## TYRESE LUCA

*Cinderella Ate My Daughter* Routledge

Over the past decade, as digital media has expanded and print outlets have declined, pundits have bemoaned a “crisis of criticism” and mourned the “death of the critic.” Now that well-paying jobs in film criticism have largely evaporated, while blogs, message boards, and social media have given new meaning to the saying that “everyone’s a critic,” urgent questions have emerged about the status and purpose of film criticism in the twenty-first century. In *Film Criticism in the Digital Age*, ten scholars from across the globe come together to consider whether we are witnessing the extinction of serious film criticism or seeing the start of its rebirth in a new form. Drawing from a wide variety of case studies and methodological perspectives, the book’s contributors find many signs of the film critic’s declining clout, but they also locate surprising examples of how critics—whether moonlighting bloggers or salaried writers—have been able to intervene in current popular discourse about arts and culture. In addition to collecting a plethora of scholarly perspectives, *Film Criticism in the Digital Age* includes statements from key bloggers and print critics, like Armond White and Nick James. Neither an uncritical celebration of digital culture nor a jeremiad against it, this anthology offers a comprehensive look at the challenges and possibilities that the Internet brings to the evaluation, promotion, and explanation of artistic works.

*Reflections on the Cinema* Routledge

Both an introduction to film study and a practical writing guide, this brief text introduces students to major film theories as well as film terminology, enabling them to write more thoughtfully and critically. With numerous student and professional examples, this engaging and practical guide progresses from taking notes and writing first drafts to creating polished essays and comprehensive research projects. Moving from movie reviews to theoretical and critical essays, the text demonstrates how an analysis of a film can become more subtle and rigorous as part of a compositional

process --

*Wonder* Longman Publishing Group

David Bordwell's new book is at once a history of film criticism, an analysis of how critics interpret film, and a proposal for an alternative program for film studies. It is an anatomy of film criticism meant to reset the agenda for film scholarship. As such *Making Meaning* should be a landmark book, a focus for debate from which future film study will evolve. Bordwell systematically maps different strategies for interpreting films and making meaning, illustrating his points with a vast array of examples from Western film criticism. Following an introductory chapter that sets out the terms and scope of the argument, Bordwell goes on to show how critical institutions constrain and contain the very practices they promote, and how the interpretation of texts has become a central preoccupation of the humanities. He gives lucid accounts of the development of film criticism in France, Britain, and the United States since World War II; analyzes this development through two important types of criticism, thematic-explicatory and symptomatic; and shows that both types, usually seen as antithetical, in fact have much in common. These diverse and even warring schools of criticism share conventional, rhetorical, and problem-solving techniques--a point that has broad-ranging implications for the way critics practice their art. The book concludes with a survey of the alternatives to criticism based on interpretation and, finally, with the proposal that a historical poetics of cinema offers the most fruitful framework for film analysis.

*Critical Approaches to Writing about Film* Longman Publishing Group

*Film Art* "O'Reilly Media, Inc."

Peggy Orenstein, acclaimed author of the groundbreaking New York Times bestsellers *Girls & Sex* and *Schoolgirls*, offers a radical, timely wake-up call for parents, revealing the dark side of a pretty and pink culture confronting girls at every turn as they grow into adults. Sweet and sassy or predatory and hardened, sexualized girlhood influences our daughters from infancy onward, telling them that how a girl looks matters more than who

she is. Somewhere between the exhilarating rise of Girl Power in the 1990s and today, the pursuit of physical perfection has been recast as the source of female empowerment. And commercialization has spread the message faster and farther, reaching girls at ever-younger ages. But how dangerous is pink and pretty, anyway? Being a princess is just make-believe; eventually they grow out of it . . . or do they? In search of answers, Peggy Orenstein visited Disneyland, trolled American Girl Place, and met parents of beauty-pageant preschoolers tricked out like Vegas showgirls. The stakes turn out to be higher than she ever imagined. From premature sexualization to the risk of depression to rising rates of narcissism, the potential negative impact of this new girlie-girl culture is undeniable—yet armed with awareness and recognition, parents can effectively counterbalance its influence in their daughters' lives.

#1 NEW YORK TIMES BESTSELLER • The master of the legal thriller probes the savage depths of racial violence in this searing courtroom drama featuring the beloved Jake Brigance. “John Grisham may well be the best American storyteller writing today.”—The Philadelphia Inquirer The life of a ten-year-old black girl is shattered by two drunken and remorseless white men. The mostly white town of Clanton in Ford County, Mississippi, reacts with shock and horror at the inhuman crime—until the girl’s father acquires an assault rifle and takes justice into his own hands. For ten days, as burning crosses and the crack of sniper fire spread through the streets of Clanton, the nation sits spellbound as defense attorney Jake Brigance struggles to save his client’s life—and then his own. Don’t miss any of John Grisham’s gripping Jake Brigance novels: A TIME TO KILL • SYCAMORE ROW • A TIME FOR MERCY

*Rainier on Film* Univ of California Press

Meet Thursday Next, literary detective without equal, fear or boyfriend Jasper Fforde’s beloved New York Times bestselling novel introduces literary detective Thursday Next and her

alternate reality of literature-obsessed England—from the author of *The Constant Rabbit* Fans of Douglas Adams and P. G. Wodehouse will love visiting Jasper Fforde's Great Britain, circa 1985, when time travel is routine, cloning is a reality (dodos are the resurrected pet of choice), and literature is taken very, very seriously: it's a bibliophile's dream. England is a virtual police state where an aunt can get lost (literally) in a Wordsworth poem and forging Byronic verse is a punishable offense. All this is business as usual for Thursday Next, renowned Special Operative in literary detection. But when someone begins kidnapping characters from works of literature and plucks Jane Eyre from the pages of Brontë's novel, Thursday is faced with the challenge of her career. Fforde's ingenious fantasy—enhanced by a Web site that re-creates the world of the novel—unites intrigue with English literature in a delightfully witty mix.

