What does your marriage look like in your wildest dreams? You know those couples who seem to truly thrive? The lucky ones who are somehow still wildly in love after decades of marriage? As it turns out, that kind of marriage isn't just meant for a select few. The healthiest, happiest marriages share a transformational secret: intentional rhythms. In *The Rhythm of Us*, Chris and Jenni Graebe invite you to discover what those core essential rhythms are, how they work, and the results they can have on your relationships if you choose to practice them. With real life examples and inspirational guidance, you'll learn how to envision the marriage you long for, identify the ruts that are keeping you stuck, and bring your deepest passions and priorities to life in your relationship. You don't have to settle for a marriage that's just skimming by. Starting today, you can create a rich, passionate, thriving marriage that will last a lifetime. "It only takes a few minutes to realize that Jenni and Chris have a special relationship, and their advice and intentionality are a gift to other marriages. I'm so grateful for a resource that I can confidently pass along to others, knowing that it will quickly become a favorite!" —Angie Smith, bestselling author of *Seamless* "This isn't just another marriage book. This is an invitation . . . of the thriving marriage you long for. Chris and Jenni have placed some incredibly powerful tools in the hands of the reader, life-saving questions, practices, and rhythms that will have you dreaming of the marriage you desire and what it looks like to pursue that dream in the here and now." —Christy Nockels, worship leader, songwriter, author of *The Life You Long For*

The Rhythm of Us Princeton University Press

Winning the American Revolution was the first step to starting the new nation of the United States. However, without a ratified constitution, the fledgling country was not completely united. This insightful book guides readers through the eighty-five essays that make up the Federalist Papers. It explores the notions that pushed the states toward ratification and promoted a solid federal government. It takes readers through the history of why these documents were necessary and the role they played, and shares insight on how the Federalist Papers, their authors, and the U.S. Constitution itself continue to play a role in American society.

More love, more laughter--more lingerie. What would marriages look like if for 21 days, husbands and wives put their marriage on project status? Plenty of books describe how to improve marriage, how to save a marriage, and how to ramp up the intimacy in a marriage. In *The Marriage Project*, Kathi Lipp shows readers how to put the fun back in marriage with 21 simple yet effective projects, such as doing something they enjoyed together before they got married or flirting with their spouse via e-mail or text messages. Each of the projects contains: a project description suggestions for how to complete the project reports from other couples on how they accomplished the project a prayer a

place to record project results In addition to the daily projects, three bonus projects encourage couples to turn up the heat in the bedroom. For couples who haven't given up on the dream of being head-over-heels with their spouse again, *The Marriage Project* provides just the right boost. Included are tips on how to use *The Marriage Project* to revitalize marriages in a local church or small group.

Originally published in 1979. Adultery is a dominant feature in chivalric literature; it becomes a major concern in Shakespeare's last plays; and it forms the central plot of novels from *Anna Karenina* to *Couples*. Tony Tanner proposes that transgressions of the marriage contract take on a special significance in the "bourgeois novels" of the eighteenth and nineteenth centuries. His interpretation begins with the general topic of adultery in literature and then zeroes in on three works—Rousseau's *La Nouvelle Héloïse*, Goethe's *Die Wahlverwandtschaften*, and Flaubert's *Madame Bovary*. His interpretation encompasses the role of women, the structure of the family, social mores, and the history of sexuality.

Democratization is the most comprehensive volume on this critical field of contemporary politics, with insightful coverage of the key theories, actors, dynamics, and developments. This authoritative guide brings together leading experts from diverse international backgrounds, including some of the best known names in the field, making it an invaluable resource to students of democratization. This second edition reflects the dramatic changes in today's political world, with empirical coverage of developments on every continent. It considers the role of new technologies, including a dedicated chapter on social media and democratization, as well as the resilience of authoritarian tendencies in many parts of the world. The book is accompanied by a range of online resources designed to support both students and lecturers. For students: - Revise key terms and test your knowledge of terminology from the book with our digital flashcard glossary. - Expand your knowledge of key developments in world affairs with additional case studies. - Take your learning further with links to reliable web content and relevant OUP journals. For registered adopters of the textbook: - Guide class debate with suggested seminar questions and activities. - Adapt PowerPoint(R) slides as a basis for lecture presentations, or use as handouts in class.

