significance of his
death and resurrection.
Through this study you
will come to appreciate
Jesus atonement in a
new way. Chapters
include an in-depth
study of Jesus as a
Lamb sacrificed for our
sins, the amazing
prophecy of Christ as

the Lamb in Isaiah 53, redemption through the blood of the Lamb, Christ as our Passover Lamb, and the Lamb on the throne in the Book of Revelation. The book contains a wealth of background information, as well as questions for thought or discussion and key verses for meditation. These five lessons can be used for personal enrichment, Lenten Bible studies by small groups and classes, and by teachers and preachers for sermon preparation.

The Passion Play

Charisma Media
Lent recalls times of wilderness and wandering, from newly freed Hebrew slaves in exile to Jesus' temptation in the desert. God has always called people out of their safe, walled cities

into uncomfortable places, revealing paths they would never have chosen. Despite our culture of self-indulgence, we too are called to walk an alternative path—one of humility, justice, and peace. Walter Brueggemann's thought-provoking reflections for the season of Lent invite us to consider the challenging, beautiful life that comes with walking the way of grace.

What the Bible Says about the Cross

HarperCollins
Together in one special volume, selections from the best of beloved bestselling author C. S. Lewis's classic works for readers contemplating the "grand miracle" of Jesus's resurrection. *Preparing for Easter* is a concise, handy companion for the faithful of all Christian traditions and the curious to help them deepen their knowledge and consideration of this holy season—a time of reflection as we consider Jesus's sacrifice and his joyous rise from the dead.

Carefully curated, each selection in Preparing for Easter draws on a major theme in Lewis's writings on the Christian life, as well as others that consider why we can have confident faith in what happened on the cross.

Place yourself as a witness of the cross and determine what your own testimony will be! Experience Holy Friday from the perspective of those who watched Jesus die: Mary his mother; the Beloved Disciple from the Gospel of John; Mary Magdalene and the other women from Galilee; the two men, usually identified as thieves, crucified with Jesus; the centurion and the soldiers; Joseph of Arimathea and Nicodemus. Jews

and Romans, friends and strangers, the powerful and the powerless, the hopeful and the despairing. The story of Jesus's death is not something we just read: we think about it, and we experience it; we hear the taunts of the soldiers, the priests, and the passersby even as we hear the famous "seven last words" from the cross. In *Witness at the Cross*, Amy-Jill Levine shows how the people at the cross each have distinct roles to play. Each Evangelist presents a distinct picture of the death of Jesus. Each portrays different individuals and groups of people at the cross, each offers different images and dialogues, and so from each, we learn how those meanings

and messages cross the centuries to any who would come to the cross today. Each Gospel has its own story to tell, all the witnesses have their own memories, and every reader comes away with a new insight. The witnesses at the Crucifixion watch Jesus die, and we watch with them, and we watch them. And we come away transformed. Additional components are available for a six-week study include a DVD featuring Dr. Levine and a comprehensive Leader Guide.

Journey along with Jesus and his followers from very start of his

ministry until Resurrection Sunday. In this Lenten devotional, we walk with Jesus through the book of Luke, listening with the crowds, mounting the stormy seas with his friends, and leaping for joy at the empty tomb. Each day, enter into a new part of Jesus' story with a scripture, reflection, prayer and a digging deeper question, as well as space for journaling. By Easter, my hope is that we grasp more deeply who Jesus is, what is important to him, and how we can walk intimately with him even today. Join the She Pens Truth community on Instagram as we journey through this Lenten devotional together. Each day, I share an inspiring art

piece that goes with that day in the devotional. This is where the community shares insights, asks questions, and responds to each other. You can also follow along with regular videos where I chat more about each day's scripture and how it impacts me. You can also find out more at shepenstruth.com. Jesus' Final Week

Preparing My Heart
Pastors love to preach about grace. The essence of the Good News, grace is unmerited favor from the all-powerful Creator of the world. There is perhaps no

more satisfying message to deliver. But does the average churchgoer really understand what grace means for them? Is it just another "Christianese" term that fails to resonate? Bill Thomas' Surrounded by Grace: A Bible Study for Lent is a tool based on the Gospel of John to help pastors, small groups and congregations answer the question of what grace is in a modern context. From the story of Jesus turning water into wine at the wedding in Cana to his conversation with the Samaritan woman at the well, Thomas uses John's words to affirm that the Lord's favor extends to all no matter how insignificant we see ourselves or our

problems. Written to be utilized for individual or group study, or for worship services during the Lenten season, *Surrounded by Grace* encourages the imagination to ponder that there is no storm so great the Lord cannot overcome it; no pain so deep he will not sustain us through it; no death so final he will fail to resurrect us from it. Lessons Include: "Grace for Those Awkward Moments" (John 2:1-11) "Grace for the Broken Heart" (John 11:17-44) "Grace When Things Are Chaotic" (John 16:17-33) Bill Thomas is an associate pastor at First Christian Church of Washington, Missouri. Previously he has served as a minister at Northridge Church of Christ in

