JAZMIN MALIK

A Zombie Anthology Simon and Schuster

In the summer of 1987 Ed Gillet achieved what no person has accomplished before or since, a solo crossing from California to Hawaii by kayak. Gillet, at the age of 36 an accomplished sailor and paddler, navigated by sextant and always knew his position within a few miles. Still, Gillet underestimated the abuse his body would take from the relentless, pounding, swells of the Pacific, and early into his voyage he was covered with salt water sores and found that he could find no comfortable position for sitting or sleeping. Along the way he endured a broken rudder, among

other calamities, but at last reached Maui on his 63rd day at sea, four days after his food had run out. Dave Shively brings Gillet's remarkable story to life in this gripping narrative, based on exclusive access to Gillet's logs as well as interviews with the legendary paddler himself.

Der Zombie Survival Guide Broadway Books

"In 1968, the zombie-infested jungles of Vietnam and Laos explode with the coming of a grim hero for earth's new dark age! Jungle Jim is a one-man army, a reaper in a gas mask... Jack the Ripper with an M-16... armored in burlap and bamboo against the living and the dead as he searches relentlessly for redemption in the heart of a rotting, war-torn apocalypse. Whether he's rescuing American POWs from the clutches of the Viet Cong or staging a bullet-riddled standoff against hordes of the hungry

undead to protect the occupants of a remote, French Catholic mission, Jim will put his life on the line and the metal to the meat!"--

History of Brazil Del Rey Books

A guide to surviving an attack by hordes of the predatory undead explains zombie physiology and behavior, the most effective weaponry and defense strategies, how to outfit one's home for a long siege, and how to survive in any terrain.

wer länger lebt, ist später tot Del Rey

A wryly comic guide to protecting oneself from vampires at home, at work, or out on the town identifies vampire habits and routines, shares tips for setting a vampire trap, and outlines a ritual for cleansing a town after a vampire attack. Original. 30,000 first printing.

The Worst-Case Scenario Survival Handbook Haynes Publishing UK

February, 2031: The global population now stands at an estimated 400 million, and every survivor bears the scars of humanity's decade-long struggle to defeat an enemy few believed could exist. Some nations have emerged from the war stronger than ever. Others still struggle to survive. Some no longer exist at all. In the aftermath of the zombie pandemic Keith Taylor, noted pre-war author of apocalyptic fiction, traveled the world to gather the first hand accounts of survivors from every

walk of life, culture and strata of society, ranging from American political leaders to British journalists to Mongolian miners to members of India's homeless underclass. Together these chilling interviews describe the course of humanity's most brutal war, leading from the initial emergence of the virus in the Siberian wilderness to the visceral, heart-rending Shibuya footage, through the confusion of the US President's impeachment to the unintended and disastrous consequences of the UN's sweeping refugee amendment, and ending with us battered and broken, diminished but not defeated, in the fragile peace we now enjoy. Together these accounts represent the most illuminating and complete commentary to date of humanity's loss. From these candid interviews emerges an image of early 21st century civilization as it truly was: imperfect, fragmented and wholly unprepared for a disaster on such a scale. This is the Way the World Ends takes an unflinching, uncompromising look at the world we had and lost; a look at the pain we suffered due to our inability to accept a single, simple truth: Zombies are real. Note: Readers who lived through the pandemic may find the interviews contained within this collection distressing. Discretion is advised.

An Oral History of the Zombie War Creator's Edge Press

"Brooks [is] America's most prominent maven on the living dead...Gripping reading." —Hartford Courant This collection, available exclusively as an ebook, brings together two New York Times bestselling titles from Max Brooks: *The Zombie Survival Guide* and *World War Z*. Fully illustrated and exhaustively comprehensive, *The Zombie Survival Guide* is the key to survival against the hordes of undead who may be stalking you right now. In *World War Z*, Brooks delivers an invaluable chronicle of the

Zombie War, told in the haunting and riveting voices of the men and women who witnessed the horror firsthand.

