded by the leading artists of the day amidst the vibrant hotbed of music and culture that was the early seventies. Slash spent his adolescence on the streets of Hollywood, discovering drugs, drinking, rock music, and girls, all while achieving notable status as a BMX rider. But everything changed in his world the day he first held the beat-up one-string guitar his grandmother had discarded in a closet. The instrument became his voice and it triggered a lifelong passion that made everything else irrelevant. As soon as he could string chords and a solo together, Slash wanted to be in a band and sought out friends with similar interests. His closest friend, Steven Adler, proved to be a conspirator for the long haul. As hairmetal bands exploded onto the L.A. scene and topped the charts, Slash sought his niche and a band that suited his raw and gritty sensibility. He found salvation in the form of four young men of equal mind: Axl Rose, Izzy Stradlin, Steven Adler, and Duff McKagan. Together they became Guns N' Roses, one of the greatest rock 'n' roll bands of all time. Dirty, volatile, and as authentic as the streets that weaned them, they fought their way to the top with groundbreaking albums such as the iconic *Appetite for Destruction* and *Use Your Illusion I and II*. Here, for the first time ever, Slash tells the tale that has yet to be told from the inside: how the band came together, how they wrote the music that defined an era, how they survived insane, never-ending tours, how they survived themselves, and, ultimately, how it all fell apart. This is a window onto the world of the notoriously private guitarist and a seat on the roller-coaster ride that was one of history's greatest rock 'n' roll machines, always on the edge of self-destruction, even at the pinnacle of its success. This is a candid recollection and reflection of Slash's friendships past and present, from easygoing Izzy to ever-steady Duff to wild-child Steven and complicated Axl. It is also an intensely personal account of struggle and triumph: as Guns N' Roses journeyed to the top, Slash battled his demons, escaping the overwhelming reality with women, heroin, coke, crack, vodka, and whatever else came along. He survived it all: lawsuits, rehab, riots, notoriety, debauchery, and destruction, and ultimately found his creative evolution. From Slash's Snakepit to his current band, the massively successful *Velvet Revolver*, Slash found an even keel by sticking to his guns. Slash is everything the man, the myth, the legend, inspires: it's funny, honest, inspiring, jaw-dropping . . . and, in a word, excessive.

Confessions of the World's Most Notorious Rock Band

Mango Media Inc.

Describes a 2003 bank robbery in Erie, Pennsylvania in which a seemingly innocent pizza deliveryman, with a time bomb around his neck, was forced to rob a bank and how the FBI discovered that he was in fact a co-conspirator.