The essays collected in this volume use a variety of methodologies to explore Bergman's Persona.

**Making Meaning** Bloomsbury Publishing

The instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only

was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F\*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

*The Miracle Maker* Penguin

*The Language and Style of Film Criticism* brings together original essays from an international range of academics and film critics highlighting the achievements, complexities and potential of film criticism. In recent years, in contrast to the theoretical, historical and cultural study of film, film criticism has been relatively marginalised, especially within the academy. This book highlights the distinctiveness of film criticism and addresses ways in which it can take a more central place within the academy and develop in dynamic ways outside it. *The Language and Style of Film Criticism* is essential reading for academics, teachers, students and journalists who wish to understand and appreciate the language and style of film criticism.

A director reveals the original inspirations for his films, their history, his methods of work, and the problems of visual creativity  
*A Novel* Anchor

Film is an art form with a language and an aesthetic all its own, and since 1979 David Bordwell and Kristin Thompson's *Film Art* has been the most respected introduction to the art and analysis of cinema. In the new seventh edition, *Film Art* continues its commitment to providing the best introduction to the

fundamentals of serious film study - images throughout the book are collected from actual film frames, not from production stills or advertising photos - but the book has been extensively re-designed to improve readability and teachability. Additionally, the text can be packaged with the award-winning Film, Form, and Culture CD-ROM, and is supported by an extensive Instructor's Manual and text-specific website.

**The Art of Watching Films** Knopf Books for Young Readers

(Applause Books). "I find John's critical writing immensely entertaining even when I'm not in agreement... He has the gift, such a rare one, of being able to analyze the work in question, to be able to say why it is that it's so powerful, so touching; or, on the other hand, so trite, so meretricious, or so banal... I find his reviews full of insights and perceptions that make reading a collection of this sort as exciting as reading a gripping novel. John's wit is dazzling and is never displayed for its own sake, but to drive home an aspect of the review... It was exciting for me to read through this collection and see such warm praise for so many films that I feel have been unjustly ignored." Bruce Beresford

*1940 Edition* Colchis Books

Originally published as the *The Continuum Companion to Religion and Film*, this Companion offers the definitive guide to study in this growing area. Now available in paperback, the Bloomsbury Companion to Religion and Film covers all the most pressing and important themes and categories in the field - areas that have continued to attract interest historically as well as topics that have emerged more recently as active areas of research. Twenty-nine specifically commissioned essays from a team of experts reveal where important work continues to be done in the field and provide a map of this evolving research area. Featuring chapters on methodology, religions of the world, and popular religious themes, as well as an extensive bibliography and filmography, this is the essential tool for anyone with an interest in the intersection between religion and film.

**Film History** Critical Approaches to Writing about Film

The first book in the blockbuster phenomenon *The Maze Runner* series now features chapters from the highly-anticipated series conclusion, *The Fever Code*, the book that finally reveals the story of how the maze was built! When Thomas wakes up in the lift, the only thing he can remember is his name. He's surrounded by

strangers—boys whose memories are also gone. Outside the towering stone walls that surround them is a limitless, ever-changing maze. It's the only way out—and no one's ever made it through alive. Then a girl arrives. The first girl ever. And the message she delivers is terrifying. Remember. Survive. Run. The Maze Runner and Maze Runner: The Scorch Trials are now major motion pictures featuring the star of MTV's Teen Wolf, Dylan O'Brien; Kaya Scodelario; Aml Ameen; Will Poulter; and Thomas Brodie-Sangster. The third movie, Maze Runner: The Death Cure, will hit screens in 2018. Also look for James Dashner's edge-of-your-seat MORTALITY DOCTRINE series! thrill fans of this Maze Runner [series] and prove just as exciting for readers new to the series."—Shelf Awareness, Starred "Take a deep breath before you start any James Dashner book."—Deseret News

#### **Movies, Science, and the End of the World** IGI Global

A landmark biography explores the crucial resonances among the life, work, and times of one of the most influential filmmakers of our age When Jean-Luc Godard wed the ideals of filmmaking to the realities of autobiography and current events, he changed the nature of cinema. Unlike any earlier films, Godard's work shifts fluidly from fiction to documentary, from criticism to art. The man himself also projects shifting images—cultural hero, fierce loner, shrewd businessman. Hailed by filmmakers as a—if not the—key influence on cinema, Godard has entered the modern canon, a figure as mysterious as he is indispensable. In *Everything Is Cinema*, critic Richard Brody has amassed hundreds of interviews to demystify the elusive director and his work. Paying as much attention to Godard's technical inventions as to the political forces of the postwar world, Brody traces an arc from the director's early critical writing, through his popular success with *Breathless*, to the grand vision of his later years. He vividly depicts Godard's wealthy conservative family, his fluid politics, and his tumultuous dealings with women and fellow New Wave filmmakers.

*Everything Is Cinema* confirms Godard's greatness and shows decisively that his films have left their mark on screens everywhere.

#### Film Criticism in the Digital Age Penguin

Looks at how science is portrayed in over one hundred films, discussing the accuracy rate of science in movies and the influence they have on public opinion.

#### *Unlikely Couples* Springer

The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections.