A Warrior's Memoir Penguin

Hours of bone-crunching zombie action with 100 paths and 50 endings to choose from—perfect for fans of *The Walking Dead*. "Creepy, chilling, and lots of nasty fun!" (Jonathan Maberry) Inside these pages lies unspeakable horror. Bloodsplattering, brain-impaling, flesh-devouring horror. You've probably read your fair share of zombie stories. But this time it's different. No longer can you sit idle as a bunch of fools make all the wrong moves. All hell is about to break loose—and YOU have a say in humanity's survival. You have choices to make. Moral dilemmas. Strategic decisions. Weapons. Vehicles. Will you be a hero? Or will you cover your own ass at all costs? Can you withstand the coming hours, days, weeks, and months? Or will you die amidst the chaos and violence of a zombie uprising? Or, worst of all, will you become one of them?

Devolution Orbit

"This satirical self-help guide is a humorous look at the apocalyptic rise of the un-living, flesh eating hordes. With tongue firmly in cheek the guide takes a logical approach to defining zombies and laying out just what needs to be done to survive."-- Amazon website.

Operation Zombie Del Rey

NEW YORK TIMES BESTSELLER • The #1 New York Times bestselling author of *World War Z* is back with "the Bigfoot thriller you didn't know you needed in your life, and one of the greatest horror novels I've ever read" (Blake Crouch, author of *Dark Matter* and *Recursion*). FINALIST FOR THE LOCUS AWARD As the

ash and chaos from Mount Rainier's eruption swirled and finally settled, the story of the Greenloop massacre has passed unnoticed, unexamined . . . until now. The journals of resident Kate Holland, recovered from the town's bloody wreckage, capture a tale too harrowing—and too earth-shattering in its implications—to be forgotten. In these pages, Max Brooks brings Kate's extraordinary account to light for the first time, faithfully reproducing her words alongside his own extensive investigations into the massacre and the legendary beasts behind it. Kate's is a tale of unexpected strength and resilience, of humanity's defiance in the face of a terrible predator's gaze, and, inevitably, of savagery and death. Yet it is also far more than that. Because if what Kate Holland saw in those days is real, then we must accept the impossible. We must accept that the creature known as Bigfoot walks among us—and that it is a beast of terrible strength and ferocity. Part survival narrative, part bloody horror tale, part scientific journey into the boundaries between truth and fiction, this is a Bigfoot story as only Max Brooks could chronicle it—and like none you've ever read before. Praise for *Devolution* "Delightful . . . [A] tale of supernatural mayhem that fans of King and Crichton alike will enjoy."—Kirkus Reviews (starred review) "The story is told in such a compelling manner that horror fans will want to believe and, perhaps, take the warning to heart."—Booklist (starred review)

Minecraft St. Martin's Griffin

An account of the decade-long conflict between humankind and hordes of the predatory undead is told from the perspective of dozens of survivors who describe in their own words the epic human battle for survival.

The Zombie Combat Manual Del Rey

[The Essential Max Brooks](#) No Starch Press

"Months before publication, William R. Forstchen's One Second After was cited on the floor of Congress as a book all Americans should read. Hundreds of thousands of people have read the tale. One Year After is the thrilling follow-up to that smash hit. The story picks up a year after One Second After ends, two years since the detonation of nuclear weapons above the United States brought America to its knees. After suffering starvation, war, and countless deaths, the survivors of Black Mountain, North Carolina, are beginning to piece back together the technologies they had once taken for granted: electricity, radio communications, and

medications. They cling to the hope that a new national government is finally emerging. Then comes word that most of the young men and women of the community are to be drafted into an "Army of National Recovery" and sent to trouble spots hundreds of miles away. When town administrator John Matherson protests the draft, he's offered a deal: leave Black Mountain and enter national service, and the draft will be reduced. But the brutal suppression of a neighboring community under its new federal administrator and the troops accompanying him suggests that all is not as it should be with this burgeoning government"--

[Beyond Exile: Day by Day Armageddon](#) Simon and Schuster

In graphic novel format, provides the lessons learned throughout history about zombie outbreaks, from the African savannah to the legions of ancient Rome to the ill-advised experiments of the Soviet army.
