## **BLACK IVY**

---

### **The World Atlas of Gin** Mitchell Beazley

As craft brewing continues to go from strength to strength across the world, World Atlas of Beer is the definitive and essential guide to beer. Understand the rich, multi-faceted traditions of Belgium, the Nordic legend that is Finnish

Sahti, the relatively new phenomenon of the New England hazy IPA, and why Australia's lower-strength beers are one of its great successes. With thousands of breweries now operating around the globe, and more opening every day, this is the expert guide to what is really worth drinking. Country by country the book considers a vast range

of brewing techniques, beer styles and traditions. Detailed maps describe crucial trends in major territories and features such as matching beer with food and how to pour different kinds of beer complete the picture. Now in a fully updated third edition, this book is the perfect companion to help you explore the best beers the world has to offer. Praise for the second edition of World Atlas of Beer: 'Written with authority and wit... the perfect guide to the rapidly changing beer scene' - the Guardian Mitchell Beazley

"In 1791, on the frontier of western Pennsylvania, local gangs of insurgents with blackened faces began to attack federal officials, beating and torturing the tax

collectors who attempted to collect the first federal tax ever laid on an American product-- whiskey. To the hard-bitten people of the depressed and violent West, the whiskey tax paralyzed their rural economics, putting money in the coffers of the already wealthy creditors and industrialists. To Alexander Hamilton, the tax was the key to industrial growth. To President Washington, it was the catalyst for the first-ever deployment of a federal army, a military action that would suppress an insurgency against the American government. With an unsparing look at both Hamilton and Washington, journalist and historian Hogeland offers a provocative,

in-depth analysis of this forgotten revolution and suppression." -- cover.

### **The Complete Whiskey Course**

Penguin  
As craft brewing continues to go from strength to strength across the world, The World Atlas of Beer is the definitive and essential guide to beer, with information on brews ranging from the Trappist ales of Belgium to the wheat beers of Bavaria, Breton black beers, barrel-aged Californian beers, British bitters, Vietnamese bia hoi, traditional Finnish sahti, and the output of the hundreds of craft breweries around the world, from the USA

and Canada, to Japan and even the Easter Islands. It explores the development of beer and the myriad brewing techniques in use today. Country by country the book considers a vast range of beer styles and traditions. Detailed maps describe crucial trends in major territories and features such as matching beer with food and how to pour different kinds of beer complete the picture. Now in a fully updated second edition, this book is the perfect companion to help you explore the best beers the world has to offer.

### World's Best Whiskies

Mitchell Beazley  
Main text, appreciation, commentary and annotations by Ian Buxton.

*A Long Stride* Penguin  
In this beautifully crafted narrative, award-winning writer Dave Broom examines Scotch whisky from the point of view of its terroir - the land, weather, history, craft and culture that feed and enhance the whisky itself. Travelling around his native Scotland and visiting distilleries from Islay and Harris to Orkney and Speyside, Dave explores the whiskies made there and the elements in their distilling, and locality, which make them what they are. Along the way he tells the story of whisky's history and considers what whisky is now, and where it is going. With stunning specially commissioned photography by Christina Kernohan, *A Sense of Place* will

enhance and deepen every whisky drinker's understanding of just what is in their glass. *The World Atlas of Wine 8th Edition* Mitchell Beazley Winner of the André Simon John Avery award 'This book is incredible' - Alex Kratena An in-depth, personal journey around Japan's whisky distilleries. Award-winning author and Japanese whisky expert, Dave Broom, tells their story and unveils the philosophy that lies behind this fascinating whisky culture, and how it relates to many Japanese concepts. Dave looks at the history and output of each distillery, considering the elements that make that particular whisky what it is, and

including tasting notes. Features on aspects of Japanese life and culture that are crucial to a wider understanding, from the importance of the seasons to the role of craftsmanship, add to the picture. And interwoven throughout the book is the fascinating narrative of the journey across Japan which Dave made with photographer Kohei Take, offering further insight into the country which creates this wonderful drink and making this a must-have edition for any whisky lover, whisky drinker, whisky collector or Japanophile.