Contemporary Marriage Harvest House Publishers

Dryden's audiences in 1671, both aristocratic and middle-class, would have been quick to respond to the themes of disputed royal succession, Francophilia and loyalty among subjects in his most successful tragicomedy. In the tragic plot, written in verse, young Leonidas has to struggle to assert his place as the rightful heir to the throne of Sicily and to the hand of the usurper's daughter. In the comic plot, written in prose, two fashionable couples (much more at home in London drawing-rooms than at the Sicilian court) play at switching partners in the 'modern' style. The introduction of this

edition argues that Dryden's own ambivalence about King Charles and his entourage, on whom he came to rely more on more for patronage, manifests itself in both plots; most of all perhaps in the excessively Francophile Melantha, whose affectation cannot quite hide her endearing joie-de-vivre.

InfoWorld Artech House

The refereed post-proceedings of the 1st and 2nd International Conferences on Web Information Systems and Technologies are presented in this volume. The papers present the state of the science, addressing all relevant aspects of web information systems technologies and applications. They are grouped into four parts covering internet technology; web interfaces and applications; society, e-business, and e-government; and e-learning.

A social psychologist examines the widespread cultural bias against unmarried adults, debunks commonly held myths about singlehood, and challenges the financial, social, economic, and other discrimination that single adults confront.

Staying One JHU Press

A Troubled Marriage describes the lives of native leaders whose resilience and creativity allowed them to survive and prosper in the traumatic era of European conquest and colonial rule. They served as soldiers, scholars, artists, artisans, and missionaries within early transatlantic empires and later nation-states. These Indian and mestizo men and women wove together cultures, shaping the new traditions and institutions of the colonial Americas. In a comparative study that spans more than three centuries and much of the Western Hemisphere, McEnroe challenges common assumptions about the relationships among victors, vanquished, and their shared progeny.

Marriage Standard Ebooks

By the end of World War I, the skyrocketing divorce rate in the United States had generated a deep-seated anxiety about marriage. This fear drove middle-class couples to seek advice, both professional and popular, in order to strengthen their relationships. In *Making Marriage Work*, historian Kristin Celello offers an insightful and wide-ranging account of marriage and divorce in America in the twentieth century, focusing on the development of the idea of marriage as "work." Throughout, Celello illuminates the interaction of marriage and divorce over the century and reveals how the idea that marriage requires work became part of Americans' collective consciousness.

A Troubled Marriage Claire Love Publishing

A REESE'S BOOK CLUB PICK "A hands-on, real talk guide for navigating the hot-button issues that so many families struggle with."--Reese Witherspoon Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the "shefault" parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family -- and then sent that list to her husband, asking for things to change. His response was... underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up chores and responsibilities. Rodsky interviewed more than five hundred men and women

from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With four easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space -- as in, the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try *Fair Play*? Let's deal you in.

Marriage A-La-Mode Oxford University Press, USA

Marriage is the most demanding and potentially rewarding relationship for many adults. Learning to navigate its challenges can be difficult. *Staying One* is a practical guide that not only teaches the spiritual what and why of marriage but also provides advice and practice in the how. Intended to save readers from the pain of learning the hard way, it illustrates and explains biblically sound approaches to building a healthy and fulfilling marriage that lasts. These include things married people should and shouldn't say to each other. *Staying One* will prove useful to pastors in their pre-marital counseling and to the couples they are ministering. It will serve as powerful source material for marriage enrichment workshops, retreats focused on marriage, and church-based growth groups and adult education classes. The book will prove of special interest to engaged couples, newlyweds, those wanting to revitalize their marriages, and married people on the brink of divorce. A key feature is that each chapter concludes with a response from the author's wife, reflecting a woman's point of view. We also offer a Workbook for use in completing the twenty hands-on activities contained in *Staying One*, as well as a comprehensive Leader's Guide for those facilitating workshops based on the book.

A History of Matrimonial Institutions Chiefly in England and the United States NavPress

Marriage is great, but it's not forever. It's until death do us part. Then come eternal rewards or regrets depending on how we spent our lives. In his latest book, Francis Chan joins together with his wife Lisa to address the question many couples wonder at the altar: "How do I have a healthy marriage?" Setting aside typical topics on marriage, Francis and Lisa dive into Scripture to understand what it means to have a relationship that satisfies the deepest parts of our souls. In the same way *Crazy Love* changed the way we saw our personal relationship with God, *You and Me Forever: Marriage in Light of Eternity* will radically shift the way we see one of the most important relationships in our life. Jesus was right. We have it all backwards. The way to have a great marriage is by not focusing on marriage. Whether you are single, dating or married, *You and Me Forever* will help you discover the adventure that you were made for and learn how to thrive in it. 100% of the net proceeds from this book will support various ministries including those that help provide shelter and rehabilitation for thousands of children and exploited women around the world. Building Wireless Sensor Networks University of New Mexico Press