Circleville, Ohio, and as pastor of Stony Point Christian Church in Kansas City, Kansas. Bill received a B.S. in Education from the University of Kansas, a Bachelor of Theology from Manhattan Christian College, and a Master of Arts from Johnson Bible College. His previously published works include *The Road to Victory: A Pre-Easter Home Study* and *The Critical Questions ... And More: Three Pre-Easter Bible Studies* (CSS Publishing). An avid sports fan who referees football and basketball, he is also the author of two young adult Christian books with a sports theme: *Pete Thompson and the Long Road Home*, and *Pete Thompson and the Last Out* (Publish America,

The Gospel of John is the most deeply spiritual of the four gospels. This writing is filled with rich images and profound truths, but John notes that his aim in writing the gospel is that readers will not only believe in Jesus Christ, but that they “may have life in his name.” Adults, youth, and children alike can experience a season of spiritual growth and life-changing renewal in Adam Hamilton’s six-week, DVD-series, *John: The Gospel of Light and Life*. You’ll follow the life, ministry, death, and resurrection of Jesus through the Gospel of John and understand the context of some of the best-

known verses in the New Testament.

Everything you need to lead small groups of all ages is available for this special study including the entire Gospel of John in the CEB translation printed in the book.

God's Word B&H Publishing Group Presents a forty-day guide to Lenten prayers and devotions. *The Year of Mark* InterVarsity Press Jesus’ final days were full of risk. Every move he made was filled with anticipation, danger, and the potential for great loss or great reward. Jesus risked his reputation when he entered Jerusalem in a victory parade. He risked his life when he dared to teach in the Temple. His followers risked everything when they left behind their

homes, or anointed him with costly perfume. We take risks as we read and re-read these stories, finding new meanings and new challenges. In *Entering the Passion of Jesus: A Beginner's Guide to Holy Week*, author, professor, and biblical scholar Amy-Jill Levine explores the biblical texts surrounding the Passion story. She shows us how the text raises ethical and spiritual questions for the reader, and how we all face risk in our Christian experience. *Entering the Passion of Jesus* provides a rich and challenging learning experience for small groups and individual readers alike. The book is part of a larger six-week study that is perfect for Lent and includes a DVD, and a

comprehensive Leader Guide. The book's six chapters include: Jerusalem: Risking Reputation The Temple: Risking Righteous Anger Teachings: Risking Challenge The First Dinner: Risking Rejection The Last Supper: Risking the Loss of Friends Gethsemane: Risking Temptation

Devotions for Lent

Do you enter every holiday wanting it to be meaningful, only to find that it feels chaotic with no direction? We set New Year's goals we can't keep, struggle to love or be loved on Valentine's Day, and find it hard to celebrate the risen Jesus when we are searching for the perfect Easter dress. Our summer and back-to-school seasons

are whirlwinds, even as adults; we aren't quite sure what to do with Halloween as Christians; and we feel less than grateful at Thanksgiving because it is sometimes full of complicated people. Even Christmas becomes a challenge, as celebrating Jesus gets lost behind twinkling lights and a mountain of gifts. Holidays are meant to be more than chaos with glimpses of grace; they are meant to draw us closer to God and one another. We want all the whimsy and joy the holidays held when we were children, before life crowded it out. We want the holidays to reflect our love for Jesus and reveal the grace that has been lavished on us, but life is so busy that setting a game

plan just doesn't happen. No more. It's time to stop trying to survive the holidays or over indulge the whimsy, and instead live in the abundant life God called us to live. Sacred Holidays is part book and part resource: meant to help you avoid what has tripped you up in the past and give you insights, tips, and tools to make your holidays less chaotic and more about loving Jesus and others. Don't let your holidays be marked by regret, whirlwinds, or survival mindset. Let's celebrate every holiday together purposefully and worshipfully—loving Jesus and others well in every moment.

Observe...Interpret...Apply People with Bibles don't always know how to use them. They're good at absorbing and repeating material from sermons, commentaries, and blogs, but they miss the fullness and joy that comes from studying the Bible for themselves. The power

to change the world is available, but it goes untapped. Though study aids are helpful, imagine if your primary ministry curriculum was Scripture itself. You could study the Bible, teach people how to study it themselves, and expect those folks to lead their own Bible studies with their neighbors, coworkers, and friends. Each year, you'd see an increasing number of men and women wield the sword of the Spirit, piercing hearts and drawing the lost to Jesus. Ordinary people can learn to study the Bible. These people may not have been to seminary. They don't have much free time. But they love Jesus and want to be more like him. They want to know him. Knowable Word offers

a foundation on why and how to study the Bible. Using a running study of the first chapter of Genesis, it illustrates how to observe, interpret, and apply the Scripture-and gives the vision behind each step. It also shows how to read each Bible passage in light of salvation history. But besides being just a how-to on Bible study, it fuels the desire to learn and grow through studying the Scriptures. This book will appeal to

three kinds of people:
1. Beginners who love God and his Word
2. Mature Christians who want to improve their Bible study skills
3. Leaders who long not only to teach but also to equip Knowable Word offers what each group needs: a sensible Bible study method. By learning to observe, interpret, and apply, ordinary people will grow extraordinarily close to Jesus Christ as they learn to study his knowable Word.