**Whiskey** Mitchell

Beazley

Revised and updated in 2013, *101 Whiskies to Try Before You Die* is a

whisky guide with a difference. It is not an awards list. It is not a list of the 101 'best' whiskies in the world in the opinion of a self-appointed whisky guru. It is simply a guide to the 101 whiskies that enthusiasts must seek out and try in order to complete their whisky education. Avoiding the deliberately obscure, the ridiculously limited and the absurdly expensive, whisky expert Ian Buxton recommends an eclectic selection of old favourites, stellar newcomers and mystifyingly unknown drams that simply have to be drunk. The book decodes the marketing hype and gets straight to the point; whether from India, America, Sweden, Ireland, Japan or the hills, glens and

islands of Scotland, here are the 101 whiskies that you really want. Try them before you die - Slainte!

**Rare Whisky** Storey Publishing

The history of Johnnie Walker, tracing its roots back to 1820, is also the history of Scotch whisky. But who was John Walker – the man who started the story? And how did his business grow from the shelves of a small grocery shop in Kilmarnock to become the world's No. 1 Scotch? A Long Stride tells the story of how John Walker and a succession of ingenious and progressive business leaders embraced their Scottish roots to walk confidently on an international stage. By doing things their own way, Johnnie Walker

overturned the conventions of late Victorian and Edwardian Britain, survived two world wars and the Great Depression, coming back stronger each time, to become the first truly global whisky brand, revolutionising the world of advertising along the way. Ultimately the story is a testament to how an obsession with quality and a relentless drive to always move forward created a Scotch whisky loved in every corner of the world

**Malt Whisky Yearbook 2021**

Mitchell Beazley  
An authority on Scotch whisky  
An ideal addition to a collection of whisky books for beginners or whisky distilling books  
Fantastic gift for any

whisky lovers Have you ever wondered why Scotch whisky tastes the way it does? Have you ever questioned the history of whisky and how its flavor notes have changed over the years? If so, then this book is for you! The flavor of Scotch whisky is influenced by a combination of history, craft, science, and tradition. Whether it is single malt Scotch whisky, dalmore whisky, or peat whisky, you will learn something about it in this book. This book on scotch is also a compendium of curiosities! Learn about bottles of scotch, including orbit bottle labels, whiskey green labels, and more. Whiskypedia also outlines information about individual

distilleries. Each one provides their whiskies with unique characteristics. They are grounded in the craft and custom of the distillery and its district, but the real key influences on the flavor are how the spirit is matured, the distilling equipment itself, and how the distilling equipment is operated. This guide explores all of those influences and more. Whiskypedia is the first comprehensive source of the flavor and character of every malt whisky in Scotland. Written by Charles MacLean, “a world authority on malt whisky” (Daily Telegraph), shares his wisdom throughout this book. The history of Scotch whisky and information on Scotch distilling are also

included. John MacPherson's stunning photos compliment the text well. This is an ideal book about Scotch for any whisky fan. Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut

butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

[101 World Whiskies to Try Before You Die](#)  
Appetite by Random House

This highly accessible and enjoyable guide is full of practical and fascinating information about how to enjoy whisky. All whisky styles are covered, including (just whisper it) blends. Along the way a good few myths are exploded, including the idea that whisky has to be taken neat. In 'What to Drink',

Dave Broom explores flavour camps - how to understand a style of whisky - and moves on to provide extensive tasting notes of the major brands, demonstrating whisky's extraordinary diversity. In 'How to Drink', he sets out how to enjoy whisky in myriad ways - using water and mixers, from soda to green tea; and in cocktails, from the Manhattan to the Rusty Nail. He even looks at pairing whisky and food. In this spirited, entertaining and no-nonsense guide, world-renowned expert Dave Broom dispels the mysteries of whisky and unlocks a whole host of exciting possibilities for this magical drink.