Women in Victorian England wore jewelry made from each other's hair and wrote poems celebrating decades of friendship. They pored over magazines that described the dangerous pleasures of corporal punishment. A few had sexual relationships with each other, exchanged rings and vows,

willed each other property, and lived together in long-term partnerships described as marriages. But, as Sharon Marcus shows, these women were not seen as gender outlaws. Their desires were fanned by consumer culture, and their friendships and unions were accepted and even encouraged by family, society, and church. Far from being sexless angels defined only by male desires, Victorian women openly enjoyed looking at and even dominating other women. Their friendships helped realize the ideal of companionate love between men and women celebrated by novels, and their unions influenced politicians and social thinkers to reform marriage law. Through a close examination of literature, memoirs, letters, domestic magazines, and political debates, Marcus reveals how relationships between women were a crucial component of femininity. Deeply researched, powerfully argued, and filled with original readings of familiar and surprising sources, *Between Women* overturns everything we thought we knew about Victorian women and the history of marriage and family life. It offers a new paradigm for theorizing gender and sexuality--not just in the Victorian period, but in our own.

Electronic Government Springer Science & Business Media

This fascinating symposium is based on an assumption that no longer seems to need justification: that the institution of marriage is today experiencing profound changes. But the nature of those changes—their causes and consequences—is very much in need of explication. The experts contributing to this volume bring a wide range of perspectives—sociological, anthropological, economic, historical, psychological, and legal—to the problem of marriage in modern society. Together these essays help illuminate a form of relationship that is both vulnerable and resilient, biological and social, a reflection of and an influence on other social institutions. *Contemporary Marriage* begins with an important assessment of the revolution in marital behavior since World War II, tracing trends in marriage age, cohabitation, divorce, and fertility. The focus here is primarily on the United States and on industrial societies in general. Later chapters provide intriguing case studies of particular countries. There is a recurrent interest in the impact on marriage of modernization itself, but a number of essays probe influences other than industrial development, such as strong cultural and historical patterns or legislation and state control. Beliefs and expectations about marriage are explored, and human sexuality and gender roles are also considered as factors in the nature of marriage. *Contemporary Marriage* offers a rich spectrum of approaches to a problem of central importance. The volume will reward an equally broad spectrum of readers interested in the meaning and future of marriage in our society.

The posh, English daughter of an Australian pastoralist is sent to Kuryong station to learn the ropes. At the same time, a search is underway across the desolate innards of regional New South Wales for the lost son of a wealthy uncle. These stories collide to give a humorous take on the values of family, marriage and hard work, set in the beautiful backdrop of the Australian Outback. This was Banjo Paterson's first novel after a string of widely celebrated poems written in the late 1800s. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Web Based Learning Doubledoor Books

"A thorough and informative guide . . . with as many references to websites for Northern Irish genealogy as for the Republic of Ireland." —Who Do You Think You Are Magazine Ireland has experienced considerably more tragedy when it comes to the preservation of resources for family historians than its close neighbor Britain. Many of the nation's primary records were lost during the civil war in 1922 and through other equally tragic means. But in this new book Chris Paton, the Northern-Irish-born author of the bestselling *Tracing Your Family History* on the Internet, shows that not only has a great deal of information survived, it is also increasingly being made available online. Thanks to the pioneering efforts of the Public Record Office of Northern Ireland, the National Archives of Ireland, organizations such as FindmyPast Ireland, Ancestry.co.uk and RootsIreland, and the massive volunteer genealogical community, more and more of Ireland's historical resources are accessible from afar. As well as exploring the various categories of records that the family historian can turn to, Chris Paton illustrates their use with fascinating case studies. He fully explores the online records available from both the north and the south from the earliest times to the present day. Many overseas collections are also included, and he looks at social networking in an Irish context where many exciting projects are currently underway. His book is an essential introduction and source of reference for anyone who is keen to trace their Irish roots. "Chris Paton has produced this much-needed book for researchers tracing Irish roots, pulling together all the current online resources and expert advice into one handy guide." —Family Tree Magazine