The World Atlas of

Coffee Mitchell Beazley

A beautifully packaged

look at the world's finest whiskies, with detailed photography of each bottle Rare Whisky is a stylish exploration of the world's finest and rarest whiskies, exquisitely packaged in a hardback book with slipcase. This book looks at the most exceptional whiskies across the world, focusing on key producers such as Scotland, Ireland, the USA and Japan, as well as interesting rarities from the likes of India and Taiwan. With beautiful photography of extremely rare bottles, from a breathtaking 1920s vintage sold at auction to the best offerings from recent years, Rare Whisky is essential reading for all whisky lovers.

The Whiskey Rebellion

Mitchell Beazley  
 "Sample a beer in Hong Kong that tastes like bacon. Discover an out-of-the-way brewery in Vermont that devotees will drive hours to visit. Travel to a 500-year-old Belgian brewery with a beer pipeline under the city streets. This ... atlas meets travel guide explores beer history, geography, and trends on six continents - plus, you'll learn what to drink and where to go for the greatest beer experiences across the globe"--  
 Publisher's description.

**Reinforced Concrete Bridges** Hachette  
 Scotland

Whisky is the world's favourite spirit and is enjoying booming sales, yet too often it's shrouded in mystery, myth and complex-sounding terminology.

This authoritative book, written by three world experts, gives simple advice on how to seek out and enjoy the immense diversity of flavours and styles on offer, and how to become more adventurous. As with any subject, the more you know, the more you can appreciate and enjoy it. This book aims to equip you with enough knowledge to be able to find your way around the whisky sections of a specialist drinks retailer and to help you feel confident choosing whisky in a bar or restaurant. We aim to demystify whisky without taking away the magic. The history of whisky and production methods are clearly explained, and there is advice on how to nose, taste and savour, as well as a

selection of classic whisky cocktails and advice on matching food and whisky. The book covers not just famous Highland malts, Irish pot still whiskeys and American bourbons, but also whiskies from Japan, Canada, Australia and India.

**Malt Whisky** Hachette UK

Few wine books can be called classic, but the first edition of *The World Atlas of Wine* made publishing history when it appeared in 1971. It is recognized by critics as the essential and most authoritative wine reference work available. This eighth edition will bring readers, both old and new, up to date with the world of wine. To reflect all the changes in the global wine

scene over the past six years, the Atlas has grown in size to 416 pages and 22 new maps have been added to the wealth of superb cartography in the book. The text has been given a complete overhaul to address the topics of most vital interest to today's wine-growers and drinkers. With beautiful photography throughout, Hugh Johnson and Jancis Robinson, the world's most respected wine-writing duo, have once again joined forces to create a classic that no wine lover can afford to be without. "The World Atlas of Wine is the single most important reference book on the shelf of any wine student." - Eric Asimov, *New York Times* "The most useful single volume on wine ever

published... If I owned only one wine book, it would be this one." - Andrew Jefford, Decanter "Like a good bottle of wine, you'll find yourself going back to it again and again... Perfect for anyone who has a thirst for greater wine knowledge." - Edward Deitch, NBC/today.com "The World Atlas of Wine belongs on your shelf... The essential rootstock of any true wine lover's library. A multi-layered snapshot of wine and how it has evolved." - Dave McIntyre, Washington Post

[101 Whiskies to Try Before You Die \(Revised & Updated\)](#)  
Penguin

Great Whiskeys is the ideal drinking companion for any whiskey lover: it is generous,

knowledgeable, and willing to go anywhere. No other spirit matches the romance of whiskey; its carefully nurtured, long gestation, the curious flavors of its birthplace, its infinite subtleties and varieties all have a magic that captivates seasoned connoisseurs and new fans alike. Great Whiskeys reveals the secrets that give each whiskey its character and cherry picks the best expressions to try. As the whiskey world becomes more global, heritage brands are exported ever more widely, and innovative whiskeys from new producing countries are winning accolades. Great Whiskeys reflects this diversity by bringing you whiskeys from 22 countries. This is a

guide that covers every whiskey style: single malt, blended, grain, bourbon, rye, and more. Enthusiasts and converts alike could not find a more comprehensive and accessible resource.

### **Whisky, Wit & Wisdom**

Neil Wilson  
Publishing

'Excellent' - Susy Atkins, the Telegraph  
For everyone and anyone who wants to understand more about gin, this is the definitive guide - covering the best gins the world has to offer, history and production methods, and the countries that have helped make gin a global success story. Never has there been a more striking revolution in the world of distilled spirits than the current renaissance of gin.

With small craft distilleries popping up all over the world, from Texas to Tasmania, more varieties and techniques being used than ever before, and a tapestry of tastes from light and citrusy to big bold savoury notes, gin's appeal is extraordinarily wide and varied. From gin made in small batches from local botanicals, through to large facilities which make some of the world's most recognized gin brands, World Atlas of Gin looks at everything from the botanical to the bottle: how and where botanicals are grown and harvested and their role within the flavour of gin; producers and the stories behind their brands; exactly where, and how, gins are made; and, country by

country, the best examples to try. Global cocktails are covered too, including the history and country of origin of some of the best-known mixed gin drinks.

### The Art of Whisky

Pavilion

Revised and Updated.

Whisky is one of the world's most revered spirits, with connoisseurs spending a great deal of money and time on the appreciation of rare expressions and limited edition bottles. In addition, many whisky connoisseurs travel direct to the source to see and experience the world's best distilleries at first hand. Since the publication of the first edition in 2010, many changes have occurred in the world of whisky which are fully

explored in this completely new edition. Over 200 of the 750 whiskies are updated, along with over 20 of the 38 features to reflect the 'new world of whisky', from the growing US single malt craft distillery movement (including Balcones in Texas), Japan (Yoichi), Taiwan (Kavalan), India (Paul John), Australia (Overeem), France (Warengem) and Sweden (Mackmyra, Spirit of Hven). Aimed at beginners as well as connoisseurs, the book encompasses everything you need to know to increase your appreciation of this complex and fascinating spirit. Iconic distilleries such as Lagavulin, Highland Park and Glenrothes in Scotland are fully

explored alongside the bourbon innovators of Kentucky such as Woodford Reserve and Maker's Mark. From global brands to tiny craft distillers, this book offers a comprehensive overview of the best dram the world over. *Whisky: The Manual* Voyageur Press (MN) World Whiskey is your nation-by-nation whiskey bible to more than 700 varieties and top award-winners from around the world. Featuring an up-to-date photograph for each type to aid in recognition, this comprehensive reference guides you through every important distilling nation—from Dewar's and Macallan in Scotland to Jack Daniel's and Maker's Mark in the United

States to Amrut and Lammerlaw in Asia and Australasia. Its nation-by-nation A to Z format makes it accessible for confirmed whiskey lovers and new converts alike. Tasting notes and information on the factors that contribute to each variety's unique flavor help you explore and enjoy this distinctive spirit. Learn about every aspect of whiskey production, gain insight into the operation and secrets of featured distilleries, use whiskey tour maps to plan trips around major whiskey-producing regions, and much more. With this completely up-to-date edition of *World Whiskey*, you are sure to find a satisfying dram wherever you are. *Whisky* Simon and

Schuster

This is the drinker's guide to every aspect of whisky, from Scotch to Japanese, rye to bourbon and beyond. With hundreds of entries covering everything from history, ingredients and distilling techniques to flavour notes, cocktails and the many varieties of whisky from all around the world, renowned whisky expert Ian

Wisniewski explores and unlocks the wonderful world of a drink like no other. Entries include...

Ageing Process  
Bourbon Craft Movement  
Fermentation Flavour Compounds
